

Chapter 2001

Mrs. Willson had never been so happy to shake her whole body for a meal.

According to the foreman, she had been busy in the supermarket, and at seven o'clock in the evening, she finally received the meal coupon she was thinking of.

Although she had already had a full meal at noon, Mrs. Willson still looked like a hungry dog that had been confined for three days with this meal in the dining hall. She had a big belly and couldn't stand up.

She couldn't eat anymore. She rested on the canteen seat for half an hour before she stood up reluctantly with her hands on the table.

After eating and drinking, the whole person has energy.

Mrs. Willson wiped her mouth with the back of her hand, and touched her belly with the palm of her hand, feeling satisfied with herself: "Unexpectedly, eating after this labor is so delicious! Today I had enough to eat!"

Immediately, she checked the time and realized that it was already past eight o'clock, so she planned to go home quickly.

Although she has always been selfish, after experiencing all the hardships and difficulties during this period, she has more or less cared about her children and grandchildren.

Thinking of her son and grandson still lying in bed waiting to be fed, Mrs. Willson hurried to the cafeteria window and asked the staff member who was about to leave work: "Excuse me, do you still need these leftovers, steamed buns, and rice?"

The other person looked at her and said helplessly: "Isn't it, old lady, you have eaten three people's meal alone, and you haven't eaten enough?"

Mrs. Willson wiped her mouth in embarrassment and said with a grin: "Hey, I'm full and the children in the family are still hungry. Do you know, they haven't eaten anything for almost two days and nights."

The other party asked in surprise: "Really? When is there still someone who can't eat?"

Mrs. Willson had a hot face and said embarrassedly: "Hey, something happened to my family during this period of time. The eldest daughter-in-law in the family has breast cancer. It is found to be at an advanced stage. The ball is about to die, my eldest son spent all the money at home in order to treat her illness..."

With that said, Mrs. Willson suddenly felt very refreshed in her heart.

It's really cool!

She had long seen Horiyah not pleasing to her eyes. If Ragnar hadn't stopped her, then she herself would have wanted to beat Horiyah to death.

Especially recently, Horiyah has disobeyed her in various ways and even forced her to work. She has long hated her for this in her heart.

Therefore, in front of others, fabricating the rumor that Horiyah was dying of breast cancer made her feel the pleasure of revenge.

When the staff in the cafeteria heard this, they suddenly exclaimed: "Huh? Advanced breast cancer, that would be too miserable..."

"That's not a big deal!" Mrs. Willson sighed, "Hey... My eldest daughter-in-law has advanced breast cancer, and my second daughter-in-law is even more miserable!"

The staff member hurriedly asked: "Lady, what happened to your second daughter-in-law?"

Mrs. Willson said with regret: "Second daughter-in-law has uremia and lives on dialysis all day long. However, on the way to the hospital for dialysis some time ago, she was hit by a car, and her limbs are amputated under her a\$\$. "

The staff were scared and stupefied: "Is this... not so miserable?"

Mrs. Willson said with a face: "What's this? What's worse is yet to come!"

The staff asked: "What could be worse?"

Mrs. Willson said with emotion: "My second daughter-in-law, she had to go to the hospital for dialysis if her leg was gone. It was miserable, but she got a stroke again. Now she has a crooked mouth."

When talking about Elaine, Mrs. Willson felt more resentful in her heart.

Chapter 2002

She wished that Elaine was really as miserable as the one she arranged! She even hopes that the more miserable she is, the better!

However, the staff did not know that she was just talking about it.

The staff felt that normal people, who would curse their family members out of nothing? So what the old lady said must be the truth.

So she said with great sympathy: "No wonder you at this age still come out to work. It's really not easy for you to have things like this one after another at home!"

As she said, she continued: "Lady, we have seven or eight buns left here, almost four rice, and some leftovers. Do you have a lunch box? I'll pack it for you and you can take it home!"

Mrs. Willson was very excited, but she still suppressed her ecstasy, and said with a melancholy expression: "How can I have a lunch box... My daughter-in-law is dying, I can't afford that stuff.""

With that said, the old lady saw the plastic bag hanging on the side of the counter, and blurted out: "Why don't you do it, big girl, you put all the leftovers in plastic bags for me, I'll take them home."

The staff nodded hurriedly and said, "I'm fine, as long as you don't dislike it!"

Mrs. Willson hurriedly said: "Don't dislike it, there is no such thing!"

Soon, the staff took out the leftovers for Mrs. Willson, and packed four large plastic bags.

She felt a little regretted when she got started, thinking: “With so many leftovers, it’s too damn heavy! How can I carry it back?”

But then she thought about it: “No, I have to take everything. With this food, the family can last for at least two days, otherwise, what is enough to rely on the one hundred earned today?”

Thinking of this, she could only thank the staff, and gritted her teeth and took the four big bags of food home.

On the way back, Mrs. Willson was not willing to take a taxi.

It takes a lot of money to take a taxi home from here, and the one hundred she made for a whole day of hard work, maybe half of it will be lost to a taxi.

After much deliberation, it is better to take the bus.

So, she bought two ham sausages at a roadside store, thinking about using ham sausages to make up for Noah and Harold, just to give the change to take the bus driver.

On the bus, other old people swiped their old people’s card to ride for free. Mrs. Willson didn’t have one, so she could only put a dollar in the coin box.

In fact, she had known for a long time that when the elderly with local household registration reached 65 years of age, they could go to the civil affairs department to get a free bus ride for the elderly.

However, Mrs. Willson never took the bus when she went out. She had a full-time driver with a dedicated car. At that time, how could she deserve the free bus card for the elderly?

For her at that time, let alone using this card, even if it was used, it was a shame.

But now she regrets it, and at the same time she muttered in her heart: “It seems that after the Chinese New Year, when people go to work, I should hurry to get the card for the elderly, so at least I don’t need to pay the bus and save some money each day. This way I can save a lot in one month!”

Carrying a few large bags of food, Mrs. Willson finally returned to the Tomson Villa.

Walking into the entrance of Tomson, when she was about to brush the gates, a well-dressed middle-aged woman pinched her nose and shouted at her: “Where is the old lady? Coming here with a swill? Do you know what this is not such a place? This is Tomson! You can’t afford to buy any house here for several lifetimes!”

Mrs. Willson was vomiting blood tiredly. Seeing a woman who had popped out from somewhere, she yelled at her, and suddenly cursed: “Fcuk your mother! Do you know where the old mother lives? I live in villa a04! If you look at your bird, it looks like a pheasant, and I think you live on the outer flat floor at most!”

As soon as the woman heard this, she rushed in angrily, slapped Mrs. Willson directly, and cursed: “Dead old lady, the old lady’s set of more than 20 million flat layers, you fcuking dare to laugh at me? You are so poor, and you dare to say that you live in a villa, you fucking deserve it too?!”

Chapter 2003

Mrs. Willson never expected that after a hard day's work, she would not even be willing to hit a car when she came back, and finally reached the door of her house, she was slapped in the face by an unknown woman.

The woman smoked her, and scolded her eyes cracking: "Bad old lady, you ate damn pig food, and came to Tomson to pretend to be a good one. Really have a problem with your brain!"

After finishing speaking, she immediately shouted to the security guard not far away: "Hey, come here, are you fucking blind? I spent more than 20 million to buy a house in your place. Do you serve distinguished owners like this? The bad old women who are inferior to pigs and dogs like this come in, who will protect the mood and interests of the owner?"

The security is also very nervous.

Mrs. Willson looked somewhat haggard, with a tired face, she didn't look like an old lady from a wealthy family.

Moreover, she was carrying four large plastic bags in her hand, which were filled with steamed buns and rice, as well as the horrible vegetable soup, which was even more inconsistent with the characteristics of the owners of Tomson.

So, he hurriedly said to the old lady: "I'm sorry old lady, we are a private residence here, and we can't get away with other people. Please leave as soon as possible."

Mrs. Willson trembled angrily.

Even if she is not the owner of Tomson, at least she is also a tenant of Tomson! And it is the tenant of Tomson's top villa! Why should she be beaten and driven out? !

The angrily Mrs. Willson immediately took out the card, shaking her hand a few times, and said angrily: "Keep your dog eyes open and show me clearly, this is the access control card for the gate of Tomson First Grade!"

