

## The One and The Only Chapter 201 - 210

Yash Nics said lightly: "No matter what your status is, you must read the word in everything.

Reasonable

travels around the world, unreasonable step is difficult." "Are you here to reason with me?"

Huang Yuandong sneered and said: "Well, you can tell me, what is the reason why you beat

my nephew and my son like this?"

Yash Nics said coldly, "Your nephew behaved frivolously, molested my wife, and ordered his

bodyguard to break my arms and legs. I only break his arm. It's fair, right?"

"As for your son, he brought dozens of people to smash other people's restaurants, and said

that all the rebels broke his arms and legs. I break his arm, he counts. Not to blame?"

Huang Yuandong was unhappy: "According to you, I sent Dong Tianbao to smash the

restaurant, he and his men were injured by me, do you want to teach me a lesson? ? "

Ning smiled and said: "It seems that you are still a little naive, I now give you a chance. " "

you immediately put Dong Tempo, Tempo Dong compensate all losses and apologize, I can

not tell you consider the general care about. "

Huang Yuandong, Lu Dachun, Huang Shaowei, Zhu Jiuling and others couldn't help laughing

when they heard Yash Nics's words.

This kid really doesn't shed tears if he doesn't see the coffin, he dare to brag at this time!

Huang Yuandong grinned and said, "Hehe, you don't care about me, but I want to care about

you." After

Huang Yuandong finished speaking, he turned to look at Huang Shaowei and Lu Qingyun,

and asked: "What do you two want me to do to you? To vent their anger, to beat them to

death on the spot, and then drag them to the mass graves to sell them?"

"Or arrange for them to go to a black mine and dig until they die?"

Lu Qingyun said grimly, "Uncle, slowly torture him I'm impatient, I prefer to be simple and rude, and kill him tonight."

Huang Shaowei also said: "Dad, I mean the same as my cousin, don't let them live tonight!"

Upon hearing this, Huang Yuandong said to Lu Dachun: "I heard what my nephew and my son said, and send them three on the road."

Huang Yuandong said, Yash Nics did not change his face, Dong Tianbao remained

unmoved, but didn't know. Shi Qing, who was in Yash Nics's identity and strength, was so

scared that he fell directly to the ground, his face as gray as death.

Yash Nics squinted his eyes and said, "It seems that I will give you a chance, but you don't want it."

Huang Yuandong sneered: "Hehe, you still utter rants when you die. ? "

Huang Yuandong Carter, Lvda Chun took out a pistol, pointing to Ning, grinning asked: " ? boy, you do ye so mad. "

but at that time, out came a rumbling sound, but also Vaguely heard an exclamation.

Then the emergency sirens of the Ministry of Armed Forces sounded.

Huang Yuandong and others were surprised, and were about to ask what happened

outside?

Suddenly, a sentry rushed in in a panic, and said with a trembling:

"Report, the major event is not good."

Huang Yuandong said in anger: "What is it, panicking, how decent you are. Don't forget you

are Reserve soldiers, what's so scary?" The

sentry said with a panic face: "Report, a regular elite force has come outside and

surrounded our armed forces."

Huang Yuandong lost his voice: "What did you say?" The sentry was frightened. Said: "The Raptors Special Forces from the north, they surrounded us aggressively."

"They also dispatched tanks and armored chariots, threatening that Yash Nics and Dong

Tianbao had any mistakes, they would calm down here. "

The One and The Only Chapter 202

Raptors Special Forces actually surrounded this place for the sake of Yash Nics and Dong

Tianbao.

He even said that if Yash Nics and Dong Tianbao had any losses, they would put it down

here?

Huang Yuandong and the others were full of disbelief. He was shocked and angry and said,

"They dare!"

At this time, there was a loud and powerful footstep outside the door.

Then I saw a school officer, leading dozens of Raptors special soldiers with live ammunition,

coming in aggressively.

Dozens of Raptors special fighters just came in and raised their submachine guns in a

clatter, aiming all their guns at Huang Yuandong and others.

Dian Chu said in a deep voice: "This place is under the control of the Raptors Special Forces.

Whoever dares to move will be shot on the spot!"

Dozens of Raptors special fighters

responded in unison : "Yes!" Lu Dachun and more than a dozen of his men. , Put down the

weapons in his hands together, all raised their hands and surrendered.

Huang Yuandong, Huang Shaowei, Lu Qingyun, and Zhu Jiuling are all in surprise.

At this moment, Yash Nics walked to Lu Dachun and said lightly: "You just asked me, why am I so crazy?"

Lu Dachun looked ugly, hesitated, and couldn't speak.

Yash Nics lifted his foot and kicked Lu Dachun in the knee. With a click, he kicked Lu Dachun's foot off.

Lu Dachun let out a scream, kneeling in front of Yash Nics involuntarily. Yash Nics said indifferently: "Every one of us who came out of the Northern Army is so crazy!"

Huang Yuandong and the others were already very shocked by the fact that Dian Chu led the people to surround and control this place.

But at the moment they saw Yash Nics lift their foot and directly kicked Lu Dachun's foot off, and each one was even more dumbfounded.

