Chapter 2042

Pan Mingsai?

Everyone was startled.

Unexpectedly, the person Yingzi was looking for was Pan Mingsai.

“You...Are you looking for Pan Mingsai, Yingzi?” Dalia knew Yingzi's thoughts, and she could never forget Pan Haoyang.

Yingzi lowered her head and said in a dull tone, “I went abroad some time ago and got back some of Haoyang's relics. Haoyang saved a sum of money for Pan Mingsai in his foreign account.

Said yes, for her to go to college.

He... doesn't want Pan Mingsai to go to college with anyone's money.
“

Dalia and Suzi looked at each other and felt very emotional.

This girl, Yingzi, despite her appearance of being ruthless and cold, her heart is still quite soft.

Also kind.

At least she is not a girl who sees money.

Dalia smiled and said, "Well, let's go to Yingzi, you and Mingsai will often interact with each other in the future."

Maybe this way, the two of them can hug each other for warmth.

What Yingzi lost was a lover.

What Mingsai lost was a family member.

The two remember the same person, and they will definitely be able to warm each other.

"Yeah." Yingzi nodded.

Rayna immediately said: "It's not difficult! Mingsai is studying medical college in Nancheng. Galia and I can take you to see her now. The little girl is honest and responsible. You will definitely like it when you meet her."

Yingzi immediately smiled: "Okay."

"Then let's go now?" Galia asked.

Yingzi nodded again: "Yes."

"You... where are you going? Take me, take me!" Shen Weiyi, the eldest sister in the threesome who had just crawled back from the outside, immediately stood up, ran over and asked .

The three brothers and sisters crawled around for a while, and when they came back, they were all covered in ashes.

Shen Weiyi's face, the tip of his nose, was all gray.

Jun Ruiqi and Fu Liuyi were all covered in ashes, like two little beggars.

These two little beggars didn't think they were dirty, but they were very confident. When they saw their elder sister talking to several big beautiful elder sisters, the two little reptiles were also lying on the ground, with their heads raised towards Galia, Rayna and Yingzi. The three of them murmured and babbled.

Rayna, Galia and Yingzi didn't understand what the two little cubs were saying.

"Ha ha!"

"Eh... I'm dying of laughter."

"Pfft..." Even Yingzi couldn't help laughing.

The three laughed together.

The three little dumplings on the ground look at me and I look at you, and the innocent are often pitiful.

Shen Weiyi pouted: "Where are you going! Why don't you take me with you!"

Rayna said: "You are now the king of children! We will take you, what will happen to your two younger brothers!"

Shen Weiyi: "Well..."

She couldn't think of a good way to put her brothers down.

After a long pause, he said, "Well then, when you come back, bring me something to eat."

"Must!" Rayna smiled.

Originally, he was thinking of taking Shen Weiyi to see Pan Mingsai.

But Shen Weiyi likes Pan Mingsai very much, and when Pan Mingsai sees something related to Pan Haoyang recently, she will cry sadly for anything. Rayna doesn't want Shen Weiyi to see Sister Mingsai's sad look.

After the three girls and Suzi lived alone in the mountain and Shen Yi said goodbye, Galia drove to Pan Mingsai's school.

On the way, Rayna and Galia were like sparrows, and you kept talking.

“Galia, you... How is your relationship with my cousin now? It’s been a year or two, and you haven’t mentioned marriage? I’m all worried for you.” Rayna asked .

“Hi!” Galia never concealed herself in front of Rayna.

“Let me tell you, Rong Rong, your cousin is very kind to me and loves me very much. Your uncle and aunt also love me very much, but I just don’t want to marry into the Shu family.

Chapter 2043

I have a mental shadow. “

Rayna: “What’s wrong?”

“Not yet... Mr. Shu.” Galia sighed.

Rayna’s words immediately stirred up excitement: “Galia, don’t tell me that damn old man is still very strong, family concept! He wants to prevent you and my brother Ming Zhen from marrying?”

Galia shook her head: “Not really, Mr. Shu is much more honest now, and he is much older, so he doesn’t ask anything.

Instead, I often see him go to Shu’s mother alone, and secretly see Shu’s mother.

In fact, every time I go to Shu’s house, the old man will ask me, is Xiangxiang okay?

Is the only good?

Do they forgive me now?

some type of.

Sometimes I look at the old man quite pitiful.

but.....”

