Chapter 2032

Shang Hongmei was shocked.

Then, she covered her cheeks with a pale face.

She is old.

she knows.

She has never had a good life since she was a child, and it has always been very difficult. When she married Chu Hongfa, she was not yet eighteen years old.

When Chu Tiantian was born, she was not yet nineteen years old.

At that time, the conditions were so difficult, and she was in great pain, but recovered very quickly.

But, ever since she married Chu Hongfa, Chu Hongfa has always been idle, but she has to get up early and stay up late, which is extremely hard.

The most beautiful life of her 20 years was actually drained by Chu Hongfa and Chu Tiantian's father and daughter.

Today's Shang Hongmei, if not for Sanford's nourishment, she will be even older.

For more than a year, Sanford has raised her, but she is actually much younger. If you don't tell others, they will think she is thirty-five years old.

However, Shang Hongmei, who has been taking care of for more than a year, was finally taken care of. Having a baby exhausted all her energy.

Day and night on the delivery bed, she removed the weight of the child, the amniotic fluid and all the impurities, and she herself lost five or six pounds. Can she not look old?

Hearing Mother Xu's mourning, Shang Hongmei wanted to find a hole in the ground and burrow into it.

She was trembling and shouted out of inferiority: "Mom...you...you are here."

"Don't call me mom!" Xu's mother was extremely frustrated.

She is not an eventful person, nor is she a picky old woman.

But my son is only in his early thirties this year.

The son is 1.8 meters tall.

In charge of the huge Xu Group.

Although Xu's group is not as big as Fu's group, or even Chu's group, but his son is also an asset owner worth two or three billion.

In Nancheng, what kind of woman can't find a son with such a worth and appearance?

Isn't it because the leg is broken, isn't it because it has been disabled for a few years?

But now, isn't it all over?

What is your son looking for?

Just how...

When Mother Xu first saw Shang Hongmei after giving birth, she really couldn't accept it.

She has no scruples about Shang Hongmei's embarrassment. She has no scruples about the embarrassment of Shang Hongmei. She has just been pulled back from the god of death by the doctor, so she cried bitterly in front of Shang Hongmei's face.

"My God, what the hell did I do? My son suffered so much. In the end, he even... found an old woman, wow..."

Sanford's father patted Xu's mother behind him: "Don't say it, don't say it!"

Mother Xu wiped away her tears embarrassingly: "Well, I'm sorry..."

She didn't even look at Shang Hongmei, she just tilted her head and looked at the little grandson in the stroller.

The three-day-old baby is plump and very rich. It looks like when Sanford was a child, the old couple was happy.

They just play with the baby.

Ignore Shang Hongmei at all.

Shang Hongmei just smiled awkwardly, not knowing what to say.

After the couple had been teasing the child for about ten minutes, Mother Xu looked at Shang Hongmei and said earnestly: "Xiao Shang, look at you, after this year, you will be fifty and my son will only be in his thirties. Years old, my son is handsome and has a big family business.

At that time, even if my son doesn't take the initiative to find other women, those women will stare at my son like headless flies.

Think about it, which man can withstand the temptation outside?

When you are fifty, my son will abandon you again. What will you do then?

Xiao Shang? "

Shang Hongmei looked at Mother Xu with tears on her face: “Mom...”

She wanted to say, please don't drive me away?

I just want to stay by Zeyan's side.

Chapter 2033

He can treat me for years, just treat me for years.

I do not care.

One day he doesn't want me, I will go quietly by myself, I am reluctant to leave him now.

I can not let it go.

However, when Shang Hongmei was about to speak, she suddenly thought of Suzi.

On the day she was about to give birth, at Suzi's house, when Joan's mother asked Suzi to apologize, Shang Hongmei was right in front of her.

She also had the most profound experience of Suzi's unyielding and difficult past.

That's a life-and-death experience.

Even so, Suzi did not bow his head like anyone else, and was too soft.

At that time, Shang Hongmei admired Suzi immensely.

Didn't Suzi also come over with a near-death experience?

good!

Get over it!

Big deal, so what if you die.

Backbone is more important than anything else.

Shang Hongmei suddenly smiled indifferently: “Okay, I have understood what you said!”

She was about to say, “Let’s go, I won’t leave you here.” When Mother Xu spoke again: “Xiao Shang, think about it, give me a call when you think about it, what you want I will give you compensation.”

Shang Hongmei smiled indifferently again: “Okay.”