Especially Huang Yuandong, he looked at Yash Nics in shock. You know that Lu Dachun is his deputy, a figure of the deputy regimental level. Yash Nics dared to cruel Lu Dachun in public. Isn't he afraid of being held accountable?

Huang Yuandong looked at Yash Nics, Dianchu and the others, with a grim expression on his face: "You are so courageous, you dare to surround the Armed Forces, and you dare to injure my deputy. I will report this matter truthfully and hold you accountable. The corner of Yash Nics's mouth rose slightly, and she looked at Huang Yuandong with a sneer:

"You are really funny. When I want to reason with you, you are unreasonable and want to tell me about force; now when I tell you about force , But you want to reason with me again."

Dian Chu looked at Huang Yuandong's group and said coldly: "This is a typical villain's behavior!"

Huang Yuandong was very angry when he heard the words. The leader of the service, like Dian Chu, is a colonel.

Dian Chu didn't put him in his eyes, how could he not be angry?

However, Huang Yuandong also knew that Dian Chu was a colonel of the regular army, and

also a colonel of the elite special forces in the regular army.

Naturally qualified, don't put him in the eyes of the same level!

At this moment, someone outside suddenly came in in a hurry.

It is Huang Yuandong's superior, the head of the China Shipping Armed Forces Department,

Li Feipeng, and Master Li.

When Li Feipeng came in, he saw the special Raptors soldiers, pointed their guns at Huang

Yuandong and others, and saw Yash Nics and Dianchu, as well as Lu

Dachun who fell on the

ground and screamed.

His scalp is numb!

He is different from Huang Yuandong. Huang Yuandong does not know

Yash Nics's true

identity, but he does.

At this time, seeing Huang Yuandong actually offend Yash Nics, the god of war, he insulted

Huang Yuandong's 18th generation ancestors all over.

You fucking provoke someone is not good, but you provoke this big man.

I am afraid that I am half a step late, and this armed department will be razed by others.

Li Feipeng trot in with a panic face, and said again and again:

"Misunderstandings and

misunderstandings, this is really the flood of the Dragon King Temple,

the family does not

recognize the family!"

Dian Chu said indifferently: "Who is with your family, are you worthy? "

The big water flushed the Dragon King Temple. I think the big water

flooded the snake's

nest. It's almost the same as the snake's nest!"

Huang Yuandong and others saw Li Feipeng coming as if they saw a savior.

Because they felt that, anyway, Li Feipeng was also a big colonel, one level higher than Dian

Chu.

The military has always had strict levels and disciplines, and everyone felt that the appearance of Li Feipeng would be able to rule one rule. But what everyone couldn't believe was that Dian Chu did not show any face to Li Feipeng and even ridiculed him on the spot. Huang Yuandong couldn't help it anymore and said to Li Feipeng, "Master Li, you see how crazy they are and they are lawless. We must report this matter and ask the superior to punish them severely."

The One and The Only Chapter 203

Li Feipeng now has the heart to cry, and he can't wait to cover Huang Yuandong's mouth to let this guy stop talking nonsense.

Still reporting it, the Yash Nics in front of him is the Marshal of the Northern Army and the Chinese God of War.

You still punish him severely, if he doesn't punish you severely, it's fine. Li Feipeng wanted to cry without tears, and while wiping the sweat from his forehead, he

pitifully said to Yash Nics and Dianchu: "Misunderstanding, there must be many

misunderstandings..." Dianchu coldly snorted,

"I don't think there is any misunderstanding. This guy keeps saying that he wants to report,

so report it. You are under the jurisdiction of Major General Wang Daofang of the Chinese

Navy, right? Do you have a phone number from Wang Daofang? Call you without me!"

Dian Chu said, he really took out his cell phone. He called Wang Daofang on the spot.

After the call was made, Dianchu said directly: "Major General Wang, I think Huang

Yuandong of the China Shipping Armed Forces Department, do you want to move his

position so that he can go to the grassroots level to

practice experience?” Huang Yuandong heard Dianchu’s words, his heart sighed. With a

fierce jump, there is an ominous premonition.

After Dian Chu finished speaking, he pressed the phone and hands-free and handed it to

Huang Yuandong.

Huang Yuandong was uncertain, but the call was made to Wang Daofang, he didn’t dare not

answer it, and quickly took it with both hands.

He spoke carefully to the phone and gave a feed.

Then Wang

Daofang’s loud and powerful voice came from the phone: “Old Huang!”

Huang Yuandong

heard that it was the voice of Major General Wang, and said with a

trembling, “The chief, it’s

me.”

Wang Daofang said slowly: “You go to the grassroots level to get your hands dirty. I’ll let Li

Feipeng arrange you to go to the logistics cooking class and be the squad leader. Your

demotion notice will also be issued.”

Boom!

Huang Yuandong felt like a bolt from the blue, and he was completely stupid.

The head of the reserve service was directly demoted to the squad leader of the cooking

squad.

It is estimated that he, the school officer, will also be demoted to the lowest

non-commissioned officer!

This is simply knocking him down to eighteen layers of hell!

Huang Yuandong tremblingly said: “Head, chief, I...I...”

Wang Daofang said: “Okay, I’m sleepy, I want to rest, so let’s do it.”

