

Chapter 2033: A Tooth For A Tooth

He had also sent his daughter, Ye Xueli, back to their hometown. He had arranged for Ye Xueli to stay there so that Jiang Yao and Lu Xingzhi would never see her again.

He thought that the matter would end there.

He did not expect that news of Ye Xueli's actions would spread in their hometown even before her arrival.

Once Ye Xueli returned to her hometown, others criticized and ridiculed her. Even her family members were bullied and humiliated. Colonel Ye's plan of finding a good husband for Ye Xueli in his hometown had also failed. Ye Xueli's reputation had been destroyed; who would want to marry her?

Ye Xueli had been a teacher in the city, so Colonel Ye had hoped that his connections would be able to find her a teaching job in their hometown. He also relied on his connections to change the information in Ye Xueli's file. That was why Ye Xueli was not worried about finding a new job there.

However, all of those plans had fallen through.

Even though he could still use his connections to get Ye Xueli a teaching job, it seemed like all her new colleagues would know that she had been fired from a school in Luo City due to her questionable morals. She could work there, but no students or parents would listen to her. Support our B0nn0vel.c0m

"Colonel Lu, Xueli is just a woman. Isn't it cruel to ruin her like that? Isn't this a little harsh?" Colonel Ye's expression was a little cold.

Jiang Yao glanced at Lu Xingzhi in surprise. She did not say anything and just stood there as if it had nothing to do with her.

Lu Xingzhi did everything for her. She could not blame him for doing the right thing or the wrong thing for any of the outsiders.

After Lu Xingzhi heard what Colonel Ye said, he only raised his eyebrows and snorted. "I don't understand you, Colonel Ye. The chief did ask Ye Xueli to write an apology letter, but did she write it? You were the one who wrote it, Colonel Ye. I did agree when you said that the matter would end there."

Lu Xingzhi put his hands in the pockets of his apron, looking like a family man.

He did not look fierce at all. Instead, he seemed to be easier to get along with than ever.

"But how can I control what others say? Ye Xueli had dared to do what she had done, so why would she be afraid of what others say about it? How can I control what other people say about it?" Lu Xingzhi would not admit what he had done.

Everyone knew that he was the one who had done that. So what? If he did not admit it, who could do anything to him?

...

A tooth for a tooth—who did not know that?

He used the method Ye Xueli used to hurt his wife and son to return the favor.

“Colonel Lu, let’s not beat around the bush. You must have done it; no one else would do that.” Colonel Ye was a little anxious with anger. If Lu Xingzhi did not admit it, it meant that Lu Xingzhi would not back down just because he was there to discuss it.

“If you say I did it, then I did it. Ye Xueli made up those words to hurt my wife and son.” Lu Xingzhi chuckled a little coldly. “Even my wife and son can endure those humiliations. Why can’t Ye Xueli take it? Is she more precious than my wife and child?”

“Lu Xingzhi! You have to be lenient when doing things so we can still work together in the future. Do you need me to teach you that?” Colonel Ye could only use threats when he saw Lu Xingzhi’s stubborn look. “I’ve been in this unit longer than you.. My connections in Luo City aren’t worse than yours!”

Chapter 2034: I’m So Angry

“Is that so? You can do whatever you want, Colonel Ye. I won’t forget your threat today. Don’t forget; you still have two sons.” Lu Xingzhi had never been afraid of anyone, not even Colonel Ye. He thought nothing of the man.

Colonel Ye did not even have the right to work with him, so how could he threaten him?

He had been there for almost half a year. Did he really think that Lu Xingzhi was the kind of person who would bury his head if he had a problem?

Colonel Ye had stayed in the army base and the city longer than he did. However, time was of the essence in terms of power and wealth. [Support our FreeWebNovel.com](http://FreeWebNovel.com)

“One has to know what they can and cannot do,” Jiang Yao said softly. “Ye Xueli used words as a weapon. She is more brutal and vicious than anyone else. She shall reap what she sows. When she does something wrong, there is no reason the victim can’t retaliate.”

After Jiang Yao finished speaking, she gestured to Colonel Ye to leave. “Even though our five families are neighbors, I don’t think we can become good neighbors. In the future, we shouldn’t visit each other when we have nothing better to do so we won’t hate each other.’

Colonel Ye thought Lu Xingzhi was arrogant for someone so young. He did not expect Lu Xingzhi’s wife, Jiang Yao, to be even more arrogant. She told him to leave after saying such shameless words.

Those two were both young and fearless. They were also arrogant.

However, Lu Xingzhi could not fight something like that. It was like what happened with Ye Xueli. If it were not for Ye Xueli’s bad luck that she was seen by others and was later frightened into admitting it, no one could do anything about that.

No military leader could do anything for Lu Xingzhi. Who could say anything else if Ye Xueli did not admit to anything?

Colonel Ye was also furious when he thought of Lu Xingzhi’s threat.

Even though he was furious and wanted to do something to Lu Xingzhi, he backed off due to the other man's threat.

He was not a child. He had two sons.

He did not have the right to fight with Lu Xingzhi.

There was a huge gap in their statuses anyway. They were both colonels, but so what?

One was young and promising, with power and influence.

...

The other was an old man who would retire soon.

What could he use to fight with Lu Xingzhi?

Was he throwing his future away?

Lu Xingzhi did not mind losing, but could Colonel Ye afford to lose?

He still had to support his family, and Lu Xingzhi did not have any worries at all.

Lu Xingzhi did not wait for Colonel Ye to walk out of the courtyard before he went and hugged Jiang Yao.

"Are you angry?"

"I'm so angry."

Jiang Yao nodded and snorted, "If I were Ye Xueli's father, under such circumstances, I would choose to drag that evil daughter to the victim to apologize and beg for forgiveness. He's a good person. If Ye Xueli doesn't apologize, he will take the blame."

There was no reason for the person who had done something wrong to be so proud.

Amazing. If she was so powerful, why did she not go to heaven?

If she were just as vicious as Ye Xueli, she would have driven Ye Xueli crazy and crippled her. Jiang Yao would be fine as long as she did not kill her. No one would suspect her if she drove Ye Xueli crazy or crippled her..
