

Wonder Doctor Chapter 2021

“Fuck the Liu family, it’s because I’m from the Liu family that I can’t be with Brother Xuan and can only be betrothed to a wimp like you!”

“It’s because of the Liu family that I don’t even have the chance to go to Immortal Emperor City!”

“What did the Liu family give me? But gave me a life! Is there anything else?”

“Do whatever you want, today I’m going with Brother Xuan for sure, you can go to Immortal Emperor City or not if you like!”

With that Liu Shan actually stood directly next to Chen Xuan!

Liu Wei’s face was so blue that he didn’t know how else he could persuade.

But at this moment, Chen Xuan, who was beside him, was scratching his head and spoke with difficulty.

“Liu Shan, I also want to take you to Immortal Emperor City, but it’s not like you don’t know the relationship between the Liu family and the Chen family!”

“If I just take you up there, I’m afraid others will disagree too!”

“Brother Xuan as long as you can take me to Immortal Emperor City, you can do whatever you want!”

Liu Shan busily said, while her body unconsciously moved closer to Chen Xuan’s.

“Liu Shan! Do you still want to have a face?”

Liu Wei's fists were so tightly clenched.

"Face? Can face be a meal? Following you will always be a trash to be bullied!"

"I've figured it out, I won't give my whole life to you!"

Liu Shan said angrily.

"Hey! Why bother!"

Chen Xuan scratched his head and said a moment later.

"Or else how about this, you guys be my followers and I can take you on board in name only!"

"Liu Tian you can too!"

"You're dreaming!"

Liu Tian refused straight away without even thinking about it.

On the side, however, Liu Shan was busy saying.

"Brother Xuan I'm willing, I'm willing!"

"Liu Shan!"

Liu Tian was so angry at his words that his face only burst with veins.

Asking the descendants of the Liu family to become servants of the Chen family was simply an insult to them.

But Liu Shan had actually agreed to do so!

“Liu Shan, if you do this and the elders find out about it, you know the consequences!”

Liu Tian gritted his teeth and opened his mouth to remind him

However, Liu Shan sneered and said.

“So what if I know, do you think I’m still with the Liu family on how they look?”

“The Liu family will never be a match for the Chen family, whether it’s in this Mill City or in Immortal Emperor City! Instead of marrying you, I’d rather follow Brother Xuan!”

“Haha! Shan Shan, I’m afraid I won’t be able to repay you for this partial infatuation!”

On the side, Chen Xuan spoke up and laughed.

“Brother Xuan, you will definitely all be good to others right?”

Liu Shan exerted all her strength, her eyebrows thrown even more nearly flying into the sky.

“Haha, for sure I will! As long as you are willing to be my follower, I can take you to this Chance Conference, how about that?”

Chen Xuan laughed.

“Really, that’s great!”

Liu Shan said excitedly.

Everyone was allowed to bring a follower to this Opportunity Conference, and Chen Xuan himself did not have a good candidate yet.

If he could bring Liu Shan in, it would be a good way to take time out of his busy schedule and not get too lonely!

After all, he knew very well what kind of person this Liu Shan was, and as long as he was willing, she would definitely not refuse.

As for helpers, he, Chen Xuan, didn't care at all, how strong the Chen Clan of Immortal Emperor City was, even he, a branch of Mill City, had a Warlord level void ship to show for it.

"Brother Xuan, let's get going, it's getting late!"

Liu Shan held Chen Xuan's arm with a flattering look on her face.

"Fine!"

Chen Xuan said and looked to Liu Tian who was laughing at the side.

"Liu Tian, for the sake of us growing up together, my words still count, I'll ask you one last time if you're willing to be mine."

"You dream!"

Liu Tian clenched his silver teeth and clenched his hands into fists, directly interrupting Chen Xuan.

“Good! In that case, then you go for it, there are still five days to go, don’t fail to reach Immortal Emperor City haha!”

Said Chen Xuan as he turned around and was about to board the ship.

“Liu Shan!”

Liu Tian spoke once again.

“Is there anything else?”

Liu Shan gave Liu Tian a disdainful look, looking so disgusted.

“You really want to go with him!”

Liu Tian questioned.

“Nonsense! Liu Tian I have no results with you!”

Liu Shan’s words were decisive!

“Fine! Good!”

Tears unconsciously flowed from the corners of Liu Tian’s eyes.

“Then I Liu Tian also send you a message! This leave! From now on, you are you! I am me!”

“Nonsense! Of course I’m me! And you’re a stinker!”

Liu Shan's eyes were filled with disdain.

Following that, she directly turned around and scurried up the Void Flower with Chen Xuan.

Liu Tian watched the scene quietly, not saying another word, but the tears in his eyes could not stop flowing out.

For the sake of Liu Shan, he had given almost everything he could, almost to the point of pulling out his heart for the other side to see.