“In addition, remember that Lu Dachun and Huang Shaowei are two ,

Also bring it together,

and go to the cooking class with you to have a company.”

Now, not only Huang Yuandong is completely desperate.

Even Lu Dachun and Huang Shaowei were ashamed, and they were actually distributed together.

What Huang Yuandong and others did not know was that Wang Daofang was once Yash Nics's subordinate.

Without Yash Nics's cultivation, there would be no Wang Daofang today. Not to mention Huang Yuandong, even Li Feipeng.

If any act that offends Yash Nics is done, Wang Daofang will deal with it without hesitation.

After Wang Daofang finished speaking, he hung up the phone without giving Huang Yuandong any chance to struggle.

Huang Yuandong turned his head to look at Dian Chu, his eyes desperate, angry, and scared.

Dian Chu said coldly: "Are you not convinced, I'm a very easy person to talk, what dissatisfaction can you raise."

Still dare to raise dissatisfaction?

Huang Yuandong raised his dissatisfaction just now, and he was directly demoted to the most basic level.

If dissatisfaction is raised again, Dian Chu may not be allowed to kill him this time.

He drooped his head and said

grimly: "No, I am very convinced, and there is no dissatisfaction." Dian Chu turned his head and looked at Li Feipeng: "Do you have any comments?"

Li Feipeng quickly took a peek at Yash Nics, watching his nose and mouth, and said: "I think this approach is reasonable and reasonable. I raise my hand for it, but I have no opinion."

Huang Yuandong opened his eyes wide and looked at Li Feipeng in disbelief.

Li Feipeng is famous for his short-term protection and is strong, so why are you so embarrassed tonight?

Dian Chu looked around the crowd indifferently, and said loudly: "Since there is no objection, then I will take Yash Nics and Dong Tianbao away, and close the team!" The Raptors special fighters at the scene stood up straight, clattering. Put away the submachine gun, the bullet retreated, and the line was ready to retreat. However, Yash Nics did not rush to leave, but looked at Lu Qingyun and Zhu Jiuling in the corner. His gaze finally fell on Zhu Jiuling, and said indifferently: "I warned you to behave yourself before, but I didn't expect you to come to provoke me. What you did has successfully angered me." Zhu Jiuling was uncertain and his eyes were complicated. Looked at Yash Nics. Yash Nics said indifferently: "I will give you one month to retire completely. Otherwise, I will personally remove your Zhujia." The One and The Only Chapter 204 Yash Nics's words not only made Zhu Jiuling speechless in shock. Even the surrounding Huang Yuandong, Lu Qingyun and others were shocked. Yash Nics unexpectedly asked the Zhu family to completely withdraw from the arena, otherwise, Yash Nics would smooth the Zhu family. This warning is really cruel!

After Yash Nics finished speaking, he stopped talking to everyone, and left with Dian Chu Dong Tianbao and them. After Yash Nics and Dianchu led the Raptors Special Forces to retreat, everyone in the hall finally couldn't help talking. What Huang Yuandong, Lu Qingyun and Zhu Jiuling want to know at this moment is, what exactly is Yash Nics's background? Why did Dian Chu defend him so much, even sending out the Raptors Special Forces to

encircle the Armed Forces.

Everyone focused on Li Feipeng.

Everyone felt that Li Feipeng was so afraid of Dian Chu and Yash Nics, he must know something.

It is a pity that Yash Nics once told a group of senior officials in Mannity that no one should reveal the secret of his identity.

How dare Li Feipeng divulge Yash Nics's identity? Faced with the questions of the crowd, he

could only say vaguely: "It is said that Yash Nics and Dong Tianbao both served in the

Northern Army. They should have been soldiers of Dian Chu before. It is only natural for Chu

to protect

shortcomings ." Zhu Jiuling and Lu Qingyun were relieved when they heard the words.

They were afraid that Yash Nics was a big man!

It turned out to be just a soldier under Dian Chu, no matter how arrogant Dian Chu was, he was just a colonel.

Zhu's family has contacts in the black and white business, politics, and military. How could

it be a small soldier under Dianchu, who said that it would be a smoother, it is a joke.

Yash Nics arranged for Dong Tianbao to go to the hospital for treatment, and Shi Qing and

others were left to look after Dong Tianbao.

Then he went home, and when he got home, it was close to dawn.

He slept in a hurry, and when he woke up, it was already noon.

He got up to wash out and found Song Zhongbin was watching TV in the living room, Ma

Xiaoli was preparing lunch in the kitchen, and Song Pingting had just returned from the company.

Song Pingting swept away the decline of the previous two days, and looked energetic, and

her pretty face could not conceal her joy.

