

Chapter 2015– 2016 of A Dish Best Served Cold Novel

Chapter 2015

“Oh, isn’t it?” However, just when Croven Li and Sara Ma were complacent.

Suddenly, a faint laughter came from not far away.

In that laughter, with three points of contempt, seven points to play!

“Huh?” Croven Li and Sara Ma frowned upon hearing this slightly ironic laugh.

Originally smiled proudly, but immediately dispersed.

The handsome face became gloomy.

Then, with full of displeasure, Croven Li and the two looked towards the sound source.

I saw the front, a handsome young man walking with his hands.

He is dressed in casual clothes, with a small smile at the corner of his mouth, and the tip of his forehead swaying in the wind.

what?

“Is it you?” “You...”

Why are you here?

The moment they saw this person, Croven Li and Sara Ma were shocked in place. Because of the tremor, their eyebrows stared hugely. They couldn’t believe that they could still meet him in the military area. Yes, the handsome boy in front of him is Mark, who Croven Li and Sara Ma hate. At the beginning, in front of The Twinfill, Mark climbed into the sky and set foot on the top of Noirfork power in one fell swoop. That day, it was Mark. But for Croven Li and Sara Ma, it was a lingering nightmare. Because of Mark, the two of them were forced by their father to kneel and apologize in public. It was a shame. At the time, they were not as good as they were. Mark could only choose to endure silently. However, they were unwilling to be stepped on by Mark all the time. So the two of them met to join the army and vowed to make a name for themselves in the military area. For more than half a year, They had suffered so much, and the reason they were able to persevere was because of an obsession. That obsession that vowed to step on

Mark! But who would have thought that the people they vowed to surpass now are also He appeared in the military area. Why did he come here? Could it be that he also came to serve as a soldier? When thinking of this, Croven Li and the two immediately laughed. “Haha, Mr. Chu, I didn’t expect that we are really predestined, and we can even be here. Encountered?”

“Look at you like this, it should be a recruit who just signed up for the army.”

“Haven’t you even had time to get the uniform?”

“In that case, I advise you to report to the recruits as early as possible and go through the formalities.”

“As for this, it is an advanced training ground for special forces.”

“It’s not where recruits like you should come.”

“Croven Li sneered and said, in the words, there was a touch of lofty pride, but there was no respect for Mark at all. After all, this is in the military area. The so-called Noifork Zun, in this army, is a fart. It’s not counted here. Here is the place to look at titles and military merits. Croven Li and the others are now in the rank of lieutenant, and they are the seed candidates for the Qinglong team. Regardless of title or military merit, that is not what Mark can do. Looking up. When Croven Li and others were talking to Mark, the people next to him were also curious.

“Huh?” “Brother Yang, do you know?” “Don’t you, not only do you know, but also have some grudges? The reason why Mingbo and I joined the army was forced by him.”

Sara Ma sneered and pursued Susie himself. , It was disturbed by Mark.

Moreover, because of Mark, Sara Ma also had several embarrassments.

Sara Ma’s hatred for Mark is not much weaker tSherry Han Croven.

He entered the military area, just like Croven Li, he also wanted to make contributions, and when he met Mark again in the future, he would kneel at his feet and apologize for mercy.

But I didn’t expect that their meeting again would come so fast and so suddenly.

Chapter 2016 Respect me as a father and respect me as a god!

“F*ck him!” “Awesome him?” “Do you dare to provoke Bo, this bastard?” Croven Li and the others in this military area seem to have a lot of reputation.

Nowadays, when he heard this, many people around were looking at Mark, with unkind threats.

“Boy, are you a newcomer?” “I advise you, if you want to be in the Noifork Military Region in the future, I will apologize to Brother Yang and the others today.”

“Otherwise, wait for Brother Yang and the others to be selected as Qinglong Special Team, you will feel better in the future.”

Everyone coldly rebuked Mark.

Hearing the sound, Mark just shook his head and smiled without comment.

“F*ck, you bastard still dare to laugh?” “Oh, yes, you just came here. I don’t know what Qinglong team represents.”

“I can tell you, this Qinglong team is Noifork Military Region and Gritsberg. The military regions are jointly established.”

“The positioning of the Qinglong team is to be the top international special team!”
“Docking world-class.”

“In the future, it will become the strongest team ranked No. 1 in Vietnam.”

“Can you be selected for this team? A promising generation.”

“Boy, now you should know the power of the Azure Dragon team?” At this moment, the man who was talking was a tall, black-faced man.

He was born burly and weighed at least two hundred catties.

Standing there is like a hill, giving people a great sense of oppression.

Mark still smiled faintly when he heard this.

“Well, you said a lot, but what about that?” “Mo said that Vietnam is number one, even if the Azure Dragon team will become the world’s strongest team in the future. Then they will have to obediently respect me when they meet me.”

I am like a father!” “Respect me as a god!” Mark spoke proudly, quietly exploding here.

Croven Li and others all trembled upon hearing the sound.

After that, everything looked like an idiot, looking at the teenager in front of him, cursing with a dark face.

“Ciao!” “Shall I go to Nima?” “Shall you be a shame?” “Respect you as a father and as a god?” “You are such a thing, and you dare to speak up here?” “Mark, this is the military region, not Wrifill, let alone The Twinfill!”

“Before pretending to be coercive, please correct your identity.”

Croven Li and others scolded angrily.

Everyone looked at Mark with disdain.

A bastard, his hair hasn't grown up, right, and he dare to pretend to be the future Qinglong Special Forces here?

“It's just like an idiot!” “Believe it or not, Tai Shan, slap you to death?” The black-faced man spat in disgust to express his disdain for Mark.

However, just as everyone present verbally criticized Mark.

Behind him, Wu Yang, Commander-in-Chief of Noifork Military Region, and Deputy Commander Orell Lin had already walked over.

After they saw Mark, they smiled politely.

“Mr. Chu, I didn't expect you to come so early. I made you wait for a long time.”

Wu Yang exchanged greetings.

Mark stood with his hand in his hand, expressionless, but coldly replied: “Declare it.”

“Okay.”

Wu Yang didn't talk nonsense, only a good word.

Then, the commander of the military region walked directly to Croven Li and the others.

Seeing the commander-in-chief of Noifork Military Region, Croven Li and others naturally did not dare to neglect.

They were full of panic and awe, standing just right, raising their heads, standing like pine, waiting for Wu Yang's order.

“Everyone, follow the order!” “From now on, I announce that Mr. Chu is the chief instructor of the Noifork Military Region and the instructor of the Qinglong Team!” “Full authority oversees the establishment of the Qinglong Team.”

What...what?