Having said this, Galia sighed: "I always think that he can be so ruthless to his own daughter, that he can help outsiders frame his granddaughter ruthlessly, and almost kill his granddaughter, I just..."

When I saw Mr. Shu, I was scared, you know what?

I tell myself every day that I have to overcome, but when I see Mr. Shu, I think about the things he has done, and I am still afraid. "

Rayna looked at Galia distressedly: "It's hard for you, my treasure..."

Galia sighed: "So, I want to wait..."

"When the old man is dead, will you marry into the Shu family again?" Rayna said bluntly.

Galia smiled: "I didn't curse him..."

"Pfft...you didn't curse, I cursed, okay! Sample!" Rayna smiled.

"Haha..." Galia also smiled, as if she had taken advantage of her.

Yingzi, who was sitting in the back seat, was very envious of the way the two of them could talk.

Galia also noticed: "Yingzi, why don't you speak?"

Yingzi is very shy: "I...I just listen to the two of you."

"Hey! Yingzi, you don't have to be so restrained, let me tell you, we are both Ma Daha, especially Rayna, don't look at Rayna's open mouth, anyone dares to say, in fact, she has no heart, just a silly girl. "Galia said to Yingzi.

Rayna smiled at Yingzi: "Yingzi, if you want to go shopping or find friends in the future, you all come to me. By the way, both of them are about the same height, you can definitely wear my clothes, and I will dress you up in the future. Look good."

In fact, Rayna is also rough and fine.

She wanted to say that she dressed Yingzi a little better, and then asked Yingzi to find a man.

But when he thought that Yingzi was always thinking about Pan Haoyang, Rayna wisely didn't say anything.

However, Yingzi was very moved.

Her eyes were red: "Thank you, thank you for Rayna, Galia, I... I didn't expect me... You two are not afraid of me, I am..."

What she meant was that she had killed people.

She used to be a ruthless woman.

But she didn't dare to say it.

Rayna smiled: "I'm not afraid of you, just Rayna just wants to treat you as a good friend. Who can treat me like that? Humph!"

Hearing Rayna say this, Yingzi's heart is not so warm.

She thought that in addition to protecting Dalia in the future, she would also protect Rayna well.

Anyway, they are all the daughters-in-law of the Jun family. To protect one is to protect, and to protect two is also to protect.

This was just Yingzi's intention, and she didn't say anything on the surface.

The car drove fast, and an hour later, Galia's car stopped at the gate of the medical department.

Rayna called Pan Mingsai, and it didn't take long for Pan Mingsai to run out.

When she saw Rayna and Galia, the little girl was very strange: "Two sisters, why do you remember that the school is looking for me? No... not here to give me living expenses. Right? I...I don't need it, I'm enough, I work three jobs a day now, and I don't use any of Joan's money.

Really no need, thank you, Sister Rayna, Sister Galia. "

“They didn’t come to give you living expenses, I am.” At this time, Yingzi suddenly spoke.

Chapter 2044

Seeing the heroic arrival, Pan Mingsai was stunned.

She looked at Yingzi dutifully, and smiled lightly: “This sister, I... I don’t know you? Have we... met?”

Yingzi originally wanted to find some of Pan Haoyang’s heroic appearance from Pan Mingsai, but when she saw Pan Mingsai, Yingzi was extremely disappointed.

Pan Haoyang is very good-looking, and in the crowd of men, he is a beautiful man.

Even, Pan Haoyang’s appearance is no worse than Arron.

The two do not want to write it down, each with their own characteristics.

However, Yingzi never thought that Pan Ming was so ugly.

“What’s the matter? Sister?” Pan Mingsai still asked neither humble nor arrogant.

An unspeakable bitterness burst out of Yingzi’s heart.

It was the kind of bitterness that I could never get from Pan Haoyang again.

Pan Mingsai has such an ugly and unpleasant face, and Pan Haoyang still loves this little niece so much.

This shows that Pan Haoyang has a strong sense of family affection.

Yingzi misses Pan Haoyang again.

With red eyes, she called a package and handed it to Pan Mingsai, and then said in a hoarse voice, "I went abroad a few days ago and brought back some things from abroad. These are... all of you. Four uncle left it to you.

A check for ten million.

And some of his relics. "

"What?" Tears welled up in Pan Mingsai's eyes.

After a pause, she looked at Yingzi with an expression of disbelief: "Sister, what did you say... How do you know my fourth uncle? Is my fourth uncle still... still alive?"