But now the result he got was like this!

He knew that it was all because he had no money, no power, and too much of none!

"Boss! This kid."

Not far away, Wolf Ba's voice rang out in Lin Ran's mind.

Lin Ran quietly looked at Liu Tian, who was not far away, and sighed helplessly after a moment.

"Help him out!"

Lin Ran suddenly said.

"Hm!"

Wolf Ba nodded his head, and Li Ba and the others didn't say anything either.

Instead, it was Feng Sui who was a little puzzled and asked.

“What’s wrong with the young master? The Immortal Realm is supposed to be like this, but I can see how the Young Lord’s mind has changed!”

“You don’t understand! This kid’s encounter is somewhat similar to the boss’s, this is a touch of emotion!”

Wolf Ba said.

“Yes! Only this Liu Tian is still considered good, back then the boss was even worse, if it wasn’t for his life I’m afraid he would have even lost his life!”

Li Ba lamented.

They had all heard a little about Lin Ran’s past, only that Lin Ran had never mentioned it, so the group was also very conscious of not talking about it.

Lin Ran slowly walked next to Liu Tian, at this moment the guy hadn’t noticed the former.

“Are you done crying?”

Lin Ran suddenly spoke.

Liu Tian was startled, and as soon as he turned around and saw a youth appear beside him at some point, his face instantly changed.

“Seniors.... Senior, you are?”

To be able to make him, Liu Tian, not even feel when he appeared, the other party’s strength was obviously too much stronger than his.

“Lin Ran!”

Lin Ran smiled lightly.

This time, when he went to Immortal Emperor City, very old friends were afraid that they would all run into each other, and Lin Ran wasn't prepared to hide his name anymore.

“Senior Lin, you”

Liu Tian had some embarrassment on his face.

“I saw what just happened, just cry a little, men have tears that do not play lightly!”

Lin Ran said indifferently.

“Yes.!”

Liu Tian was a little embarrassed, he was still not allowed to cry when he was having a hard time, as a senior this matter should also be managed!

“Well, I have something I need help with, if you are willing to help, I can take you to Immortal Emperor City instead!”

Lin Ran spoke.

“A favour? Senior has something for me to help out with?”

Liu Tian was stunned to hear this, what kind of help could he help with this strength?

“Just say whether you'll help or not!”

Lin Ran was too lazy to talk nonsense.

“Help! Help!”

Liu Tian was busy saying, jokingly a big brother asked for his help, he dared to say no? If he pissed off the other party he was afraid he would end himself with a slap.

“Then you come with me!”

Lin Ran said casually, turned around and left.

Liu Tian had a helpless face and had to follow, it didn't matter if he could go to Immortal Emperor City in front of Lin Ran anymore.

What was important was having to save his own little life first.

Wonder Doctor Chapter 2022

“Senior, you said your name was Lin Ran, the one from the East Flag Domain some time ago?”

Following behind, Liu Tian suddenly asked.

He always felt that this name was familiar, but for a while, he could not remember where he had heard it before.

After thinking about it for half a day, it only occurred to him that it seemed like this name had come from the Eastern Flag Domain.

“Sort of, is my name very famous?”

Lin Ran asked with a smile, he had just decided not to hide his real name, only to have the first person he came across recognise him.

Just how powerful did Luo Qiqi have to be, to actually know about himself even from outside the Eastern Flag Domain.

“It’s alright, I’ve only just heard about it, we’re in the middle of nowhere here in Mill City, so I have no idea what’s really going on!”

“By the way senior, what exactly is the favor you are looking for from me!”

Liu Tian asked.

“It’s not much, help to let the wind out, I’m going to fetch the boat!”

Lin Ran said indifferently.

“Fetch the boat? What kind of ship?”

“Of course it’s the Void Ship!”

Lin Ran looked at Liu Tian and guffawed, at this moment the two of them had already reached the edge of the cliffs of this Grindstone Mountain.

Standing here, they could clearly see the huge circular depression in front of the Mill Hill, which was like a hole in a mill wheel, it was huge.

“This is it! You go and help wait if anyone comes over, just take the lead!”

Lin Ran said casually.

“O!”

Liu Tian was a little speechless, what kind of help was this called.

How come it felt like this senior didn't need himself at all, as if he was deliberately trying to carry himself.

Could it be that senior sees pity on me? To help me?

Could it be that I, Liu Tian, have really met a good person?

“Oh my god! Could it be that I...”

Liu Tian didn't dare to think any further, who didn't have a dream of running into a bullish master.

Could it be that he had really gotten this shitty luck today?

Liu Tian stood by the side and couldn't help but gag, looking at Lin Ran and not daring to speak.

Only to see Lin Ran in front of him suddenly wave his palm, and instantly a figure emerged out of thin air.

He was not very old, he looked to be in his early thirties, but the aura on his body was actually stronger than Lin Ran's.

