

Chapter 2025– 2026 of A Dish Best Served Cold Novel

Chapter 2025

Denren knew very well that from the moment she went to jail, all her auras had disappeared.

She is no longer the pride of her parents, and she is no longer the proud daughter of the Ye family.

From now on, the name Denren no longer represents glory, but shame.

For Denren, who has always been an audience member of Xing Pengyue, who has had a smooth life, today's blow is not trivial.

However, just when Denren was full of despair, outside the prison, a thin and tall figure, who did not know when, had already stood there.

He didn't speak, just looked at it condescendingly.

It seemed that Denren, who had been huddled in the corner, raised his head after feeling his gaze.

The tearful eyes, just like this, matched Mark's eyes.

At that moment, Denren's delicate body trembled suddenly.

Mark saw his embarrassed look.

This was undoubtedly a huge blow to Denren, who was always proud.

In my heart, there is only a little dignity, nothing.

She didn't speak, and didn't know what to say. After seeing Mark, she immediately lowered her head, buried her pretty face in her arms, and did not look at Mark again.

She knew that Mark was here at this time, and it was probably to come to see her joke.

Look at the people who laughed at him back then are now prisoners of the ranks.

Come and appreciate the feeling of being a winner.

However, Denren did not blame him, nor did he intend to beg Mark.

In today's ending, everything is self-blaming.

She can't blame anyone!

No wonder Mark.

It was she who rejected Mark's kindness back then.

In these days, Denren sometimes wondered, if Mark wrote a love letter to her to show her love, what would happen if she agreed?

Perhaps, now living in Yunding Mountain Villa, she is the empress Noifork, Denren!

Rather than being a stranger like now!

Denren is not Ye Tian's own flesh and blood, but the child Dongmei brought over when she married Ye's family.

Therefore, from this level, it is still possible between her and Mark.

However, to miss is to miss.

Even if Denren regrets it again, it will not help.

What's more, it was a misunderstanding that year.

The love letter was written by the fat man, and Mark was just a messenger.

From beginning to end, Mark didn't actually think about his cousin.

Everything is Denren's wishful thinking.

In the prison, there was silent silence.

Denren curled up there, still whispering.

However, after a long time, the prison door actually opened.

Mark stood outside and reached out to her.

"Let's go."

"After today, you will be the fifth member of Team Azure Dragon."

Mark's low voice echoed quietly in the room.

Denren, wearing a prison uniform, was stunned.

She suddenly raised her head, her beautiful eyes filled with tears.

A pair of big Shui Lingling eyes looked at Mark like this.

No one can understand Denren's mood at this time. She originally thought that Mark was just watching her joke.

However, she never thought that Mark's intention was to let her join the Azure Dragon Team!

"Why, don't you agree?" "If that's the case, then I have never said that."

Mark's faint words fell, then turned around, and walked out.

"I am willing~" "Brother Mark...no, instructor Chu, I am willing, Denren is willing to join the Azure Dragon team!" Denren shouted immediately, and the words were full of surprises that could not be concealed.

No, instructor Chu, I am willing, Denren is willing to join the Qinglong team!

Denren shouted out immediately, and the words were full of surprises that could not be concealed.

Chapter 2026

Originally, Denren was already desperate.

However, who would have thought that Mark gave her hope again.

Today's Denren, like a person falling into the water, grabbed the last straw.

The tearful face is joy.

"Then go with me."

Mark turned his back to her, faintly replied, and then continued to step forward and walked forward.

Denren behind him naturally hurried to catch up.

"Instructor Chu, you can't take her away."

"Commander Lin has an order. No one is allowed to wait for Denren to leave before the trial result."

However, as soon as they walked to the door, Mark and the two were stopped by guards outside. Up.

Mark was expressionless, looked up at them, and replied coldly: "Keep the way away!" "I can't stop the person Mark wants to take away."

Mark's words were cold, and in a moment, A majestic coercion was released immediately.

Under Mark's deterrence, the soldiers who guarded, as if facing the abyss, walking on thin ice, really did not dare to move the slightest in the end, just like that, let Mark take people away.

At this point, the five members of the Qinglong team have all gathered.

"I Denren~" "I Croven Li~" "My Sara Ma~" "I am Taishan..."

..... "I am tall and strong..."

"Volunteer to join the Qinglong team, from now on, will be a member of the Qinglong team!"

"We will live and die together with the Azure Dragon team, coexisting honor and disgrace."

"Following orders from the Chu instructor!"

"Respect you as a teacher, and respect you as a god!"

Under the sky, Denren and the other five people, the majestic voice, echoed in the training field. In front of them, Mark stood proudly with his hand. "Very good!"

"In addition, Denren will assume the post of captain of the Qinglong team in the future.

"She will supervise and lead them to train!"

"In the next period of time, you only have one task, and that is to become stronger!"

"As for other things, I will handle them all."

After Denren joined, Mark was directly promoted to captain Qinglong. Denren has experience in special forces, and has been a captain before, and she is also a closed disciple of Lu Tianhe, chief instructor of the Gritsberg Military Region. It is true that she should be the captain. Named. Croven Li and others naturally didn't dare to disobey Mark's decision. But Denren was touched in her heart. That night, she even went to the house to thank Mark. "You don't have to thank me.

"If it wasn't for grandpa's face, I wouldn't save you."

“She was still indifferent from thousands of miles away. Even after helping Denren, Mark’s attitude towards her still remained unchanged. However, Mark agreed to let Denren be selected for the Blue Dragon team, except for the face of his grandfather. In addition, another reason is that Denren’s martial arts talent is really rare. Otherwise, Lu Tianhe would not treat her as his closed disciple, and treat her as his own. Therefore, in terms of personal ability, Denren joining the Azure Dragon team is well deserved. Of course, if Mark got Denren out of prison without permission, it would naturally arouse Orell Lin’s dissatisfaction. But Mark didn’t care. Orell Lin was just about Mark. However, as far as the insignificant role is concerned, he has never been in Mark’s eyes from the beginning to the end. Mark will not pay attention to his happiness and anger. In this way, the training of the Qinglong team is officially on the right track. A group of five people , And another terrifying and rapid speed, quickly becoming stronger.

But Denren was touched in her heart. That night, she even went to Xie Mark.

“You don’t have to thank me.”

“If it wasn’t for grandfather’s face, I wouldn’t save you.”

It was still the indifference that turned away thousands of miles away, even after helping Denren, Mark’s attitude towards her remained the same. Nothing has changed.

However, Mark agreed to let Denren be selected for the Blue Dragon team. In addition to his grandfather’s face, another reason was that Denren’s martial arts talent was really rare.

Otherwise, Lu Tianhe would not accept her as his closed disciple, as if he had gone out.

Therefore, in terms of personal ability, Denren’s entry into the Qinglong team is also well deserved.

Of course, if Mark got Denren out of prison without permission, it would naturally cause Orell Lin’s dissatisfaction.

But Mark didn’t care.

Orell Lin was only in Mark, but for an insignificant role, he never caught Mark’s eyes from beginning to end.

Mark wouldn’t care about his willingness to be happy and angry.

In this way, the training of the Qinglong team is officially on track.

A group of five people, another terrifying and rapid speed, quickly became stronger.
