

Wonder Doctor Chapter 2026

“Yes!”

Immortal Foxwater agreed at once.

She found the youth in front of her very special, with a feeling that she could not see through.

“Xianhuoshui is the one I asked to meet you!”

On the side, Liu Pan was busy speaking up.

He himself had paid a huge price for asking Immortal Fox Water out today.

As a result, who knew that it was a bargain for this kid.

“Liu Pan, we’ve said everything we need to say, and I do have some issues with what you did!”

Immortal Fox Water spoke up.

“You came to me for an alliance, but you treat your own Liu family members like this, do you think I still dare to ally with you?”

“Me!”

Liu Pan was instantly blocked from speaking.

However, Xianhuoshui had already turned around and walked towards the stairway with Lin Ran.

The crowd quickly went straight up to the third floor.

Liu Xu was already a little dumbfounded when he saw this scene.

“What about Brother Pan!”

“How do I know what to do!”

Liu Pan’s fists were clenched and there was anger in his eyes.

“Or else we should go up too?”

Liu Xu spoke.

“Go up? If we want to go up there, we should at least call an elder to come over!”

Liu Pan said in a cold voice, calling an Elder Zhang to come over for such a matter, they were afraid that they would also be punished.

“But we can’t just leave it like that, that kid is too wild!”

Liu Xu said.

Liu Pan, however, had gradually calmed down.

He thought for a moment and said.

“This kid has extraordinary guts, he is probably also a disciple of some hermit’s family!”

“According to the state of the Chen and Leng families, they will definitely come over, let’s see if the situation can muddle through then!”

“Good!”

Liu Xu nodded at his words.

Sure enough, not long after Liu Pan and Liu Xu sat down, two figures had already gone up to the first floor.

Turning his head to look, who was it but Leng Qian of the Leng family.

And the woman following next to him was clearly none other than Leng Qiu.

“Liu Pan? I heard that you have an appointment with the Immortal Fox Waterman?”

Seeing Liu Pan, Leng Qian asked with a smile.

“What does it have to do with you!”

Liu Pan said in a cold voice.

He didn’t believe that Leng Qian didn’t know that this guy appeared here and was obviously coming for that kid.

It was obvious that there were eyes and ears poking around for information.

How could he not know something like Immortal Fox Water following Lin Ran up to the third floor.

“Yo! It’s really lively!”

Suddenly, just as the crowd was talking, another voice came from afar.

The crowd looked and saw that Chen Hu had actually come over with his men.

The only thing was that there were not many people following him.

In addition to Chen Xuan Liu Shan, who was waiting downstairs, there was also a young man with a sword on his back.

This youth had an aura of a mixed day city just by standing there with an extraordinary weapon.

“Hey! What’s this, if I’m not mistaken this girl is wearing the Liu family’s clothes right! Why is she standing in your Chen Family’s group?”

Leng Qian suddenly spoke up and asked.

“What does it have to do with you!”

Liu Shan’s face instantly turned ugly.

Although in front of Liu Tian she dared to speak so righteously.

But at this moment, facing Liu Pan, the core figures of the Liu family, she was still a bit vain.

After all, if she really offended the Liu family, she was afraid that she wouldn’t have a good time.

If Chen Xuan is willing to protect her in the future, it’s fine, but if he won’t, then she will be really miserable.

As the saying goes, a thin camel is bigger than a horse. Although the Liu family is not as strong as the Chen family, its strength is here after all.

How could she alone be a match for a large family.

“It’s a long story, this Liu Shan girl is indeed a member of the Liu family, it’s just a pity that she is a member of the Mill City branch!”

Chen Hu opened his mouth and laughed.

“But now? She’s already a follower of our Chen Family!”

“What did you say?”

Liu Pan’s face instantly turned ugly when he heard that.

The Liu family and the Chen family had always been at odds, at this moment Liu Shan had actually become a follower of the Chen family, this was simply something that actually exterminated the family.

“No Brother Liu Pan you listen to me!”

Liu Shan was busy trying to explain.

However, Chen Xuan opened his mouth and laughed.

“No? Liu Shan you’re betraying me?”

“No brother Xuan!”

Liu Shan remembered the cold sweat coming down.

And when Liu Pan heard this, his face instantly went completely icy cold.

“Good! Good one Liu Shan, from today onwards that is not a member of my Liu family, I advise you to be careful yourself!”

“No it really isn’t!”

Liu Shan’s anxious tears were flowing out of her eyes.

However, there was no one to help her at all.

She couldn’t help but think of Liu Tian, however at this moment would Liu Tian still take care of her?

“Okay, I didn’t come here to watch the fun, Chen Hu came first and then we had an appointment! So you just wait!”

Leng Qian smiled coldly at Chen Hu, and then whirled and led Leng Qiu towards the stairway on the third floor.

“Humph! This genius doesn’t know if he’ll see you yet, so don’t get cocky!”

Chen Hu said in a cold voice.

Liu Yijian, who was carrying his longsword at the side, saw this but frowned and asked.

