

# Chapter 2027– 2028 of A Dish Best Served Cold Novel

## Chapter 2027 is stupid, don't force it

However, the only difference is the prescription from Taima's side.

Two days later, Mark returned to the old house of the Chu family. In addition to cultivating the dragon body with Yu Yun, another purpose was to ask the old lady about the progress.

“Huh?” “No one?” Mark shouted for a long time, but he didn't see anyone respond, and he was immediately puzzled.

Could it be that grandma is not at home?

When Mark was puzzled, he heard a violent coughing sound coming from somewhere.

“Huh?” “Is this, Yu Yun's voice?” Mark followed the prestige, and saw thick smoke billowing in the kitchen.

“Ciao, what is this grandmother doing?” Mark's face turned black at the time, and he rushed in, clutching his nose and mouth, but just happened to collide with the after-rhyme rushing out from the inside.

“What the hell are you doing?” “Why are there so much smoke?” Nephrite is warm and fragrant. If it's someone else, I'm afraid it's already swaying, right?

But Mark didn't respond much, instead pushing Yu Yun away, and asked sharply.

After all, it was not the first time that the two of them had come into contact with each other. They practiced the Dragon God Body on weekdays back to back.

Mark was not surprised by Yu Yun's body.

What he cared more about was the thick smoke in the kitchen.

“Well, I saw that grandma was not there, so I thought about cooking for grandma.”

“But the firewood, I can't light it anyhow, it just smokes.”

Yu Yun seemed to realize that she was in trouble and her tone was weaker than usual a bit.

The original snow-white and delicate pretty face, but at this time it was provoked a lot of dust.

The black look is very funny.

After seeing Yu Yun's behavior, Mark couldn't hold back, he just laughed.

"What are you laughing at?" "You still want to laugh, hurry up and have a look."

"If grandma comes back and see, she will call me."

Yu Yun was almost pissed off by Mark's gloating appearance.

Under Yu Yun's urging, Mark could only go in with the smoke, and soon Mark got everything done.

The thick smoke under the stove was gone and turned into a raging fire.

"How did you do it?" "Why can't I click on it?" Yu Yun asked Mark in surprise and suspiciousness against the face of the cat.

Mark smiled proudly: "This is meticulous, you are stupid, so don't force it."

"You~" Yu Yun Qiao flushed with anger.

This guy actually said she was stupid again.

When he was practicing swordsman, Mark laughed at her stupidly, but now he talks about her again.

Thinking of her noble life, has anyone ever said anything disrespectful to her.

But Mark, the bastard, made fun of her one after another. Does she not shame?

At that time, Yu Yun was so angry that he was about to swing his sword at him.

After getting along for so long, Mark of course knew that Yu Yun was just playing with her sword, so as to maintain her noble self-esteem, and would not really hurt him.

"Well, before cutting me, I advise you to wash your face first."

"It looks black, it looks like a coal."

"After washing, come over and serve food."

Mark smiled happily.

When Yu Yun heard it, she immediately said angrily: "You bastard, why didn't you remind me earlier?" Yu Yun rushed out of the kitchen under shame.

Seeing Yu Yun leaving in a panic, Mark shook his head and smiled, only to feel that silly look was inexplicably cute.

But Mark also knew very well that the lingering rhyme in front of him might not last long.

During this period of cultivation, Mark clearly felt that Yu Yun's strength was rising rapidly.

# Chapter 2028 A Strange Night

She is different from Mark, Yu Yun has a yin and dragon body, and her self-healing ability far exceeds Mark.

Therefore, her injuries will definitely heal before Mark.

When she regained her power, Mark had no doubt that the once cold and majestic woman would appear again!

It is unattainable and daunting.

And no longer like it is now, a little cute silly.

Just as Mark sighed, Yu Yun had changed her clothes and walked back again.

Mark had already cooked the dishes, and let Yu Yun take it to the house first.

“I just tasted it. It may be a little light.”

“If you think it is too light, put some more salt.”

“Salt is in the medicine cabinet by the door, in the drawer on the left, the white bottle is “Remember, the white bottle is not red. Make no mistake.”

