

## Chapter 2025: I'm Not Mad At You

"What did I do that made you want to beat me to death since I was young?" Ye Xueli said, her eyes blazing with rage. "I only said a few words. Did those words have any serious impact on Jiang Yao? Is she the only one allowed to speak?"

"I only said a few words. What right do they have to say that about me? Did I kill someone or rob someone? What right do they have to dismiss me?" Ye Xueli covered her face and cried. "My job at the school is gone. What should I do in the future?"

Next door, Jiang Yao was dumbfounded when she heard that.

How could there be such a shameless person in the world?

If she were Colonel Ye and had a daughter like Ye Xueli, she would have drowned her in a cesspool!

After all, she would grow up to be such a disgusting person anyway!

Disgusting!

Jiang Yao was so angry that she punched Lu Xingzhi in the chest twice to vent her anger. Lu Xingzhi was confused when his wife hit him.

Jiang Yao did not have much strength. Her attack was like helping Lu Xingzhi scratch an itch. Jiang Yao had been sleeping just moments before she started to hit him, so Lu Xingzhi was very confused. She even hugged him like he was her pillow. Her expression changed the moment she opened her eyes.

A pregnant woman will throw a tantrum in the middle of her sleep. Why did Lu Xingzhi not remember that from a book?

Some pregnant women's tempers were volatile and emotional, but none of the books mentioned that they would change while they were asleep.

"I'm not asleep yet!"

Jiang Yao bared her teeth. "I'm not mad at you. I'm just angry at what Ye Xueli said next door."

Lu Xingzhi was relieved when he heard Jiang Yao say that it had nothing to do with him. "What did she say?"

Lu Xingzhi was already used to Jiang Yao's special abilities. He would never ask if she did not offer any explanation.

Jiang Yao repeated every word that Ye Xueli had said. Then she asked, "You were the one who did the things at Ye Xueli's school, right?"

...

It was the same way with how a military doctor would have a record. Therefore, Jiang Yao could only think of Lu Xingzhi.

"Yes," Lu Xingzhi said. "The order was passed down in the middle of the night last night. Ye Xueli left the army base early this morning. When she arrived at the school, they blocked her from entering it."

“I’m relieved.”

Jiang Yao almost wanted to clap her hands and cheer for Lu Xingzhi. Her eyes were like twinkling stars. Then, she moved closer to his lips, touching them gently. “Well done!”

Lu Xingzhi would probably never get tired of receiving such a compliment. His heart softened when he looked at his soft and delicate wife.

When Colonel Ye heard his daughter say such unrepenting words and insisted that it was someone else’s fault, he immediately lost the mood to teach her a lesson.

A lesson was only useful if it could teach someone to get on the right path. However, it was useless to teach a remorseless person, even if they did not know if they had made a mistake.

Colonel Ye listened to his eldest daughter’s crying. His raging emotions gradually faded and were replaced by disappointment..

Chapter 2026: Until The Dust Had Settled

“Yes, you’ve done nothing wrong. Other people were wrong. Miss Jiang has done something wrong. She shouldn’t have followed Colonel Lu so shamelessly, even after so many people criticized her. She was wrong for not leaving Colonel Lu as you wished. Colonel Lu was wrong for protecting Miss Jiang after the rumors you created. Everyone in the world is wrong except for you, Ye Xueli.

“Sister, you know that rumors can kill. So, you know why you started one. How can you blame others when the matter is exposed? You destroy someone’s reputation, and they retaliate. That sounds right.”

Ye Jianguo stood at the door and sneered at his sister. He did not say anything else. Then, he closed the door and ignored the situation.

“Since you’re not sleeping tonight, pack your things. I’ll send you to the train station tomorrow. You can go back to our hometown,” Colonel Ye said coldly before returning to his room. Support our

Ye Xueli stood there and gradually stopped crying. She stood there for a long time with an expression of disbelief on her face.

Colonel Ye’s wife urged her son to go back to his room to sleep. Then, she followed her husband back to their room and pretended to be concerned. “Is it appropriate for Xueli to return to our hometown like this? That place is not suitable for relaxing. Why don’t we let her go somewhere else and return after that matter has calmed down? We’ll think of a way to apologize to Colonel Lu and his wife. After all, they’re our neighbors. We shouldn’t have a falling out with them over this, right?”

“Do you think Lu Xingzhi is an easy person to talk to?”

Colonel Ye said, “Lu Xingzhi is not the kind of person who would be afraid of falling out with someone. Furthermore, this matter is our family’s fault. Lu Xingzhi doesn’t interact with our family, so no one can blame him for that.”

Colonel Ye sighed when he said, "I'm letting Xueli go back to our hometown not to let her avoid the limelight, but because I don't want to keep her here to continue causing trouble for me. She can also keep the seniors company at home. I'll get my relatives to help find her a husband."

"You're right. Xueli should be getting married at her age." Colonel Ye's wife raised her eyebrow. "Look at how young Colonel Lu's wife is, and they've been married for five years. She'll also be a mother soon. Most girls are only talking about marriage at her age."

"Get married and have children. Once the dust settles, she won't be in the mood to mess around anymore." That was Colonel Ye's motive for marrying his daughter.

Initially, he wanted to wait a couple of years because he felt sorry for his

daughter. He wanted to find her a good husband. However, he had underestimated his daughter.

When Jiang Yao heard that, she lost interest in listening to the private conversation between Colonel Ye and his wife. There was no doubt that Colonel Ye loved his daughter. After all, she was his eldest daughter. However, Ye Xueli had disappointed him.

Jiang Yao thought Colonel Ye was right to send Ye Xueli away. After all, her reputation would only suffer if she stayed there..