The security guard and the female owner were immediately stunned.

The access control card of Tomson is very elegant, and there is a unique logo on the card. One of them is the owner and the other works here, so they are familiar with this card.

When they saw this card, they both had a question in their hearts: "Is this bad old lady really the owner of a Tomson Villa?"

The middle-aged woman opened the mouth and said: "Just take out a card, who knows if it is true or not, so dare you to try it!"

Mrs. Willson said angrily: "Okay! You wait! I'll show it to you!"

After that, she immediately swiped the induction area stuck on the gate.

The turnstile immediately sounded a prompt: "Hello, honorable resident of Villa A04, welcome to you home!"

In Tomson, residents are divided into two categories.

The first category is the owner, that is, the property owner clearly recorded on the property certificate of the property.

The other category is households.

However, residents should not be underestimated.

After all, most of the households are the immediate family members of the owners, and the less frequent ones are also due to relatives.

For example, Warnia, as the current head of the Song family, is well-known in Aurous Hill. If she buys a villa here, she is the owner, and her grandfather, other elders, and siblings are the residents.

Although the occupants are not the owners, because they are very close to the owners, it is not something ordinary people can afford.

When the middle-aged woman saw that Mrs. Willson had successfully swiped her card, and she was really a resident of Villa A04, she paled with fright!

Although she has a wealth of tens of millions, she is only a middle class in Aurous Hill.

A series of villas, each set at a price of one hundred million to tens of millions, is simply impossible for her to afford.

Chapter 2004

Therefore, she is also very clear in her heart that anyone who can live in a series of villas must have much more energy than herself.

Thinking that she had just slapped the old lady, the woman was already scared to pee.

At this moment, she thought anxiously in her heart: "It's over, it's over! This is really a disaster! Who would have thought that this old lady really has a few brushes! I slapped her just now, in case she wants I can't get through with her, am I in big trouble now?!"

The security guard was trembling in shock.

"What's the matter? This old lady is really a resident of Tomson's first-class villa? Why don't I have any impression of her?"

"Furthermore, everyone who can live in the villa area is either rich or expensive. Since this old lady is so rich, so capable, and with a formidable background, why should she carry a few bags of leftovers and come on foot? What about Tomson first product reputation?"

"Could it be that the rich people nowadays have become popular for eating swill?"

Mrs. Willson asked the woman angrily at this time: "Keep your dog's eyes wide open to see clearly? Now you say, am I a resident of A04?!"

That woman was completely shocked!

Just when she was shivering, not knowing what to do, Jacob happened to be out for a walk.

Although he saw the back of Mrs. Willson, he smelled a smell of leftovers before he could see clearly.

He pinched his nose, planning to go around a little bit.

As soon as he walked to the gate, he swiped his card, and the intelligent voice prompt: "Hello, honorable resident of Villa A05, welcome to your home!"

The gate opened at the sound. As soon as she heard that it was a05, Mrs. Willson looked at it and recognized him at a glance, and hurriedly shouted: "Jacob! Jacob!"

Jacob turned his head and realized that it was his own mother. He said in embarrassment, "Mom, what are you doing here?"

Jacob's mother almost made the woman pee her pants in fright.

She was flustered in her heart: "Dead, dead, so dead today! What is the origin of this old lady?! She lives in villa a04, and her son lives in villa a05. This...this looks like a top family Ah! I actually beat an old lady from a top big family. Will their family find a way to kill me..."

At this time, Mrs. Willson pointed at the woman in front of her, and said angrily to Jacob: "Jacob! This girl beat me! You quickly help me teach her a lesson!"

Jacob felt a little embarrassed.

So he whispered to himself: "First of all, my mother makes trouble all day long. I don't know if others beat her. Even if she beat her, she might be the first to cause trouble."

"Secondly, she treats me so badly. I won't help her out. The people who live in Tomson's first-class residence are either rich or powerful. If I really provoke someone with a reputation, wouldn't I make trouble?"

Thinking of this, he said to Mrs. Willson: "Mom, you should call the police for this kind of thing. Besides, you can't take any scissors for New Year's Eve. How can you fight with others, don't you know?"

Mrs. Willson covered her chest angrily, and was about to give him a moral kidnapping. Jacob had already spoken: "Well, mom, you call the police first. If the police can't solve it, you call me again, just say that, okay?"

After finishing speaking, without waiting for the old lady's response, he said: "Um, Mom, there is something at home, I'll go now."

The voice is down, and he just left.

He didn't want to be entangled by the old lady, let alone have anything to do with the old lady.

After all, tomorrow is New Year's Eve. At this time, what he wants most is to spend the New Year with his family steadily. Nothing else matters.

Chapter 2005

Seeing Jacob running away, Mrs. Willson was angry to death.

She shouted in grief and angrily: "How can there be such a child! It doesn't matter if his own mother is beaten? Is this still a human? It's just a beast!"

But what she didn't know was that the woman on the opposite side was almost shocked.

She didn't know any rift in the relationship between Jacob and Mrs. Willson, but she knew that the two were in a mother-child relationship.

She thought with horror in her heart: "This old woman and the man are obviously mothers and sons, but they don't live in the same villa. Instead, they bought two of the best villas to live next to each other, one set a04 and one a05. What kind of damn family is this? How much money does the family have to take advantage of? How much energy must be behind it?"

When she thought of this, she regretted the trouble she had just made to find the old lady.

So, she nervously hurriedly apologized in a low voice: "Lady, I'm so sorry...I really didn't expect you to be a resident of the villa area...I blamed myself for just now, please don't be like me."

Mrs. Willson scolded angrily: "You slapped me, and then you're done by saying sorry?"

The woman hurriedly asked again: "Then how do you want to solve it...or tell me how can I calm you down? Why don't you slap me? No matter how many times you slap me, I won't fight back! "

Mrs. Willson gritted her teeth, and at that time she wished to rush over and smack the woman's face.

However, she thought carefully: "Although I smoked her to relieve my hatred, it has no practical effect...Instead of this, it is better to ruin her for some money!"

Thinking of this, Mrs. Willson said coldly: "You scolded me and slapped me in the face. You have to give me a little compensation for everything, right?"

The woman nodded without hesitation: "You are right! I am willing to actively compensate! You can say the number, how much is it, I will pay you..."

Mrs. Willson originally wanted to bid ten thousand.

But after thinking for a moment, she felt that calling ten thousand was not appropriate.

The current Mrs. Willson is no longer the old lady like Lafayette before.

Mrs. Willson had a lot of money in her hands, let alone ten thousand, one million might not really be in sight.

However, the current Mrs. Willson has spent a whole day pulling plastic bags in the supermarket for 100, so 10,000 is a huge sum of money for her now.

So, the old lady thought to herself: "After all, she just slapped me. If I ask her for 10,000, what if she gets angry and calls me an extortionist? Isn't it going to take me back to the detention center?"

"In these days, it is not easy to make money. I am exhausted all day working, and only earn one hundred a day. It would be a bargain to get one hundred for a slap... Wouldn't it be called extortion?"

Thinking of this, Mrs. Willson said sharply: "I'm so old, you slap me, the problem can be big or small, but I have always been generous, you give 100, this matter is even a flip!"

"One... one hundred?!" The woman's eyes almost fell to the ground.

She originally thought that since this old lady could afford to live in villa a04, there must be some awesome people at home, and if she beat her today, it was really a mess.

Therefore, even if Mrs. Willson asked her for one hundred and eighty thousand, she also decided to agree without hesitation, and then transfer the funds as quickly as possible to settle the matter.

Unexpectedly, when the old lady spoke, it only cost one hundred...

She was so happy that she nodded and said: "No problem, no problem! I'll get you the money!"

As she said, she took out her wallet, took out one hundred in cash, and handed it to Mrs. Willson, then pointed to the security guard and said, "Lady, we have a witness here. You just said it to One hundred, and I have given you the money now. You can't trouble me anymore!"

Mrs. Willson was very happy when she held this hundred bill.

Chapter 2006

She thought to herself: "This makes a hundred for a slap, which is more cost-effective than working hard for a day!"

So, she suppressed the excitement in her heart and said: "Okay, forget about it, remember from now on, when you go out, don't look down on people!"