When she saw Yash Nics, she said happily: "Yash Nics, the accident at the construction site has been investigated clearly. Someone deliberately framed the case. The police is under further investigation."  
"The insurance company has already paid the workers' treatment costs in advance. The company's compensation for workers has also been implemented."  
"The Emergency Management Bureau also told us that the company can resume work!"  
Yash Nics said with a smile: "Very well, this storm is finally over. I also have good news to tell. Everyone."  
Song Pingting, Song Zhongbin, and Ma Xiaoli, who had just brought food from the kitchen, were curious to ask what good news was when they heard Yash Nics's words?  
Yash Nics smiled and said: "Before, my grandfather's family was playing a rogue and was unwilling to bear the losses of Ningda Company. When he arrogantly asked to withdraw the shares at the original price, didn't I say that they would regret it?"  
Song Pingting talked to Song Zhongbin and Ma Xiaoli. I couldn't help but smile, jokingly saying that the turmoil of Ningda Company has passed, and it is estimated that Grandpa and the others regretted their death.  
Yash Nics said: "Their regrets have just begun. I intend to let Mingda Company apply for listing. Once the listing is successful, the market value of Ningda Company will surely rise, and then it will be the time when grandpa and they regret it." The

listing of the company is countless companies. A dream thing.  
Song Pingting's eyes widened: "Listing is very difficult. Can our company succeed?"  
Yash Nics said with a smile: "Now that the listing system is reformed, everyone who meets

the requirements can be listed on the Science and Technology Innovation Board. I will apply for listing. It's done, you just have the relevant documents ready."

Song Pingting said in surprise, "Okay!"

The One and The Only Chapter 205

One week later, Ningda successfully listed on the Science and Technology Innovation Board.

The reason why it is so easy is that it has a lot to do with Yash Nics's help behind the scenes.

After the Ningda Company went public, its stock price soared that day, rising by 81.5%, with a total market value of 4 billion.

After the news came out, many China Shipping business executives cast envious glances.

When Song Qingsong, Song Zhongxiong and Song Zhongping's family heard the news, they all thumped their chests, and their intestines were green with regret and regret.

Song Qingsong held his family with a cheeky face, and once again came to visit Song

Pingting's house with a gift.

Said that they had done something wrong before and wanted to hold shares in Ningda

Company again.

Yash Nics said coldly: "Our Ningda company has been listed. It is not easy for you to hold shares in our company."

"You invest in the stock market and hold stocks in our company, not even our company. The shareholder of the company!"

Song Qingsong's family was choked by Yash Nics's words, and they couldn't speak.

Ma Xiaoli couldn't help but cheered secretly, she felt that her son-in-law had done too beautifully.

Song Qingsong came here this time without taking advantage, and soon left with a gloomy

face.

...

Since Ningda Company went public, Song Pingting's work has become even busier.

One afternoon, she called Yash Nics.

Said that her mother's sister's daughter, that is, her cousin, is going to visit Mannity for a few days.

She couldn't get away to pick up her cousin during a company meeting, and wanted Yash

Nics to help pick it up.

He also told Yash Nics that his cousin was Tong Ke. She arrived at Mannity Airport at 3

o'clock in the afternoon and gave Yash Nics Tong Ke's mobile phone number.

Yash Nics said that there was no problem, and then he was ready to pick up Tong Ke.

However, when he came to his garage, he was worried.

There are a total of 4 cars in the family, a Pagani Zonda, a BMW 7 series, a BMW 5 series,

and a Volkswagen polo car that Song Pingting drove before.

Song Pingting of the BMW 7 Series is off to work, and Song Zhongbin of the BMW 5 Series

is off.

Now Yash Nics can choose only Pagani Zonda and Volkswagen Polo.

Yash Nics doesn't like publicity, and he feels that driving a Fengzhizi to pick up his cousin is a bit showy.

He finally chose to drive the old Volkswagen Polo to pick up Tong Ke at the airport.

Arrived at the airport exit, exactly three o'clock.

Yash Nics dialed Tong Ke's number, and Tong Ke was quickly contacted.

Tong Ke is three months younger than Song Pingting. She is 26 years old this year. She has

short hair, tall and well-proportioned, and she has a nice face.

Although it is a little different from Song Pingting, she is still a superb beauty.

There is also a sister who is walking beside her, named Zhao Chunling.

Yash Nics dropped the car window and said to Tong Ke, who was standing on the side of the airport exit, to Zhao Chunling: "My name is Yash Nics, it's your cousin's husband. Your cousin is not available. Let me pick you up and get in the car." Tong Ke saw that Yash Nics was driving a tattered Volkswagen Polo to pick her up, frowning involuntarily. Zhao Chunling next to her even whispered: "Tong Ke, how come your brother-in-law is so bad, and the car you drive is so old and low-grade, you lose your identity by riding in his car!" Tong Ke heard the words and looked at Yash Nics's eyes. , Became even more disgusting. Zhao Chunling took the opportunity and said: "Tong Ke, remember our classmate Xiao Lei? He knew that we were coming to Mannity today, and he said to pick us up. Or let your brother-in-law go back first, and our classmates gather together. As soon as Zhao Chunling's voice fell, there was a Maserati roaring towards him. Maserati deliberately drove fast, and then used a slamming brake to stop in front of Tong Ke and Zhao Chunling. In a hurry, in the Maserati car, a man in an Armani suit got down. This man has a greasy face, a Rolex water ghost watch on his wrist, and he looks like a successful young man.

This man is no one else but the old classmate Xiao Lei mentioned by Zhao Chunling.

