

Chapter 2031– 2032 of A Dish Best Served Cold Novel

Chapter 2031

After leaving Yu Yun's room, Mark went crazy, ran to the medicine cabinet, took out a certain medicine with a calming and calming effect, poured a half bottle, and took it by mouth.

The aphrodisiac formulated by Grandma Tai is exclusively for martial artists, and there is no specific antidote.

The medicine Mark is taking now has a clearing effect, but it is not immediate, it can only be said that it can reduce the effect of the medicine.

However, for a person of Mark's strength, it was enough.

At least, relying on reason, now he can completely suppress the desire in his heart.

"I'm going, I'm finally relieved."

Mark suddenly let out a long sigh of relief, and then ran to the yard to wash his face with cold well water, instantly refreshing.

The hot feeling before has also weakened a lot.

However, Mark had just rested for a while, only then did he remember that the situation on Yu Yun's side had not been resolved?

So Mark couldn't take a break anymore, and quickly ran back to Yu Yun's room and took the medicine that had the effect of clearing the heart and less desires.

After a while, the flush on Yu Yunqiao's face also faded by seven points.

The beautiful eyes, which were originally blurred, regained their sense and radiance.

"Are you okay?" At this moment, Mark picked up the dress that Yu Yun had just dropped from the ground, put it on her from behind, and poured another glass of water for Yu Yun.

Stabbing~ However, at this moment, in the room, I saw a flash of cold light.

An icy blue sword light swept past.

In an instant, the white sword peak had already crossed Mark's neck.

"You shameless person, you must die!" In the sorrowful words, there was endless chill.

That intense murderous intent, can't wait to be transformed into substance, slash Mark a thousand swords!

No one can appreciate Yu Yun's current mood.

She kept her innocent body for a lifetime, but tonight, she was buried in the hands of Mark.

Chapter 2032

At first, Mark saw her naked, which made Yu Yun difficult to accept.

It took a long time for Yu Yun to let go of Mark's murderous intent.

But now, Yu Yun never thought that she and Mark would actually...

In the previous scene, Yu Yun dared not think about it anymore.

For a woman, the most precious thing is undoubtedly innocence and fame.

Although Mark was not at fault for the matter tonight.

But it was Mark, who insulted her innocence.

Therefore, it is understandable that she wants to kill Mark.

However, when the sword came in front of him, Yu Yun finally took it away.

She didn't know why. She, who had killed thousands of people without a moment's attention, couldn't kill Mark.

"You go~" "I don't want to see you again."

After Yu Yun finally took the sword away, in the reddish eyes, gleaming and glittering were vaguely visible.

She turned around, not wanting to look at Mark again.

Mark opened his mouth and wanted to say something, but when he reached his mouth, he swallowed it after all.

After that, Mark also left.

With a faint guilt in his heart.

After all, if this kind of thing is spread, it will be a disadvantage for women.

What's more, Mark is also responsible.

At the beginning, he shouldn't have let Yu Yun put salt on it.

However, it is too late to say this now.

Something has happened!

But fortunately, Mark took control at the last moment and didn't make a big mistake.

This is undoubtedly a blessing in misfortune.

After going back, Mark couldn't sleep, and he simply cultivated the dragon god body in the room.

However, to Mark's surprise, he found that his Dragon Divine Body had made tremendous progress compared to yesterday.