“Not a red bottle~” .... Mark’s instructions came from behind.

The salt in the kitchen ran out, but there was still in the medicine cabinet, so Mark let Yu Yun watch to put some salt.

There are a lot of things in the medicine cabinet, many of which are medicines prepared by grandma.

However, the grandmothers are arranged in an orderly manner, and in order to distinguish them, they use different colored containers.

Therefore, there is basically no mistake.

“Okay, I heard it.”

Yu Yun replied angrily.

Isn’t it just putting some salt? As for the reminder over and over.

Is she really that stupid?

“This bastard just looks down on me.”

Yu Yun said to herself angrily.

Soon, the dishes were put on the table.

Moreover, Yu Yun couldn't bear the temptation and quickly took a few bites of chopsticks.

Although it's still delicious, it's a bit weak.

So Yu Yun started looking for salt.

"The cabinet at the door, the drawer on the left, white..."

Red bottle?

"Ok?"

"The red bottle or the white bottle?"

"Guangqi Mark looked down on her just now, and for a while, he couldn't remember whether it was a white bottle or a red bottle. However, it was not difficult to find the after-rhyme. Just open it and taste it. So, Yuyun immediately opened the nearest A small bottle was poured into his hand and licked with his tongue lightly. "Well, it's salty, that's it.

After trying it once, the after-rhyme was determined, and then he sprinkled it on the food and stirred it evenly. After a while, Mark's rice porridge was also ready. The food was ready, but there was no trace of grandma. Yu Yun couldn't wait to eat it, Mark was naturally not allowed, and she almost had to wait for her grandma to come back. Within a few minutes, I saw the old lady come back hurriedly carrying herbs. "Mark, are you back?"

"You eat first, don't wait for me."

"I just got an idea, so I must dispense the prescription quickly."

"The old lady said a few words, but he didn't care about the food, so he went back to the room to prepare the prescription. "All right.

"Mark nodded, and just about to use his chopsticks to eat, he realized that Yu Yun had already eaten like a windstorm. "I'm going, do you have a conscience, just eat meat?"

"Save me some!"

Mark's face turned black at the time, and he quickly picked up his chopsticks and joined the fight with Yu Yun. I don't know why, Mark feels that the food tonight is more fragrant than before. Growing up?

"Mark thought secretly. After eating, Mark felt that the weather was hot and panicked, so he took a shower, then changed into clean clothes, then went to the Yu Yun room as usual, and continued to practice the dragon body "It's strange, how hot is the weather today?"

"Yu Yun, you open the window."

At this moment, Mark had already taken off his shirt, bare shoulders, and sat on the bed with his eyes blindfolded. Sweat dripped from his forehead. Yu Yun hadn't come up yet and just took off his long skirt.

Yu Yun couldn't wait to eat it, and Mark was naturally not allowed. He almost had to wait for grandma to come back.

Within a few minutes, I saw the old lady come back hurriedly carrying the herbal medicine.

"Mark, are you back?" "You have to eat first, don't wait for me."

"I just got an idea, I must dispense the prescription quickly."

The old lady said a few words, and he couldn't take care of the meal. So he went back to the room to configure the prescription.

"Okay, then."

Mark nodded, just about to use his chopsticks to eat, only then did he realize that Yu Yun had already eaten like a windstorm.

"I'm going, do you have a conscience, just eat the meat?" "Save me some!" Mark's face turned black at the time, and he quickly picked up his chopsticks and joined the fight with Yu Yun.

For some reason, Mark felt that the food tonight was more fragrant than before.

"Could it be that his cooking skills have grown again?" Mark thought to himself.

After eating, Mark felt that the weather was hot and panic, so he took a shower, then changed into clean clothes, and then went to the Yu Yun room as usual, and continued to practice the dragon body.

"It's weird, how hot it is today?" "Yu Yun, you open the window."

At this time, Mark had already taken off his shirt and sat on the bed with his naked shoulders and blindfolded eyes, with sweat on his forehead.

And Yu Yun hadn't come up yet, just took off the long skirt.