“Then you have a good rest, you are a sensible woman, you are really good, I... I wish you can find a good partner who can accompany you in the rest of your life. We... .. gone?” Yu Bi, Xu mother and Xu father left together.

After leaving the door of the ward, Father Xu asked, “Are you suitable for this? Will Zeyan blame us? Look at how much that child resembles our Zeyan, what a good child, for the sake of the child. ...”

“Hey...” Mother Xu also sighed: “I’m not entirely for our son, you said that Zeyan is only in her early thirties, but this woman is in her forties. When Zeyan is thirty-seven or eight , she is forty-seven, eighty-fifty.

At that time, if Zeyan dumped her, she would really never find a man again.

At that time, she is a little old lady, what do you ask her to do? “

Father Xu nodded immediately: “That’s what you said, I’m also looking at this woman...why is she so old? When she and Zeyan got married, she wasn’t old, she looked pretty? “

“So! An old woman, saying old, is very fast! We can’t have such a daughter-in-law! If she goes out with me, do I mean this is my daughter-in-law, or is this my sister?”

Father Xu sneered: “I think she looks like your sister!”

“Nonsense!” Mother Xu laughed.

The husband and wife left the obstetrics and gynecology ward chatting and laughing.

Seeing the father-in-law and mother-in-law walking away, Shang Hongmei got out of bed with tears in her eyes, dressed herself weakly, wrapped the child, hugged her in her arms, and went out without hesitation.

She can't stay here long.

Because Sanford was here all the time, and Sanford accompanied them at night. If Sanford came a little longer, their mother and son would not be able to leave.

She should not implicate Sanford.

She loves Sanford.

Sanford is a good man.

She can't delay him.

Let alone make him embarrassed among his parents and daughter-in-law.

Shang Hongmei hugged her son and left the ward of the obstetrics and gynecology department without hesitation. She walked in a hurry, the tears in her eyes were stubborn and refused to flow, and she walked out like this.

When she was about to walk out of the hospital door, Shang Hongmei suddenly bumped into someone.

The man hugged Shang Hongmei and said, "Sister Hongmei, you... what's wrong with you? You've only given birth for three days, you almost died when you gave birth, and your body hasn't recovered yet. , where are you going with the baby?"

What about Big Brother Sanford? "

The man asked Shang Hongmei in a row.

Only then did Shang Hongmei lift her teary eyes to see the person coming.

"Min...Miss Min?" Shang Hongmei shouted with tears.

Rayna was startled, and she immediately asked, “Sister Hongmei, what’s wrong with you?”

Chapter 2034

Shang Hongmei couldn’t stop crying: “Miss Min, let me go, I won’t be able to leave when Zeyan comes.”

Rayna hugged Shang Hongmei very powerfully: “Sister Hongmei! What happened to you! Tell me! I, Rayna, can’t help you with anything else, but I can still do it if I help you out. of!”

She has always been used to bitches.

In addition, she almost lost her life when she saw Shang Hongmei giving birth, so Rayna always felt sorry for Shang Hongmei.

Shang Hongmei shook her head: “Miss Min, don’t ask...”

“Is it because of Sanford’s parents?” Rayna saw Sanford’s parents when he parked the car just now. She didn’t say hello because she didn’t know him well.

But she recognized at a glance that they were Sanford’s parents.

Shang Hongmei didn’t answer, she just cried.

“This bastard!” Rayna opened his mouth and said foul language.

Behind her, the middle-aged lady who was with her frowned and asked, “Rayna, who is this? What happened to make you so angry?”

Rayna immediately smiled embarrassedly.

She forgot.

She brought her future mother-in-law to check her body today.

It is rare for my mother-in-law to come to Nancheng once. This time, my mother-in-law came to Nancheng with Jun Ruian and Kraig. She said she came to Nancheng to play. In fact, Jun Ruian and Rayna are about to get married. As mother-in-law, She was going to visit her daughter-in-law on the spot.

Jun Ruian’s mother’s surname is Zhao.

Her name is Zhao Wenpei.

The Zhao family is not a big family in Kyoto, but Zhao Wenpei and Kraig’s eldest brother are in free love.

The two had studied abroad together, and they were considered intellectuals, very literate and self-disciplined.

She knew that her son Jun Ruian had been talking about a regular girlfriend.

This girlfriend needs to be cultured and uncultured, to be self-cultivation, and she has never even had a serious job.

Only recently I was in the construction company’s urban construction design drawing, and it was also through the relationship of my good friend Suzi.