The other party immediately nodded respectfully: "Don't worry, I must remember..."

.....

When Mrs. Willson arrived home with two hundred and four large plastic bags, the smell of food was permeating the house.

The three cooks are Gina and the others.

They were working as cleaners in the supermarket today, one hundred and twenty a day, three people are three hundred and sixty.

This year, three hundred and sixty-three people spent in a restaurant, that is, an ordinary meal.

But if you cook and eat carefully, these three hundred and six are still very rich.

Gina and the others are all from the countryside, and they are quite real. When they think of being tired for a day, they want to eat more meat to reward themselves, so they bought two catties of pork at the vegetable market, and bought some potatoes, beans, and vermicelli. When got home, they went straight to a pot of stew.

Although the cost of a pot of stew is less than one hundred, the portion is really sufficient, and the scent of the pork cannot be suppressed by the range hood.

What's more interesting is that Gina turned off the cooker hood when the simmering pot started to simmer.

Then she deliberately opened the door of the kitchen in order to let the fragrance spread a little wider.

For Noah and Harold on the second floor, this was simply great torture.

This kind of stew, although there is no tall countertop, it is one of the most practical, most appetizing and most greedy dishes for ordinary people.

What's more, Noah and Harold are almost hungry and confused. When they are extremely hungry, their sense of smell becomes extremely sensitive, so a little fragrance can make them crazy.

The two of them thought they were cooking at home, and they wanted to eat it quickly, but they called Horiyah to ask and realized that the rice was not made by their own family, but by three new tenants.

This made the father and son despair to the extreme.

Wendy and Horiyah were equally desperate.

At this moment, Mrs. Willson pushed in with a dark face.

As soon as she entered the door, she cursed and said: "The three old women in the countryside are so presumptuous! The restaurant clearly has a table, and even ran to the coffee table to eat. you really treat this as own home!"

Seeing her come in, Wendy said with excitement: "Grandma, finally you are back! We are almost starving to death. We waited for you to come back and bring us food!"

Harold also cried and said, "Grandma! I'm really hungry. If I don't eat, I will starve to death..."

Mrs. Willson sighed, handed the four plastic bags in her hand to Wendy, and said, "This is for you. Go get a few sets of dishes and eat quickly!"

Seeing the plastic bags in her hand, the Willson family didn't care about where the food came from. They just wanted to eat all into their stomachs quickly.

So, Wendy said excitedly: "Grandma, I will go to the kitchen to get the tableware!"

Horiyah was also very happy and hurriedly said, "You can't finish it by yourself, I'll be with you!"

Mrs. Willson coldly snorted, "Horiyah, stop! Don't eat the food I brought back!"

Chapter 2007

Horiyah didn't expect that Mrs. Willson would turn her face with her at this time.

She pointed to the food in the plastic bags, and said aggrieved: "Mom, what happened to you? Did you bring so much food back to me to eat two bites? I have been hungry for so long..."

Mrs. Willson sneered and said, "If you want to eat, go out to work and earn money by yourself. You rely on an old woman to support you. Do you want to be shameless?!"

Horiyah was immediately anxious, and blurted out: "I was scammed by Jacob! Otherwise, I would be a cashier and earn more than you!"

Mrs. Willson curled her lips: "It doesn't matter to me that you earn more or less. You earn what you earn, and I earn what I earn. Neither of us will take advantage of the other. So you don't want to eat the rice I bring back. Earn and eat for yourself!"

Horiyah immediately looked at her sadly and indignantly, and blurted out: "Old Lady, are you going to get into trouble? You rushed me, and I will run away from home!"

Mrs. Willson laughed and clapped her hands: "Oh, that's great. You go quickly. I can't wait to buy firecrackers to celebrate when you leave! If it wasn't for Ragnar to stop me, I would let you get out of our house long ago. Why would I keep you by my side as an eye-catcher? Since you are going to leave, then Ragnar will definitely not blame me, it is great!"

Horiyah gritted her teeth: "Okay! Old stuff, let's see!"

Wendy hurriedly came out at this time to finish the game: "Grandma, don't be like that with mom. She has been hungry for so long, so let her eat too!"

"Let her eat?" Mrs. Willson sneered: "I will let the dogs eat what is left but I won't let her eat a bite!"

After that, Mrs. Willson said again: "Give me the food, you go get the dishes, we will eat here as a family of four, let her watch it!"

Horiyah burst into tears immediately and scolded: "Mrs. Willson, I married your Willson family and had children for you. You don't even give me a bite of food now. I am really discouraged!"

Mrs. Willson said contemptuously: "If you want to eat, you can find a way to do it yourself, aren't you good at hooking up with wild men? Go out and hook up again! Maybe you can still make a big money on the list!"

"You..." Horiyah was immediately ashamed and angry.

The old lady always likes to insult her about her work in the black coal mine, but she can't find any powerful way to refute her.

So, she could only stomp her feet in resentment, and gritted her teeth and said: "From today onwards, I, Horiyah and your Willson family, will be cut in two ways!"

After that, she slammed the door and went out and returned to her room.

Noah had no feelings for Horiyah for a long time, so he didn't say a word at this time, and he also hoped that she would disappear quickly.

But Harold beside him was somewhat unbearable.

Although Horiyah has done some humiliating things, but in the final analysis, she is his mother.

Seeing that his mother was about to be forced to run away from home, Harold naturally couldn't bear it, so he said to Mrs. Willson: "Grandma, it's not easy for mom, please forgive her this time!"

Mrs. Willson said coldly: "If anyone talks about this woman, get out of this house with her, I don't care."

Harold was already starving to stare at Venus, so if anything conflicted with eating, he would definitely choose the latter.

So he immediately closed his mouth with interest, and said no more.

Wendy quickly brought some tableware up, and together with Mrs. Willson, poured the leftovers into the container. Wendy dipped the vegetable soup in two or three bites and finished a steamed bun, and then stuffed another steamed bun in the same way. Into the stomach.

Mrs. Willson had a full stomach, so she took the dishes and fed Noah and Harold who were lying on the bed.

The father and son, like the newly hatched chicks in the nest, opened their mouths and waited to be fed, the moment they finally had the meal, the father and son couldn't help but burst into tears.

Seeing the appearance of the two of them, Mrs. Willson felt a little distressed in her heart, so she said with blushing eyes: "Tomorrow Mom will go to work for another day, buy some noodles and some meat in the evening, and we will make dumplings for a family of four!"

Noah cried and asked, "Mom, can we eat meat dumplings tomorrow?"

Mrs. Willson nodded her head: "Don't worry, you can eat. I will buy it when the time comes and pack it with Wendy for both of you!"

Chapter 2008

Noah said with a dry eye: "Mom, when I get better, I will go out to work, even if I go to a construction site to carry cement, I will do everything possible to make money to subsidize the family, and say nothing to let you go out when you are so old Running around!"

Harold also said vaguely: "Grandma, I will also go then!"

Mrs. Willson nodded and said, "You two will take care of your injuries. When you are well, I will count on you to give me the end of the care!"

When the four of the Willson family finally had a full meal, Horiyah cried dry in her room.

In the midst of hunger and cold, she not only despaired of the Willson family, but also made a decision in her heart to leave.

She does not intend to stay in this home, nor does she intend to stay in Aurous Hill.

She wants to go back to her natal home.

Although her mother's family has little money, and another brother followed her parents to nibble the old, at least her mother's family can take care of her food, so that she won't be so devastated.

However, her family is a little far away. It takes at least five or six hours to take a hard-seat train, and the train ticket costs more than one hundred. The entanglement of going back has become Horiyah's biggest problem.

After thinking about it, she decided to think of a solution from Mrs. Willson.

This night, Mrs. Willson slept very securely because of all day's physical work.

In the wee hours of the morning, Horiyah sneaked into her room and found out two hundred from her pocket.

Of the two hundred, one hundred is the old lady's salary, and the other one hundred, which the old lady received in exchange for a slap in the face.

Seeing these two bills, Horiyah was very excited.

Although two hundred is not much, it is enough to have breakfast after dawn, and then take the train back to parents' house for New Year's Eve!

So she put the money into her pocket almost without thinking, then packed a few pieces of clothes and personal belongings, and before dawn, she left the Tomson with a suitcase.