In fact, Pan Mingsaiming knew that the fourth uncle was dead.

She watched her fourth uncle be buried with her own eyes.

Fourth uncle is impossible to survive.

It was just this moment that Pan Mingsai felt sad when he heard someone say that he had his fourth uncle's relic.

Yingzi also cried: "Your fourth uncle is indeed dead, and I don't want him to die, I miss him very much, especially, but he is already dead.

Before your fourth uncle died, he told me that he had saved a sum of money for you abroad to let you go to college.

He said he doesn't want you to go to college with someone else's money.

Don't use anyone's money.

He doesn't want you to owe someone else.

He wants you to be self-reliant. “

“No! No!” Pan Mingsai cried like a child: “I don't want my fourth uncle's money! I owe no one's money! I can support myself, I just want my fourth uncle not to die!

I just want my fourth uncle not to die!

woohoo woo...”

Rayna + Galia: “...”

After a long while, Galia persuaded: “Mingsai, don't cry Baoer first, let's see first, what is your fourth uncle's relic?”

Pan Mingsai wiped away his tears and opened the package while nodding.

Opening flash included.

Pan Mingsai burst into tears again.

In a small box, there are hundreds of photos of the Pan family.

Assorted.

When Pan Haoyang grew up, it was taken with his parents, with his three short brothers, and even a few others, which were taken by Pan Haoyang holding his little niece Pan Mingsai.

The entire Pan family no longer has these precious photos, but Pan Haoyang still keeps them.

He has always cherished that family very much.

I have always regarded the Pan family more than anyone else.

He wanted to integrate into the Pan family.

Until the moment he left Jiaxing Island, he didn't know that the Pan family wanted to treat him like that, but he still took away those precious photos.

Pan Mingsai's heart seemed to be torn apart.

She squatted on the ground holding those photos and cried "fourth uncle...fourth uncle...we...our whole family is sorry for you, fourth uncle..."

Fourth uncle, can you survive?

I will be filial to you in the future, and I will not let you be alone.

I will take good care of you for a lifetime.

Like taking care of my parents, Fourth Uncle... woo woo woo. "

Chapter 2045

Pan Mingsai cried and couldn't stand up. Rayna and Galia, who were next to him, did not persuade him either.

They have met several times. When Pan Mingsai mentioned his fourth uncle, he was so bitter. She was a girl with great affection.

So Rayna and Galia knew about this situation, so they waited for Pan Mingsai to cry enough.

But Yingzi doesn't know.

When Yingzi saw that Pan Mingsai was in such a hard time, she seemed to have found her confidant suddenly. She squatted down, supported Pan Mingsai, and whispered, "Sai Sai..."

It was as if she was very familiar with Pan Mingsai.

In fact, it was the first time she met Pan Mingsai.

"Don't cry, Sai Sai... Although your fourth uncle is gone, there is still me. I will take care of you!" At this moment, Ying Zi suddenly found hope of living.

She had always wanted to commit suicide, but now Yingzi completely dispelled this idea.

She has hope in the future.

That is, she must treat Pan Mingsai as her own sister and take care of Pan Mingsai.

Let each other warm each other.

“Sai Sai, are you willing to let me take care of your mother?” Yingzi asked.

Pan Mingsai raised his head and nodded heavily: “Well, sister...”

She is a smart girl: “sister, are you my fourth uncle’s lover?”

“I like your fourth uncle. Your fourth uncle treats me very well. He is the best man in the world. It is your fourth uncle who let me know what love is. Once.” Yingzi laughed and cried again.

At this moment, she felt that life was alive.

is colored.

There is a head start.

“I will live in Kyoto all the year round in the future, but I will try to visit you in Nancheng. Will you study hard?” Yingzi asked.

Pan Mingsai nodded: “Okay sister.”

Yingzi smiled again: “Actually, Mrs. Jun pays me a salary every month, and the salary is a lot, tens of thousands per month, I don’t know how to spend it, and my money will finally be useful in the future.

I’ll keep it for you to read, okay? “

Pan Mingsai nodded obediently: “Okay sister, okay.”

She originally did not accept gifts from anyone.

However, she was able to accept Yingzi very smoothly.

This is really, two people's hearts have been the same person for four years, and their hearts have come together unknowingly.

When saying goodbye to Pan Mingsai, Yingzi was still reluctant to part, and Pan Mingsai also turned back three times.