When Zhao Wenpei was in Kyoto, she often asked Kraig: “Second brother, your nephew and daughter-in-law, how do you look?”

Kraig laughed haha: “Sister-in-law, look at me, do you look like someone who can look after my nephew’s daughter-in-law? My own

emotional life is in a mess, look at me, Shanshan was almost lost by me.

As a second uncle like me, how can I be qualified to manage the love situation of my little nephew.

I can't handle it. “

“Is that nephew's daughter-in-law okay? You should have a general idea!”

Kraig then said: “I understand this! But all Suzi's friends can't be wrong! When I say cleaning, at the very least, Rui An is a very picky person. He still, who has he seen? As long as Rui An You can't go wrong if you choose! Do you know how hard this girl works?

She originally knew nothing about architectural design, but now, she can take charge of herself!

I said sister-in-law, you should be happy! “

What Kraig said was the truth.

He is optimistic about Rayna.

Although the little girl was a little vulgar, she put her hands on her hips again. I get quarreled again, and I like to fight.

But the little girl is simple.

Nothing bad.

The most important point is that Kraig is giving up.

Rayna's little girl has a good relationship with Shanshan. She protects Shanshan like she protects her own sister. Shanshan, who is an aunt, can have Rayna's little girl to protect her. Where do you go? Jing Yu was relieved.

Just because of this, Kraig really wanted Rayna to be his nephew's daughter-in-law.

Therefore, he tried his best to praise in front of his sister-in-law.

However, Kraig revealed a flaw.

She doesn't know anything about architecture, but she is independent by her own efforts. She learned from Suzi at work.

Did she not read?

Chapter 2035

Zhao Wenpei murmured in her heart.

Taking a chance, she followed her son Jun Ruian and uncle Kraig to Nancheng, and said that this hospital in Nancheng had the most comprehensive physical examination, and she wanted to have a physical examination.

And it's about women, so I want my future daughter-in-law to take her for a check-up.

Along the way, I also have contact with my daughter-in-law.

Jun Ruian wanted to stop it, and Kraig also wanted to stop it.

However, Rayna agreed without hesitation without hesitation.

She happily held her future mother-in-law's arm and said, "No problem auntie! I am too familiar with that hospital, where Suzi gave birth, Aunt Shanshan gave birth there, and Brother Zeyan's gave birth there. young married woman.

I'm just going to take care of Sister Hongmei, let's go auntie, I'll take you there now! "

Just like that, Rayna was so happy that she brought her future mother-in-law to this hospital for a checkup.

She could never have imagined that the mother-in-law actually checked her body to see if it was fake, and examined her if it was real.

"Auntie, let me tell you, this is the wife of my good friend Suzi's brother, Sister Hongmei, Sister Hongmei has worked very hard. She was in her 40s to give birth to a child and almost died. She must have met

today. The trouble is, the couple we met outside the door just now are the parents-in-law of Sister Hongmei.

I guess, Sister Hongmei's parents-in-law definitely don't like this daughter-in-law.

Because Sister Hongmei is older than Sanford.

Sister Hongmei's family background is not as good as Sanford!

I just hate them who hate the poor and love the rich! "

Rayna became more and more angry.

She put one arm around Shang Hongmei, and said angrily, "Sister Hongmei, you can't leave, you've only given birth for three days, if you leave like this, you won't be able to go out!

Auntie, auntie, help me hold Sister Hongmei!

Can't let Sister Hongmei go, she has only given birth for three days, and her body is extremely weak!

I'll call Sanford right now. "

Shang Hongmei: "..."

Zhao Wenpei: "..."

Zhao Wenpei was stunned.

Even if she didn't hold Shang Hongmei, Shang Hongmei couldn't get away, because Shang Hongmei was already shaky, and her arm was still being pulled by Rayna.

She couldn't get away at all.

Therefore, Zhao Wenpei simply put her hand up to support Shang Hongmei.

Rayna immediately smiled and said, "Auntie, you are such a good person! No wonder Rui An was born so well! You are a hundred times

better than Sanford's parents, look at me, how can I breathe a sigh of relief for my sister Hongmei!"

Zhao Wenpei: "..."

Her face had turned black, but she didn't have any seizures. She could only watch Rayna splashing in front of the crowd.

Rayna put his hands on his hips and stared at the receiver with anger and wide eyes: "Sanford! Hello, you keep saying how do you love me, Sister Hongmei, but what happened? What have you done!"