The One and The Only Chapter 206

Xiao Lei saw the slim Tong Ke, his eyes lit up, and then he greeted him. He smiled flatly and said: "Two beautiful classmates, let you wait. I have opened a box in the Blue Sky Club, and several other classmates are waiting for you two, please get in the car soon ." Zhao Chunling Looking at Xiao Lei's Maserati with both eyes, he whispered, "Ah, the

Maserati president is worth more than one million. Hehe, this kind of car is worthy of the

girl's Huatong Ke of the Medical University. ! ”

Zhao Chunling Ke holding child's hand:”! Tong Ke, we get on it, ”

Xiao Lei said, smiling:” Yes, we students on the train it Long time no see, just to get together.

“.

Tong Ke bit For embarrassment, look at Yash Nics and Yash Nics's shabby Polo, and look at

Xiao Lei's shiny Maserati.

She finally said to Yash Nics, “Brother-in-law, you should go back first. I will

gather with my classmates, and I will go to my cousin's house in the evening, so you don't

need to worry about me.” After that, she went to Xiao Lei's with Zhao Chunling. Maserati.

When Xiao Lei saw Tong Ke and Zhao Chunling in his car, his face was smug.

He also walked to Yash Nics's car, leaned close to the window, and said

in a low voice: “Boy,

driving a broken Polo, it's embarrassing to avoid coming out, your sister lends me a fun

tonight.”

After speaking, he was proud of it. Yang Yang left, driving his Maserati away.

Xiaolei Gang just drove away, passing Ning heard two men muttered:. “It was not just the

scum Xiao Lei Well, that guy recently raped a girl, depriving the people afterwards

committed suicide.”

“And he did not I was caught, and now I'm hooking up with new prey again.”

Another man said, “Why do you call others rich and powerful? That short-haired beauty just

now is really beautiful, it's a pity.”

Yash Nics didn't want to control Tong Ke's private life, but when two passersby were talking,

he frowned.

At this time, his cell phone rang, it was Dong Tianbao's call. Dong Tianbao said: "Master, ten days have passed now. The Zhu family did not take your warning seriously, and did not intend to retreat at all." "Even last week, the Zhu family opened a high-end club in Mannity. It's called the Blue Sky Club." "It seems that the Zhu family wants to re-infiltrate the underground circle of Mannity and regain control of the underground world of Mannity." By coincidence, Tong Ke and the others also went to the Blue Sky Club just now. The corner of Yash Nics's mouth rose slightly and said to Dong Tianbao: "I suddenly want to drink, let's go to the Blue Sky Club for a drink." Tong Ke, Xiao Lei, and Zhao Chunling arrived at the Blue Sky Club soon. In the box, there are several other classmates from the Medical University. Xiao Lei ordered a few bottles of red wine to celebrate the reunion of classmates. In fact, when Xiao Lei was studying, he crazily admired Tong Ke. But it is a pity that Tong Ke is a genius and he is very good at learning.

Even if Xiao Lei has a lot of money in his family, Tong Ke still doesn't look down on him who is unlearned and skillless. Therefore, Xiao Lei failed to pursue Tong Ke for a few years in university. After Xiao Lei graduated, he spent a few years in society, and he also learned more about evil ways. This time he learned from Zhao Chunling that Tong Ke was coming to Mannity, so he deliberately set up a game. Several classmates in the box, including Zhao Chunling, were all taken care of by him. Today these people have only one purpose, and that is to get drunk Tong Ke and give Xiao Lei a chance to sleep Tong Ke.

Therefore, from the beginning, Xiao Lei and Zhao Chunling tried their best to toast Tong Ke.

After getting his Ph.D. in university, Ke Tong entered a medical vaccine research institute to

conduct cancer vaccine research with some medical elites.

Although she has less contact with the dark side of society, she is not stupid after all.

Soon she realized that something was wrong, especially Xiao Lei's squinting eyes that

turned more and more recklessly around her, which made her aware of Xiao Lei's good

intentions.

She already regretted it a little bit, she would have taken her brother-in-law's tattered car home.

It's all right now, and I'm sending the sheep to the tiger's mouth.

She stood up and said to Xiao Lei and the others: "I'm sorry, I'm a little overwhelmed with

alcohol, and I'm going to go back first."

But she just stood up, suddenly felt dizzy, and then fell weakly and sat back on the sofa.

Xiao Lei immediately approached with a smirk, pretending to ask with concern: "Tong Ke,

what's the matter with you?"

Tong Ke was dizzy and weak, and his consciousness slowly began to blur.

She looked at Xiao Lei's disgusting face, and said with a trembling:

"You... Xiao Lei, you

moved your hands and feet in the drink."

The One and The Only Chapter 207

Xiao Lei smiled obscenely: "Hehe, it seems that you are not stupid, but unfortunately you

only noticed it now. It's too late. Tong Meimei, I have been looking forward to today for many

years, and finally waited."

Xiao Lei After that, she told Zhao Chunling and others: "You all go out and let me have a

good time with Tong Ke."

Tong Ke is ashamed and angrily, but unfortunately now she is weak, and even a little bit of consciousness has begun to blur, and she must resist first. But nothing can be done.

Two tears overflowed from the corner of her eye.