However, Galia and Rayna were very pleased.

At least, both of them have found a point of support for each other.

Life is long after that.

After returning from Pan Mingsai, Rayna happily said to Suzi: "Suzi, Suzi, finally coaxed Yingzi, Yingzi now has hope for life.

She said that she will take care of Pan Mingsai in the future.

Hi!

You said that the clown Niuniu, Sai Sai, but a lot of people take care of her.

Chu Tian Ling Chu is less than one.

Yingzi is also one.

To be honest, the fourth master Pan who died was not the only one who loved his niece. He also loved Sai Sai the clown girl.

Xiangxiang Xiaosaisai, I think she is very happy.

Happier than me! "

"Who said my sister Sai Sai is ugly! She's not ugly at all! My sister Sai Sai is a beautiful woman! Humph!" A very stern voice came from behind.

The frightened Rayna shivered.

She looked back and smiled suddenly: "Shen Weiyi! You little thing that eats inside and out, is it my kiss, or your sister Sai Sai's kiss! Also, your sister Sai Sai is a beautiful woman!

Is your sister Sai Sai half as beautiful as me?

Shen only! “

Shen Weiyi couldn't surpass Rayna, so she made a face at Rayna: “Aunt Rayna, don't be fierce, anyway, I tell you, you won't be able to cry soon! Hehehe!”

Rayna was taken aback: “What do you mean?”

Shen Weiyi shrugged innocently: “Let my mother tell you.”

Rayna looked at Suzi again: “Suzi, what happened?”

Chapter 2046

Suzi sighed: “Today, your future mother-in-law called your second uncle Kraig.”

Hearing this sentence, Rayna suddenly froze.

She is a forgetful thing.

She had always been worried about her condition, but because of Yingzi and Pan Mingsai, she forgot about it.

Now that Suzi has reminded him, he suddenly remembered.

Rayna went to Dalia today because she wanted to know more about her future mother-in-law.

“Suzi, you... What do you think I should do?” Rayna asked suddenly with a sad face.

With her small appearance, even Shen Weiyi sympathized with her.

Shen Yiyi, a child in the seven-year-old class, raised his small hand and patted Rayna’s back: “It’s okay, Auntie Rayna, it’s okay, don’t worry, my mother is there for everything.”

Suzi couldn’t help but glance at Shen Weiyi.

Everything has your mother there.

Your mother is not everything!

She let out a long sigh, and said to Rayna earnestly, “Rayna...”

“Well, um, Suzi, you said, I will listen to you, all will listen to you.” Rayna has always been obedient to Suzi.

One is because Suzi once saved her.

helped her.

Second. In terms of work and career, Suzi is Rayna’s master and a serious teacher.

The person Rayna is most grateful for in this life is Suzi.

She is Suzi as a relative, and her sister treats her.

Therefore, what Suzi said, all the words, Rayna worshipped like a god.

Suzi smiled lightly: “Actually, it’s nothing. I’m just telling you, it’s not easy for each of us.”

“I know Suzi, I know.” Rayna nodded.

Suzi continued: "You are like me, in fact, the only grandfather hurt the only one at that time, almost killed me, I still have to... forgive my father-in-law?"

What kind of relationship do I have with my husband?

Not at all.

But Shaoqin is different.

Shaoqin has lost two relatives. Although he is not close to his father, everything he has now is passed down to him by his father. His father just said that he was cold, but it still hurts. his.

And Shaoqin also has his father in his heart.

It's just that Shaoqin didn't say it.

So Rong Rong, look at me, even if I knew that grandpa was not good to the only one back then, I also chose to forgive my father-in-law.

This is, inclusion in a family.

Sometimes even if you know that you are at a disadvantage, you have to be tolerant.

Rayna, you love Jun Ruian, right? "

Rayna nodded: "Of course. We have been in love for more than two years. I love him, very much!"

"So, for Ruian's sake, change your temper a little bit, and try to be as ladylike as possible in front of your mother-in-law, for your husband." Suzi kindly advised Rayna.

Rayna nodded emphatically: "Well! Suzi, I listen to you, everything you do is right, you will never harm me. I listen to you."

Suzi nodded, very pleased.

She added: "But tolerance, tolerance is tolerance, you can't just tolerate it, understand?"

You are independent.

You don't need to rely on anyone, just with the knowledge you have learned, you can find very good construction jobs in Nancheng and Kyoto, and you will never have to rely on Jun's family to support you.