Before leaving, she left a note in her room with only four words on it: "There will be no deadline."

.....

Early morning on New Year's Eve.

Claire finally started taking a vacation.

However, she had long been used to going to bed early and getting up early, so she got up before seven o'clock to prepare to wash.

Seeing his wife got up, Charlie got up from the bed. Today is New Year's Eve. There are a lot of things to keep them busy at home. Not only do they have to prepare the New Year's Eve dinner, but they also need to get the dumpling stuffing out in advance. The family made dumplings while watching the Spring Festival Gala.

At this moment, Claire's phone rang suddenly, and she said in surprise: "Oh, Elsa called me so early, I don't know what's wrong."

Charlie smiled and said, "Wife, don't you know if you pick it up."

Claire nodded and connected the phone: "Hey, Elsa, why do you call so early?"

Elsa smiled and said: "I have a holiday! so I returned to Eastcliff by plane at noon to accompany my family to eat New Year's Eve dinner."

After that, she said again: "Will it be convenient for you later? I will pay a visit and give uncle and aunt a new year greeting?"

Claire smiled and said, "Convenience is convenience, but you should never buy anything to come home. I don't even care about buying gifts for family. So we have such a good relationship, so don't engage in these formalities."

"Okay!" Elsa said with a smile: "Isn't this just a sentence?"

After all, Elsa added: "By the way, Claire, I will ask my cousin to visit your house with me, is it okay?"

Chapter 2009

Claire and Elsa have known each other for many years and have some understanding of her family situation. Hearing that she is going to bring her cousin, she curiously asked: "Elsa, the cousin you are talking about is DeLong, right?"

Elsa smiled and said, "It's him."

"Huh?" Claire suddenly remembered the image of that dude in her mind, and asked in surprise, "What is your cousin doing in Aurous Hill?"

Elsa said: "He, after staying in Eastcliff for a long time, he always makes troubles, so he came to Aurous Hill to practice for a while."

Claire asked in surprise: "Practice? How to temper?"

Elsa smiled and said, "Have a hard time, now he has rented a place to live in the village in the city. The conditions are not ordinary."

Claire couldn't help laughing: "Your cousin is such a domineering person, let him live in the village in the city, it must be great torture for him? It must not be his own decision, after all, Who is so bad?"

Charlie was somewhat embarrassed when he heard this.

After all, he was the culprit who made DeLong come to Aurous Hill to live a hard life.

Elsa smiled at this time: "My brother offended a big man in Eastcliff that he couldn't afford. He was required to live a year in Aurous Hill before he could go back. Today I return to Eastcliff to celebrate the New Year to stay here."

Claire pursed her lips and smiled: "To tell the truth, Elsa, your cousin is a bit too arrogant usually. If this time he can really get his heart out, it might be a good thing."

"Yeah." Elsa laughed and said: "When I arrive at your house later, don't mention it in front of him, save him face."

Claire hurriedly said, "Don't worry, I know."

Elsa: "That's OK, let's come over and be there in a while!"

"Okay! I'll wait for you at home!"

After hanging up the phone, Claire said to Charlie: "Husband, Elsa, and her cousin will come home soon."

Charlie nodded and asked, "Would they have lunch at home?"

Claire shook her head: "No, Elsa will take a while and leave. She hurried to the airport and flew back to Eastcliff."

Then, Claire said again: "Oh, by the way, husband, Elsa's cousin will also come over and I will introduce you to him. Her cousin seems to be staying in Aurous Hill for a whole year."

Charlie smiled slightly and said, "I saw her cousin the last time I went to Eastcliff. At that time, you asked me to give Elsa's grandma a birthday gift. Her cousin was also there."

"Really?" Claire asked with a smile: "Then have you had any contact with him?"

Charlie smiled and said, "I didn't have much contact after just chatting a few words."

Claire nodded and said, "Her cousin has a very unpleasant personality. He is very proud of having some money in the family. When he speaks, he can't wait for his nostrils to be open to others. Please don't take it to your heart. After all, he is a guest, and it's a celebration of the New Year, so you should never conflict with others."

Charlie smiled slightly: "Don't worry, I know."

.....

At this moment, Delong is driving the old Mercedes-Benz car given to Elsa by the Emgrand Group, following the directions of the navigation instructions, to Tomson.

Chapter 2010

Elsa, the co-driver, just hung up the phone with Claire, Delong said with a sad face: "Elsa, you can go to Charlie's house by yourself, don't take me with you, I really don't want to take a minute to see him."

Seeing Delong's face full of grievance, Elsa couldn't help but ridicule: "Brother, are you too persuaded? I will take you to Charlie's house for New Year's greetings instead of taking you to Charlie. What are you afraid of fighting?"

Delong sighed: "Hey, Elsa, don't you know, I have seen this Charlie twice in total, and every time I saw him, it was not okay! The first time I swallowed a necklace and had an operation. The second time I was directly asked to ride a bicycle all the way from Eastcliff to Aurous Hill. If this is goodbye, if he is not happy, he wants to send me to Africa for mining, then how am I going to fix it!"

Elsa said seriously: "Brother, you just think too much about it. In fact, Charlie is not bad in nature, and he never bullies people. It's only when others bully him that he will be cruel to others. So you just need to be humble and low-key in front of him, and he will definitely not trouble you."

Delong still sighed with lingering emotions: "Even though you say so, but this person is not in his mood, I don't know if I will offend him because of an unintentional sentence..."

Elsa said, "If this is the case, then you should talk less when you are there. When you meet Charlie, you will respectfully call him Mr. Wade and don't say anything else."

Delong begged: "Oh, can you just go by yourself? Then I will park the car at the door, and I will wait for you in the car."

Elsa pretended to be angry and said, "I just told Claire that you are coming with me together. Claire must have told Charlie too. If you don't go in by then, let me go alone. Charlie might think you have opinions on him! I think you don't give him face!"

After a pause, Elsa said again: "If he is not satisfied with you and puts you on small shoes on purpose, don't blame me for not reminding you. After all, Aurous Hill is his territory, you can't fight him in Eastcliff, let alone. On his turf?"

Hearing this, Delong shrank his neck, and said angrily: "Okay, okay, can't I go..."

Elsa said seriously: "I tell you that Charlie is actually very easy to get along with, but the premise is that you are in front of him, and you must not put on airs. You have to talk to him well. He must be polite to you. If you are Acting with him, then you are done."

After speaking, Elsa said again: "Once I went to a hot spring with Charlie and Claire, a b@stard shoved my car, and then in turn scolded me. He was very arrogant. You know what happened afterward?"

Delong shook his head: "What?"

Elsa said: "Charlie asked his men to come over and engraved two words on that person's forehead with a knife."

Delong was dumbfounded in fright: "Use a knife to engrave on the forehead? Is this too cruel?"

Elsa said: "You didn't see the virtue of that guy. If you see him, you will understand that it is not cruel to engrave on his forehead."

Delong hurriedly asked: "Then can you tell me what words Charlie engraved on his forehead?"

Elsa said: "That guy likes to scold others for being poor, so Charlie asked people to engrave these two words on his forehead."

"Fck..."

Delong was scared out of his forehead sweat, he even had a feeling as if those two words were engraved on his forehead.

He couldn't help but sigh: "This Charlie...what is the difference from the devil? It's simply not as good as a beast!"

Elsa immediately turned her face and blurted out: "I don't allow you to speak ill of Charlie!"

"Ah?" Delong was stunned, and said aggrieved: "Elsa, I am your brother! Why do you turn your elbow out!"

Elsa snorted coldly: "Charlie is the great hero in my mind. If I compare him with you, an unlearned dude, then I will definitely turn my elbow at you!"

Delong's face was crying: "Elsa, do you like Charlie?"

Chapter 2011

Delong suddenly asked a question, so Elsa had no time to cover-up, and the whole person suddenly said in embarrassment: "You...you... don't talk nonsense, I...I don't like Charlie."

"I don't believe you!" Delong curled his lips: "I have been you for so many years, and I can understand women. As you are now, I am sure, you have a crush on Charlie!"

Elsa pretended to be impatient and said: "Oh, whatever you think, I don't bother to tell you."