“Why don’t you just go up to him?”

“Brother Yijian doesn’t know, this is the rule of the Green Pavilion, those who want to meet on the third floor can only go up after seeing each other for permission!”

Chen Hu explained.

“Trouble!”

Liu Yijian was impatient at his words.

But Chen Hu didn’t say any more.

But at this moment, in a private room on the third floor.

Lin Ran and the others were sitting around a bar table.

Lin Ran also knew something about the identity of Immortal Fox Water.

In this Immortal Emperor City’s Opportunity Conference, many people were secretly forming gangs to consolidate their power.

And Xianhu Shui was no exception, this time Liu Pan was looking for her for the same thing.

Lin Ran and Xianhu Shui were chatting, but at that moment, a woman in a cheongsam was knocking on the door and walked in.

“Several people, outside, Prince Leng Qian requests to see you! I don’t know.”

“Leng Qian?”

Lin Ran was stunned at his words, he didn’t seem to know this Leng Qian himself!

“No need!”

Lin Ran was straightforwardly decisive.

“Yes!”

The woman quickly left.

However, a moment later, the woman was walking back in and spoke.

“Gentlemen, Duke Chen Hu outside requests to see you, I don’t know.”

“No see!”

Lin Ran refused without even thinking about it he didn’t even know what to see.

The flag-robed woman didn’t say much and left at once.

The immortal fox water at the side was a little puzzled.

“Sir Lin Ran, this Leng family and Chen family are both big families in Immortal Emperor City, you don’t even see them?”

“Isn’t your Immortal Fox family also a big family? And they’re both so pretty, isn’t having you enough?”

Lin Ran laughed.

This Immortal Fox Water was born with a seductive intent, fortunately Lin Ran's determination was strong enough, otherwise he would have fallen under its skirt long ago as well.

At this moment, on the first floor, after hearing the news from the cheongsam woman that both were missing.

Chen Hu also couldn't help but blush ugly.

"This kid's stance is not small, even you, Brother Chen Hu, dare not see him!"

Liu Yijian had been holding his breath for a long time, and when he saw this, he was about to barge in!

"Brother Yijian can think carefully!"

Chen Hu said.

Liu Yijian was also from a hermit family, so he naturally wouldn't say much. If this kid really wanted to fight, he could use this to see which of them was stronger, so that Chen Hu could decide who to draw in next!

"Barge in? You want to try breaking in? This is the Green Pavilion, go ahead and barge in if you want to die!"

Leng Qian opened his mouth and laughed.

"You too, Chen Hu, the helper you roped in actually told someone to go and seek death, you're really good enough!"

"I didn't say that!"

Chen Hu said in a cold voice.

Liu Yijian on the side heard this but his face was ugly, having a feeling that he was being tricked.

He could feel that there were quite a few experts hidden inside this Green Pavilion.

If he really barged in, he was afraid that it wouldn't end well!

Wonder Doctor Chapter 2027

“What? Are we just going to wait here? I'm not happy if you guys are happy!”

Liu Yidao's face was very ugly.

He was a young talent from a hermit family, no matter how he put it, and he was actually making himself wait here for someone he had never met before.

If it wasn't for the face of Chen Hu, I'm afraid he would have left long ago.

And just now, Chen Hu had actually tried to use himself to break through the third level hard.

At this point, Liu Yidao couldn't help but feel a little angry, the human relationships in this Immortal Emperor City really weren't as simple as they seemed.

“What now?”

Leng Qiu stood in the crowd, also somewhat at a loss as to what to do.

Himself and his cousin had rushed here in the first place, only to be met with a closed door.

At this moment, Leng Qiu also couldn't help but be a little curious as to what the other party was from, they actually didn't even see anyone from the Leng family.

Even the Chen family people were not seen, could it be that he was someone who which side of the power did not want to join?

"Don't worry yet, news will come soon, didn't Chen Hu not leave either, this guy is thinking the same as us!"

Leng Qian said blandly.

Leng Qiu turned his head and looked, and indeed he found that Chen Hu hadn't left either.

The atmosphere in the scene suddenly became a little delicate.

Liu Pan and Liu Xu had ugly faces, but at this moment, they were not willing to leave, after all, the Immortal Fox Water had been taken away by Lin Ran.

If they just went back like that, they would look more or less ashamed.

On the other hand, Chen Hu and Leng Qian were exerting their respective skills, both wanting to see Lin Ran for a while.

For them, disciples of the great clans, the easier it was to meet someone, rather than not caring too much.

The more such people they wanted to meet but couldn't, the more they would be made to feel that they were true experts.

Liu Yidao was in this awkward position at this moment.

Soon, on the ground floor of the Green Pavilion, a figure walked up.

He swept his gaze over the crowd and finally walked over in the direction of the two Leng Qian.

And almost at the same time, another person also ran up, and then walked in the direction of Chen Hu.

Leng Qian and Chen Hu glanced at each other, and everyone had an unspoken message in their hearts.