“This ”

Liu Tian couldn't help but take two steps back as he watched.

He could guess something, since Lin Ran was going to Immortal Emperor City he thought it was because of the Opportunity Conference.

And the highest strength for the Opportunity Conference could not exceed the Extreme Dao Realm.

So Lin Ran was most likely at the Extreme Dao Realm, so wouldn't the one beside him be at the weakest at the Hundred Thousand and Eighty Thousand Realm?

This realm was only available to the head of the family in their Liu Family in Mill City.

Although the Liu Family of Immortal Emperor City was also one of the great clans, the Liu Family of Mopan City was simply inferior to the Chen Family.

Otherwise, Liu Shan wouldn't have dumped him and left with Chen Xuan.

Lin Ran rushed at Feng Sui and said a couple of words, and the latter jumped straight in towards the depression of the Grindstone Mountain ahead.

Liu Tian looked stunned, but before he could react, he instantly heard a loud "rumbling" sound coming from the mountain depression.

At the same time, the entire Mopan Mountain actually started to shake.

"This!"

Liu Tian was shocked to see that in the huge mountain depression in front of him, a huge black shadow slowly rose up.

The black shadow was so immense that it was impossible to see all of its appearance clearly, but where it entered his eyes, he could tell that it was a void ship.

A huge Void Ship, the scale of which was simply many blocks away from Chen Xuan's Warlord-class Void Ship.

"Damn it's too handsome, did I really come across a chance?"

Liu Tian couldn't help but swallow his spit.

And just then, the huge Void Ship in front of him had already risen to mid-air.

Feng Sui was standing on the deck of the void ship at this moment.

"Young master! It's ready to depart!"

Feng Sui shouted at the bottom.

"Let's go!"

Lin Ran turned his head to look at Liu Tian.

"Good.... Good!"

Liu Tian was a little flattered, but he was still busy following him.

He knew very well that chance was chance, and if he missed it he might really miss it.

Even though Lin Ran was very strong, he still wanted to give it a go.

After all, if the other party wanted to kill him, they wouldn't play so many tricks, their strength was there.

Lin Ran waved his hand and instantly had to go next to Liu Tian on the void ship.

Followed by several more figures appearing next to Lin Ran, it was none other than Li Ba Wolf Ba as well as Xiao Jiu and Li Li.

“This....”

Seeing so many people and even a magical beast, Liu Tian was completely dumbfounded.

He found out that all of these people were actually stronger than him, except for that little girl.

Even here, apart from himself, the weakest one was actually Lin Ran.

Lin Ran waved his hand and set out a bar, and instantly all kinds of wine and food filled the table.

“Come sit down and take a rest!”

Lin Ran greeted.

All the people were not polite and took their seats, but it was Liu Tian who looked a little restrained.

Sitting with so many powerful people made him somewhat restrained.

“Don't be afraid, they are all my friends!”

Lin Ran said with a smile.

“Senior Lin you. Why do you want to help me!”

Liu Tian couldn't help but ask the doubt in his heart.

“There is no reason!”

Lin Ran smiled reluctantly to say more, the past had already passed and he didn't want to bring it up again.

Besides, Zhao Yu should be doing well nowadays, not to mention that she had also realised that she was wrong, so why keep holding on to it.

“Kid, you're lucky that our boss is willing to help, I know of only one person so far!”

“Do you know what's happened to that kid now?”

Wolf Ba asked with a smile.

“How is it?”

Liu Tian was busy asking.

“To be honest I don't know, hey hey boss that Ximen you still remember right!”

Wolf Ba asked.

Lin Ran smiled at that in a daze, Ximen he naturally remembered, when he was at the Temperance Hospital during his enlightenment visit, he had encountered this Ximen.

He himself had given him the Xuan Yang Pill Canon, but so many years had passed and he was now in the Immortal Realm, how would he know how he was!

“Enough about that, how is your strength?”

Lin Ran asked with a smile.

“Early Third Dao Realm!”

Liu Tian was a little embarrassed, was this strength really weak? It wasn't exactly weak.

However, in Immortal Emperor City, where the various geniuses of the Opportunity Conference were in abundance, this strength really wasn't strong.

Otherwise, Lin Ran wouldn't have spent these last few days frantically improving his strength.

“Hm! The journey to Immortal Emperor City is full of dangers, when the time comes, if there is a chance to meet at the Opportunity Conference, I will help you!”

Lin Ran smiled.

“Many thanks senior!”

Liu Tian was busy bowing, the mind of a senior great power could not be guessed, although he did not know why Lin Ran wanted to help him.

But since he had come across it, this might be his chance, and he had to seize it.

“Alright, drink! There's still a few days left, when you get to Immortal Emperor City into over where you're going again, you can go straight there!”

Lin Ran laughed.

“Mm!”