Delong reminded: "Elsa, Charlie is married, you'd better stay away from him, otherwise, if it spreads that Miss Dong likes a married man, and Dong family's face can be affected by you!"

When Elsa heard this, she suddenly became angry, and blurted out: "You still have the face to say that I have? You swallowed a necklace and performed the operation. The whole city was full of troubles. Who didn't know about it in Eastcliff, and later you Wearing a green helmet and riding a big 28 all the way from Eastcliff to Aurous Hill, the whole Eastcliff is abuzz with this news. Why don't you say that the Kong family's face was lost by you?"

"I..." Delong felt embarrassed and unbearable on his face, and suffocated in his stomach, angrily said: "Elsa, is it necessary? Do we need to hurt each other like this?"

Elsa asked him back: "Who asked you to call me?"

Delong sighed helplessly, and said, "Yes! I really understand that you have a crush on Charlie..."

As he said, he muttered gloomily: "It's so fcking weird! Charlie, a married man, where is it good? Why do you all like him? Every other man in this world is dead. Is he light?"

Elsa no longer concealed what she liked about Charlie, and asked curiously: "Who else likes him?"

Delong said angrily: "It's Warnia from the Song Family in Aurous Hill! Why did I swallow the necklace last time? Isn't it because Warnia had her birthday? I wanted to chase her and marry her. I didn't expect that she would be too lazy to watch the whole process. Look at her, all her attention was on that Charlie, so I got mad, and I choked with Charlie..."

Elsa exclaimed: "Isn't it?! Warnia likes Charlie?! Brother, are you kidding me?"

Delong said depressed: "Can I lie to you? What good is it for me? To be honest, I like Warnia, and she is now the Patriarch of the Song family again. Home is also a great help, I didn't expect that she would not look down upon me!"

Warnia's beautiful and moving appearance immediately appeared in Elsa's mind.

Although Elsa is also the eldest lady of the big family, she really lacks self-confidence in front of Warnia.

First of all, the strength of the Song family is not weaker than that of the Dong family. Secondly, Warnia is indeed a rare top beauty. Not only is she extremely beautiful, but also has a very good temperament. She is definitely an impeccable top beauty.

Elsa even felt that Warnia was the number one beauty in Aurous Hill in the true sense. Although Claire looked no less inferior to Warnia, Claire was still a bit worse than Warnia in temperament.

What's more, Warnia is now the head of the Song family.

This is not comparable to the eldest lady. After all, most eldest ladies of large families will be outsiders who will marry in the future. No large family will give the right of family inheritance to a woman.

But the Song family did so.

Warnia is now in charge of a large family of 100 billion alone, and is definitely the top female rich in China.

Even Sara Gu hasn't actually inherited the Gu family, so if you really want to talk about worth, Warnia is even above Sara!

Such a super beautiful woman who is very beautiful, she also likes Charlie. This made Elsa realize the strong competitive pressure.

Seeing that she stopped talking and looked sad, Delong couldn't help sighing in his heart: "Where is Delong worse than Charlie? Why is he so popular?"

Chapter 2012

Just as Delong drove to Tomson First-Class, in the quiet villa area of Tomson First-Class, a burst of loud curses broke out early in the morning.

It was Mrs. Willson who scolded the street.

She woke up early in the morning and found that the two hundred in her pocket were gone. The first thought was that the money was stolen!

She thought at the time with 80% certainty that her money was stolen by the three including Gina.

But when she wanted to take Horiyah and confront Gina together, she discovered that Horiyah left a note, and the person was no longer there.

At this moment, Mrs. Willson realized that 200 of hard-earned money and was stolen by her eldest daughter-in-law Horiyah.

She exploded at the time!

You know, these two hundred were exchanged for the hardships and sufferings, as well as being beaten and scolded. They didn't have time to spend a penny and were all stolen by Horiyah. How could she not be furious?

So, the angry Mrs. Willson stood on the second-floor terrace and yelled: "Horiyah! You stole my hard-earned money! You must die!"

Wendy hurried over and asked: "Grandma, what's the matter?"

Mrs. Willson cried and said, "Your mother who suffered a thousand swords has stolen my money! My hard-earned money! The money for our family of four to eat dumplings during the Chinese New Year, she stole all of it! Fcuking all of it!"

"Ah?!" Wendy blurted out, "Grandma, what's the matter? Mom stole your money?"

Mrs. Willson handed the note left by Horiyah to Wendy, and cried: "See it for yourself! Your bltch mother left it! She said that she will have an indefinite future with us!"

When Wendy saw the words, they were indeed mother's handwriting, she was dizzy and blurted: "Mom is gone?! Where did she go? Why didn't she tell me..."

Mrs. Willson cried loudly: "That bltch girl, she must not want to stay and endure hardship, nor want to be burdened by your father and your brother, so she left without saying goodbye!"

With that said, Mrs. Willson sat on the ground, slapped her hands on the ground, and cried: "This b@stard is really a criminal! She can go as far as she goes. The farther she goes, the better, but why did she steal the old lady's money. Wouldn't her conscience hurt?"

Noah and Harold also heard what the old lady said. Noah shouted in the house: "Mom, what did you say?! Horiyah, that stinky woman, stole your money away?!"

"Yeah!" Mrs. Willson cried and said, "This b@stard woman who has suffered thousands of swords has stolen all my money..."

Noah gritted his teeth and cursed: "Horiyah is a real bltch! How come I haven't noticed that she is such a b@stard!"

Harold was also extremely angry: "Mom is too much! She left, regardless of whether our family lives or dies?!"

Mrs. Willson cried and said, "No! I can't let her go! Call the police! Call the police!"

Wendy said with a red eye: "But we don't have a mobile phone. The mobile phone has been taken away by Ragnar's people..."

Mrs. Willson immediately said to Wendy: "Wendy, you go out to find a public phone. Call 110 on the public phone it is free. Hurry up! The sooner you call the police, the better the chance of catching that stinky woman!"

Chapter 2013

Elaine was cooking on the first floor. Hearing that Mrs. Willson cursed the street early in the morning, she hurried out to watch the excitement.

Here, Charlie and Claire also happened to go downstairs, just to see Elaine coming out.

She hurriedly asked excitedly: "Hey, have you heard that dead old woman scolding the street?"

Charlie and Claire nodded, and Claire said embarrassingly: "Grandma, don't know what's wrong with her, she started cursing on the terrace on the second floor early in the morning."

When Elaine heard this, she said excitedly: "Claire, hurry up! Help me go upstairs and have a look!"

Claire said helplessly, "Mom, what's so good about this..."

Elaine put her right arm on the crutch, patted her left arm on the sitting leg, and blurted out: "Is there anything better than this? Help me go quickly, otherwise, it won't be a good show if I am late!"

Claire could only sigh and said, "Then I will help you up."

Seeing this, Charlie helped Elaine up first and said, "Wife, let me help mom."

Claire nodded and said, "Then I will press the elevator."

The couple supported Elaine all the way up to the third floor. Elaine came to the terrace and looked down, and saw Mrs. Willson next door sitting on the ground of the second-floor terrace screaming.

In the house before, she could only hear Mrs. Willson being noisy, but she couldn't hear what she said. After coming out, her voice became clear immediately.

Mrs. Willson was still scolding at this time: "You are Horiyah who has suffered a thousand swords! You dare to steal the hard-earned money of mine! You have no conscience! The old lady curses you to be hit by a car when you go out!"

When Elaine heard this, she laughed, and shouted: "Hey, old woman, what's the matter? Isn't your eldest daughter-in-law the most filial to you and the one that suits you best? Did she steal your hard-earned money?"

Mrs. Willson suddenly heard Elaine's voice, and when she looked up, she saw Elaine's grinning face. She was angry and gnashed her teeth and cursed: "Elaine, our family affairs have nothing to do with you bltch! You! Don't talk cold words here!"

Elaine curled her lips: "Oh, you are in your sevens and eighties. You scolded the street on the terrace in the morning. Why do you still have the face to say that I am a shrew? You are so cheeky!"

Mrs. Willson said angrily: "You sh!t! The biggest bltch in the world is you, Elaine, do you think you can pretend to be a good person if you live in a Tomson first-grade and wear good clothes?"