When you have to tolerate people, you have to live arrogantly.

It's your fault, you have to admit it.

It's not your fault, even if you break your leg, you can't admit it.

Understand? “

Suzi is always teaching Rayna by words and deeds, but Rayna is not her after all.

It is also impossible to achieve Suzi's character that is very comfortable in his heart.

But she was willing to listen to Suzi's words.

Chapter 2047

“I know, I understand. Thank you, Suzi, I will always listen to you.”
Rayna smiled.

Suzi also smiled: “Go, accompany your future mother-in-law and discuss your marriage as soon as possible. Then, I will prepare a big red envelope for you.”

Rayna's red envelope, she is ready.

That is a commercial house in Kyoto.

Suzi couldn't afford a gift that was too big.

She bought it for Rayna with her shares in the Fu Group and her savings in the past two years.

It is for Rayna to have no family, and stop being looked down upon in Kyoto.

After Rayna left Suzi, Suzi couldn't help but worry.

I don't know how difficult Jun Ruian's mother can be?

After Rayna left Suzi, she returned to her and Jun Ruian's residence.

It was a single-family villa that Jun Ruian bought in Nancheng in his early years. Speaking of which, it was not far from the second uncle Kraig's mid-level villa.

But just leaning on a mountain, it seems a little far away.

When I arrived at the small villa, it was already evening. After I parked the car, Rayna went in with a dress bought by my future mother-in-law. When I turned around the entrance, I saw my mother-in-law Zhao Wenpei sitting on the sofa.

And Jun Ruian sat aside.

"I said Ruian! You have been in love with that Rayna for two years, and you have always told your mother that Rayna is very good, what the hell, she went to our house several times and behaved very politely.

I originally disagreed with your marriage.

It's because the door is not right.

I also know that she is uneducated and rude, but I see her so well-behaved every time. Well-informed, I reluctantly agreed.

Who knows, you are about to get married soon, and her true colors have been exposed.

You didn't see it.

She quarreled with Sanford that day, I...I didn't even see it.

That ugly, it's not human! "

When Zhao Wenpei said this, her expression was disgusting to the core.

Jun Ruian didn't say a word.

He just lowered his head and couldn't help laughing.

He wanted to tell his mother: "Mom, what you saw of Rayna is already very restrained, you haven't seen her standing in the market with her hips on her shoulders and fighting people, if you see her You can't be pissed off like her?"

Why!

In order not to be mad at the dear mother, Jun Ruian chose to shut up.

Shut up!

"Mom, if I talk about her, I will definitely talk about her. Rayna is still very obedient. If I talk about her, she will definitely change."

"Can it be changed?" Zhao Wenpei asked.

"Yes! Auntie, I... I can definitely change it!" At this time, Rayna walked over from the entrance.

She came to Zhao Wenpei respectfully, and squatted in front of Zhao Wenpei: "Don't worry, Auntie, I will definitely make corrections, and I will never be a rogue in the shrew no matter what the occasion is in the future.

I must correct it! "

What Rayna said was decisive.

She really wanted to correct it.

For the marriage of myself and Jun Ruian.

She loves Jun Ruian.

deeply love.

"In the future, will you be in charge of Mr. Fu and our Jun family?" Zhao Wenpei asked taking advantage of the situation.

In fact, Jun's family has nothing to restrain his daughter-in-law. It used to be, and Kraig also abolished it some time ago.

Because Kraig didn't want his wife to be controlled in any way.

But at this moment, in order to show her respect as her future mother-in-law, Zhao Wenpei wanted to preemptively establish her prestige here in Rayna.

Even Jun Ruian next to him was stunned.

However, Rayna didn't care, as long as the mother-in-law who could coax her was happy, she agreed. She nodded very firmly and said, "Auntie, don't worry, I will definitely obey your control."

"That's good!" Zhao Wenpei smiled with satisfaction: "Go, get me a basin of foot-washing water, and you will serve me to wash my feet in person."

Chapter 2048

Rayna was stunned on the spot.

She was a shrew, and she was not welcomed by her parents since she was a child. When she grew up, she knew that her parents were not her biological parents, and she almost died from being abused by her parents. Rayna never washed anyone's feet.

Still waiting!

She and Jun Ruian have been together for almost two years, and it is Jun Ruian who washes her feet, okay?

Your son is noble!

Come on, young master of Kyoto!