Liu Tian nodded, Immortal Emperor City was home to his own Liu family, and he naturally had to report to the Liu family.

Just would the Liu family really value himself?

There were plenty of talented people in the Liu family in Immortal Emperor City, a small person from a sub-family like himself, I'm afraid there shouldn't be any!

Forget about it, it's already a great opportunity for me to meet senior Lin Ran!

Liu Tian thought to himself.

If Liu Shan saw himself sitting on this kind of king class void ship at this moment, he didn't know how he would feel.

“What's the point of thinking about her, I don't have a relationship with her anymore!”

Liu Tian comforted himself in his heart.

Wonder Doctor Chapter 2023

Five days was not a long time, but it was definitely not short either.

During these five days of exchange, Lin Ran also learnt some things about Immortal Emperor City from Liu Tian's mouth.

According to Liu Tian, the strength of the entire Immortal Emperor City could be roughly divided into five.

Among them were the Chen Family, the Liu Family, the Immortal Fox Family as well as the Leng Family, which were the four major clans.

And apart from these four, there was another one which was the Immortal Emperor's lineage of Immortal Emperor City.

Among them, the Chen Family and the Liu Family, both of which had branches in Mill City, were the very families that Liu Tian and Chen Xuan were from.

The Immortal Fox family, according to Liu Tian, was a woman-dominated family.

The ancestor within the period, Immortal Fox, was once a follower of the Immortal Emperor, and later on, after the Immortal Emperor had conquered this Immortal Emperor Domain, Immortal Fox created the Immortal Fox Family in this Immortal Emperor City with her abilities.

In fact, this situation is quite common.

For example, the ancestor of the Chen Family was also a follower of the Immortal Emperor back then, and because the Chen Family had always been a supporter of the Immortal Emperor.

So the Chen Family was also the strongest family in Immortal Emperor City, apart from the Immortal Emperor.

Their Liu family, on the other hand, was a little worse off, as the Liu family's ancestor was only a benefactor on the Immortal Emperor's cultivation path, so although it had gained some status.

But in these peaceful years, gradually the strength of the Chen family and the Liu family was pulled apart.

The last one, the Leng Family, was a family that emerged later in the years of peace.

Although they emerged later, their strength is not to be underestimated.

The feud between the major clans in this Immortal Emperor City is also very clear.

The Chen family is the only one that is dominant and does not deal with the Leng and Liu families.

The Immortal Fox family, on the other hand, stays out of the way, and because they are all headed by women, they are the ones that the other three families are trying to draw in.

It is said that this generation of the Immortal Fox family has produced a very beautiful clan member called Immortal Fox Shui, who once caused the young talents of the Liu, Chen and Leng families to fight in the street!

Immortal Emperor City was full of talents and mixed forces, and Lin Ran couldn't help but be very impressed by what he heard.

And just as he was rushing to Immortal Emperor City with Liu Tian.

Inside Immortal Emperor City was exceptionally lively.

In a courtyard, Chen Hu, the young generation leader of the Chen Family, was looking smug.

“You said that Leng Qian really went out?”

“Young master will definitely not have a problem, I purposely sent someone to follow him there!”

A butler-like person next to him laughed.

“Haha, this Leng Qian is really stupid, he was fooled with a Warlord class Void Ship, let’s go and meet this genius!”

Chen Hu said getting up with satisfaction.

A few moments later, in another courtyard, Leng Qian sat down on a chair with an angry face.

He had thought that he would come across a genius this time, but in the end, he had found out that the Battle General class Void Ship was actually a decoy thrown out by the Chen Clan, and there was no one inside at all, it was all the Chen Clan.

“This Chen Hu is simply too much!”

Leng Qian sat on his chair, his face full of anger.

“Cousin, what’s happening?”

Suddenly a voice came, followed by a silhouette running over.

“Leng Qiu ah, it’s nothing, it’s just that kid Chen Hu has set me up!”

Leng Qian said helplessly.

“That Chen Hu is really bad, but don’t be angry, cousin, I just learned that a King Class Void Ship has come over!”

Leng Qiu laughed.

“What king class void ship?”

Leng Qian's eyes lit up when he heard that.

To be able to use a King Class Void Ship, it was clear how strong the person on it was.

If he could befriend someone like that, it would simply help him too much.

Compared to the battle general grade void ship Chen Xuan had seen, this king grade void ship was simply an existence like the sky.

“This Chen Hu definitely can't spare the time, let's go!”

Leng Qian greeted, and immediately took Leng Qiu with him and set off.

In fact, since half a month, their Leng Clan and the Chen Clan had been battling it out.

This time, there were too many people who had come to Immortal Emperor City for the Opportunity Conference.

Among them were some very powerful geniuses.

So both the Leng Family and the Chen Family topped these people and wanted to pull them in extremely hard.

So this kind of competition was happening all the time.

Only at this moment, Lin Ran naturally didn't know this.

