

Chapter 2017– 2018 of A Dish Best Served Cold Novel

Chapter 2017

“Also, Mr. Chu, the rank of major general!” ... Wu Yang’s voice was still on the training ground, echoing constantly.

However, everyone present was stunned.

This sudden appointment was just like a thunder.

The moment he heard Wu Yang’s words, Croven Li was already dumbfounded.

The whole person is dumbfounded!

“Chu...Mr. Chu, Qing...Qinglong instructor?” Croven Li stunned and said aloud.

Sara Ma was equally shocked, his old eyes staring almost the size of a copper bell.

The whole person is almost cracked.

“He...he...”

“Young...Major general rank?” Sara Ma was also on the spot, muttering to himself.

Wu Yang’s words were like a slap, slapped on the faces of Croven Li and Sara Ma, but it hurt in their hearts.

Neither of them had thought of killing them.

What Mark said just now turned out to be true.

He really became a major general of the military region, Qinglong instructor?

The rank of major general they regarded as the goal of their lifelong struggle, just like that, got it by Mark?

irony!

What a big irony!

That feeling was like Croven Li and they were just about to climb a high mountain, so that they could step Mark under their feet.

However, when they really came to the foot of the mountain, they resolutely discovered that the young man they vowed to step on had already stood on the top of the mountain!

At this moment, almost no words can describe the bitterness and tremor in Croven Li's hearts.

I just feel that life has been made to them, a great joke!

“no no..

“No, it's impossible?”

“It's not true.”

“He is Mark, but a country boy and a stubborn son-in-law. Even if he is the lord of Noirfork, he is not qualified to be a Qinglong instructor, let alone a major general of the military region.

“Not satisfied!”

“I, Sara Ma, dissatisfied~” After a long period of tremor, Sara Ma was the first to stand up and openly call Mark, dissatisfied with Mark, and became the Qinglong instructor. “Laughter!”

“This is the appointment of the military region. How can you allow you to criticize and criticize?”

“Is it possible, do you want to resist orders?”

Wu Yang snorted, and his powerful anger exploded immediately. However, at this time, it was already too late. As Sara Ma walked out, it was like a huge rock falling into the sea, setting off a thousand-layer huge wave. Then, the black-faced man just now, Also stepped out, unwilling to yell: “I am not convinced by Taishan!

“He is a nasty bastard, why is he qualified to command us?”

“How can an unknown young man be qualified to be given the rank of a young educator and serve as a Qinglong instructor?”

“F*ck!”

“Wu Yang drank again, “Taishan, you are an old man in the military region, don't even you question the military region's order?”

Not convinced by instructor Chu?

“In my life, Taishan, I only serve the strong!”

“A mediocre and incompetent relationship household, why should I take it?”

“Taishan was not afraid, and replied angrily. Yes, in his eyes, Mark is a related household. Otherwise, a hairy boy who has no resume, unheard of, and even less than his son's age, could have just entered. In the military district, he was appointed a major general and served as the chief instructor. It's not because of the relationship, is it possible, or because of his ability? A bastard in his early twenties, who has never touched a

woman, how much he can do? Taishan is 40 years old, has spent his entire life in the military area, and has just become a captain! A young man, how can He De, serve as a major general and command them? “Yes!

“Unacceptable.”

“We are also not convinced~” “It’s just a hairy boy, why is he qualified to be our Qinglong instructor?”

“.....

“We are not convinced!” “Resolutely dissatisfied~” In an instant, everyone present stepped out, rebelling against the decision of the military district.

No one recognized the identity of Mark, the chief instructor!

After all, Mark is too young.

Not as big as them?

Let a junior take charge of themselves, they naturally cannot accept it.

Chapter 2018 Who else is not satisfied?!

“It’s reversed, everything is reversed~” “One by one, the wings are hardened, right?” This is the first time Wu Yang has seen this kind of sight after so many years of leading soldiers.

If you are extremely angry, you must order severe punishment.

However, at this time, Orell Lin, who had been watching the show, had stopped Wu Yang.

“Commander of the military, stay calm and restless!” “These people in front of you are all outstanding talents carefully selected by our military area.”

“As long as talents, there is always arrogance in them.”

“Like a horse, temperament. The stronger, the more effective it will be.”

“This is a good thing.”

Orell Lin whispered.

“Then you mean, just let them mess around, we don’t care?” Wu Yang frowned.

Orell Lin shook his head: “Control, of course. But it’s not our responsibility.”

“Then Chu instructor has already taken up his post?” “These are all his soldiers, and he should take care of them.”

One test for him is.”

“Just so, let us see if this so-called Mr. Chu has the patience to bring out an wailing team!” Orell Lin said slowly, but he was gloating in his heart. .

Mark disturbed his good deeds, so he was naturally dissatisfied with Mark.

Now, it happened to be an opportunity to retaliate against Mark.

If he didn't handle the matter well today, Orell Lin would naturally have an excuse to persuade Wu Yang to remove the so-called Mr. Chu and replace him.

When Wu Yang heard it, he also felt reasonable.

Immediately nodded, and then walked in the direction of Mark: “Instructor Chu, I have said everything that should be said. I will leave the rest to you.”

“Since I become this instructor, I have to learn how to tame it.”

This batch of fierce horses.”

Wu Yang said to Mark in a deep voice.

Mark did not speak, but walked forward blankly.

Then, he stood in front of the crowd, looking at the dissatisfied soldiers in front of him, standing with his hands holding hands, apparently trying to give them a lecture.

Orell Lin suddenly became interested, but he wanted to see what Mark could say to comfort these arrogant soldiers.

Sure enough, the next moment, Mark's low voice immediately sounded.

He looked at everyone, looked around, and said coldly.

“I heard that some of you are dissatisfied with me?” “In that case, who is dissatisfied and come out.”

Mark's words were calm, and in his low tone, people couldn't hear the slightest anger.

As soon as his words fell, Sara Ma came out first.

“I'm not convinced!” “Mark, you are just a door-to-door son-in-law, what qualifications do you have to teach us?” “You are the instructor, I am the first to disagree.”

Sara Ma shouted sharply.

Mark smiled upon hearing the sound.

“Okay, very good, there is a kind.”

Between the faint laughter, who would have thought that the next moment, Mark's expression was suddenly cold, and then he stepped on the ground and took several steps.

Finally, in the shock and violent eyes of everyone, Mark immediately kicked and kicked out.

Boom~ Just hearing a bang, like a thunderstorm exploding, Sara Ma's body was directly kicked out by Mark like a cannonball.

Rolling but climbing, directly fly out several tens of meters.

Finally, he lay on the ground and vomited blood, but he couldn't stand up again.

"Who else is not satisfied?" Mark's words continued to sound.

"Mom, do you really think we are afraid of you?" "Why don't I accept it!" Boom~ As soon as Taishan's words fell, Mark kicked it out.

The screams were there, and the body of more than two hundred jin was directly kicked by Mark dozens of meters away like a dog.

"Are there any more? Continue."

At Tianhe, Mark stood with his hands behind and asked lightly.

Slow and calm words, like the singing of death, echoed everywhere.
