

## Chapter 2005: Banned

However, based on the evident features and jewelry on the woman's body in a pretty clear photo, someone established that the woman was Zhou Hailan. Therefore, Zhou Hailan would do anything to rise to the top. Tens of thousands of people had seen that photo, so that was no longer salvageable.

Jiang Yao received a call from Zhou Hailan on her way to the train station to see Xiao Ding and his family off. Jiang Yao was not surprised that Zhou Hailan was able to find her.

After all, Zhou Hailan had been in Jindo City for quite a number of years. She had her connections, and she still had her manager.

Lu Xingzhi did not hide the fact that he had made a move. He wanted to support Lu Xiaoxiao to the greatest extent possible.

Jiang Yao was not surprised when she received Zhou Hailan's call. What was surprising was Zhou Hailan's humble begging for forgiveness and admission of her error.

"You're only apologizing to me now? It's too late." Jiang Yao snorted. "Aren't you competent? You hit Lu Xiaoxiao and immediately got someone to cancel the contract with her when you returned to Jindo City. Since you're so capable, then don't be so humble."

Then, Jiang Yao hung up the phone and blocked Zhou Hailan's number.

Jiang Yao finally discovered why Zhou Hailan was in such a rush to call her and apologize after hearing what Lu Xingzhi had to say when she returned home. She also stated that she would be willing to make up for any losses. She was ready to pay whatever amount Jiang Yao requested.

After a few days, Zhou Hailan's photo had finally reached the entire country. It was so indecent that the government had banned her.

This kind of ban meant that it would be impossible for Zhou Hailan to make a comeback unless she went abroad and never returned to the country.

Was it possible? How would she handle that incident?

"So you were banned," Jiang Yao said in a low voice. "Being banned isn't like canceling a contract. If you cancel a contract, you can find the next company. A ban like that, though

Zhou Hailan, who was far away in Jindo City, was burning with anxiety after the call ended. She wanted to jump off a building to commit suicide, but she was afraid of death and pain.

Her manager asked Zhou Hailan to leave Jindo City temporarily. She did not know what else she could do. Zhou Hailan also knew that her manager no longer had any hope for her, so he had asked her to leave Jindo City and let her fend for herself. Zhou Hailan gritted her teeth. She changed her flight ticket when she was at the airport.

Zhou Hailan did not know where she could find Lu Xiaoxiao's brother and sister-in-law, but she would try to find them.

At that time, it was not all quiet in the army base. [Support our Benovel.com](http://SupportourBenovel.com)

Zhou Junmin and everyone else had exposed Jiang Yao's pregnancy when Jiang Yao treated Shao Fucheng for pneumonia. Most of the soldiers felt like they had to protect Jiang Yao.

The news of Jiang Yao's pregnancy immediately spread in the base. It was as if she had been given wings to freedom. Whenever Lu Xingzhi was about to lose his temper during training with the other soldiers, one of them would ask, "I heard your wife is pregnant!"

His temper would simmer if they were discussing Jiang Yao. Therefore, he received countless congratulations during the training.

However, Jiang Yao felt that many women in the family area looked at her strangely, no matter younger or older women.

Every time they saw her from afar, they would point at her abdomen to the people next to them. However, as soon as Jiang Yao came close, they would immediately look at Jiang Yao with a disdainful gaze and quickly disperse..

Chapter 2006: Take It

They did not seem to want, or rather, did not dare, to let Jiang Yao hear what they were saying.

Even though Jiang Yao was a warm-hearted person who would not let other people's comments or behaviors affect her life, she would be irritated if she experienced such things too frequently.

Jiang Yao was still enraged when she went home with a bottle of vinegar. With a sigh, she handed the vinegar to Lu Xingzhi, who was cooking. "Take it."

Jiang Yao's tone was not very pleasant since she was unhappy. Lu Xingzhi could tell she was irritable.

"You're not happy because I ordered you to go out and buy a bottle of vinegar?" Support our Bonovel.com

Lu Xingzhi took the bottle and was not in a hurry to open it. Instead, he used his oily hand to pinch Jiang Yao's chubby cheeks. "The sun is setting, and it's not hot outside. It's not bad for you to go out for a walk."

"I'm not so easily angered." Jiang Yao slapped his hand that was near her face. She rolled her eyes and said, "I'll go out for a walk. Call me when we can eat."

Jiang Yao bolted out of the kitchen after saying that, not waiting for Lu Xingzhi to respond. She pulled Moe out of the living room, where he was watching TV, and then dashed out the door.

It was a coincidence. As soon as Jiang Yao stepped outside, she noticed Colonel Ye's son, who lived next door, getting ready to enter the house.

Jiang Yao did not like Ye Xueli. She did not have any feelings for Colonel Ye and his wife, but she did not have any negative feelings toward Ye Jianguo.

"Ye Jianguo," Jiang Yao called out to him.

Ye Jianguo stopped in his tracks. When he turned around and saw Jiang Yao, he immediately ran away.

Ye Jianguo reacted quickly, but Jiang Yao was faster than him. She reached out and grabbed the person about to run into the house. "Why are you running when you see an old woman?"

"You're not older than me. How are you old?" Ye Jianguo kept shaking his arm, trying to break free. However, he knew that Jiang Yao was pregnant, so he did not dare to struggle too much as she pulled him. He was afraid that he would injure Jiang Yao.

"You have to call me Miss Jiang in school, and you have to call me Mrs. Lu on the army base. Am I not one of your elders?" Jiang Yao giggled. "Let's go to the side and chat for a while."

"Miss Jiang, Mrs. Lu, I don't think I have anything to talk to you about."

...

Ye Jianguo's face was bitter.

"You weren't like that in the past."

Ye Jianguo used to be friendly with her. She did not expect that he would want to run when he saw her. The more he ran, the more Jiang Yao would not let him go.

"Ye Jianguo, has anyone in the army base said anything about me in the past two days?"

It was Jiang Yao's first time there, but Ye Jianguo grew up on the base. He definitely had more connections than Jiang Yao.

Furthermore, when Jiang Yao saw Ye Jianguo's behavior, she knew that the younger man knew why she was looking for him.

"What did you say? I don't know anything." Ye Jianguo pretended to be stupid. However, seeing the look on Jiang Yao's face, he stopped struggling and sighed. "Since you don't know about it, don't ask. I don't want to tell you. No! I won't tell you even if I die!"

Ye Jianguo had a determined look on his face. Then, he suddenly looked behind

Jiang Yao and shouted, "Colonel Lu! Colonel Lu! Come get your wife!"

Jiang Yao thought that Lu Xingzhi had come out, so she looked back. She did not expect Ye Jianguo to run away like a rabbit, and there was no one behind her..
