

Chapter 2051– 2052 of A Dish Best Served Cold Novel

Chapter 2051

“Did the guns escape?” “Fast speed!” “Is this really a human?” Ferguson Wu was scared to pee at the time, and the whole person was immediately confused.

He couldn't believe that the seemingly petite girl in front of him could explode such a strong power from her weak body.

After a few breaths, he put all his men down.

Moreover, her speed is even more amazing.

It turned out to be faster than a person can dig a gun?

Ferguson Wu didn't expect that even if Mark died, he would have left such a back hand for his wife?

Ferguson Wu suddenly realized that he might have underestimated Mark.

“Warrior?” Just when Ferguson Wu was frightened, Lu Mingfeng's expression on the side also became solemn.

However, it was only solemn, he didn't have too many surprises and fears.

Long before they came to Noirfork, they had already grasped Mark's details from Chu Qitian's mouth.

They knew that Mark was a martial artist, and even an extremely powerful master.

A martial arts master, how could there be few warriors around him to follow.

Therefore, from the beginning, Lu Mingfeng had anticipated this situation.

“Shaohua, this warrior can only be dealt with by you.”

Lu Mingfeng looked at Xu Shaohua and said in a deep voice.

Xu Shaohua nodded: “Don't worry, it's just a weak woman who is not even a grandmaster.”

“Wei Lao defeated her, like a dog!” Xu Shaohua sneered.

When the words fell, he immediately turned around, facing the darkness behind him, and shouted in a deep voice: “Wei Lao, please!” Huh~ Xu Shaohua’s words echoed, bringing boundless storms in the night.

Originally Jiran Tiandi, at this moment, there was a cold wind.

Immediately afterwards, a low and breaking wind sounded quietly in the ears of everyone.

From far to near, from slow to fast.

It seems that something terrible is approaching quickly at a terrifying speed.

“This...this is...”

“Ferguson Wu and others were all startled. When they walked away from the reputation, they only saw a figure of an old man in the depths of the night. I don’t know when, the old man had already appeared. This old man first called the young master respectfully to Xu Shaohua. Then the gloomy gaze fell on Qing Tan’s body. At that moment, Qing Tan’s small face turned white. “Sister Qiu, you go first.

“Leave Wrifill!”

“Go to Gritsberg and find Xu Lei, the head of the Xu family.”

“The Dragon Lord has arranged a retreat for you.”

“When you arrive in Gritsberg, Patriarch Xu Lei can take care of you.

“Qingtan obviously felt the strong oppression from the old man. This person is very strong! At least, the realm is above Qingtan. Even if it is not a master strong, it is a half strong one who has half a foot into the master. Before that, Qing Tan thought that the trouble this time was just ordinary business competition. But now it seems that it is by no means that simple. The other party, obviously came prepared! In other words, Lu Mingfeng’s purpose in coming to Noirfork, is to destroy all Mark’s forces in Noirfork. “Qingtan, what about you?

Helen Qiu asked with a pale face, panic. “Sister Qiu, leave me alone.

“Hurry up!”

“Go to Gritsberg and find Miss Xu Lei Xu.”

“Also, sister Qiu, don’t give up at any time.

“Like you, I never believe that Brother Mark just fell.

“You have to live well, help you, and help me, keep on waiting.”

“Trust me, Brother Mark, he will definitely come back alive.”

“Qingtang’s words are determined, and there is an inexplicable light in her beautiful eyes.
“Qingtang, what are you doing?”

“Don’t do stupid things.”

Helen Qiu’s eyes were red when she heard Qing Tan’s words that were almost a last word.

Even if it is not a strong master, it is also a strong half with one foot in the master.

Before that, Qingtan thought that the trouble this time was just ordinary business competition.

But now it seems that it is by no means that simple.

The other party, obviously came prepared!

“Go!” “Go to Gritsberg and find Miss Xu Leixu.”

“Also, Sister Qiu, don’t give up at any time.”