At that end, Sanford didn't know what was going on.

He hurriedly asked, "What's wrong, Rayna, I feel it right away."

"Sister Hongmei ran out crying, still holding the child. If I hadn't stopped her, she would have run away! She is so weak, where did you let her go! Sanford, let me tell you! Don't look at me and Hongmei I'm not familiar with her, but Sister Hongmei is a good person! I never see a good woman being bullied!

If you dare to bully Sister Hongmei, I, Rayna, dare to beat you all over the place!

I don't care if you are Suzi's brother!

I can't beat you to death! "

Her appearance with her akimbo on her hips, her teeth clenched, her angry eyes wide open, and her hair standing on end, made those who cried scared to stay away.

Not to mention Zhao Wenpei, Jun Ruian's mother, who has always been pampered.

Zhao Wenpei was speechless.

After a long while, she said coldly, "Rayna! What do you look like!"

Chapter 2036

Rayna shuddered suddenly, then flinched and looked at Zhao Wenpei: “Ah, Auntie...”

She forgot.

She suddenly saw Shang Hongmei being bullied, and she became anxious for a while, but she forgot to maintain her image as a sensible and intellectual lady.

When he heard the future mother-in-law scolding him like this, the mobile phone in Rayna's hand almost fell off.

She closed the line and looked at the future mother-in-law at a loss, not knowing what to say.

At this time, it would be nice if Jun Ruian was here.

But, Jun Ruian is not here.

what to do?

Just at this time, Sanford drove here. He got out of the car and hurriedly came to Rayna Hao Shang Hongmei, and said with great concern, “Hongmei, what's going on?”

Shang Hongmei didn't speak, but tears fell down her cheeks.

Sanford asked Rayna again, "Rayna, what's going on? Hongmei, why is Hongmei crying?"

Rayna immediately said embarrassedly: "Brother Zeyan, you...you take good care of Sister Hongmei, I...I'll accompany my aunt to check her body first, then I'll... .. not with you anymore."

Sanford could see Rayna's embarrassment, confusion and nervousness.

He immediately asked with concern: "Rayna, what's wrong with you? Do you need any help?"

Although Sanford was extremely anxious about his wife. But his good self-cultivation could not allow him to ignore Rayna.

Rayna shook her head awkwardly and looked at her future mother-in-law.

Only then did Sanford see that the lady standing in front of her was familiar. After thinking for a few seconds, he remembered that this was Jun Ruian's mother. He immediately smiled and nodded: "Hello, Auntie."

With such politeness and cultivation, Jun Ruian's mother still admires him very much.

Seeing that Rayna was friends with such a man, she felt a little comfort in her heart, and her expression softened.

She sighed and was about to scold Rayna for a few words, but found that Shang Hongmei, who was in Sanford's arms, suddenly fainted.

"Hongmei! Hongmei!" Sanford suddenly hugged Shang Hongmei.

And Rayna also quickly married the little baby boy in Shang Hongmei's hands.

A few people with quick eyes and quick eyes sent Shang Hongmei to the hospital ward again, and the little unhappiness between Rayna and the future mother-in-law just passed.

Shang Hongmei is weak.

Coupled with the rapid fire attack, he would faint.

While lying on the hospital bed with a hanging bottle, Sanford asked Rayna in detail again.

Rayna has always been a truth-teller: “I don’t know the specifics, Sister Hongmei didn’t tell me, but when I first entered the hospital, I saw Uncle Xu and Aunt Xu, they just left the hospital, I think it was Not with them...”

“Damn!” Sanford slapped himself on the forehead suddenly.

“What’s wrong, Brother Zeyan?” Rayna asked.

“I forgot! I happened to have an important meeting today, and I forgot the time. My parents just came back from abroad. I was going to pick them up. I wanted to send them home first and let them go Hongmei tidy up first and then let them meet.

Hongmei has been very haggard these days, losing dozens of pounds in one day.

The whole person is disfigured.

My dad is alright, but my mom doesn’t really want me to find someone older. Although she didn’t say it, she felt a little awkward.

I think it must be something my mother said that made Hongmei unhappy. “

Rayna pouted, and originally wanted to scolded Sanford with his hips on his back, but because his mother-in-law was here, Rayna didn’t dare.

She just pouted and said dissatisfiedly: “You guys are really not a thing! My sister Hongmei is also a big matchmaker! She is very beautiful! With you, she is not big at all.

With her honesty and her clear eyes, I think she’s younger than you.