Xiao Lei said with a smirk: " Why are you crying? You should still be around. Hey, then I will take you more tenderly. Don't worry." Zhao Chunling glanced at each other, and there was ambiguity in each other's eyes. Smile, preparing to leave, handed this box to Xiao Lei as the battlefield.

But at this time, the door of the box suddenly banged and was kicked open.

The power of this foot was so great that it directly kicked the door panels of the box and slammed it in front of Xiao Lei and the others. The huge movement shocked everyone in the box.

Xiao Lei and the others looked at the door of the box in anger, including Tong Ke, who was increasingly blurred and unconscious, also looked at the door.

At this time, her love potion had a seizure, which made her confused and unclear to see. .

But she could still see that the one who kicked in was a tall and slender man.

It's just that she couldn't see the man's face clearly, and her vision was too blurred.

It was Yash Nics who kicked in.

Tong Ke is Song Pingting's cousin after all, and Song Pingting asked Yash Nics to pick up Tong Ke.

If Tong Ke is in an accident today, then Yash Nics will not be able to explain to his wife when he goes back.

So he followed, but Xiao Lei didn't expect that Xiao Lei had already acted on Tong Ke, so he kicked in without hesitation.

When Xiao Lei saw Yash Nics, he was also frightened and angry: “Good boy, do you dare to spoil my good deeds?”

Yash Nics said coldly: “If you let her go, I will spare you once. But I’ll spare you. I don’t care if she pursues your legal responsibility afterwards.”

Xiao Lei smiled grinningly when she heard the words: “Hehe, you want to be a hero, don’t you look at what site is here? This clubhouse is from the provincial capital Scorpion

Brothers. Yes, Brother Xiezi is my brother, you want to die, I will perfect you.” As

soon as Xiao Lei’s words fell, a group of people came out in the corridor. The head was a man in his 30s who was wearing a black leather jacket. This man has a scary scorpion tattoo on his neck. It is Scorpion, a disciple from Zhu’s family in the provincial city of Tianhai.

Behind Scorpion followed dozens of men holding machetes and iron pipes. He looked at the knocked door, and then fell on Yash Nics with unkind eyes, and said viciously, “Come to kick the court?”

Xiao Lei saw Scorpion. If you see the rescuer, he immediately greets him, and pleases say:

“Brother Scorpion, this guy is ruining my good deeds and is still making trouble in your place. You help me teach him well.”

Everyone stared at Yash Nics, but Yash Nics But it didn’t seem to put everyone on the scene in their eyes.

He walked straight over, hugged Tong Ke who had been confused by the love potion, and said lightly: “It’s okay, I’ll take you away.”

Tong Ke, who was unconscious, gave a soft hum.

She couldn’t see Yash Nics’s face clearly, but she buried her head on Yash Nics’s solid chest,

feeling that the man who stood up to rescue her was extremely reliable and relieved.

Holding Tong Ke, Yash Nics walked towards the door and said indifferently: "Those who block me will be at your own risk."  
The One and The Only Chapter 208  
Scorpion sneered, and waved his hand: "Take it, let me abolish this arrogant man." In an instant, the men behind Scorpion rushed towards Yash Nics fiercely. Tong Ke, whose head was chaotic, although her consciousness was unclear, she also knew what was going on, and subconsciously grasped Yash Nics's shirt. A guy holding an iron pipe, holding the iron pipe, wanted to knock Yash Nics's head. Yash Nics raised his foot and kicked the opponent's knee first. With a click, this guy's knee was directly kicked off by Yash Nics, and he knelt down in front of Yash Nics with a scream. Yash Nics did not stop, and continued to move forward.

Two more guys holding machetes rushed towards each other. Yash Nics Lightning kicked the two of them with both feet, and the two of them flew out with blood spurting. Yash Nics is like a tiger entering a flock of sheep, and like a stroll in the courtyard, holding Tong Ke, every time he takes a step, an opponent screams and falls in front of him... Scorpion did not expect Yash Nics to be so powerful, and his men are not like Yash Nics's. The enemy of one. He took out a sharp dagger, let out a low growl, and rushed towards Yash Nics like a cheetah. Yash Nics kicked it high and hit the jaw of Scorpion. With a snap, the sound of broken bones sounded. The body of the scorpion flew upside down like a kite with a broken line. It banged against the wall of the corridor with a bang, and then slid down the wall, seeing that it was impossible to survive.

Xiao Lei and the others were horrified and wanted to escape, but their legs were trembling and they couldn't help them.

Because I was too scared, I couldn't even run.

When Yash Nics kicked the scorpion to death, he stopped in front of Xiao Lei, and his eyes fell on Xiao Lei.

Xiao Lei and Yash Nics stared at each other. In an instant, they were struck by lightning, and their body shook violently. Then with a thump, they knelt in front of Yash Nics.

He opened his mouth tremblingly to ask for mercy, but he was trembling, but he couldn't even speak.

Yash Nics looked cold, condescendingly looking at Xiao Lei who was kneeling in front of him and trembling with fright, and calmly said: "Excuse me, help me wipe the blood from my shoes."

Xiao Lei was dumbfounded when he heard this, and his eyes fell on Yash Nics. On the black leather shoe of the left foot.

