

# Chapter 2045– 2046 of A Dish Best Served Cold Novel

## Chapter 2045

At this time, Lu Mingfeng and the others had not arrived yet.

In the Villa at Yunding Mountain, the calm of the past is still maintained.

However, before the villa, there was a white BMW parked.

That is Susie's car.

Obviously, she also learned about the fall of Mark from Lu Mingfeng's speech.

Reminiscing about the depression and depression of Helen Qiu during this period, Susie also had to doubt the authenticity of this matter.

"Helen, tell me."

"Is it true?" "Mark, really something has happened?" In the villa, the light was on.

The villa of Nuo Da, bright as day.

It's just that the Yunding Mountain Villa, which represents status and power, no longer has the glory and vitality before, and some are only desolate and lonely.

Facing Susie's questioning, Helen Qiu did not answer.

She was cooking in the kitchen, wearing an apron.

The table was filled with delicious food.

If Mark's mother Ye Ximei were here, she would definitely find that the food on this table was exactly the same as the day she learned of Mark's death.

Since the news of Mark's death came, Helen Qiu has been like this.

Every night, he cooked the same dishes as Ye Ximei's birthday banquet, put two sets of tableware, and then sat at the table, waiting for Mark to return.

“Enough!” “Helen, when are you going to hide from me?” “You tell me, is Mark dead?” “A little more than a month ago, was he dead?” Looking at Qiu Susie couldn’t bear Helen’s loss of soul.

Although, she already had the answer in her mind.

But at this time, after all, he asked it personally.

She didn’t want to confirm anything, but wanted Helen Qiu to accept the reality.

Otherwise, this woman, I am afraid that she will never emerge from the shadow of this matter for a lifetime.

Just like now, sit down with the same meals every day, waiting for someone who is not destined to come.

The dishes are cold and hot, hot and cold.

Susie couldn’t bear to look at it.

In the end, Susie couldn’t stand it anymore, even if she knew it would hurt Helen Qiu, Susie still said this straightforwardly.

Sure enough, Helen Qiu, who had been silent all the time when she heard Susie’s words, roared at Susie like a cat who had blown up her fur, “No, you talk nonsense!” “Mark will not die. “He said that he would come back to dine with me, have children with me, and protect me for the rest of my life.”

“He hasn’t done anything yet, how could he die.”

“You all You are lying to me, you are lying to me.”

“I never believe it~” Helen Qiu kept shaking her head, and as she spoke, tears flowed down her eyes.

Even though, the news of Mark’s death has been known for more than one month.

However, Helen Qiu still has not accepted this reality.

From beginning to end, Helen Qiu didn’t want to believe that Mark really died, and that brazen bastard really left him forever.

“Helen, I know this matter is difficult for you to accept.”

“But, you can’t just avoid it all the time.”

“My company’s relatives and friends, don’t care about it.”

“I bore myself in the villa every day. “Do you know how the company is now?” “Do you know that Mark’s career has become a mess?” “Even if Mark is gone, you should cheer up and take out Jiang Dongdi After the majesty, help him guard his foundation in Noirfork.”

“Instead of hiding here, deceiving herself and others, passively avoiding the world.”

Susie persuaded Helen Qiu, who hated iron and steel.

## Chapter 2046: Get Out Of Yunding Mountain

However, Helen Qiu didn’t care about it anymore.

All her efforts at the beginning were to have a happy future with Mark.

And now, Mark is no longer there, no matter how hard she tries, it doesn’t make any sense.

It can be said that from the moment she learned of Mark’s fall, her heart was already dead.

But in fact, even if Helen Qiu really came out to preside over the overall situation, she would not be able to recover.

After all, the reason why the Mufan Group can radiate the whole province in such a short period of time and become the No. 1 Group in Noirfork is not relying on Helen Qiu’s personal abilities. Most of it relies on Mark’s majesty.

It can be said that the entire Mufan Group is supported by Mark alone!

Before, when Mark was still there, all the forces were afraid of Mark’s power, so they gave the Mufan Group a bit of face.

But now, the story of Mark’s fall has spread.

Just like the death of the monarch, the so-called Noirfork Empress will naturally exist in name only.

Without Mark, who would care about Helen Qiu, a weak woman?

Therefore, even if Helen Qiu really came out to preside over the company’s affairs according to Susie’s words, it would not help at all.

Boom~ Just when the two girlfriends were talking, there was a bang, and the door of the villa was kicked open.

Immediately afterwards, in the dark night, a number of luxury cars galloped from the bottom of the mountain, and their wheels rolled over the lush lawn and stopped in the courtyard.

The Helen light, like a sword, opened the sky here.

Under the shining of the light, the scene in the courtyard is also extremely clear.

“Who?” “So courageous!” “Mr. Chu’s house, dare to trespass?” This sudden change surprised Susie and others.

Then, Susie opened the door and walked out, screaming at the people in the audience.

At this time, the car door opened, and two tall and handsome young men walked off the car.

The two of them, one wearing a black suit and a bow tie on the forehead, gave people a noble temperament.

Yes, this person was previously threatened to acquire Mufan Group, Lu Mingfeng!

But the person behind him was wearing a white sportswear with his hands in his pockets and a wicked smile at the corners of his mouth. He looked at Susie in front of him with such a teasing expression.

This person came to Noirfork with Lu Mingfeng, Xu Shaohua!

However, facing Susie’s roar, the two ignored them.

Instead, he looked around and nodded in satisfaction.

“It deserves to be the best location in Wrifill. Both the view and the environment are very good.”

“I like it very much.”

“Shaohua, how about you?” Lu Mingfeng asked with a smile.

Xu Shaohua also nodded with satisfaction: “Well, I think it’s good too.”

“In the future, if you have a champagne party with a beautiful girl here, it will definitely be very lively.”

The two of them said without anyone else, like they were looking at it. It looks like my own yard.

Susie was almost mad at the time.

“This is the home of Mr. Chu and Helen. You are not welcome, please leave!” Susie shouted again.

When Lu Ming heard the sound, he smiled contemptuously.

“It won’t be any more in the future.”

“Go in and tell the so-called Noifork empress, from now on, Noifork will change ownership!” “This Yundingshan villa is owned by our brothers.”

“I will give her half an hour to pack her things. , Get out of Yunding Mountain!” “She is no longer qualified to live here.”