But in order to give birth to a child for you, I almost ripped off a layer of her skin.

More than a layer of skin.

It's just that the god of death has turned around in a circle.

You say she is so weak, can she not look old?

Now so weak, wait for the confinement to raise one. Feel better, get a little fatter, and you will be beautiful again!

Aunt Xu and Uncle Xu are good..."

Chapter 2037

After some words, Rayna has already found the most polite one.

She felt that with such a level of speaking, she should be able to get into the eyes of her mother-in-law, right?

As a result, Rayna accidentally glanced at the future mother-in-law, but the mother-in-law didn't even look at her, she just lowered her head and chatted with someone on her mobile phone.

Rayna's heart twitched again.

I was confused, wondering what my mother-in-law would say to her?

But this time it doesn't matter.

The main thing is to deal with Sister Hongmei first.

Shang Hongmei woke up two hours later. The doctor said there was nothing serious, but she should pay more attention to rest and nutrition.

At this time, Xu's father and Xu's mother were called over by Sanford again.

Xu's mother is more candid: "I'm telling the truth, as soon as I saw Hongmei like this, I really couldn't accept it, but I didn't have any ill intentions, I just thought, if it's ten years later, My son doesn't want red plums anymore, won't it be red plums that will suffer at that time?"

Sanford said decisively: "I will never marry a second daughter in this life, even if Hongmei has white hair, I want her! Mom, do you know?"

My most decadent time, the most difficult time, in those years I thought I was useless.

I even thought about suicide.

But when I met Hongmei, she was the only one who understood me the most, my loneliness and my despair!

She is my confidant for life!

Is my dearest relative, my lover!

mom!

Without red plum, I am not happy! "

Mother Xu also burst into tears: "Son, mother is all for your own good, don't worry my son, as long as you are good to Hongmei, mother will be good to your daughter-in-law in the future. Don't worry.

Mom apologized to Hongmei. "

Mother Xu is an open-minded person.

She immediately said sincerely to Shang Hongmei: "Hongmei, my mother is sorry for you, please forgive my mother and give my mother a chance, okay?"

Shang Hongmei immediately said, "Okay mom, okay!"

This storm just passed.

The Xu family was very happy.

Rayna also looked very happy. When the matter of the Xu family was settled, Rayna turned around and found out, where is his future mother-in-law?

Where did the mother-in-law go?

“Auntie, auntie?” Rayna shouted.

No one answered.

She took out her mobile phone and called Zhao Wenpei again, but the answer was quick: “Rayna!”

Rayna was trembling: “Auntie... I’m sorry...”

Zhao Wenpei said, “Rayna, I have something to do here, I’ll go back first!”

Rayna: “Oh... good auntie.”

She went back gloomily.

When going to work the next day, Suzi asked her, “How was your time with your mother-in-law yesterday?”

Rayna said worriedly: “Suzi, is my mother-in-law easy to get along with?”

Suzi shook his head: “I don’t know, you have to ask Sister Shan about this.”

“I don’t know when my aunt Shanshan will come?” Rayna asked nervously.

“Three days later, Sister Shan will come to Nancheng.” Suzi said.

Three days passed quickly, when Dalia just arrived at the villa in the middle of the mountain in Nancheng, she saw Rayna waiting at the door of the villa with her head slumped.

“Rayna, why are you here?” Dalia smiled.

Rayna frowned: “Auntie, I...my future mother-in-law may not have much interest in me, I...if I marry into Jun’s family, will I... ..”

“It’s okay! No one dares to bully us now! Because of your aunt, I now have a bodyguard!” Dalia laughed immediately.

Chapter 2038

Rayna immediately said with relief: “Auntie, my second uncle not only entrusted you with all the financial power, but now he even has a bodyguard for you.

Aunt, I suspect that my second uncle found you a bodyguard not to protect you, but to watch you not be kidnapped by other men.

You see you are getting prettier now. “

Rayna was always open-mouthed.

Her low self-esteem and helplessness have always been in front of people she is afraid of.

As for the second aunt, Rayna was not afraid at all. So, it's very easy to speak.

Dalia gouged out Rayna angrily and said, “You bastard! You can only be aggressive in front of a few of us who are familiar!

Change to someone you are not familiar with, and you will be scared immediately! “

Rayna: “Hehe, second aunt... Then who is your bodyguard?”

Dalia looked back at the woman who was carrying things out of the car, and shouted, “Yingzi.”