Be noble!

But my aunt's feet were washed by your son!

Aunt, I have never washed your son's feet!

Before Rayna changed his face, he scolded him viciously in his heart.

Jun Ruian next to him was also stunned.

Mother is usually very gentle.

There are so many maids in the family, and there are many serving tea and water, but the mother never let the close maid wash her feet.

what is it today?

Deliberately making things difficult for Rayna?

Jun Ruian's heart suddenly became angry!

Just as he was about to get up and discuss with his mother, he saw Rayna say with a smile, "Okay, Auntie."

Jun Ruian: "..."

He was stunned on the spot, okay?

Unexpectedly, Rayna didn't even change his face, so he agreed with a smile.

Jun Ruian stared blankly at Rayna, but Rayna still had a smile on his face: "Auntie, wait a moment, I'll get you hot water, by the way, Auntie,

where are your socks? I'll bring you here, as well as the foot oil you rubbed on your feet, where is it?

I'll bring it to you together, and after I've washed your feet in a while, I'll wipe your feet.

Put your socks on again.

This will save your feet from freezing.

At your age, you just can't have cold feet. "

After some words, let alone Jun Ruian, even Zhao Wenpei was stunned.

This little lady!

Last week, I saw her splashing in the hospital, no different from a shrew who scolded the street.

How can you be so calm today?

Originally, I wanted my son to see the saucy face of this little lady with his own eyes.

Good now.

It made her Zhao Wenpei speechless.

Zhao Wenpei said in a sarcastic tone: "Socks and foot oil are in the suitcase."

"Okay auntie, I'll go get it for you now." Rayna ran away briskly.

Jun Ruian: "Rong..."

Rayna turned around and gave Jun Ruian a sweet smile.

She knew what Jun Ruian was worried about her, but Rayna didn't expect that she could endure so much.

She remembered what Suzi said to her.

Every word of Suzi, Rayna is like a god, Suzi is too good to her, Rayna also knows that Suzi especially hopes that she can have a good home, a good family, and let her be the father of her. The orphan abandoned by his mother raised his eyebrows once.

Besides, just like Suzi, he still bows his head to his father-in-law, not to mention her?

Rayna learned a lot of life principles from Suzi.

Also learned a lot of tolerance.

As Suzi said, you love Ruian, and you have to tolerate Ruian's family.

Chapter 2049

Even if it is to do something for Jun Ruian.

After all, Jun Ruian loves her so much and washes her feet every day.

Rayna was brisk and trotted to bring the future mother-in-law's socks and the skin cream for her feet to the sofa. Then she got up and went to the bathroom to pick up a large bucket of hot water. Zhao Wenpei's heel.

Seeing this, Jun Ruian immediately wanted to help Rayna, but was stopped by Rayna: "No, Ruian, don't come here, it's not that you don't know, when you wash your feet, you usually I brought it here by myself, and I moved it. You sit in front of Auntie and talk to Auntie.

I'm responsible for washing my aunt's feet to the end. "

She spoke with a little sweetness, and Zhao Wenpei couldn't help but feel happy when she heard it.

She looked at Rayna with a smile, and praised her son: "Rayna is like this, she is really good at training, my mother likes this. After marrying into our Jun's family, to you, to your father, To my mother, it would be great to be able to obey."

Jun Ruian: "..."

In a daze, Rayna had brought a large bucket of foot-washing water to Zhao Wenpei. She moved a low stool and sat opposite Zhao Wenpei. She bent down and started wearing slippers for Zhao Wenpei.

Then I tested the water temperature with my hand, and then said to Zhao Wenpei, "The water temperature is just right, Auntie."

After finishing speaking, Rayna personally put Zhao Wenpei's feet in the tub.

Rayna, who has never washed her feet, has followed Suzi and Galia to several beauty salons. She also knows a little about the process of pinching her feet.

Fighting with the memory in his head, Rayna washing the feet of his future mother-in-law is really like that.

"Auntie, just press your heel with your thumb, so as to prevent bone spurs from growing, and the sole of the foot has the most acupuncture points. I will press it for you, tilt your head back, and put your feet on the back. here I am.

Yes, yes, that's it.

Auntie, if you think it hurts, I will try harder.

If you can bear it, I'll push harder.

Auntie, how do you feel now? "

Make Zhao Wenpei comfortable, lying on the sofa, not wanting to move, only humming.

