

Chapter 2019– 2020 of A Dish Best Served Cold Novel

Chapter 2019 The training ground is also a battlefield

However, even if Mark kicked the two people repeatedly, there were still warriors who were not afraid of death and stood up.

For example, the handsome young man in front of him, the son of Ericson, Croven Li!

“I don’t accept it.”

“I still don’t accept it!” Croven Li shouted to Mark with red eyes and a stern complexion.

It’s not so much dissatisfaction, as it is not reconciled.

After all, the scene before Croven Li lost all his efforts.

For the past six months, why did he train so hard?

It was not that Mark stepped under his feet in order to win the title of major general within ten years.

But who would have thought that, for Mark, it would take ten years to be appointed as a general. Now it is enough!

Boom~ Sure enough, there was no accident. After Croven Li’s words fell, he took off immediately.

The body of hundreds of catties was directly kicked by Mark.

With a bang, he actually smashed the fence a few meters away.

After that, another big man walked out and tried to challenge Mark.

This time, he was not just passively beaten like Croven Li, but after standing up, he took the initiative to attack Mark.

But the result is still the same.

He hadn't even gotten closer to Mark before he was kicked out by Mark.

His chest was sunken, and Mark's ribs were kicked and broken.

In the end, the man screamed even more and was carried down directly.

In this way, Mark kicked four people.

Severe means, shaking all directions.

In a moment, the world here is silent.

The breeze on all sides blows up the wind and sand.

Under the sky, only the young man was left, standing proudly with his hands, and sneered.

The delicate face is full of majesty.

Deep eyes, as if reflecting the stars and the sea, king over the world!

"Who else?" Boom~ When the wind blew up, Mark's domineering words trembled the world.

Under his majesty, everyone in front of him naturally no one dared to step forward.

Everyone was panicked and pale. All previous dissatisfaction and disdain were undoubtedly disappeared under Mark's power!

Too ruthless~ One person and one kick, kicking people out for tens of meters.

The ribs of the last man were all kicked off.

Where is Shuwei? What a murder!

No one doubted that Mark just used a little more effort, Croven Li and the others, I am afraid that this will be explained here in this life.

Under such circumstances, who would dare to challenge Mark?

That's so much for death!

However, looking at the bleak look of Croven Li and others covered in blood, Wu Yang and Orell Lin also twitched their eyes.

Obviously, they did not expect that Mark would actually kill them!

“Chu...Mr. Chu, did you...you made it a little harder?” Wu Yang asked in a low voice with a pale face.

“Heavy?” Mark sneered.

“If this is too important, then there is no need for the so-called Qinglong team to continue practicing.”

“Since you want Qinglong to become the most dazzling sharp knife in the Vietnamese military, you have to face life and death!” “Because in the future, every enemy they face will only be more ruthless and heavier than me.”

“You’re right, but... but isn’t this a training ground, no need...”

Wu Yang was still talking .

But Mark directly interrupted him sharply.

“The training ground is also the battlefield.”

“This...”

Mark’s words made Wu Yang speechless, his old face flushed, but he couldn’t say a word.

“Also, Commander Wuyang, I remember I told you that I train soldiers and don’t like outsiders gesticulating around!” “Since the Azure Dragon team is handed over to me, no one has the right to interfere.”

“Including you.”

Did you make it harder?

Wu Yang asked in a low voice with a pale face. “Heavy?”

“Mark sneered. “If this is too heavy, then there is no need for this so-called Azure Dragon team to practice.

“Since you want Qinglong to become the most dazzling sharp knife in the Vietnamese military, you have to face life and death!”

“Because in the future, every enemy they face will only be more ruthless and heavier than mine.”

“You’re right, but... but isn’t this a training ground? No need...”

Wu Yang was still talking. But Mark interrupted him sharply. “The training ground is also true.”

battlefield.

“This...”

Mark's words made Wu Yang speechless. His old face was flushed, but he couldn't say a word. “Also, Commander Wuyang, I remember I told you.”

However, I train soldiers and don't like outsiders gesticulating around!

Chapter 2020

Mark's words were deep and cold, and his tone was full of unquestionable majesty.

In this case, Wu Yang naturally closed his mouth with interest.

Before long, he also went back.

Mark was right. Since he agreed to let him handle the Qinglong team's affairs, he really didn't need to interrupt.

Before, Wu Yang was also worried about whether Mark could tame these healthy young people at a young age.

But now it seems that he is worrying too much.

Just now Mark's method, let alone training a dozen tough soldiers, even a dozen generals, I am afraid that Markzhi will have to be subdued.

After all, this guy is too cruel!

Not satisfied?

I'll fight you.

Nothing can be more recognized and recognized than fists and strength.

And Mark had undoubtedly relied on strength to frighten everyone here.

After Wu Yang and the others left, Mark continued to stand here.

Qinglong team needs five people.

In other words, Mark needs to choose five of the eleven people in front of him.

But Croven Li and Sara Ma are undoubtedly desperate.

They knew that they had been eliminated from the game when they stepped forward to attack Mark.

In public and private, Mark would not care about them anymore.

After struggling for so long, the dream they pursued was shattered by Mark.

However, when the hearts of Croven Li and Sara Ma were ashamed, Mark's gaze was looking over.

It was the kind of condescending gaze again, as if in his eyes, Croven Li was just an ant.

Croven Li hates this feeling, hates this feeling of being stepped on!

He clenched his palms, his brows and eyes burst into unwilling light.

"Are you very dissatisfied with me?" The corner of his lips lightly opened, and Mark's low voice sounded quietly.

Croven Li's mouth was full of blood, and he smiled grimly, "What are you right, Mark, I just don't agree with you!" "Your family background is not as good as mine, background is not as good as mine, and appearance and education are not as good as me?" "Why, you can To be the lord of Noirfork, can you be the general of all armies?" "And I, Croven Li, can only kneel and be a dog, and can only be a soldier on my stomach!" "I don't accept, I don't accept 10,000~" Even now, Croven Li was still unwilling, roaring at Mark like a beast.

Upon seeing this, Mark suddenly smiled.

"Very good!" "I really didn't expect that your father Ericson is a cowardly man, but you are a bloody man."

"Croven Li, right?" "I will give you a chance to step on me now."

"Join Qinglong."

"You want strength, and I give you strength."

"If you want the future, I also give you the future!" "I have given you the opportunity. As for how far you can go in the future, it depends on your own ability."

You... Are you serious?" Croven Li was stunned when he heard Mark's words.

He did not expect that Mark would choose him to join the Azure Dragon team.

The Qinglong team was set up and cultivated as the first team of Vietnam.

It is not difficult to imagine that everyone in this team will have an endless future and bright future.

Croven Li had given up, but he didn't expect Mark to choose him to join the Azure Dragon team.

"You are not afraid. After I become stronger, I will seek revenge from you?" Croven Li asked.

Mark smiled with his hand in his hand, "Say this, when you are qualified to challenge me in the future, let's talk about it."

"At least you are not qualified now."