“Young master! Already bought the information on this kid!”

The subordinate rushed towards Leng Qian and said.

“Mm!”

Leng Qian nodded and swirled the information over, and next to him, Chen Hu also got this information almost simultaneously.

The two of them did not say anything and were busy both reading it.

Not long after, when finished reading the information, Leng Qiu next to him was busy asking.

“How about cousin?”

“This person’s name is Lin Ran!”

Leng Qian said.

“It says that he comes from the direction of the East Flag Domain, isn’t your family in the East Flag Domain, cousin? Have you heard of this person?”

“Lin Ran?”

Leng Qiu was stunned at her words.

This name felt familiar to her, as if she had heard it somewhere, but for a moment she couldn't remember.

“Lin Ran?”

Next to her, Chen Hu couldn't help but look at Leng Qiu as well after seeing this information.

He was aware of the fact that the Leng Family had a branch in East Flag City.

Since East Flag City wasn't exactly in distance from Immortal Emperor City, the Chen Family hadn't arranged for a branch family to go there.

Unexpectedly, they had let the Leng Family get ahead of them this time.

“Can't think of anything?”

Leng Qian asked busily.

Leng Qiu frowned in contemplation, and after a good few moments she snapped awake.

“Cousin, this Lin Ran....”

“This Lin Ran he....”

“What’s wrong with him?”

Leng Qian asked busily.

Seeing this, Leng Qiu was busy lowering her voice and said in a voice that only two people could hear.

“This Lin Ran is the owner behind the Luo Ran Merchant Firm, the person Miss Luo Yi is looking for!”

Saying this, Leng Qiu then told the story of when Luo Yi had asked the Eastern Chess King to search for Lin Ran in Eastern Flag City.

Leng Qian couldn’t help but have a hint of surprise on his face when he heard that.

“If what you say is true, this Lin Ran is afraid that he is very close to the Luo Ran Merchant Firm, if we can bring him in, then I’m afraid that the Luo Ran Merchant Firm will also be on our side!”

“But the key is that this person is so godless that when the Eastern Chess King mobilised the entire Eastern Flag Domain to search for him, he was never found!”

“No one has even seen what he looks like!”

Leng Qiu said.

“How could this kind of person just show up, since he showed up today, nine times out of ten, he’s also for this Immortal Emperor City Opportunity Conference!”

“I think we can try again!”

Leng Qian thought in her heart.

Leng Qiu, however, felt that there was not much hope, and she took the information and looked at it carefully once more.

However, after this glance, she had actually made a new discovery.

She noticed that at the end of the information, there was actually this sentence written.

“This person has spent time in East Flag City and once used a false name! An old friend!”

“An old friend?”

“Him?”

Leng Qiu’s entire person was stunned, and a figure instantly came to mind.

Following that, her entire aura became strong, and she turned around and walked towards the third floor.

“Hey hey! What are you doing, cousin!”

Leng Qian’s entire being was confused at the sight.

“I know who he is, bastard! How dare this miss see him and not see him!”

Leng Qiu was furious.

As she spoke, she had already reached the stairway on the third floor.

Although she was angry, Leng Qiu didn’t dare to act recklessly, this was Qing Court.

“Go up and tell Lin Ran that I, Leng Qiu, am looking for him! If he dares not see me, just wait until I kill him up there!”

Leng Qiu was very domineering.

This scene filled Leng Qian’s face with black lines, what kind of obeisance is this, it’s like ordering a notice!

Chen Hu saw this scene but his face turned ugly.

“Could it be that this Leng Qiu really knows that kid?”

There was some unease in his heart, if this was really the case, then he was afraid that he would have to lose to Leng Qian this time.

But without seeing the result, he was not willing to go straight away.

Seeing this, the guard on the third floor still went up to pass on the information.

When Lin Ran heard the word Leng Qiu, he couldn’t help but have a big head.

How could he have forgotten about this ninny, Leng Qian! Leng Qian! Isn’t this someone from the Leng family too!

“Ai! I really can’t hide even if I want to, let her come up!”

Lin Ran said helplessly.

“Sir Lin Ran knows this Miss Leng Qiu of the Leng Family?”

Next to him, Immortal Fox Water asked curiously.

“Sort of, we had a friendship in East Flag City before!”

Lin Ran said helplessly.

As he spoke, there was already a knock on the door from outside.

“Enter!”

Lin Ran shouted.

Following this, the door to the room was pushed open from the outside.

The next moment Leng Qiu really appeared outside the door, followed by Leng Qian at the side.

“But little friend Lin Ran? I am Leng of the Leng Family of Immortal Emperor City.”

Leng Qian was just about to introduce himself and make a good impression on Lin Ran.

As a result, who knew that the Leng Qiu next to him was actually the first to rush straight to Lin Ran’s side and grabbed his ear directly without saying a word.

“You’ve grown up, haven’t you, I still have to pay my respects when I see you? How dare you refuse?”

“No cousin shall not be rude!”

