

Chapter 205

The Song family to which Warnia belongs is the top family in Aurous Hill.

However, the Song family was still a thousand miles away from the Eastcliff's Wade family.

But Warnia still doesn't know Charlie's true identity, so Charlie in her eyes is just a young man who has some research on antiques and then dabbled in metaphysics.

The last time Charlie slammed thunder to death in Aurous Hill, it really scared many people and was regarded as a master of metaphysics by many people. However, Charlie deliberately gave Warnia an indication that it was just a coincidence. After all, how could ordinary people Order the sky thunder.

Finally, Warnia was also confused, thinking that Charlie might indeed have more luck.

Since then, Warnia has disappeared from Charlie's world.

Charlie thought she was missing, but he didn't expect to be in trouble.

So, he asked Orvel: "What's the matter? What is wrong with Miss Song?"

Orvel said: "Ms. Song recently committed Tai Sui. Maybe something went wrong with Feng Shui luck, and she was totally unlucky."

After that, Orvel said again: "I found many feng shui masters everywhere, but they can't solve the problem. I would like to ask you to have a look, see if you can break the predicament of Missy."

Charlie said calmly: "You can talk about what problems she has encountered first, so I might as well make a judgment."

Orvel hurriedly said: "The lady was injured recently. She has had several small car accidents. Then she sprained her foot when going down the stairs, burned the back of her hand while drinking coffee, and was bitten by her own dog yesterday. One mouthful, not only that, but several important cooperations of the Song Family Group also had big problems and had a great impact on the income.

After that, Orvel said again: "The thing that saddens the eldest most is that she has somehow lost one of the most precious diamond necklaces she has worn for more than ten years. It is the relic left by her mother before her death. The young lady cried for several days about this."

Charlie chuckled twice, and said: "It seems that Miss Song has really had a bad luck recently."

"Don't tell me!" Orvel looked at Charlie and said seriously: "Mr. Charlie, you are a master of metaphysics. I believe you must have a solution for this matter?"

Charlie asked him back: "Mr. Orvel, why are you so caring about Miss Song? What is your relationship with the Song family?"

Mr. Orvel hurriedly said: "I tell you Mr. Charlie, Miss Song's grandfather is my benefactor. I was able to stand up in Aurous Hill back then, It was all thanks to the support of Miss Song's grandfather. I originally wanted to repay him. I have always helped the Song family solve some inconvenient things for them to come forward."

After that, Mr. Orvel said again: "To put it bluntly, I just want to repay the favor. The Song family is my benefactor."

"En." Charlie nodded and said, "You are also sincere, and Ms. Song and I have some friendship, so come and pick me from my house tomorrow. Let's go and take a look."

"Okay!" Orvel said excitedly: "Thank you Mr. Charlie! I am grateful!"

Early the next morning, Orvel called Charlie.

Chapter 206

When Charlie went downstairs, Orvel was sitting in the car and beckoned to him, saying, "Mr. Charlie, get in the car!"

Charlie nodded and walked quickly to get into the car. Orvel hurriedly started the car and drove towards the outskirts of the city.

On the way, Orvel said anxiously: "I heard that a Feng Shui master from Hong Kong is coming soon, Mr. Charlie, you can't let him steal your limelight!"

As he said, he added, "Miss Song is the eldest daughter of the Song family and will soon take over the entire family affairs. If we can do this beautifully, you and I will benefit infinitely!"

Charlie smiled and said, "Mr. Orvel, you are not kind, you said yesterday that it was to repay your kindness, but now you show the foxtail, so you want to treat Miss Song for this?"

Mr. Orvel said embarrassingly: "Repaying one's kindness is one aspect, and getting closer to one another is also one aspect! I know that Mr. Charlie has great powers, but to be honest, it is not a bad thing to be able to get closer to Miss Song, Miss Song is young and attractive. Beautiful and with strong family background. If you become friends and join forces in the future, it will be a good thing for you, don't you think?"

Charlie smiled slightly and said lightly: "If the Feng Shui master from Hong Kong is really good, then I can't help it."

Orvel sighed and said, "Let's go and take a look first. You are a master of metaphysics with real abilities. Then you can see if you can find a suitable opportunity. Let's just grab the business from that Hong Kong man!"

Charlie didn't say a word, he was also considering this issue in his heart. If Mr. Lai from Hong Kong is really a descendant of the Lai family, he probably has a few brushes.

He might as well take a look at what Lai's family does, and perhaps what enlightenment it might have for his next comprehension of the Nine Profound Heavenly Secrets!

Miss Song's villa is in the most luxurious villa area in the suburbs.

Orvel drove Charlie all the way and stopped in front of a super luxurious villa.

At this time, a man with the appearance of a housekeeper came out. Orvel hurriedly stuck his head out and said, "Boy, is the eldest lady at home?"

The housekeeper nodded indifferently, and said: "Mr. Orvel, what has brought you here?"

Orvel hurriedly said with a smile: "Boyu, I have invited a master to come over, and I want him to help the young lady, he is a real master of metaphysics!"

The butler glanced at Charlie, who was in the co-driver. He didn't take the young man seriously, and said coldly: "Mr. Orvel, Mr. Lai from Hong Kong has already come and is showing the elder lady Feng Shui. It is inconvenient to bother him. If there is nothing wrong, you can go back."

Orvel quickly said: "Boyu, Mr. Charlie is here, why should not let Mr. Charlie have a try? Besides, Mr. Charlie and Missy have friendship!"

Uncle Boyu asked him: "Many people say that they have friendship with Missy, and I can hear the cocoon. Besides, can the person you invite have abilities as good as Mr. Lai from Hong Kong? Mr. Lai is the originator of Feng Shui, Lai Buyi. He spent a lot of effort and traveled all the way to from Hong Kong, so follow along and join in the fun! Let's go!"

Charlie was a little surprised when he heard that, not at the identity of Mr. Lai, but at the big man who stomped off Aurous Hill's entire road. As a result, there was even a housekeeper at Warnia's door. He can't figure it out.

Not only can't figure it out, he even has to kneel and lick.

Charlie couldn't help but slander, this Orvel, in front of Uncle Boyu, is really begging for nothing! If this matter spreads out, it will be despised by people in the whole city!
