

Chapter 2031: Calm Your Heart And You'll Cool Down

Lu Xingzhi scoffed, "She won't be able to show off anymore. She has already been banned. All her advertisements and performances have been suspended. Her roles have all been changed. Many of her endorsements have also been terminated, even those high-paying ones."

"Sister told me that she had already terminated her contract with Zhou Hailan. She has signed Zhou Hailan's junior sister, a new hot actress who is much more sensible than Zhou Hailan. At least she is a little more likable than Zhou Hailan."

Zhou Hailan's company did not have a falling out with Lu Yuqing because she had signed another of their actresses. It was all about money. The company would still make a lot of money.

Furthermore, Zhou Hailan's reputation had worsened. The management company would freeze her activities even if the government did not ban her. Things would be harder for her when her management company gave up on her. Support our FreeWebNovel.com

"She must have come here because she was desperate. She must have some connections, too, if she could find her way here." Jiang Yao praised her efforts. She must have some skills to be able to find them.

Lu Xingzhi smiled and did not tell Jiang Yao that Zhou Hailan could find her way there because her previous financier knew him. Zhou Hailan knew he was there, so that person must have told her.

He stopped the car in front of their house. Jiang Yao took her things and got out of the car. Even though she knew that Zhou Hailan was waiting for her, Jiang Yao was not prepared to let Lu Xingzhi go out to see her.

She still remembered how Zhou Hailan had bullied Lu Xiaoxiao. After that day's incident, she and Lu Xingzhi did not have time to do anything, but he had asked someone to ban Lu Xiaoxiao. Therefore, they had gone back and forth with that issue. Zhou Hailan dared to go so far, so she must be prepared to face the consequences.

Jindo City had always been a place full of hidden talents. There were many families with officials and wealthy members. Zhou Hailan had merely relied on a man to mingle in the circle. She was arrogant when she became famous. She became conceited and self-righteous.

No one would care how she flaunted her power if she had not bullied Lu

Xiaoxiao. However, she had done just that.

Neither Jiang Yao nor Lu Xingzhi cared about Zhou Hailan. The first thing Jiang Yao did when she entered the house was open the refrigerator. However, just as her hand reached in, Lu Xingzhi grabbed her and dragged her backward. He did not let go until he pulled her out of the kitchen and sat her on the sofa.

"You're not allowed to eat ice."

Jiang Yao wiped the sweat from her forehead and showed it to Lu Xingzhi. "I just want a soda. I'm not eating any ice cream. It's okay. The weather is so hot. I can't stand it if I don't have a cold drink."

"Calm your heart, and your body will cool down. I'll go and cook dinner." Lu

Xingzhi tapped Jiang Yao's nose. "You won't be able to stop once you take a sip."

Jiang Yao almost broke down when she heard that. When Lu Xingzhi was about to enter the kitchen, she tugged at his shirt and said, "Just a small cup?"

...

Lu Xingzhi looked at her pitiful expression and tapped her head again.

Jiang Yao liked to eat ice cream in the summer. She would not be able to control herself. She would always complain about it. Jiang Yao had once eaten three popsicles a day, but it was a one-time thing. After eating it, her stomach suffered that night. However, she did not tell him, so he did not know..

Chapter 2032: I'm Looking For Him

After Lu Xingzhi returned to the kitchen, the first thing he did was to count all the sodas in the fridge. He thought he had to give them all to Zhou Junmin and the other kids to drink the next morning. He could not leave any at home.

He did not even know when Jiang Yao had brought those bottles of soda, nor did he know what she had hidden in her backpack every day.

Jiang Yao did not get to drink an iced soft drink as she had hoped. Lu Xingzhi gave her a plate of fruit, which was better than nothing. Just as she looked at the popsicles with great envy, there was a knock on the door.

Seeing that Lu Xingzhi was about to come out of the kitchen, Jiang Yao said, "Someone is knocking on the door. I'll take a look. It's probably Zhou Junmin." Support our FreeWebNovel.com

Jiang Yao was the closest to Zhou Junmin, so she could only think of him.

So, she was surprised to see Colonel Ye when she opened the door.

Seeing that Lu Xingzhi was about to come out of the kitchen, Jiang Yao said, "Someone is knocking on the door. I'll take a look. It's probably Zhou Junmin." Jiang Yao was the closest to Zhou Junmin, so she could only think of him.

So, she was surprised to see Colonel Ye when she opened the door.

"Colonel Lu is at home too, right? I saw him come home with you just now."

Colonel Ye stood at the door and looked at Jiang Yao, who had opened the door. "I'm looking for Colonel Lu."

Even though she did not like his daughter, Colonel Ye did not do anything to let her down. Colonel Ye was there for Lu Xingzhi, and he was a neighbor, so Jiang Yao politely invited him into their house. Then, she stood in the living room and called out to Lu Xingzhi, "Colonel Ye is looking for you."

Then, she poured a glass of water for Colonel Ye and invited him to eat the fruits on the table.

Lu Xingzhi responded in the kitchen, but he was in no hurry to greet their guest. He waited until the water in the pot was empty before he walked out.

He was dressed very casually and wore a very pink apron.

Colonel Ye knew that Lu Xingzhi doted on his wife, Jiang Yao. He also heard that when Lu Xingzhi returned home, he would wash clothes, cook, and do other chores.

Colonel Ye was a male chauvinist, so he was not used to that scene.

...

When he was young, he was taught that men would be in charge of everything outside their home while the women would take care of their home. Men should not stay in the kitchen all day like women, let alone cook.

“Colonel Lu is really as caring as the rumors say,” Colonel Ye suppressed the shock in his heart and said meaninglessly. It seemed to be a compliment, but there was no meaning to it.

“Colonel Ye, why are you looking for me?”

Lu Xingzhi did not feel that it was inappropriate for his comrades to see him like that. He stood there and spoke to Colonel Ye without even taking off his apron.

The way he looked made it clear that if Colonel Ye had not said he was looking for him, he would not have come out of the kitchen. After talking to Colonel Ye, he would still have to return to the kitchen to cook. To put it more bluntly, he was hinting to Colonel Ye that he did not have that much time to talk to

Captain Ye.

“I’m sorry about what happened with Xueli, but I thought the matter would be over after I sent her back to my hometown.”

Captain Ye’s tone was filled with suppressed anger. “It’s true that Xueli did something wrong, but haven’t you already punished her enough, Colonel Lu? I’ve also punished her. I’ve also expressed in the apology letter that I won’t let her appear in the army base anymore. I’ll marry her off to an honest man in our hometown. Why aren’t you satisfied? Why did you have to go so far?”

How could Colonel Ye not be angry?

As a father, he had apologized to Jiang Yao and Lu Xingzhi on behalf of Ye Xueli, his unfilial daughter. He had even written an apology letter..