Leng Qian looked at him with cold sweat, thinking, “We are here to make friends with others, but what the hell is the point of making friends with you with such an attitude!

Who knew that Lin Ran was not even angry and was busy saying.

“Hey, hey! There are so many people here, can you stop it! Who knows you’re here!”

Hearing Lin Ran’s words, Leng Qian couldn’t help but sigh with relief, so his cousin really knew this Lin Ran.

“Are you a pig?”

Leng Qiu was furious.

“The Leng family! How many Leng families are there under the sky, I’m so angry at you!”

Leng Qiu said and was not polite, directly blasting Li Baek up next to him and sitting himself next to Lin Ran.

Li Ba looked a little speechless and thought to himself.

“Damn what’s this all about, you’re not the boss’s girlfriend and you dare to bully me like that!

t

Wonder Doctor Chapter 2028

After a lot of jostling, the group finally sat down.

Leng Qian also roughly understood his cousin’s relationship with Lin Ran through Li Ba and Wolf Ba.

He could not help but be staggered in his heart. Although his cousin was of average strength, she was at least from a large family, and even though she was pursuing Lin Ran so much, this boy did not agree.

But thinking about it, how could someone who could make the Luo Ran merchant firm go to great lengths to find him be an ordinary person.

“Alright, since we’re all considered friends, I’ll cut the crap and let’s get back to business!”

Lin Ran opened his mouth to bring the topic back and asked.

“Tomorrow is the day the Chance Conference starts, I wonder if the two of you can tell us how the rules of this Chance Conference are?”

Lin Ran had just arrived in Immortal Emperor City and was still really in the dark about these matters.

“It would be better to let Miss Immortal Fox Water speak about this matter!”

Leng Qian said with a smile.

“Fine!”

Immortal Fox Water didn’t say any nonsense and said at once.

“There is only one competition in this Chance Conference, and it will last for a month!”

“It is said that everyone will have to enter the Tai Cang Diagram!”

The Tai Cang Diagram?

The crowd was stunned at the words.

“That’s right, it’s the Tai Cang Diagram!”

Immortal Fox Waterway.

“This Tai Cang Diagram is said to be a quasi-immortal weapon, something that Immortal Emperor Fulong used back then, and this time it’s taken straight out!”

“I’ve heard of this matter, it seems to have been given to the current Immortal King Fu Gu, right!”

Lin Ran asked.

“That’s right! This time, the Opportunity Conference was actually presided over by Immortal King Fu Gu!”

Immortal Foxwater said.

“The exact rules are actually not too clear to us, we just know that we should be entering the Tai Cang Diagram!”

“Then what’s inside this Tai Cang Diagram?”

Lin Ran asked.

“I’m not really sure about this, you should know about it, Leng Qian!”

Immortal Foxwater looked at Leng Qian.

“I know some of it!”

Leng Qian nodded his head.

“This Tai Cang Diagram is said to contain a small world within it, and when Immortal Emperor Fulong discovered it, it was still only a half-finished product!”

“Seeing that it had the potential to grow, Fulong brought it back and later refined it to perfection, forming an independent world!”

“It is said that before, the Immortal Emperor’s place to practice was inside it, but I don’t know why he gave up taking it out this time!”

“It contains a small world within!”

Lin Ran listened with interest, if that was the case, when the time came, would it be difficult to have the crowd live in this small world for a month?

“I don’t know, but we’ll find out soon, everything will be clear after the Opportunity Conference starts tomorrow!”

Leng Qian Na said.

“Right, brother Lin Ran, do you want to join us when we arrive?”

Leng Qian was finally saying the purpose of his visit this time.

“Together? Speaking of which, you guys seem to be very keen on ganging up on each other!”

Lin Ran laughed.

Leng Qian couldn’t help but smile awkwardly at his words and said.

“It can’t be helped, the four great clans of Immortal Emperor City, apart from the Immortal Fox Clan, the other three clans are fighting fiercely!”

“I’m afraid that this Chance Conference will have a great impact, so pulling people together has become something that must be done!”

“What about Miss Xianghu Shui? You this time?”

Lin Ran didn’t answer, instead he steered the conversation to Immortal Fox Water.

“The Fairy Fox family has no intention of doing so, and of course I myself won’t deliberately try to rope anyone in!”

“It’s fine if everything goes with the flow!”

Immortal Fox Water laughed.

Lin Ran couldn’t help but feel curious at his words and asked.

“Why on earth is that?”

Leng Qian shook her head helplessly at this, and Leng Qiu, who was on the side, suddenly said.

“Are you stupid, don’t you even know the situation before coming to Immortal Emperor City?”

“It’s better for me to tell you!”

Said Leng Qiu, and then he roughly told about it.

It turned out that of the four great clans in the entire Immortal Emperor City, there were only three that really had grudges.

The Immortal Fox family had always stayed out of it.

This had a lot to do with the fact that women had always been in charge of their family!

Although the Immortal Fox family has always claimed that they are looking for a son-in-law.