After five days of rushing, they had finally arrived at Immortal Emperor City.

Liu Tian left directly for the Liu family, and Lin Ran naturally didn't say much.

In order not to be too flashy, outside Immortal Emperor City, Lin Ran had Feng Sui collect the Void Ship.

And then the group entered Immortal Emperor City on foot.

Only what they didn't know was that at this moment, they were already being watched by someone.

“Boss, where are we going now?”

Feng Sui asked as he followed beside them.

“Let's find a place to stay first!”

Lin Ran said.

The Opportunity Conference didn't start until tomorrow, and he would only be able to take Li Ba with him then, so the others would indeed have to settle into a place.

However, what Lin Ran hadn't expected was how they had wandered through several inns in Immortal Emperor City in quick succession.

Surprisingly, all of them were already full.

In desperation, the group had to give up looking for a place to stay for now, for cultivators could rest anywhere.

After strolling around the streets for a while, the crowd soon discovered that the entire Immortal Emperor City was actually discussing a place called the Green Pavilion.

Lin Ran looked for a place to ask about it and learnt.

It turned out that this Green Pavilion was also an auction house.

Apart from the Luo Ran Trading Firm, this Green Pavilion was also a very popular place in Immortal Emperor City.

There is no limit to the number of customers that can go to Luo Ran Merchant, as long as they have money.

The Green Pavilion, on the other hand, is aimed at young cultivators.

Therefore, most of the things that are auctioned are weapons and dharma or precious herbs.

It was very popular among the young cultivators.

“Going to take a look?”

Lin Ran asked with a smile.

“All at the young master’s beck and call!”

Feng Sui said.

Lin Ran smiled lightly at this, and immediately walked towards the Green Pavilion.

There was no place to stay, and it was getting dark at this time, so he might as well go to the Green Pavilion first to check out the situation.

The main thing was to have a bite to eat.

The crowd rushed towards the Pavilion.

Not far behind them, two people were heading in different directions.

These two arrived at a remote corner.

Soon they each gave the signal.

Leng Qian and Leng Qiu, who had already left the mansion, saw the signal at once.

“He’s gone to the Green Pavilion?”

“Let’s go, let’s go too! That Chen Hu probably knows about it too!”

Leng Qian was busy urging.

“Mm!”

Leng Qiu nodded, and the two of them spiraled straight to the Green Pavilion.

At that moment, within the Chen family residence, Chen Hu was chatting with this young man.

When he saw the signal his face couldn’t help but change.

This signal was a special signal for the Chen family, and the fact that it could send such a signal was enough to show that the other party was not small.

But when Chen Hu looked at the man in front of him, his heart was already half cold.

His own departure had been slow, and he was afraid that this time his genius would be cut off by Leng Qian.

But thinking that the signal level was obviously higher than the person in front of him and his strength was obviously not ordinary, Chen Hu still said with a stiff upper lip.

“Brother Yijian, why don’t we go to the Green Pavilion? A friend is here!”

“O? Yeah? That’s fine!”

Liu Yijian laughed blandly, but a cold aura flashed in his eyes.

He was not a fool, and he had already understood when he saw that signal that Chen Hu had met a guest who was more important than himself.

As a leading young man and a disciple of a hidden family, he naturally had his own arrogance.

He wanted to see who the other party was, and how he could make Chen Hu leave himself behind to go and meet him.

Wonder Doctor Chapter 2024

The Green Pavilion, in total, has three levels.

The ground floor is for ordinary cultivators.

The people on this floor are generally not very strong and are naturally treated relatively poorly.

Those who were truly powerful would not stay here.

Liu Tian was originally planning to go directly to the Liu family in Immortal Emperor City.

However, he ran into his cousin, Liu Xu, halfway.

Liu Xu was a disciple of the Liu Family of Immortal Emperor City, and although he was not considered the top of the young generation, he was definitely the core of the core.

The first time he saw this man, Liu Tian could not help but lower his head and dared not look at him.

“Cousin. Cousin, who is he?”

Liu Tian was busy asking in a low voice.

“You’re really from a separate family, you don’t even know Brother Liu Pan!”

Liu Xu said in no good humour.

“Liu. Brother Liu Pan? He is the leading member of the younger generation of our Liu family?”

Liu Tian couldn’t help but have envy in his eyes when he heard that.

Like Leng Qian of the Leng family and Chen Hu of the Chen family, Liu Pan was also an outstanding representative of the Liu family’s current generation.

When he saw him today, he really had an outstanding temperament, and people with strength really stood there with a lot of temperament.

“Cousin Liu Xu, where are we going?”

Liu Tian followed the crowd with some unease.

All he wanted to do at this moment was to go to the Liu family and tell the elders about Liu Shan having been a follower of the Chen family.

This kind of thing was definitely not a trivial matter for a family, although he still had some thoughts of Liu Shan in his heart.

