

Chapter 1989– 1990 of A Dish Best Served Cold Novel

Chapter 1989 Don' t Want The Third Person To Know

“Shen Xin calmly, chest straight.”

“Activate the dragon body.”

A cold aftertaste sound came from the ear.

Mark didn't speak, but he was trying his best to cooperate.

Soon, in the dark room, a touch of golden light lit up from Mark.

Immediately afterwards, countless fine dragon patterns emerged from Mark.

A majestic masculinity, like a surging river, swept out of Mark's body.

At about the same time, on the seductive ketone body that was closely attached to Mark, there were dragon patterns appearing.

But unlike Mark's golden light, a blue light emerged from Yu Yun's naked body.

Between the icy blue light flowing, a lingering and long gentle force, like this, flows out from Yu Yun Jiao's body.

On one side, golden light swept through, and on the other side, blue light lingered.

Two completely different rays of light, two diametrically opposed forces, just like this, where they touched their bodies, they continued to blend and converge.

Intertwined, circulating.

Just like, in harmony!

Until, slowly absorbed by the opponent's body.

At the moment when the two forces merged, Mark and Yu Yun almost coincidentally, their bodies trembled slightly.

Really, it's a very strange feeling.

Just like the lingering one between lovers, everything about the other party has melted into his body.

Yin and Yang are in harmony, in harmony with each other, maybe it is to describe this moment?

As the two entered the cultivation state, the entire room fell into an endless silence for a moment.

Outside the window, the moonlight is like water.

This world is also extremely quiet, as if one can hear the sound of time passing by at the fingertips.

It changed quickly overnight.

Before dawn, Yu Yun forcibly suspended her practice.

After all, although this method of dual cultivation is very conservative, it is hard to tell if there are lone men and widows in the same room and skin touch.

Therefore, Yu Yun didn't want it to be discovered by the old lady.

Naturally, he had to drive Mark away before dawn.

However, before leaving, Yu Yun once again solemnly warned Mark: "I don't want a third person to know about you and me."

"Otherwise, I will never let you go!" Yu Yun said coldly, with a deep chill.

Mark smiled back: "Well, don't worry, I won't talk nonsense."

"But..."

Mark paused after turning around.

"But what?" Yu Yun looked at Mark, wondering.

Mark smiled: "You have a good figure?" After saying that, Mark turned his head and Sa Yazhi ran away.

Behind him, Yu Yun's almost murderous roar came.

Because it takes time to stabilize and digest the power drawn from the opponent's body, the double repairs between Mark and Yu Yun are set to be once every two days.

That is, every other night, it will be done once.

After all, the Dragon God Body is such a powerful martial arts, it is definitely not a matter of overnight.

Like Mark's Yanglong body, he has only mastered it skillfully after several years of cultivation, and he is able to retract and unwind freely.

It took nearly ten years to cultivate to great success.

Therefore, it is conceivable that if Mark wants to completely control the Yinlong body, it will take a long time.

Of course, with the foundation of the yang dragon body and the aftertaste to help, compared with the yang dragon body, the control of the yin dragon body is bound to be much faster.

However, even so, Mark estimates that there is no time for one or two months, and it is difficult to control it completely!

“Mark turned around and paused. “But what?”

“Yu Yun looked at Mark, wondering. Mark smiled: “You are in a very good shape?”

“After speaking, Mark turned his head, and Sa Yazhi ran away. Behind him, a roar of almost murderous Yu Yun came from behind. — Because it takes time to stabilize and digest the power drawn from the opponent’s body, so Mark and Yu Yun’s double training is scheduled to be once every two days. Chapter 1990

In this way, Mark and Yu Yun both pretended to be innocent in front of the old lady during the day, and continued to practice the Yunyan sword technique as usual.

But in the evening, the two of them carried the old lady on their backs and did the unspeakable things.

However, at dinner one day, the old lady suddenly asked Mark: “Mark, why didn’t you soak the Shengshengzaohua soup I prepared for you last night?” “The medicinal power in it was wasted.”

“You yesterday It’s not a good time to take a medicine bath to heal your wounds, what did you do?” “Is it possible, which girl can you find fooling around?” The old lady stared.

Hearing the words of the old lady, the after-rhyme who had been eating quietly, her delicate body trembled suddenly, and her expression suddenly became tense.

Pretty face flushed unconsciously.

After the guilty conscience, the pretty face was almost buried in the bowl, just bowed his head to eat, the atmosphere did not dare to breathe, for fear of being suspicious by the old lady.

After all, if you want the old lady to know that Mark has to go to her bed to do such things almost every night, then his image in the old lady’s heart will undoubtedly be completely destroyed.

Although it is forced by cultivation, it is always detrimental to one’s own image, and Yu Yun is naturally very guilty.

But Mark was a calm comparison.

He has always been very thick-skinned. When facing the old lady's question, he smiled: "Too grandma, how did you know that I went to Miss Yu's room?" Cough cough cough... Mark's words just fell, Yu Yun is over there Jiao's body trembled, and then he choked on the rice porridge in his mouth, and coughed violently.

"Yun'er, are you okay?" The old lady quickly patted Yu Yun's younger generation.

"milk..

Milk, I'm fine, just drink some water.

"Yu Yun's pretty face flushed with choking, and she whispered back. At the same time, Yu Yun's light glared at Mark, as if a sword was resting on Mark's neck. That seemed to warn Mark. No matter how nonsense he is, he will cut him! But the more Yu Yun is so, the more interesting Mark feels. After all, it is rare to appreciate the appearance of a Bingshan beauty with a guilty conscience and embarrassment. However, Mark did not dare to offend her too much. . In case she provokes her hair and chooses to stop playing, his dragon body will undoubtedly be soaked. Therefore, Mark immediately continued: "Miss Yu Yun, don't be angry, I'm just kidding.

After calming the lingering rhyme, Mark looked at the old lady: "But, grandma, grandchildren are so old, you shouldn't ask more about such private matters."

"Don't worry, I know my body."

"I will not delay healing."

"If you don't believe me, take your pulse and see if my injury improves."

Mark licked his face and stretched out his arm. The old lady nodded immediately after touching it.

"I originally thought that it would take at least half a year if you want to heal all the injuries in your body."

"But now it seems that it won't take that long.

"The old lady was very pleased. Seeing Mark's confusion, the string in Yu Yun's heart immediately loosened. However, as the three of them continued to eat, there was a knock on the door. Sound. Boom boom boom~ The deep reverberation, like a night shift ghost knocking on the door, looks strange in this ancient courtyard. Nearly instant, Mark's heartstrings tightened immediately. You know, this old Chu family house, few people have been here for many years. The old lady almost never dealt with outsiders. But now, there is a knock on the door. Who could it be? "Could it be that Chu Zhengliang's person came here?

Mark's face was dark, with a pair of brows and eyes, suddenly cold and murderous.

"Well, the recovery is really good."

"I originally thought that it would take at least half a year for your internal injuries to heal completely."

"But now it seems that it won't take that long."

The old lady was very pleased.

Seeing Mark confuse the pass, the string in Yu Yun's heart immediately loosened.

However, just as the three of them continued to eat, there was a knock on the door.

咚咚咚~ The deep reverberation, like a night shift ghost knocking on the door, looks very strange in this ancient courtyard.

Almost instantly, Mark's heartstring tightened immediately.

You know, this old house in the Chu family has rarely been visited for many years.

The old lady almost never dealt with outsiders.

But now, there was a knock on the door.

Who will it be?

“Could it be that it was Chu Zhengliang's person who came here?” Mark's face was solemn, his brows and eyes were suddenly cold and murderous.