Elaine was not angry, and said with a smile: "Oh, old lady, you also said, I am now a person who lives in the first-grade Tomson, and the quality of the first-grade Tomson must be mentioned. I can't be like you. You have been living in Tomson, and you ran to steal other people's food. Are you not shameless?"

After that, Elaine hurriedly said, "Oh, yes! The leek stolen from our house last time, did your family eat the leeks well?"

"You...you..." Mrs. Willson trembled angrily, gritted her teeth, and said: "Elaine! You used the daffodils to harm me. I haven't accounted for you yet! You dare to mention this to me?!"

Elaine smiled and said, "You stole our leek, why can't I mention it? I heard that it was because of eating our leek that your eldest daughter-in-law found out that she was pregnant, right? So in the final analysis, you have to thank our leek for this! If it weren't for our leek, your son would like to be a father!"

Mrs. Willson was immediately furious. The incident of eating daffodils and incontinence at home was the most helpless moment in her life. Whenever she thinks about it, she feels like a knife.

In addition, she was already immersed in the pain of stolen hard-earned money and couldn't help herself, and now she was ridiculed by Elaine's old story again, so the fire in her heart was about to ignite this villa!

Just when she wanted to scold Elaine and didn't know where to make her mouth, a police car hurriedly drove downstairs.

Several police officers got out of the car, and Wendy quickly opened the door, so one of the police officers asked Wendy, "Is it the call from your family?"

Wendy hurriedly said: "Yes, yes, it was my grandma who asked me to call..."

When Mrs. Willson heard this, she hurriedly got up, squatted on the balcony guardrail, and blurted out crying bitterly, "Comrade police officer, you must help us to call the shots! Our house has been ransacked! The hard-earned money is gone! Can't live anymore!"

Chapter 2014

When several police officers heard this, they immediately became energetic.

After all, people who can live in Tomson First Grade have very strong financial strength. The "hard-earned money" they call must be an astronomical figure.

Even if you want to come, people who can live in a villa of more than one billion at will, what is three to five million to them? The estimate of thirty to fifty million is frowning.

But seeing this old lady's whole body behaving like this, it seems that this amount has to be more than 30-50 million!

Maybe, this is still an extremely large theft!

Therefore, several people hurried in and asked Wendy directly: "When did the theft happen? How much was stolen?"

Wendy was a little embarrassed and said: "This...please go to the second floor and ask my grandma, the money lost is hers. She knows the situation best."

"OK, fine!"

Several police officers hurried upstairs, led by Wendy, to the bedroom on the second floor.

Seeing two men sleeping in the bedroom on the second floor, one old and one young, the police officer was also a little surprised, but he didn't think much about it. He went straight to the terrace and asked Mrs. Willson: "Lady, did you lose your property?"

"Yes! It's me!" Mrs. Willson said angrily: "A woman named Horiyah! Stole my hard-earned money and ran away! You must catch her!"

The police officer nodded hurriedly, took out the police officer's handheld computer, and said, "Do you know the specific information of Horiyah? Such as hometown and age. If you have an ID number, it would be great! In that case, we can directly locate specific information and start arresting immediately."

"ID number?" Mrs. Willson thought for a while and asked Wendy: "Do you know your mother's ID number?"

Wendy said embarrassingly: "I...I can only remember a small part, not all..."

Mrs. Willson hurriedly said, "Go find your father's marriage certificate with her! There must be her ID number on it!"

Wendy nodded: "OK, grandma, I'm going to find..."

Several police officers exchanged glances, and the leader asked, "Lady, what is the relationship with Horiyah who stole your money?"

Mrs. Willson gritted her teeth and said: "That b!tch is my eldest daughter-in-law! I am really a guard against day and night. I didn't expect house thieves to be hard to guard against!"

The police officer in the lead said embarrassingly: "If she is from your own family, you must carefully consider whether to take legal procedures, because theft is not a trivial matter, it is a criminal offense."

After a pause, he said again: "If you really want to claim that she made the theft, then after we open the case for investigation, we will transfer it to the prosecutors to initiate a prosecution. In case of a felony conviction, it will take at least a few years or even After more than ten years in prison, you and your daughter-in-law are a family. There is no need to be so serious, right?"

Mrs. Willson coldly snorted, "Really? I not only want to be true but also to be true to death! It's best if you catch her and sentence her to life imprisonment! Even if she dares to steal my money, she has turned her back! Let her know today that I am definitely not something she can bully if she wants to! I must give her some color!"

Seeing this, the lead policeman stopped persuading, and nodded: "Since you claim that the other party is stealing your property, then we will proceed according to the theft case."

Mrs. Willson nodded hurriedly: "Yes, yes! It's just going to follow the theft case and catch her! Jail her!"

The lead policeman asked again: "Lady, how much property did you lose this time? Including but not limited to cash, creditor's rights, and any valuable personal items."

The old lady blurted out: "She stole two hundred from me! That's all my hard-earned money!"

The police officer was immediately stunned: "How...how much?! Two hundred?!"

Chapter 2015

Facing the police officer's confirmation, Mrs. Willson nodded and gritted her teeth and said: "Yes, it's two hundred!"

The police officer thought there was a problem with his ears.

"An old lady who lives in the best villa of Tomson, will call the police for two hundred? It's not right..."

Thinking of this, he secretly thought: "Could it be that rich people talk like this, saying that two million are two hundred? The last time the classmates' reunion, the rich second generation in the class said that the same was true of his luxury car. It is obviously a Rolls-Royce with more than five million When it comes to how much it is, he said lightly about more than five hundred. Is this a common problem of the rich?"

But thinking of this, he was a little puzzled: "It stands to reason that this old lady has a net worth of over 100 million, even if she loses two million, she won't be so excited?"

So he looked at the old lady again and said, "Hello old lady, I will confirm with you again. You said your daughter-in-law, that is, Horiyah stole two hundred from you. This two hundred refers to Two million, right?"

"No." Mrs. Willson said: "It's two hundred only, two hundred, cash, two hundred yuan!"

"Ah?!" The chins of several police officers all wanted to fall to the ground.

The leader said embarrassingly: "Lady, your eldest daughter-in-law took your two hundred, you called the police to arrest her?"

Mrs. Willson raised her eyebrows and asked, "What's wrong? Can't I? She stole my hard-earned money, can't I call the police yet?"

The police officer in the lead said embarrassingly: "It is okay, but I have to tell you basic legal knowledge. According to the definition of theft in our country's laws, the penalty for theft is that the amount involved must be at least a large amount. Standard."

After speaking, he explained: "The threshold for this relatively large amount is between 1,000 and more than 3,000. If this standard is not met, there is no way to pursue criminal responsibility."

Mrs. Willson frowned and said, "What the hell?! She stole my hard-earned money! Did you know that I only made a hundred salary after a hard day yesterday! I was slapped in the face by someone else? I earned another hundred! And the two hundred is the money for our family to eat dumplings during the New Year!"

The policemen were all silly, and thought to themselves: "This old lady is joking with us, right? Living in such a big villa, calling the police for two hundred? And the two hundred is still earning one hundred from working. , Was beaten to earn a hundred? Most people are not poor enough, not to mention that she still lives in such a big luxury villa? This is too magical!"

However, he can only patiently explain: "There is no way, old lady, this is clearly stipulated by the law. If the other party only steals two hundred from you, we really have no way to file a case. We can only register you for the record first. In the future, she has met the criteria for filing a case because of other things, and we can try to help you recover the loss."

Mrs. Willson hurriedly said: "Then I remembered wrong! She didn't steal two hundred, but two thousand!"

The police officer said embarrassingly: "How much money she stole from you depends on the detection of the case. Even if you say it is two thousand, we filed the case and the person is caught. In the end, it is discovered that you were lying. If the standard for filing a case is not met, then you are legally responsible for your lies."

Then, the police officer reminded her: "Also, the old lady, I want to explain to you that even if it reaches two thousand, it is only control, not detention. Do you understand the meaning of control? Do not detain the other party, just Personal freedom is restricted to a certain extent and community

corrections are carried out on a regular basis. At that time, you may be required not to leave Aurous Hill or the street where your villa is located. Then you can do some community corrections and you will basically pass the barrier.”

“What?!” Mrs. Willson blurted out: “Your management is too loose, right?! This is theft!”