But once a woman's heart has fallen in love, she doesn't care about that.

This is why over the years, there have often been people in the Xianghu family who have left the family because of love affairs.

So deep down, the Chen and Liu families do not see the Xianghu family as their real rivals.

It was just that all three families were calculating how they could completely annex the Immortal Fox Family so that their own families could grow even stronger.

Even with the Chance Conference, they hadn't thought about how the Immortal Fox Clan would be how!

"Brother Lin Ran, I won't force it, and I count on knowing how your relationship with my cousin is!"

"Tomorrow is the day the Chance Conference starts, there are a few people Brother Lin Ran still needs to be careful about!"

"As for adding or not joining us, I won't force it!"

Leng Qian said.

“Then, thank you very much!”

Lin Ran smiled, to be honest he didn't want to join any forces.

Although joining a force would allow everyone to report to the group for warmth.

But in the end, this Chance Conference was ultimately a personal battle, so there was no guarantee that they would fall back at some point.

Rather than that it would be better to fight alone on your own to avoid being suddenly attacked from behind.

“These two people, one is named Swordlust! One is named Swordlust! Both are disciples of hermit families that Chen Hu has drawn in!”

Leng Qian said.

“This Daggerlust and Swordlust come from the same clan, which is said to be a hermit clan started by a disciple of a powerful sword cultivator back then!”

“These two are both at the peak level of the Extreme Dao Realm and are extremely powerful!”

“Dagger and sword thirsty?”

Lin Ran heard with interest.

He himself was the one who cultivated the sword dao, he just didn't know if his Lancang Sword Technique was powerful or these two were!

“Of course, I also have someone on my side, named Liu Suixin If we run into each other in the Tai Cang Diagram, Brother Lin Ran can report my name!”

Leng Qian said.

Lin Ran nodded at his words.

And while the group was chatting, in the first floor of the Green Pavilion

Chen Hu's as well as Liu Pan's faces were becoming more and more ugly.

"Still not leaving?"

Next to him, Liu Yijian's face was ugly.

"We've all been waiting here for almost half an hour, and it's obvious that people can't see you!"

Liu Yijian said in a cold voice.

The fact that Chen Hu thought so highly of Lin Ran made him more than a little upset!

"It's my business whether I can look at them or not, you can leave first if you feel bored!"

Chen Hu's voice turned a few degrees colder.

He himself was trying to draw Liu Yijian in, but that didn't mean that you could dictate to him.

This was Immortal Emperor City, not within your hidden family.

Chen Hu's attitude had fully explained everything.

“Chen Hu! Do you really think that I, Liu Yijian, have nowhere to go but you?”

Liu Yijian’s face hardened.

“For the sake of a person you’ve never even met, your attitude towards me is ridiculous!”

“Since that’s the case, I’ll show you how unbearable the person you hold in high regard really is!”

Said Liu Yijian as he walked straight to the entrance of the third level and rushed to the man on guard.

“Go up and tell Lin Ran that I, Liu Yijian, want to challenge him! If you’re a man, come out and fight me!”

The other party didn’t say a word and went straight up the stairs at his words.

After only a few moments, the other party came down.

“Lord Lin Ran asked me to ask you how much to pay if you lose!”

“Pay money?”

Liu Yijian was stunned at his words, this guy was too thick-skinned, he actually wanted to count the money when he challenged him!

Damn it!

“Go tell him that if I lose, I’ll give him 100,000 cubes of spirit liquid!”

The other party nodded at his words and quickly went upstairs, coming back a few moments later but Lin Ran still hadn’t come down.

“Prince Lin Ran told me to tell you that it’s at least 500,000 square spirit liquid, otherwise you should leave! Don’t disturb him!”

“Half a million cubes? What a robbery!”

Liu Yijian was furious, but in the end, he said in a cold voice.

“Tell him! I’ll take it, but if he loses he’ll have to pay half a million squares too!

t

Wonder Doctor Chapter 2029

It didn’t take long for Liu Yijian’s words to get up there before Lin Ran came down with the crowd.

Originally, Immortal Fox Water was already ready to leave, but when he heard that Lin Ran was going to fight, he couldn’t help but be interested as well.

Leng Qian was even more interested, he also wanted to see how strong Lin Ran was.

But on the surface, it seemed that Lin Ran was only at the early stage of the Extreme Dao Realm, a strength that was honestly not enough.

Liu Yijian, whom Chen Hu had just roped in, was at least at the peak of the Extreme Dao Realm.

But everything cannot be taken at face value, everyone knows this.

Especially when Lin Ran had come to Immortal Emperor City, that was on a king class void ship, and Leng Qian had also noticed that the two followers next to Lin Ran were both at the hundred thousand eight hundred realm in strength.

These two people alone were enough to raise Lin Ran's status quite a bit.

Not to mention the fact that Lin Ran was also the person that even the Luo Ran Merchant Firm was looking for!

So it was hard for him to say just how strong Lin Ran was.