But in front of the family's righteousness, he wouldn't be soft.

“Don't ask too many questions just follow, I'm telling you today Brother Liu Pan is going to meet a very important person, don't mess up when you get there!”

Liu Xu admonished.

Liu Tian nodded at his words and did not dare to say more.

The crowd soon arrived at a pavilion, and when they saw the word “Qing Court” clearly written on the pavilion, Liu Tian could not help but be stunned.

Although he lived in Mopan City, he had been to Immortal Emperor City a few times and knew that this Qing Pavilion was the most lively place in the entire Immortal Emperor City apart from the Luo Ran Trading Firm.

Almost all the youths from the entire Immortal Emperor City would come here.

The crowd soon entered the Green Pavilion.

Liu Xu rushed to a few of his men who were following at the side and said.

“You guys take cousin Liu Tian and rest well on this first level, eat and drink at a leisurely pace!”

“Yes Young Master!”

The people were busy answering, and immediately Liu Xu followed Liu Pan up to the first floor alone.

The entire Green Pavilion could generally only go up to the first floor, as the third floor was reserved for the big shots.

Although the young talents were powerful, but in this youth could only stay on the first floor for a while.

Being left on the ground floor, Liu Tian didn't feel anything, he was new to the Qing Pavilion anyway, his first time there, so it was good to be able to look around on the ground floor to.

“Hillbilly!”

Suddenly, one of the leading men sitting opposite Liu Tian opened his mouth and laughed.

Liu Tian was stunned at his words and looked at the other man with a frown.

“You're talking about me?”

“Or what?”

The other party didn't avoid sneering.

“Do I have a grudge against you?”

Liu Tian asked rhetorically.

“No!”

The other party laughed.

“Then what do you mean! Don’t you forget that I am also a member of the Liu family, while you are just a subordinate of the Liu family!”

Liu Tian said in a cold voice.

Even though he was a member of the Branch Family, the bloodline that flowed in his body was also the Liu Family’s bloodline, so how were you qualified to talk to yourself like that as a subordinate.

The other party not only did not get angry at his words but instead he laughed.

“Liu Tian, you only have one more surname Liu than me, a branch family is a branch family, if you weren’t also a member of the Liu family, do you think you could come here?”

“You don’t even look, which disciple from a big family is here in the whole Qing Court? I’m afraid that you are the only one, Liu Tian!”

“What is your status in the Liu family, can’t you see it yourself?”

“You!”

Liu Tian’s fists clenched as he looked towards the surroundings, and he really didn’t find anyone from other clans staying on this first level.

Basically, the people who stayed on the first level were all the underlings of the major clans.

After understanding this, Liu Tian could not help but clench his fists a little tighter.

I thought I would get some comfort when I arrived at the Liu family, but who knew that the world of people was actually so cold.

How about the separation of the family? Does splitting up mean that he is no longer a member of the Liu family?

Liu Tian lowered his head and did not say anything, without strength who would look at himself squarely, even a Liu family's henchman was open to sneer at himself in Immortal Emperor City, what else could he do.

Liu Tian drank his sullen wine alone and did not speak.

At this moment, he hated to just leave the place and head to the Liu Family alone.

But he knew that if he did so, he was afraid that he would not be able to get any help at all in the Liu Family.

Because he had offended not only Liu Xu, but also the most powerful young band of the Liu family nowadays, Liu Pan!

“Yo! Isn't this Liu Tian! You've really come to Immortal Emperor City! You're faster than me!”

Suddenly a youth's disdainful laughter came from the side.

Liu Tian turned his head to see who was speaking, if not Chen Xuan!

At that moment, Liu Shan was following Chen Xuan, and Liu Tian clearly saw that there were two bright red marks on her neck.

He didn't need to think about it to know how that mark was made!

“You’re really willing to give up!”

Liu Tian gripped the wine glass and it clicked from the force.

“So what, I’m willing! What’s Chen Xuan’s status, what’s your status!”

Liu Shan had a smug look on her face, as if she was enjoying being with Chen Xuan.

“Haha! Brother Liu Tian don’t be angry haha, Shan Shan is also too pretty, I couldn’t resist!”

“But then again, you guys have been engaged for so long and Shan Shan is actually still a virgin. Thanks a lot, this time it’s a bargain for me!”

Chen Xuan laughed.

“You!”

Liu Wei’s whole body was trembling, yet Liu Shan on the side was as if she didn’t see it, her body leaned towards Chen Xuan’s body while shyly saying.

“Brother Xuan you are bad, why talk to him about this!”

“Haha yes yes! I don’t want to talk about it, but when we get to Xiandi City tonight, we don’t have to play on the boat, so we’ll have a good time tonight!”

Chen Xuan laughed recklessly.

Liu Tian looked but his silver teeth clenched the killing intent in his eyes was even more unconcealed.