The police officer sighed helplessly: “Let’s put it this way, old lady, the theft is indeed a crime, but there must be a degree of accountability. If a student comes to report that the same table has stolen his rubber, worth a dollar, we will also go arresting people? This is not appropriate!”

Chapter 2016

After that, the policeman said again: “Lady, if your daughter-in-law only stole two hundred from you, we really can’t file a case on this matter. I blame her for stealing too little, even if she took and sold the TV stealthily. Let’s calculate the price at the time the TV was purchased. It’s enough to file a case, but she didn’t steal your TV after all!”

The police officer just used the TV as an analogy, but Mrs. Willson suddenly thought about selling the TV in Regnar’s villa together with Harold and Noah. She was shocked and asked nervously: “ Comrade police officer, if you steal a TV worth 100,000, how will you be sentenced?”

The police officer said seriously: “If this TV is really worth 100,000, then the amount is extremely huge. As long as the value of the theft reaches 60,000, then the basic penalty is ten years. On this basis, for every additional 4,200. , The sentence is increased by one month, and if a TV is worth 100,000, it is almost sentenced to 11 years in prison.”

“What?!” Mrs. Willson was shocked!

“Stealing a TV is sentenced to eleven years?! This is too terrible, right?!”

“Fortunately, Regnar didn’t call the police at the time! Otherwise, I’m so old, I was probably going to die in prison directly by then...”

In the room, Noah Willson and Harold lying on the bed were also frightened by these words.

Harold trembled in fright. Immediately, Noah next to him felt a damp heat coming from the sheets, and blurted out, “Harold...you...how did you wet the bed?!”

Harold said in a low voice with a bitter face: “Dad, I’m afraid...Stealing the TV is sentenced to 11 years, which is too scary...”

Noah was particularly helpless, and sighed repeatedly: “Hey! It’s scary, it’s scary, but don’t wet the bed! Now it’s good, my pants are all wet by you...”

Harold’s mouth flattened and his voice choked: “Dad...I’m sorry...I really didn’t hold it back...I promise not to do it anymore...”

Jacob nodded bitterly, and said in a low voice: “Listen to what the police officers say...Your grandma is also right. What is the point of reporting two hundred to the police! What’s the point! If you tell me about selling TV, you might have to hurt everyone...”

At this time, Mrs. Willson was also a little panicked.

She really did not expect that Horiyah stole two hundred from her, which was not even enough for the filing standard.

But her family secretly sold Regnar's TV, but it was enough to be sentenced to more than ten years, which really scared her.

The police officer saw that the old lady's face was wrong and thought that the old lady was simply angry, so he said, "You should try to deal with this matter inside the family. To be honest, two hundred is in the current society, where is it? It's not too much, and you don't have to hold on to it. No matter how the family has feelings, it won't turn around for two hundred, don't you think?"

Mrs. Willson sighed depressed, and said, "Okay, let's do it, it's a bltch!"

The officer nodded: "You can drive as long as you want. If there is nothing wrong, we will leave first."

At this time, Wendy came over with the marriage certificate and said: "Police officer, here is the marriage certificate."

Mrs. Willson angrily said, "What kind of marriage certificate do you still have? Send the officers off quickly!"

Chapter 2017

Elaine on the terrace on the third floor, seeing the old lady let Wendy send a group of police officers away, she said with a grin in her throat: "Oh, I say old lady, don't you want to call the police to arrest your eldest daughter-in-law? Why? At this time, your heart is soft again? It seems that you still have a soft spot for your eldest daughter-in-law!"

Mrs. Willson felt uncomfortable at first, but when Elaine was chattering on the other side again, she became angry and cursed: "Elaine, my family's affairs have nothing to do with you, don't chirp here!"

"Oh, don't you think I'm crooked?" Elaine sneered, "Don't live next door to our house if you don't think I'm crooked!"

As she said, Elaine sneered: "I heard Jacob say yesterday that you went to the supermarket to work? Okay, old lady, you didn't do anything for the whole of your life. When you get old, you start working hard for your career? But I heard that your career seems boring, just pulling plastic bags at the supermarket!"

Mrs. Willson was furious, and sternly scolded: "What am I doing has anything to do with you? Is it necessary for you to point your fingers here?"

Elaine smiled and said, "What you are doing has nothing to do with me. I just sigh with emotion that your old thing will have today."

As she said, Elaine laughed at her and sighed: "Oh, forget it, since you are so poor that you are going to work in the supermarket, what can I care about with people like you? I'm not a member of your family anymore. I live a life that you can't dream of. I wasted all these tongues with you and played the piano for cows, so I can only wish you good luck."

Mrs. Willson's blood rushed to the top of her head by Elaine's words, and she gritted her teeth and said: "Elaine! Please pay attention when thunder and rain, I think you will be killed by thunder sooner or later!"

Elaine laughed and said: "You old thing do all the bad things, otherwise you will oppress your two sons, control the financial power of the family, and sell your own granddaughter's body in exchange for prosperity and wealth. In my opinion, if God is really eye-catching. , The chance of thunder smashing you to death is much greater than smashing me to death! It smashes you to death eight times, and can't kill me once!"

Mrs. Willson almost collapsed. She jumped and cursed: "You... don't squirt dung here!"

Elaine waved her hand impatiently: "If you do the old thing, don't fix the useless ones. Let's see who has a good life. You can see that my leg is injured. My son-in-law gave me hundreds of thousands. Just to buy on the Internet, how about you? You are so poor that you can't eat enough to go to the supermarket to work. That is the gap between the Phoenix and the pheasant!"

Mrs. Willson was out of breath, she was completely speechless, she only felt her blood pressure rise suddenly, and it rushed straight to her forehead.

At this time, Elaine didn't plan to let her go, and sneered: "Old stuff, if you are really poor and can't eat, I can give you a trick. Don't forget that you were mixed in the detention center at the beginning. In the beginning, there was Gina and the others covering you. How cool were you? From my point of view, you might as well go out and do something sneaky right now, and then wait to go to the detention center to eat food for free!"

After finishing speaking, Elaine waved to Charlie and Claire: "Good son-in-law, good girl, let's go downstairs to eat, don't be familiar with that old thing!"

As soon as she finished speaking, she turned her head and said to Mrs. Willson: "Oh, old stuff, I'm going to eat first. By the way, I will tell you that our breakfast is very rich, with chicken feet in black bean sauce, steamed pork ribs in black bean sauce, and fresh shrimp . Barbecued pork buns, oh yes, and sashimi fish porridge. They are all authentic Cantonese morning tea. I am going hungry!"

Mrs. Willson was overwhelmed by blood pressure, she felt dizzy and almost fell to the ground.

At this time, Wendy just came back, and when she saw this, she hurriedly supported her.

But even though Mrs. Willson was dizzy, she still cursed hoarsely: "Elaine, don't go, I will never spare you today! You will come out!"

Elaine was so addicted to her mouth that she didn't bother to continue to talk to her, and said directly to Charlie: "Good son-in-law, help mom downstairs."

Claire followed behind and asked, "Mom, where do we get so many Cantonese refreshments?"

Chapter 2018

Elaine smiled and said, "Silly girl, I lied to her. Where can I buy Cantonese-style refreshments for the Chinese New Year? Besides, I can't do it. I'm just angry with that bad old lady!"

Elaine continued, "Don't you know that your grandma usually likes Cantonese-style tea, so she goes to the teahouse to have it all morning. Every time she goes there, she eats a meal like Empress Dowager Cixi, one big table, now she has fallen into a family of despair, I still can't stimulate her well?"

Claire sighed helplessly, and said, "Mom, should you turn over the grudge you had with grandma? She is so old, so don't be familiar with her."

Elaine said disdainfully: "What about getting older? I tell you, there are a group of people in this society. The older she gets, the worse she gets! This kind of people, the older they are, the more they can't breathe. It was able to save bad water in my stomach, and it smelled bad! Back in the detention center, you didn't know how she tortured me. I didn't rush to kill her. It is all my kindness!"

Claire had nothing to do with this mother, so she asked, "Okay, mom, then what do we have for breakfast?"

Elaine said: "I have noodles for breakfast, I ordered tomato and egg noodles."