It was just that he had heard Leng Qiu say that Lin Ran had not tasted a single defeat since she had known him.

"Good boy, count on you having the guts!"

Seeing Lin Ran come out, Liu Yijian couldn't help but reveal his joy.

"Wouldn't it be foolish to have money and not earn it? Where to go for a sparring session!"

Lin Ran didn't say anything and went straight to the point.

"Right here within the Green Pavilion!"

Liu Yijian said.

There was a special place within the Green Pavilion for sparring, somewhat similar to a gladiatorial arena!

Because there were many young people, the Green Pavilion had also set up this place specifically for this purpose.

On weekdays, it was a place where disciples of some of the great clans had their disciples sparring with each other.

When Lin Ran, Liu Yijian and the others arrived here, there were really quite a few people around.

“Please put!”

Liu Yijian smiled at Lin Ran, with an icy coldness in his eyes.

Lin Ran didn’t say anything when he saw this and went straight onto the dueling stage.

The whole stage was almost the size of three basketball courts, which wasn’t that big! The main reason for this was to prevent the two people from not fighting each other because of the size of the court!

Liu Yijian followed him onto the dueling stage.

At this moment, there were two places on the dueling stage that were engaged in a battle!

Once Lin Ran and Liu Yijian went up, there were three places where they were fighting.

There weren’t many people, so many people had noticed this place too.

Not far away, a young man in a black robe was sitting on a chair with a fine wine in front of him.

“Who are those two!?”

Suddenly the youth spoke up and asked.

“Back to your Excellency, these two have just arrived, one is called Lin Ran and the other Liu Yijian!”

“That Liu Yijian is said to be from a hidden family!”

The men next to him were busy returning.

“A hidden family? That’s interesting! Do hidden world families even have a threshold now? Anyone who comes here dares to say he’s from a Hidden World family!”

“What a disgrace to the words Hermit Family!”

There was disdain in the youth’s eyes, and his gaze couldn’t help but glance over Lin Ran’s body.

“On the contrary, this kid, whose strength is only at the early stage of the Extreme Dao Realm, actually dares to fight someone at the peak of the Extreme Dao Realm, it’s really interesting!”

While the youth here was watching, Lin Ran and Liu Yijian on the dueling stage were already exchanging blows.

This Liu Yijian was using a willow sword, and he was wielding it in an erratic manner, which made Lin Ran a bit confused about his opponent’s path at first.

Of course, the suppression of strength was also a factor.

After all, Lin Ran was only at the early stage of the Extreme Dao Realm.

However, when it came to combat power, Lin Ran’s combat power was definitely not inferior to this Liu Yijian.

When the Opportunity Conference was underway, Lin Ran did not want to reveal too many of his cards.

Therefore, he did not use either the Divine Lightning Transformation Secret Technique or the Chaotic Cyclone Power in this encounter.

He was completely using his strength at the early stage of the Extreme Dao Realm and his own sword technique to manoeuvre with his opponent.

Time passed by minute by minute, and soon the two of them exchanged blows for ten minutes.

However, after ten minutes, Liu Yijian was not able to help Lin Ran at all.

One attack after another was easily defeated by Lin Ran's sword technique, and the suppression of his strength was also perfectly avoided by Lin Ran's stance.

At this moment, outside the field.

"Brother Lin Ran's strength is truly extraordinary, Liu Yi Jian's strength suppression is useless!"

Leng Qian exclaimed.

"That's normal, he uses the Liu sword, it's all about technique, the suppression of strength doesn't show much in this!"

"And Lin Ran's stance coupled with his sword technique can just perfectly compensate for this!"

Immortal Fox Waterway.

"Then who do you think will win?"

Leng Qian asked.

“It’s hard to say, neither of them have exercised their base cards, but I think it’s close!”

“This Liu Yijian can’t hold back any longer!”

Immortal Fox Waterway.

Leng Qian nodded in agreement.

One was at the peak of the Extreme Dao Realm of strength and the other was only at the early stage of the Extreme Dao Realm, a small realm difference.

As a result, after fighting for ten minutes without any up and down at all, this situation was naturally acceptable to Lin Ran, but Liu Yijian couldn’t hold back his face.

“Bastard!”

Liu Yijian’s face felt hot, he thought he could defeat Lin Ran with a decisive victory, so that Chen Hu could understand who he had to draw in!

Instead, the fight had ended up forcing him to the brink.

If he lost this fight to Lin Ran, then his name, Liu Yijian, was afraid that he would be completely on fire.

Just ask, if he couldn’t even defeat a person at the early stage of the Extreme Dao Realm, which side of the power would still dare to want him?

On the contrary, Lin Ran would become a hot commodity by then.

With a combat power equivalent to the peak of the Extreme Dao Realm, this was someone who would be very helpful in the Chance Conference!

Even if he was only at the early stage of the Extreme Dao Realm right now, if a certain family power could pull in a relationship to focus on cultivating him, his future achievements would be frightening to think about!

“Let’s end it!”