At the other end, Yingzi happened to take down the large suitcase in the trunk. She dragged the suitcase over and called gently, “Sister Shan.”

Dalia smiled and said, “Yingzi, let me introduce you, this is my niece Rayna, we all call her Rayna.”

Yingzi looked at Rayna with a faint smile: “Miss Min, hello.”

She was polite, with a little restraint on her face.

Rayna can also see that Yingzi is also a little inferior.

Rayna immediately felt a familiar sense of intimacy as if he had found his own kind: “You, you are the heroic figure?”

Yingzi nodded shyly: “Yes, Miss Min.”

“Hi!” Rayna immediately became active: “No...don’t call me Miss Min, they all call me Rayna, and sometimes call me a little b!tch, I’m a bit of a b!tch, but I have a good heart. But... in front of you, I don’t dare to show saucy.

Hehe, my pungency can only deal with women like Elma.

If I’m being rude in front of you, I’m not going to be beaten all over the floor looking for teeth? “

Yingzi: “...”

In contrast, Yingzi is more restrained.

Although Rayna also has low self-esteem and sometimes does not choose to say anything, but she has Jun Ruian to love her, Suzi to protect her, and aunts like Dalia to protect her. Rayna’s situation is better than that of a heroic one. much better.

Yingzi envy Rayna: “You, you are so happy.”

Rayna: “Hehehe...”

Dalia saw Yingzi's loneliness, she hugged her son Jun Ruiqi, patted Yingzi and said, "You will get better soon, and when you're bored, you can play with Rayna, Rayna still has a Friends, you can all go shopping together, don't be restrained, tell me what you need, what you need, you know?"

Taking care of Yingzi was the task that Suzi entrusted to Dalia.

Although Yingzi is older than Suzi, the woman in her early thirties is extremely simple in other aspects, except for the ruthlessness of fighting and killing.

The only love, but it was cruelly abandoned when it was just budding.

In fact, Yingzi's heart has not been given up until now.

In just three days of love, Yingzi felt that this love could keep her alone for a lifetime.

Yingzi followed Kraig back to Kyoto. Kraig and Dalia arranged a place for her, and also arranged a house near Yingzi's hometown for Yingzi.

I originally thought that Yingzi could live like this, but I never thought that after Yingzi retrieved her mother's remains for burial, she went abroad to take back the inheritance that Pan Haoyang once told her, and Yingzi would have committed suicide. idea.

If it wasn't for that day, Kraig and Dalia hadn't seen Yingzi for several days. They wanted to see how her life was and if she was still missing anything, they just went to Yingzi. If they came half an hour later, maybe Yingzi would be gone. dead.

She turned on the gas, and was dying alone in the house.

After Dalia and Kraig rescued Yingzi, they did not let Yingzi return to her residence.

Instead, he has always followed Dalia and Kraig.

Every day I spend time with their family of three, and occasionally when Dalia goes shopping, she also wears a heroic figure.

After a long time, Yingzi's mood has improved a lot.

However, there was still a sad look on his face.

Many times, Dalia opened her heart to talk with Yingzi, but Yingzi didn't talk about it at first, but she gradually became familiar with Dalia, and when she was more dependent on Dalia, Yingzi threw herself into Dalia's arms, and cried and said, "Sister Shan. , I...I think Pan Haoyang..."

Chapter 2039

Dalia: "..."

She had never seen Pan Haoyang, but she heard Suzi and Arron mention it.

I also saw with my own eyes that Arron was depressed for a long time thinking he lost his twin brother.

However, Dalia never thought that Yingzi would miss Pan Haoyang so much.

She didn't know how to comfort Yingzi.

But Yingzi cried and told the whole story: "It's been more than ten years since my mother died, and I'm no longer uncomfortable, and my brother, I know that my brother has never wanted to live, he just wanted to send me back to China, Let me get married and have children and live the life of a normal woman.

My brother and I only have affection.

I also know that my brother will die sooner or later.

I...I have never been in a relationship in my life, but I fell in love with Pan Haoyang.

Miss Shan.....

Do you know the taste of that kind of love?

I want to have a baby for him, I want to live with him, and I think as long as I am with him, no matter how much wind and rain I experience in the future, I will not be afraid.

I'm not alone anymore.

But Pan Haoyang is dead...

Pan Haoyang is dead.

Sister Shan, what's the point of letting me live alone in this world? "

When she heard Yingzi say this, Dalia couldn't help crying.

She understands that kind of emotion, but Yingzi can't see hope, and Pan Haoyang is all her hope, all beauty, her everything.

