

## Chapter 2035: She's Kneeling

Lu Xingzhi had only let Ye Xueli taste what she had done to Jiang Yao, and Ye Xueli felt attacked?

If she was so precious, why did she not get a palace and be the princess?

After the encounter with Colonel Ye, Jiang Yao felt as if she had vented her anger. She felt great, so she ate more during dinner.

She ate so much that she felt stuffed.

Jiang Yao felt so bloated that Lu Xingzhi brought her for a walk after he had done the dishes.

After a while, they met Zhou Junmin and his parents, who were also out for a walk. Support our FreeWebNovel.com

"Dad, Mom, this is Colonel Lu. You've met him before. And this is Colonel Lu's wife. Her name is Jiang Yao, and she's a doctor." Zhou Junmin was happy when he saw the two of them. After introducing them to his parents, he teased Jiang Yao, "Mrs. Lu, what delicious food did the Colonel make tonight that made you eat so much?"

It was like they were in Jin City's army base. Lu Xingzhi always brought Jiang Yao for a walk whenever she ate too much.

Jiang Yao rolled her eyes at Zhou Junmin when he exposed her in front of the elders. Then, she greeted the two elderly people, "Uncle, Auntie."

"This kid's words are not pleasing at all. No wonder he hasn't found a partner yet." Mrs. Zhou raised her hand and tapped Zhou Junmin on the forehead. "Can't a couple come out for a walk after dinner? Look at you. This is why no one wants you. You don't even know how a relationship works."

After scolding Zhou Junmin, Mrs. Zhou smiled at Jiang Yao, "This kid has thick skin. Don't let him make fun of you. There's no use in scolding and glaring at him. Just let your husband beat him up. He'll be obedient then."

"Auntie, you're too funny."

Jiang Yao grinned. Mrs. Zhou's words surprised her. With such a mother, it was no wonder Zhou Junmin had such a personality.

"This Zhou Junmin is too stupid. You are his leader's wife, but he doesn't even know how to use words that sound more pleasing to your ears so that maybe you can help him get him a wife." Mrs. Zhou's personality had always been like that. She knew Jiang Yao; she remembered how she had helped Zhou Junmin when he was in the hospital. Even though she did not say it out loud, it did not mean she did not remember it.

"Mrs. Lu can't do that, Mom. If you want a daughter-in-law, you'd just have to wait for me to find one." Zhou Junmin laughed. Then he said, "Mrs. Lu, guess who I saw at the base entrance just now? It's Zhou Hailan! She's a big star! Why is she standing at our entrance?"

That was such a strange coincidence.

...

Just as Zhou Junmin mentioned Zhou Hailan, a young soldier ran toward them in a hurry.

“Colonel Lu, I’ve finally found you! Please hurry and follow me to the entrance. That woman is crazy. She’s kneeling at the entrance in the middle of the night and saying she wants to see you!”

“You can’t be talking about Zhou Hailan, right?” Zhou Junmin was shocked. “Why is she looking for Colonel Lu?”

“It’s that famous celebrity. I think her name is Zhou something. She has been waiting outside for quite a while today. She arrived just as Colonel Lu went out to pick up Mrs. Lu. Then, she waited outside. She had been standing. Now, she’s kneeling on the ground. She said that she wouldn’t get up until she saw Colonel Lu. She would kneel until Colonel Lu went to meet her..”

The soldier measured Colonel Lu’s and his wife’s faces while he spoke. Outside, everyone was speculating about the big star’s relationship with Colonel Lu. She was kneeling at the entrance, requesting Colonel Lu by name.

“She went all out.”

Jiang Yao was so shocked that her jaw almost dropped. She did not guess that the arrogant Zhou Hailan would kneel at the entrance.

“Colonel, why is that woman looking for you?” Zhou Junmin asked. “Zhou Hailan is also from Jindo City, right?”

At the mention of Jindo City, Zhou Junmin looked at Lu Xingzhi with a face full of fear. “Oh, Colonel, you didn’t betray your wife, did you? Zhou Hailan is not your old lover, right? You abandoned her, so she came here looking for you! I didn’t expect you to be such a person. Mrs. Lu, don’t worry. I will stand on your side.”

“Idiot.”

Mrs. Zhou face-palmed and then glanced at her son. [Support our FreeWebNovel.com](http://FreeWebNovel.com)

The other soldier repeatedly wiped the cold sweat off his forehead. Zhou Junmin was too straightforward, but he had said what many people had guessed in their hearts.

The folks at the entrance were speculating if Colonel Lu had gotten into a love triangle in Jindo City and then pursued by the woman. Colonel Lu used to live in Jindo City, after all.

Colonel Lu’s wife had also previously attended a Nanjiang City university. That couple had lived separately, and Colonel Lu was a healthy man. He had power, money, and a handsome face that women liked, so it was normal for him to take advantage of his wife’s absence.

Colonel Lu might have lavished so much attention on his wife because he felt sorry for her.

However, they did not dare say a single word about that speculation. Previously, after Jiang Yao asked for an apology letter, everyone in the army had kept their mouths shut. No one dared to say anything stupid anymore.

However, just because no one dared to say it did not mean they did not think about it. They simply did not discuss that matter with their family and friends.

However, Lu Xingzhi's close friend had dared to ask that.

How could Zhou Junmin not know why the soldier observed Lu Xingzhi's expression? It was so simple. He could guess it correctly. That was why he deliberately said it out loud.

"Your mother was right to scold you."

...

Mr. Zhou nodded; his hands were behind his back. "What kind of person is

Colonel Lu? When he was in Jin City, he was always thinking about his wife. Did Mrs. Lu also go to Jin City to see him every few days? They have a good relationship. What does that have to do with that woman?

"That's right. Your colonel and his wife have a good relationship. Colonel Lu is in the army all the time. And he can't wait to stick by his wife's side every day. When would he have the time to pay attention to other women?" Mrs. Zhou poked her son's forehead. "That's why I said you're stupid. I am not wrong at all.

Jiang Yao's lips curved as she watched from the side. Zhou Junmin's face was bitter, but he did not dare to talk back. He reached out to touch his forehead. His mother had poked him a few times, and he made a plea for help to Jiang

Yao.

Jiang Yao might not have recovered from the shock, but she understood later that Zhou Junmin and his parents were just putting on a show for others. She looked at the soldier, who looked as if he had finally understood the matter..