Liu Yijian was finally unable to hold back.

With a roar his entire body’s aura surged, and instantly the Liu sword in his hand was directly pulled and bent to ninety degrees!

“Go!”

The next moment as he roared, the entire Willow Sword instantly came out of his hand and cut a curve in the air around Lin Ran.

Lin Ran frowned slightly as he saw this and instantly slashed out with the Frost Condensation Sword in his hand.

Numerous sword rays flashed like stars, and in an instant, the entire dueling stage was covered.

“Bang, bang, bang!”

Starlight flashed, and instantly countless tiny sword maces collided with the Liu Sword.

There were too many sword mangles, plus the space was already not large, Liu Jian’s attack was quickly blocked by the sword mangles.

Seeing this scene, both Leng Qian and Immortal Fox Water on the stage could not help but sigh in relief.

At this moment, the black-robed youth sitting at a distance was tapping his fingers on the armrest and laughing.

“This kid has lost!”

“What makes you think so, my lord?”

The men next to him asked busily.

“This brat’s heart has gone haywire, that Lin Ran didn’t even use his bottom card, this Liu Yijian is really a disgrace to the Hidden Family!”

The black-robed youth said helplessly.

And just as his words fell, Lin Ran’s counterattack on the dueling stage had already begun.

He saw his figure flicker violently, and in an instant a sword shadow appeared out of thin air, and the surrounding sky of starry sword mists followed him in an instant, directly attaching themselves to the sword mists.

In an instant the sword mane was like a meteor, slashing towards Liu Yijian.

“Roll.”

Liu Yijian was in a state of disarray, and was busy using his Condensing Frost Sword to resist.

However, the power of Lancang Sword Technique’s second style was not that easy to block.

All that could be heard was a crunching sound.

Immediately afterwards, Liu Yijian's sword was flung out of his hand.

His whole body was also smashed to the ground by the tremendous force, and a trace of blood even came out from the corner of his mouth.

Lin Ran put away his Frost Condensation Sword and stood not far away, looking at Liu Yijian indifferently, then extended his hand and said.

“Pay up!

Wonder Doctor Chapter 2030

“You!”

Liu Yijian's face instantly turned iron blue.

The thing that he least wanted to see had finally happened.

It didn't matter that he had lost this battle, his own trip to the Chance Conference would also be very much affected.

It was obvious that Chen Hu could not be pulling his strings, and what about the other forces? Leng Qian? That guy seems to have gotten together with Lin Ran!

It was not like the Immortal Fox family would be pulling for anyone at all.

The only one left was the Liu family.

But could Liu Pan still look at him?

In this instant, too many thoughts flashed through Chen Hu's mind.

However, at this moment, it was too late to say anything!

Defeat was defeat, and it was useless to think so much.

"Here you go!"

Liu Yijian's face was as gloomy as water, but he still took out a ring and threw it to Lin Ran.

After Lin Ran sent his divine sense in to probe, he found that there were indeed half a million cubes of spirit liquid inside.

Only then did he nod in satisfaction, and immediately turned around and left the dueling platform.

"Brother Lin Ran is awesome!"

As soon as he came down, Leng Qian was busy coming over.

Leng Qiu, who was at the side, even revealed a rare smile and gave Lin Ran a thumbs up.

"I didn't expect that, it's only been so long since I've seen you brat's combat prowess has actually become so strong!"

"Why does a girl's speech taste like that!"

Lin Ran was speechless as he listened.

“What’s wrong with talking? I’ve always been like this, it’s not like it’s the first day you’ve known me!”

Leng Qiu said discontentedly.

“Did you start resenting me after meeting Sister Immortal Fox Water? Scum!”

“I....”

Lin Ran was speechless in a daze.

What do you mean you disliked you after seeing Immortal Fox Water?

I don’t think I’ve ever expressed anything to you from the beginning!

Since he hadn’t even expressed any relationship, how could he dislike you?

Naturally, Lin Ran could not say these words, for such things were just getting darker.

Back in East Flag City, he had always been evasive about this issue.

He knew very well what Leng Qiu thought of himself, but he really had no way to give this nee-san anything.

He knew his own situation best, and his children’s love was really not something he could consider right now.

“Let’s go! We haven’t found a place to live yet!”

Lin Ran was busy digressing from the topic.

Leng Qiu gave him a blank look and didn't say much, this nee-san was also smart enough to know that Lin Ran's attitude towards himself had always been vague.

So she didn't ask much either!

Some things were fine without asking, and everyone could still maintain a certain relationship.

But if we really spoke out, some times we might not even have to be friends anymore!

Leng Qiu was also afraid of this.

Lin Ran and the others prepared to leave, while at the back Chen Hu and Liu Pan looked on with grim faces.

To be honest, they too were very much like befriending Lin Ran, but the situation now was clear that Leng Qian had already gotten his hands on him.

Moreover, because of the Immortal Fox Water, Liu Pan also hated Lin Ran to the core.

The anger in the entire gladiatorial arena became very delicate.