To tell the truth, she goes to the beauty salon almost twice a week, and she must massage her whole body, most importantly her feet.

But those technicians have skills, but they are not focused enough or hard enough.

It's really not as good as Rayna's half bottle of vinegar now. At least, her good service attitude makes Zhao Wenpei extremely enjoy.

She was too lazy to answer Rayna.

Just um, hum.

Rayna just sat opposite Zhao Wenpei like this, exerting all her strength to suckle, massaged her for an hour, and massaged Zhao Wenpei so well that she almost fell asleep.

Finally, the water in the big wooden bucket was cold, and Rayna's hands were sore from pressing, so she shouted: "Auntie, your feet are pressed, and I also smeared on you with foot oil.

Auntie, your feet are so tender.

He didn't look like someone in his early fifties at all.

I think your feet are more tender than mine. "

Rayna has never praised anyone like this, and she is not such a sweet-mouthed person.

But for your own happiness.

For the sake of her fiancé, after hearing what Suzi told her, Rayna really had the strength to suck up, trying her best to please her future mother-in-law.

She thought that if she did this by herself, her future mother-in-law must like her very, very much.

From time to time, she proudly looked at Jun Ruian, her fiancé with a guilty face and a happy face, as if to say to Jun Ruian again: "How is it, my wife and I am a good wife and good mother?"

I didn't embarrass you, did I? "

Jun Ruian raised his eyebrows and nodded, and gave Rayna a thumbs up.

He kept talking to Mi Min and said, "Wife, you've worked hard! Wife is excellent, wife, husband cheers for you!"

Seeing Jun Ruian encouraging him like this, Rayna couldn't be happier.

She thought that she had finally passed the hurdle in front of her future mother-in-law.

She doesn't have to worry anymore.

However, just when Rayna and Jun Ruian were extremely happy, they heard Zhao Wenpei say lazily and feebly: "You are really cheap! You are even more cheap than the housemaid at home! How can my son marry a bitch like you who can lick?"

Rayna was stunned on the spot: "You...what did you say?"

Chapter 2050

Zhao Wenpei looked at Rayna with a flat smile: "Isn't it?"

Rayna: "..."

Zhao Wenpei got up, then looked at Rayna indifferently: "You don't even think about it, that lady, not to mention lady, is that little girl with a door, a courtyard, and rules, who would be like you. cheap?"

Bitchy like a pug?

Are you a little girly? "

“You...” Rayna wanted to slap this shameless future mother-in-law to death!

What a lady!

What patience!

She doesn't want it at all, and now she wants to trample this dead old woman under her feet!

She clenched her fists with hatred, and raised her hand to punch Zhao Wenpei in the face, when she heard Jun Ruian suddenly burst out: “Mom! You are too much! Do you know that Rayna usually never does? wash my feet.

It's me who washes her feet!

You are good!

Such a good daughter-in-law is here to serve you, but you think she is cheap!

How did I only find out today that my mother has so many things! “

Rayna: “...”

Originally full of anger, Rayna's anger disappeared halfway after seeing his fiance and his biological mother quarreling.

She took away her anger, but advised Jun Ruian: “Rui'an, don't quarrel with your mother. Auntie may not know me too well. When she gets to know me later, she won't think of me like that.”

While persuading Jun Ruian, she also said to Zhao Wenpei, “Auntie, go in and have a rest, your feet have just been washed, and the pores are open.

Come in and rest. “

Zhao Wenpei rolled her eyes to Rayna: “My son has never refuted me! It's because of you that he dares to quarrel with me!”

Words must, she went in angrily.

After entering the room, she was still unhappy, she took out her mobile phone and called Jun Ruian's father.

"Old gentleman! I clearly saw that woman akimbo arguing with someone!

That's a real shame!

Lost people.

And just now!

You didn't see the way she was humbly washing my feet just now, I really thought she was a foot-washing girl!

Our Jun family is one of the best in Kyoto, how could we have a daughter-in-law like her!

Absolutely not! "

On the other end, Jun Ruian's father's voice came: "Hey, the second child said that the girl is not bad, and our son likes it too."

"The second child!" Zhao Wenpei got angry: "You listen to the second child! Look at what woman the second child is married to? He is close to the water!

Marry your maid!

Our family Ruian has worshiped the second uncle since he was a child!

It's good now, he also imitated his second uncle and married a foot-washing girl!