There was a trace of red blood on the leather shoes, which was left by Yash Nics's kick just now.

"I'll wipe it, I'll wipe it off for you..."

Xiao Lei hurriedly wanted to take out a handkerchief, but was too nervous to find the handkerchief in his pocket for a while.

When he was in a hurry, he climbed directly on the ground and wiped the blood stains on

Yash Nics's leather shoes with his own coat in a panic.

"Thank you!"

Yash Nics said, holding the confused Tong Ke and raising his foot to leave.

Xiao Lei, who was crawling on the ground, saw Yash Nics's murderous spirit gone, and finally let go of his overly afraid and nervous heart.

But there was a cold under the crotch. It turned out that I was peeing my pants when I was relaxed.

Tong Ke held Yash Nics tightly and clutched Yash Nics's clothes. Although she was unconscious and could not see what was happening around her, she probably knew the situation.

This is the same as a drunk person, whether a person is drunk or not. She knew that there was a very powerful man who had acted bravely and desperately saved her.

Yash Nics came out of the Blue Sky Club with Tong Ke in his arms, opened the door of the car, and placed Tong Ke in the back seat of the car. At this time, Tong Ke's love potion had completely developed, she kept tearing Yash Nics's shirt and her own clothes, her pretty face was red, her body was constantly twisting, and her breath was blue.

Yash Nics was very embarrassed, and quickly broke free and closed the car door.

Then he came to the driving seat and drove Tong Ke to the hospital. As soon as Yash Nics drove away, Dong Tianbao brought hundreds of his men into the Blue Sky Club with murderous aura.

Dong Tianbao commanded in a deep voice: "Smash this place for me!" In an instant, the Blue Sky Clubhouse jumped into chaos.

The One and The Only Chapter 209

Yash Nics drove to Mannity Hospital, and then carried Yash Nics to the emergency room, and said to a female doctor: "Doctor, she has been drugged, please save her quickly."

Upon hearing this, the female doctor immediately took Tong Ke from the love potion with several female nurses around, and hurriedly treated Tong Ke. Yash Nics paid the medical bills, and it didn't take long for the doctor to tell him. Tong Ke is okay, wait half an hour for her to wake up and it will be fine.

Yash Nics worried that Tong Ke would be embarrassed or even ashamed of the love potion in her body when she woke up. So he decided to avoid, he told the doctor not to reveal his identity. Then, he left first.

When he came out of the hospital, he found a button on his shirt. He didn't know when it was torn off.

He couldn't help but shook his head with a wry smile, thinking about what was going on today.

At this time, Tong Ke in the temporary ward of the hospital had already recovered.

Her body is still limp, but her consciousness has slowly recovered.

The first time she woke up, she checked her body and found that her clothes were still

intact, and her body had no other discomfort except for lack of strength.

Knowing that she has not been violated in any way is relieved.

Immediately, she remembered the heroic man who had worked desperately and rescued her

by holding her out of the siege from a gang of murderous gangsters.

She looked around quickly, but did not see the figure of the heroic man.

However, in her palm, she kept holding a shirt button, vaguely remembering that it was

pulled from the clothes of the man who rescued her.

At this time, the doctor came in with the nurse and smiled and said, "Are you awake, is there any discomfort?"

Tong Ke said no, and then hurriedly asked who brought her to the hospital. Is there any

contact information for the other party?

The doctor remembered Yash Nics's instructions and smiled and said: "A kind man sent you

here, but he didn't leave any name or contact information."

Tong Ke couldn't help showing a disappointed expression when he heard the words.

She looked down at the button in her hand, and suddenly raised her head, hoping to ask:

“Doctor, is that man young and handsome?” The

doctor seemed to understand her thoughts, and said with a smile: You are the same age and look. I think it is the kind of man who looks good at first glance, but the more you look at it, the more good you feel. He is very good-looking.”

Tong Ke heard this, his eyes sparkled with brilliance, and he thought: I don't know when, Can you meet him again?

...In the

evening, Yash Nics returned home.

The family is back, and Ma Xiaoli is preparing dinner in the kitchen.

Song Pingting, who was tutoring her daughter to do homework, saw Yash Nics come back

alone. She was surprised and asked: “Yash Nics, why are you alone, Tong Ke?”

Yash Nics said calmly, “Cousin and Her classmates had a party and said that she didn't

need me to pick him up, and she would come by herself after the party.”

Song Pingting and the others showed stunned expressions.

After half an hour, Ma Xiaoli had already prepared dinner and told everyone to prepare for

dinner.

When the doorbell rang, Song Pingting hurriedly went to open the door, and saw that Tong

Ke was here.

But Tong Ke looked a little tired, Song Pingting thought it was because of Tong Ke's fatigue.

Without thinking, he said enthusiastically: “Cousin, you are here, come in.”

Song Zhongbin and Ma Xiaoli also brought Song Qingqing out, and they greeted Tong Ke

affectionately.

Even Song Qingqing yelled affectionately: “Auntie!”

Tong Ke bent over to hug Song Qingqing, kissed, and smiled: “Halal is good.”

However, Tong Ke soon discovered that everyone in her cousin's family was very enthusiastic about her.