“All right, let’s go and wait next to each other, and then go directly to the first floor!”

Chen Xuan laughed.

“Really? Brother Xuan you’re too good, I’ve heard that only the underlings eat on the ground floor!”

Liu Shan was busy laughing.

“That’s because you don’t even look at who I am, I would eat on the ground floor of this Green Pavilion? It’s better to let Liu Tian eat here!”

Chen Xuan laughed.

Liu Tian looked at the two, his face bursting with veins but he couldn’t say a word.

Time passed by minute by minute.

The sky outside was gradually getting darker.

Finally Lin Ran walked in from outside with Li Ba and the others.

Since it was the first time he had come to Immortal Emperor City, Lin Ran naturally moved all of them out, so that he could also see the scenery of the entire Immortal Emperor City.

“Holy shit, boss! This Green Pavilion is really lively! But this floor seems to be full, so we should go straight up!”

Wolf Ba said from the side.

“Mhmm!”

Lin Ran nodded, he didn't like places with a lot of people, and the people on this ground floor weren't very powerful, so I guess it was all a place for some underlings to stay.

“Hey!”

Suddenly, just as Lin Ran and the others were about to go upstairs, Feng Sui, who was next to him, suddenly stopped in his tracks.

“Young master, look at that person over there, isn't that Liu Tian!”

“Liu Tian?”

Lin Ran was stunned, and turning his head to look at him he indeed found Liu Tian sitting on the side drinking a mulled wine alone.

“Go over and say hello!”

Lin Ran laughed, all this way over, he and Liu Tian had had a good chat and were considered friends.

At this moment, seeing Liu Tian drinking alone here, he naturally had to go over and ask.

The crowd soon arrived close and the leader's men couldn't help but frown slightly.

“What for?”

Liu Tian was stunned at the words and was also busy looking up, and when he saw Lin Ran, he froze.

“Lin.... Brother Lin Ran!”

“Why are you drinking here alone? Didn’t go to the Liu family?”

Lin Ran asked with a smile.

A trace of despondency flashed in Liu Tian’s eyes, and suddenly made up his mind to get up and say.

“Brother Lin Ran, can I follow you!”

“Hm? You’re not going to the Liu family?”

Lin Ran was surprised.

“It’s fine if I don’t go!”

There was disappointment in Liu Tian’s eyes.

Lin Ran had already guessed what was going on when he heard this, the open and dark rivalry within such large families was no less than outside.

Liu Tian’s attitude at this moment already said everything.

“Liu Tian! Think carefully, Young Master Liu Pan is right upstairs, if you leave now, you know the consequences!”

The leading henchman next to him said in a cold voice.

“Consequences? What consequences? The consequence is that I, a member of a separate family, will sit with a group of you underlings? And to be humiliated by you all?”

“Liu Shan is right in one thing, the current Liu family is not my Liu family, but the Liu family of Immortal Emperor City! It’s his Liu Pan’s Liu family!”

“Brother Lin Ran!”

Liu Tian turned his head to look at Lin Ran.

Lin Ran nodded and didn’t say much as he whirled around and led Liu Tian away.

Just before leaving, Liu Tian turned his head to look in Liu Shan’s direction and secretly swore in his heart.

“I, Liu Tian, will definitely make you regret it in the future, and you will regret it completely, and when the time comes, I will make the entire Liu family tremble because of me! Including you!”

“Brother Xuan, who is that person!”

Liu Shan asked busily when she saw this.

“Who cares who he is, I’ve never even met him, probably a backer Liu Tian found!”

Chen Xuan said disdainfully.

“Hey hey! Are they going upstairs!”

Liu Shan looked busy asking.

Chen Xuan, however, said with a disdainful face.

“Go upstairs? This Green Pavilion is not as strong as the Luo Ran Merchant Firm, but if you want to go to the first floor you must at least have the strength of the Extreme Dao Realm, and your own power must be at least a hundred thousand or eight thousand realms strong.”

“Just that kid, do you think he has it?”

“That’s right, this Liu Tian is really stupid, he actually found an idiot to be his backer, when he gets blocked at the staircase, he’ll have a good show!”

Liu Shan laughed.

However, very soon, her smile froze.

Only to see that when Lin Ran led the crowd to the stairway, not only was he not stopped.

Even the person guarding the stairway was even more respectful, and directly invited the crowd up to the first floor.

Just kidding, there were two people in their party in the Hundred Thousand and Eighty Thousand Realms.

And who is Feng Sui, that is the Feng family, always walking in the immortal emperor domain, this Qing Court see the state to come are no longer come well!

“Who the hell is this kid!”

Chen Xuan look frowned slightly, aside of Liu Shan heart is some not feel.

He himself still had to wait here, but Liu Tian had actually gone up to the first floor.