However, Pan Haoyang died.

Dalia especially understood.

However, in understanding, people have to live, right?

She put her arms around Yingzi, patted Yingzi's back and told her: "Yingzi, elder sister tells you, elder sister also had a lover who was beaten to death on the spot right under elder sister's eyes. At that time, elder sister was also in pain and despair, but, Isn't it still alive?"

In the future, maybe you will encounter better ones.

Before you met me, you regarded me as your sister and Jun Ruiqi as your little nephew.

Your brother-in-law is your brother-in-law.

And Suzi.

Think about Suzi, how good is she to you?

If it wasn't for Suzi's arrangement, how could Jing Yu and I bring you back to Kyoto, and how could it be possible for you to bury your brother and your mother?

For Suzi, you have to live well!

Understand! "

Yingzi is not a stupid girl.

She understood all the words. The moment Kraig and Dalia rescued her, she thought that she could not commit suicide, otherwise she would be very sorry for Suzi and Kraig.

From that day on, Yingzi took the initiative to say to Dalia: “Sister Shan, I know that it is very difficult for you, Mr. Jun, in Kyoto, how many people are jealous of you, I know in my heart, sister Shan, don’t worry, I will will protect you.

With me by your side, I see who dares to touch you! “

Since then, Yingzi has become Dalia and Jun Ruiqi’s personal bodyguard.

Dalia also treats Yingzi as her own sister, and takes Yingzi with her wherever she goes.

“Rayna, when you put us at home, you can take Yingzi to play, go around the major shopping malls in Nancheng, and buy more beautiful clothes.” Dalia instructed Rayna.

“Okay!” Rayna agreed immediately.

After a pause, she asked Yingzi, “Yingzi, is there any place you want to go?”

Yingzi asked, “Can I go see someone?”

Chapter 2040

Rayna glanced at Dalia.

Both of them were bright.

Yingzi has no friends. If she can find a friend in this world, Dalia will certainly be happier.

Rayna was also happy for Yingzi.

Although she saw Yingzi for the first time, she had heard of Yingzi long ago from Suzi.

Yingzi, like her, has no culture and has suffered since childhood, so Rayna has a feeling of being connected with Yingzi and cherishing each other.

She asked in surprise: "You can meet anyone you want, you can, I am familiar with Nancheng, if you want to meet an old friend, I will take you there!"

"Yes, Yingzi, Rayna can take you there with anyone you meet."

"By the way, I also have a friend named Galia, that little girl is very enthusiastic about movies, and she is a talker. When the time comes, we will take you there together. When we meet your friend, we will bring your friend together. The four of us one can still

Let's get together as a card game. "

Rayna said that Galia was a talkative, and said very talkatively: "I tell you Yingzi, I have nothing in common with Sister Shan and Suzi right now. Do you know why? "

She said with rapturous eyebrows.

She completely forgot that she came here today to wait for Dalia to ask Dalia how to deal with her mother-in-law.

She even forgot that Yingzi wanted to meet someone.

See who, she hasn't asked yet.

She only happily complained to Yingzi: "Sister Shan and Suzi are both people who want to take care of the baby. Sister Shan's baby is one month old, and Suzi's baby is ten months old. The topic they talked about together was, what? Diapers, why eat some milk powder?"

What child eats hands now?

Various, hey...

I was really confused.

And you know, when they talk, I can't stop talking, I have to hold their baby!

It is said that after I have agreed with Galia, we will completely draw a clear line with Sister Shan and Suzi! "

Yingzi: "..."

She really thought that the little shrew in front of her with her waist on her shoulders could say so much.

Even Yingzi herself forgot who she was going to meet.

She just thought how could this little b!tch say that?

Still, she liked to hear it.

She felt that Rayna was really easy to get along with.

Just as Rayna was foaming at the mouth, another car stopped behind him.

The people who got out of the car put their hands on their hips all the way: "You little b!tch! What are you talking about me badly!"

Rayna was dumbfounded: "Ah? Uh..."

Looking back at Galia, Rayna suddenly smiled: "Galia, Galia, come here! I'll introduce you to a new friend! It's my aunt's bodyguard. Oh, you've heard of it, it's Yingzi."

Galia looked at Yingzi with a smile on her face.

Yingzi also looked at Galia.

Galia is a little more delicate than Rayna, looks more foreign than Rayna, and looks more like a sweetheart than Rayna.