After finishing speaking, she looked at Charlie and said flatly, "Good son-in-law, don't dislike it. When your mother's legs are ready, I will go out to buy all kinds of big fish and meat every day, and make a big meal for you!"

Charlie smiled and said, "Mom, I'm not picky about eating. You should make more delicious food for Claire."

"Sure for sure!" Elaine said with a grin: "At the beginning of pregnancy, it is necessary to eat healthily."

Claire said shyly: "Mom... why are you talking nonsense again..."

Elaine said solemnly: "How can this be called nonsense? Mom is here. Before a woman wants to have a baby, she must be healthy. Don't be like your mother. You will get pregnant if you are confused."

Charlie was embarrassed when he heard it, and thought: "Obviously you used Jacob to get drunk and take the initiative to have a relationship with him. It can be regarded as deliberate, how can you become pregnant if you are confused?"

Claire didn't want to continue discussing this topic with her mother at this time, and she said, "By the way, Mom, Elsa will come and stay with her cousin for a while. Then you can stop talking nonsense."

Elaine asked in surprise, "Elsa is coming? She hasn't returned to Eastcliff yet?"

Claire nodded: "Not returned. Does she not work in the Emgrand Group? Office workers only have a holiday today, so she will visit our house first, and then return to Eastcliff for the New Year."

Elaine asked again: "Will she come back to work after the New Year?"

"She will." Claire said: "She likes the job of the Emgrand Group."

Elaine smacked her lips, and said seriously, "It feels a bit wrong!"

Claire asked in surprise, "What's wrong?"

Elaine said very seriously: “The Dong family is so powerful, how can she look for a job in the Emgrand Group? And she has been working for so long, I think, she must have another plan!”

Chapter 2019

Charlie didn’t expect Elaine to judge Elsa so accurately.

In fact, when Elsa first arrived at the Emgrand Group, Charlie had already guessed her motive.

The Dong family must have heard that the Wade family arranged a descendant in Aurous Hill and also bought the Emgrand Group as a gift to the other party. Therefore, the Dong family felt that this was a good opportunity to get ahead, so Elsa was arranged.

Originally, Charlie planned to prevent Elsa from contacting him in the Emgrand Group. As a result, she could not find his true body for a long time, and believed that she would leave Aurous Hill soon.

But who would have thought that Elsa fell in love with him by chance?

From the moment she confessed to Charlie, Charlie knew in his heart that it would be impossible for this woman to shake off for a while.

Here, Claire heard her mother say that Elsa came to Aurous Hill because she actually had other plans, so she couldn’t help but smile: “Mom, wherever you want to go, people just come to work. There are no other plans.”

Elaine smiled and said: “Then I ask you, if your family has a hundred billion, would you go to a job with an annual salary of several million a year?”

Claire thought for a while and said: “She may just want to be an independent woman, or just want to work hard on her own in the workplace, or simply because of feelings.”

“Feelings?!” Elaine waved her hand and said solemnly: “Oh my daughter, you don’t understand! In this world, the pauper may be with a bit of so-called feelings, but the rich definitely don’t!”

As he said, Elaine said with a certain face: “These rich people, all of them are unprofitable guys, all of their energy is focused on making money, and I can’t wait to sh!t to use it. Click to create a little value, so it is impossible to come to a small place to waste time!”

“The only explanation is that they have taken a fancy to something in this small place. Maybe, what valuable treasure is hidden in Aurous Hill!”

Claire said helplessly, “Mom, it was a very simple thing, how can you say it is so mysterious...”

Elaine said solemnly: “Don’t believe it! When I was young, I heard my grandma say that their hometown was in a mountain nest, and they didn’t see a few outsiders throughout the year. The rich would never go to them, but from the beginning of the year, there will be several wealthy people who go to them to donate money to build temples, some donate land temples, and some donate Guanyin temples, saying that their gods are very effective...”

“The people in the mountains are very puzzled, thinking, I haven’t heard of any very efficacious gods here. If there are real gods, how can we be so poor and have a meal without a meal? This is not logical, right?”

Claire nodded: “It’s a bit strange, then?”

Elaine said: “Then it has been this way for several years, dozens of large and small temples have been built, but everyone is still poor and dying, until a great detective from Eastcliff came all the way to investigate the case in the mountains. Everyone realized that those rich people came to the mountain to donate to the temple to steal a tomb from the Han Dynasty!”

“Ah? Tomb robbers?” Claire said embarrassingly, “Mom, are you reading too many novels? Where are so many tomb robbers in novels!”

Elaine said seriously: “Do you think the tomb robber in the novel is mysterious? I tell you, there are more tomb robbers in reality than described in the novel!”

After that, Elaine rolled her sleeves and gestured with her hands excitedly: “I tell you, that tomb is under the mountain behind your grandma’s house, but the villagers have never known it! In those few years, All kinds of tomb robbers used the donations to build the temple and punched dozens of holes under the temple, almost hollowing out the bottom of the mountain!”

Chapter 2020

Claire smiled and said: “Mom, the more you talk, the more mysterious you are, and you are digging holes...Do you think you are touching Captain Jin?”

Elaine saw that Claire didn’t believe in her, so she couldn’t help but anxious, and blurted out, “You girl, you don’t believe what mom said! My grandma’s house has opened a lot of tombs over the years. Not far from my grandma’s house, a particularly famous tomb of Haihunhou was unearthed. Have you heard of the tomb of Haihunhou?”

Claire nodded: “I heard that it seems to be a very important archaeological discovery. What’s wrong with this tomb?”

“What’s the matter?” Elaine hummed: “I tell you, the reason why this tomb was discovered by the cultural relics department is that when the tomb robbers robbed the hole, they alarmed the nearby villagers. After the villagers called the police, the talents of the cultural relics department knew that there was a large tomb there, and the tomb of Haiyunhou’s wife was also in front of him. It had been stolen by tomb robbers long ago. It is said that there are dozens of thief holes punched in from all directions!”

Claire was stunned at hearing, “Are these tomb robbers really so powerful?”

Elaine was a little anxious, and said, “If you don’t believe me, search online!”

Charlie on the side nodded in agreement: “Wife, you are indeed a little ignorant about this matter. Actually, there are many very powerful craftsmen in the folk. The tomb robbers you read in novels are actually too many in real life, don’t believe me. Ask your dad, every year in the antique circle, many

unearthed cultural relics are privately traded underneath. To put it bluntly, they are items stolen by tomb robbers.”

After speaking, Charlie said again: “A dozen or twenty years ago, a case of theft of Cordyceps Sinensis occurred in a provincial capital city in the central region. A shop that operated Cordyceps was stolen overnight with 200 kilograms worth thousands of Wan’s Cordyceps, do you know how the other party stole it?”

Claire shook her head: “How did they steal it?”

Charlie said: “It was a thief and stole it. They rented the shop opposite to the Cordyceps shop, drilled tens of meters underground, and went directly to the ground of the Cordyceps shop, and then drilled out and stole all the Cordyceps.”

Claire was surprised and said: “This is too amazing...”

Charlie nodded: “Aside from their illegal and criminal behavior, just talk about their craftsmanship in drilling holes, it is indeed very powerful.”

Elaine looked at Claire and said, “Now you believe me?”

Claire nodded, “Mom, I believe...”

Elaine gave a hum, and then said: “Then now, you understand what is meant by unprofitable and profitable, right? For tomb raiders, if it weren’t for the ancient tomb in the mountains, who would go to that kind of poor country to donate? Temple? That’s the same with Elsa. If it weren’t for Aurous Hill’s profit, why would she be the eldest lady of the Eastcliff family and waste her time here? That’s why I say, Aurous Hill must have a big treasure we don’t expect!”

Claire frowned and said, “But there is no treasure in Aurous Hill. Even if there is an ancient tomb, it is impossible for the Dong family to steal the tomb!”

Elaine said, “The big treasure I’m talking about may not be an ancient tomb! Maybe there are hidden great men in Aurous Hill!”

Claire smiled and said, “Big man? What big man can interest Eastcliff’s family?”

After she finished speaking, she pointed to Charlie and ridiculed: “Many people in Aurous Hill call your son-in-law Master Wade, saying that your son-in-law is a real dragon in the world, is he a hidden great figure.”