“I am like you, and I never believe it. , Brother Mark has fallen like this.”

“You have to live well, help you, and help me, and continue to wait.”

Chapter 2052

"Sister Qiu, leave me alone, let's go~" After finishing speaking, Qingtan pushed Helen Qiu away.

Turn around and fight with the old man.

"Helen, let's go quickly now!" Susie had already gotten up from the ground at this time, and she pulled Helen Qiu and ran down the mountain.

"Stop them!" Lu Mingfeng had noticed Helen Qiu's movements long ago, and when he saw that they were going to leave, he immediately ordered.

A dozen men behind him rushed towards the direction where Susie had fled.

Seeing that Helen Qiu and the two were deeply encircled and desperate, a large number of people rushed up under Yunding Mountain.

“Miss Qiu, I’m Jinbao~” “I Yinbao, taking the life of the second master, come to save you!” Under the mountain, two brothers Jinbao and Yinbao took the lead. Behind them, Ericson sent to meet Helen Qiu. Home bodyguard.

“Miss Qiu, you go quickly.”

“Here, we are blocking~” Soon, the two parties have become one.

Susie also took the opportunity to drag Helen Qiu to continue running down the mountain.

“Ciao!” “This damn second Li.”

“After stepping out of the Mufan Group, I will take care of him next.”

Seeing the duck flying like this, Lu Mingfeng was furious and gritted his teeth. .

But Xu Shaohua was not angry at all.

“Mingfeng, why get angry?” “Don’t worry, there is Lao Wei, they can’t run away.”

Xu Shaohua smiled lightly.

Bang~ At this time, there was a loud bang.

Qingtian suddenly confronted the old man surnamed Wei, and there was no stalemate at all. Qingtian’s whole body was directly shaken out.

Wei Lao stepped on the ground, chasing after victory.

A fluttering palm, like picking leaves through a flower, quietly sticks out.

Qingtian was shocked, and quickly avoided.

“Want to hide?” “Can you hide?” Wei Lao sneered, then turned his palm into a fist and swept away suddenly.

Boom~ There was another muffled sound, Qingtian was hit hard immediately, vomiting blood, and fell directly to the ground.

“Lao Wei, make a quick decision, don’t pester her!” “Okay, Master!” Lao Wei respectfully responded.

Immediately afterwards, he pounced on the injured Qingtian again.

“Little girl, it’s over.”

The old man smiled coldly and slapped him.

Qingtang has been unable to retreat at this time, behind it is a hundred meters gully.

In desperation, Qing Tang gritted his teeth and slapped the old man.

Pouch~ Qingtang snorted, and while the blood was pouring, the whole person was directly beaten from the top of Yunding Mountain by the old man.

The thin body, like a fallen leaf, like a horror, fell from a mountain!

“Qingtang~” Not far away, after hearing Qingtang’s painful groan, Helen Qiu turned and looked around and saw that the girl who had been with her for months and was guarding her next to her, just like this, from Yunding Falling down from the top of the mountain.

Tears burst into his eyes.

She was in tears, she cried, and desperately ran towards the direction where Qingtang fell.

“Miss Qiu, I’ve said it a long time ago.”

“Mr. Chu’s era is over.”

“Now our two brothers are the masters of Noifork!” “No matter how you struggle, it won’t help at all.”

Yes, just grab it with your hands.”

Looking at the desperate and crying woman, Lu Mingfeng and Lu Mingfeng stood on the top of Yunding Mountain, standing with their hands holding hands, sneered.

The high voice is full of contempt and arrogance.

Om~ However, just when Lu Mingfeng was arrogant and wanton, there was a sudden roar under Yunding Mountain.

Just like the roar of a wild beast, but also like the howl of a tiger.

The Helen light, like a sword, tears through the darkness.

Under the sky, I saw a large number of luxury cars, like ghosts and ghosts, smashing through the sky, piercing the void, and leaping towards the Yunding Mountain Villa.

“This.... This is...”