Could it be that our family will become a venue for maids and foot-washing girls in the future! "

Jun Ruian's father sighed on the phone: "Then what do you say?"

"Today is too late! My son has brought her into the bedroom! Let's talk about it tomorrow! I have to take my son back to Kyoto tomorrow and let him never meet this woman!"

“Okay, don’t be angry, we’ll talk about it tomorrow.”

After closing the line, Zhao Wenpei was still puzzled.

However, after soaking her feet and running for more than 40 minutes, she was indeed tired, and fell asleep not long after she fell on the bed.

On the side of his son Jun Ruian, he was still coaxing Rayna in a low voice.

“Rong Rong, I saw that you were very sensible when you were outside just now. You didn’t let me quarrel with me. Why did you enter the bedroom, but you were pissed off with me?” Jun Ruian sat next to Rayna and asked cautiously.

Rayna sighed: “Rui An, actually Suzi is right.

Suzi has always been afraid that I and you, Jun’s family, will not be the same family.

Because of this, she even used all her savings to buy me a house in Kyoto.

I’m just afraid that your family will look down on me.

She also made me endure everything.

I endured it, and I listened to your mother’s words. Even when your mother said I was so ugly, I didn’t tell her back.

Chapter 2051

But what about her?

You can’t see me either way.

If my son makes your relationship with your mother bad, I can’t afford it. “

“Rayna! I don’t allow you to say such things. You forgot how you liked me back then, Baba, for fear that I would dump you. Why, your wings are hard now?”

Rayna looked at Jun Ruian very reluctantly: "I love you too, Baba'er loves you.

But I've learned now that I need to love myself more.

I'm no longer the woman who only knew how to play bitches and rogues a few years ago.

I am independent now.

I have my own self-esteem.

Ruian. "

Rayna spoke very calmly.

Her calmness made Jun Ruian love her more and more.

Jun Ruian felt that Rayna was more and more like Suzi now.

It's that calm and confidence that radiates from the inside out.

"Little woman! I won't allow you to leave me! Must!" The man suddenly hugged Rayna domineeringly.

His strength was so great that Rayna couldn't break free at all.

Of course, she didn't want to break free.

She just snuggled into Jun Ruian's arms like this, and gradually, both of them became hot spots, and the man threw the woman to the center of the bed.

"Rui'an..." The woman shouted softly.

"Little woman, see how I clean you up! I'll plant the seeds for you tonight, sir! I'll see how you can leave me!" Yu Bi, the man's kiss fell.

"Hate!" The woman pushed back in a low voice.

The light in the bedroom quickly went out.

The temperature in the bedroom is getting higher and higher.

The next morning, the sun was getting high, and Jun Ruian and Rayna didn't wake up.

After all, last night, the two fought too much.

In addition, Rayna pinched her future mother-in-law's feet last night and was a little tired.

So I fell asleep.

In the other room, the future mother-in-law woke up very early, and she slept well at night. After the whole foot was deeply massaged, it was indeed different, and she slept much better.

When she woke up early in the morning, Zhao Wenpei got familiar and dressed up, and after she had done herself a good job, she knocked on Jun Ruian and Rayna's door.

She just wanted to get this woman unkempt out of her son's residence.

She just looked at such a lowly woman, disgusting!

"Open the door! Rui'an! What do you look like, the sun is burning your ass and you don't even get out of bed! It's getting more and more ridiculous! It's really like following someone, you can learn how to look like!

After a few years, have you learned to be like the porter who pinches your feet in the bathroom? "

In the bedroom, two people who were sleeping suddenly woke up.

Hearing the shouts from outside, Rayna felt his head go big.

She pinched Jun Ruian's ear: "I'll tell you the surnamed Jun! Auntie, I was born a shrew! You say that I'm not in the same family as you, and I don't think you're worthy of my old lady!

When the door will be opened for your mother, if your mother points at my nose again, I will be welcome!

I just want to hit her!

What's up!

Give back the face! “

Rayna was also really anxious.

From yesterday to today, this mother-in-law is still unfinished!

Murder is just a no-brainer!

I have been with Jun Ruian for more than a year, I have met my mother-in-law several times, and I have eaten several times at one time. Why haven't I found out that my mother-in-law is so difficult?

After Rayna picked up Jun Ruian's ear, he angrily went to open the door.

She really planned to have a big fight with her mother-in-law.

However, the moment the door opened, Rayna suddenly said, “I...I want to vomit.”