But it was strange, Yingzi could feel it, when Rayna saw Galia, he was like a pug, obedient and obedient.

The two really have a kind of indescribable, one thing falls another.

Ha ha!

really interesting.

A smile appeared on Yingzi's face.

"Yingzi, my name is Galia! Nice to meet you! I heard from Suzi that you took care of Suzi when he was on the island, thank you." Galia said gently.

"No, Suzi takes care of me a lot. In general, Suzi takes care of me. Hello, Miss Yan." Yingzi shouted slightly restrained.

"Just call me Galia." Galia said generously.

"Galia." Yingzi shouted.

Galia looked at Rayna again: "Her name is Rayna, her nickname is Rayna, she is my best friend, and she will be my sister-in-law in the future, I tell you, don't look at this little shrew's vicious clothes. , speak with akimbo.

Chapter 2041

In fact, she didn't care.

Stupid little girl. "

Rayna: "Hee hee..."

Yingzi suddenly smiled: “Hehe...”

This is a rare sight for Dalia, and the heroic figure is smiling.

Dalia, who was holding Jun Ruiqi, and Suzi, who was holding Fu Liuyi, looked at each other and smiled.

At this time, another small thing ran out of the car.

Shen Weiyi child held a big unicorn in his hand, and came out tiredly: “Hey, I said I won’t hold this unicorn, my mother has to let me hold it.

please!

I’m the only one who is a big girl in the first grade of elementary school, okay?

I don’t want to play this unicorn at all! “

The unicorn that Shen’s only little friend is holding is as tall as hers.

So when she walked, she couldn’t see the front, and she didn’t see Rayna and Yingzi.

Dalia asked Shen Weiyi in a slightly teasing tone: “Yiyi, since you don’t like this unicorn toy, why are you still holding her?”

Shen Weiyi sighed: “Hey, it’s not my brother. He likes to laugh when he sees this unicorn, and he is very happy, so I hugged him.”

Suzi looked at Dalia and said in a low voice, “This sister in our family is simply a brother-protecting madman, just because Er Bao laughed when she saw this unicorn, she had to come over with this unicorn in her arms. , hey, it’s gone.”

As soon as Suzi finished speaking, the child Fu Liuyi who was in his arms struggled to break free, shouting indistinctly, “Sister, elder sister...”

The nine-month-old Fu Liuyi can already pronounce some simple syllables.

I heard Fu Liuyi shout ‘sister’

Ten-month-old Jun Ruiqi also shouted, "Sister, sister..."

Two nine-month-old, ten-month-old children, you say, I say.

They all wanted to break free from their mother's arms and went to find Shen Weiyi.

Seeing such a situation, Galia, Rayna, and Yingzi couldn't help but shrug their shoulders and smile helplessly.

In that smile, it was clearly a happy, envious expression.

"Bidu is standing outside the courtyard gate, go ahead and talk. It's windy outside, and the child is afraid of the wind." Dalia said.

A group of talents entered the room mightily.

As soon as the adults sat on the sofa, the two little cubs started crawling on the carpet.

See who can climb faster!

Shen Weiyi, who was almost eight years old, saw her two younger brothers crawling on the ground, and she even had to crawl away.

The laughter and noise of the three children almost shattered Kraig's mid-level villa.

"How many teeth has Ruiqi grown?" Seeing the children crawling away, Suzi asked.

"Four pieces, what about yours?" Dalia asked.

"Two." Suzi smiled.

"How much food are you eating now?"

Dalia said with experience: "It's an egg yolk, but you have to give him water to dissolve, or he will panic when he eats it."

Suzi also smiled: "I was just about to tell you this method. When I was the only child, I gave her egg yolks, steamed pumpkin, potatoes, etc., all of which can be eaten by her."

“Well, alright, I took note.”

“Hey! Are you finished? Talking about your children, ignore the three of us, okay? Humph! Look at me stealing all these three cubs sooner or later!” Rayna was very dissatisfied on the side. said.

Only then did Dalia and Suzi see the three confused little girls on the opposite sofa who couldn't speak at all.

The two laughed rudely.

After laughing, Dalia remembered and asked: “Hey, Yingzi didn't say, let Rayna take her to see a friend? You...why haven't you gone yet?”

Rayna also remembered it, and she immediately asked Yingzi: “Yes, Yingzi, do you know where the friend you want to meet is at her house? Galia and I will drive you to meet your friend.”

Yingzi's originally warm face suddenly dimmed: “I want to meet...Pan Mingsai.”