“Brother Xuan, when can we go up? That bastard Liu Tian has even gone up to the first floor!”

Liu Shan was upset in her heart and opened her mouth to urge.

“What’s the hurry! It’s only a matter of time!”

Chen Xuan was irritated in his heart.

But at this moment, Lin Ran, after reaching the first floor, realised that there were so many people on the first floor as well.

Of course, there were still empty seats, but the place also seemed a bit crowded.

Feng Sui could see that Lin Ran was not too satisfied and immediately spoke.

“Young master, why don’t we go to the third floor?”

“Is that okay?”

Lin Ran asked.

“Don’t worry, I often come to this third floor!”

Feng Sui said.

“Alright, go to the third floor!”

Lin Ran nodded his head.

How could it be so hard to find a quiet place to eat and rest.

Feng Sui led the way and the group headed straight for the third floor.

On the side, Liu Tian, however, was already a little dazed from listening.

In fact, to him, being able to go up to the first floor already felt incredible.

But now Lin Ran was actually able to go up to the third floor, which to him was something that he simply did not dare to think about.

Just as the crowd was walking towards the entrance of the third floor.

Suddenly a voice came over from the side instead.

“Liu Tian? Who told you to come up here!”

The crowd smiled and looked, and the one who spoke was none other than Liu Xu.

“Cousin Liu Xu, I...”

“He came up here with me, friend with a problem?”

Before Liu Tian could finish a sentence, Lin Ran interrupted him.

“Up here with you? Who are you?”

Liu Xu’s face turned a few shades colder.

“Is it related to you? Your family lives by the river!”

Next to him, Wolf Ba stepped forward and said without disdain.

As soon as he opened his mouth, instantly Liu Xu's face turned pale.

And only then did Lin Ran have the time to take a look at these people.

He found that there was also a youth sitting next to Liu Xu, whose strength was ostensibly stronger than even his own.

And opposite the youth also sat a very pretty looking woman, who also had a red mark on her brow that vaguely resembled a fox.

“Greetings senior, my little woman Immortal Fox Family Immortal Fox Water!”

The woman was very understanding and sensed Wolf Ba's breath and busily got up and said.

“Still the little girl knows how to behave!”

Wolf Ba smiled in satisfaction before looking at Liu Xu and said in a cold voice.

“You kid still have questions?”

“Brother Pan!”

Liu Xu was busy looking at Liu Pan who was at the side.

Liu Pan's face did not look too good at this time, and he got up and said in a cold voice.

“Dare I ask who this friend is? I am Liu Pan from the Liu Family of Immortal Emperor City, and this beside you is someone from our Liu Family of Immortal Emperor City!”

“Someone from the Liu family? So what, I didn’t force him to follow me, did I?”

Lin Ran laughed lightly.

“Did I force you, Liu Tian?”

Lin Ran asked as he looked at Liu Tian.

Liu Tian was busy shaking his head.

“You see!”

Lin Ran spread his hands and said.

Liu Pan’s face scrunched up at the sight.

Lin Ran, however, laughed at the situation.

“I say, Liu Tian is at least a member of your Liu family, did someone from the Liu family come out to dinner without enough money?”

“Letting him sit on the ground floor, you Liu family people are really good at what they do!”

“Now that I’ve brought him up, you guys don’t seem happy about it either, what? Can’t see people’s families eating on the first floor that much?”

“The Liu family has the rules of the Liu family, what status do you want without strength!”

Liu Pan was also angry and his voice became a few degrees colder.

Lin Ran smiled even wider at his words.

“Status! Good one status, then who gave you Liu Pan’s status?”

“Did you earn it yourself?”

“Status? What’s status? Did I give him enough status?”

“Friend is this to make an enemy of my Liu family?”

Liu Pan’s voice was icy cold.

“No, but if the Liu Family wants to make an enemy of me, I’m not afraid!”

Lin Ran laughed indifferently.

With a whirl, he turned around and left.

“Stop!”

Liu Pan was furious when he saw this, he hadn’t even finished his sentence and was actually leaving straight away, this was simply not putting him in his eyes.

With that, Liu Pan rushed to Lin Ran’s side with a single stride.

However, at that moment, a black shadow flashed by and instantly blocked him.

“If you don’t want to cause trouble for the Liu family, then sit down honestly!”

Feng Sui’s voice was cold as he looked at Liu Pan.

“Wind.... Feng Sui! You actually followed him!”

Liu Pan recognized Feng Sui at a glance, Feng Sui’s fame was great, and at this moment, seeing him following a youth, Liu Pan’s face couldn’t help but change.

“I wonder what this gentleman’s name is? Can the little lady be sturdy for a moment?”

The immortal fox water on the side suddenly spoke up.

“Sure, I like beautiful women the most! If Miss Xianhuoshui doesn’t mind, we might as well go up to the third floor for a chat!”

Lin Ran laughed.