However, just as Lin Ran and the others were about to leave the place.

Suddenly a silhouette but walked in from the side.

She was alone, dressed in all white, with a white veil on her face, so she could not see her face clearly.

But that unique aura was something that Lin Ran recognised at a glance.

Su Sa also saw Lin Ran over here, and smiled with a raised diaphanous eyebrow, her style showing through.

“Holy shit! Excellent!”

Suddenly, the eyes of the black-robed youth sitting on a chair to the side looked a little straight.

“My lord, need me.”

The man next to him was busy saying.

The black-robed youth interrupted him with a wave of his hand.

“No need, how can such a superb product be neglected! I will come personally!”

Saying that, the black-robed youth directly got up and walked over towards Su Sa.

“Hm?”

Seeing a figure suddenly blocking in front of her, Su Sa could not help but frown slightly.

“Miss, may I have a drink with you? My name is Chen Gui!”

The youth smiled.

“Not interested!”

Su Sa’s voice was bland and her attitude was clear.

However, the ghost of Chen didn't listen at all, Su Sa's voice made him feel so happy to hear it.

That voice somehow made him really like it.

"Girl, my name is Tatsuki! Don't you know me?"

The youth said emphatically.

"I don't know! I only know of unjust ghosts and evil spirits! I've never heard of a Tatsu Ghost! Is it the ghost of the hour?"

Su Sa's words began to be nonchalant.

Yet the Tatsuki Ghost was not the least bit angry, but laughed instead.

"It has character and is to my liking!"

Said the youth as he swept his gaze over the surroundings and found that many people were staring at him at this moment, and his heart could not help but feel a little more smug.

"Girl, I am a member of a hermit family, my young master is none other than Dagger and Sword Thirsty!"

"I don't know if this status of mine qualifies me to invite a beautiful girl to share a drink, huh?"

Chen Gui said as his whole body's aura radiated out, as if this Thirsty Blade and Thirsty Sword was him.

Su Sa smiled at his words but laughed.

"Let your master come is more like it, you are not qualified!"

After saying that Su Sa turned around and was about to go to Lin Ran.

This Daggerlust and Swordlust did have some fame in Immortal Emperor City, as they were very strong.

When they first came to Immortal Emperor City, they had even fought with some other hermit family's disciples, and their defeat in one move had also made their fame rocket upwards.

Nowadays, almost no one in the whole Immortal Emperor City didn't know the names of these two people, the Dagger and Sword Thirsty.

"Beauty, don't give up your face, there is a limit to my patience!"

Chen Ghost's voice suddenly turned icy cold.

As a follower of Knife Thirsty and Sword Thirsty, he had his own arrogance.

In his opinion, someone of Su Sa's calibre was perfectly adequate for himself.

However, the other party did not give any face at all.

Lin Ran also stopped in his tracks at this moment and quietly looked at the Tatsuki Ghost.

Next to him, Leng Qian and Immortal Fox Water didn't say anything when they saw this, both wanting to see what Lin Ran was waiting for!

"Get out of the way!"

Su Sa's voice suddenly turned icy cold as well.

“What if I don’t let go?”

Tatsuki had a playful look on his face.

“I say again get out of the way!”

Su Sa’s voice was still icy cold.

“You can! Get out of my arms and I’ll get out of the way!”

The Tatsuki Ghost said and unfolded his two palms in an embrace pose, blocking right in front of Su Sa’s face.

Su Sa’s eyes finally went completely icy cold when she saw this.

Only a cold aura fiercely swept through her eyes.

The next moment the white veil fluttered and a slender jade finger instantly had slapped out.

“Snap!”

Su Sa was extremely fast, and without any reaction from Ghost of Chen, a slap instantly landed directly on his face.

“How dare you fucking hit me!”

Tatsuki touched his cheek and was instantly furious.

“If you don’t get lost, I’ll hit you again believe it or not?”

Su Sa's voice was icy cold and there was no hint of compromise.

"Bitch, give shame! Then I'll have to do it the strong way today!"

Chen Gui roared, and immediately his whole body was like a fierce tiger, pouncing towards Su Sa.

However, Su Sa did not dodge or evade, and shouted from afar.

"Senior sister is being bullied, and you're just watching?"

"Ai!"

Lin Ran sighed helplessly at his words, this was too bad for his own character.

How come everywhere he went, he was in constant trouble!

But Su Sa was his senior sister, so he really couldn't just sit back and do nothing.

Especially since this ninny was also Su Rou's disciple.

With a soft sigh, Lin Ran took a step out and had already reached Su Sa, raising his hand to directly press against the chest of the Chen Ghost.

"Friend, don't look for trouble! Go back!"

"Looking for trouble? So what if I'm fucking looking for trouble? You're nothing!"

When he saw that it was Lin Ran, disdain appeared in Chen Gui's eyes.

He had just watched the battle between Lin Ran and Liu Yijian.

Lin Ran's strength was something he didn't put in his eyes at all.