Only her cousin, Yash Nics, sitting lazily at the table drinking soup, did not come over to say hello to her, only slightly nodded to her.

Tong Ke long ago heard that her cousin was bullied by a drunk tramp, then gave birth to a child out of wedlock, and was bullied in the Song family.

Some time ago, she even heard relatives say that the drunk tramp who bullied her cousin

back then came to the door and stayed with her cousin.

As a high-level intellectual, Tong Ke felt that this matter was unreasonable and worthless for his cousin.

It can be said that Yash Nics's image in Tong Ke's mind is extremely bad. What she didn't understand was that the cousin's family seemed to treat Yash Nics very well.

When Ma Xiaoli saw Tong Ke staring at Yash Nics, she smiled and said, "This is your brother-in-law Yash Nics. He drove to the airport to pick you up in the afternoon. I must have known each other."

Tong Ke said coldly, "See you." I crossed over, but I don't recognize him as my brother-in-law, because I don't think he is worthy of my sister!"

The One and The Only Chapter 210

Song Pingting's family was dumbfounded when they heard that, and Song Pingting said in a good and funny manner: "Cousin, what are you talking about?"

Tong Ke said plausibly, "Isn't it? He is the boss of a listed company. As for him, he has done things I'm sorry for you before and I won't say anything."

"Until now, he hasn't made any progress. He doesn't even have a job, and only knows how to eat soft food."

Song Ping Upon hearing this, Ting, Song Zhongbin and Ma Xiaoli were all dumbfounded.

Song Qingqing was the first to be unhappy when she heard Tong Ke say bad things about

her father, and she broke free from Tong Ke's arms.

She trot to Yash Nics's side, opened her hands to protect Yash Nics, and said angrily:

"Auntie, I don't allow you to say bad things about my father, my father is the best father in the world!"

Song Pingting also quickly said: "Tong Ke, my situation with Yash Nics is more complicated,

and it's hard to explain in a word. But Yash Nics is definitely not as unbearable as you said. I

have time to explain it to you."

Song Zhongbin also said, "Everyone sits down and eats, otherwise everything will be served

. It's cold." The

family sat down to eat.

During the dinner, Song Pingting curiously asked Tong Ke how to come to Mannity to play in

free?

Tong Ke proudly said: "The Shuguang Medical Research Institute where I work has initially

successfully developed a liver cancer vaccine. Professor Crazy Huatuo, let us take a

one-month vacation."

Song Pingting's family all exclaimed when they heard this.

As we all know, cancer has always been a problem in the medical profession, and liver

cancer is also a common type of cancer.

There are only vaccines to prevent cervical cancer on the market. If Tong Ke's Shuguang

Medical Research Institute really develops a vaccine to prevent liver cancer, this will

undoubtedly be another major breakthrough in the medical community.

Song Pingting's family praised Tong Ke's nobility and greatness, and Tong Ke was also quite

proud.

But no one noticed Yash Nics, his eyes flashed with excitement.

What Song Pingting didn't know was that the Shuguang Medical Research Institute was

actually funded by Yash Nics.

And Yash Nics has been behind the scenes all these years, silently giving all kinds of

support to Sugon Medical Research Institute.

In order to provide funds, it is necessary to introduce equipment or talents from abroad, and

Yash Nics helps to do it.

Yash Nics has supported the Sugon Medical Research Institute at all costs to develop a liver

cancer vaccine for several years.

It was because of his mother who died of liver cancer that year.

Yash Nics was determined to create a vaccine for liver cancer.

In the past few years, he has invested more than tens of billions of money in the Shuguang

Medical Research Institute!

Unexpectedly, now finally there is good news.

After dinner, Yash Nics walked out of the balcony alone and took out a phone call to the

dean of the Shuguang Research Institute, Professor Jiangnan Fengjiang, whose nickname is

Crazy Huatuo.

Soon, the call was connected.

Yash Nics calmed down his heart and said calmly: "Lao Jiang, I heard that you have

successfully developed a liver cancer vaccine?"

Crazy Huatuo said in surprise: "Young man, how did you know in advance? I still think about

you. I will tell you on the day of your mother's death month, and I will give you a surprise."

Yash Nics smiled and said, "I also accidentally heard the staff in your research room

mention it. Congratulations, Lao Jiang."

Crazy Huatuo said: "Without your great support from the young marshal, how could I have

such a brilliant success within a few years of interruption.”

“Young marshal, I thought about it a long time ago. The production, marketing, and sales of

this liver cancer vaccine are all entrusted to you. Deal with it.”

Yash Nics subconsciously refused: “This won’t work!”

Crazy Huatuo said: “Young commander, once the news of successful vaccine research

spreads. At that time, many domestic and foreign forces will come to the idea of vaccines.”

“If the vaccine falls into the hands of unscrupulous businessmen, after they produce the

vaccine, they will definitely It will raise the price and make a lot of money using vaccines.”

“This way, it goes against our original intention of researching vaccines and treating

countless liver cancer patients.”

“You don’t want to see a vaccine, but ordinary family patients don’t have the money to fight.

Vaccines can cause death from liver cancer, right?”
