## Chapter 2053

Both Lu Mingfeng were polite, and in front of Xu Lei, it was the two of them who could not show the slightest arrogance and majesty.

After all, among Gritsberg, Xu Lei is one of the few, so they two admire and respect their peers.

Although the Xu family ranked last among the four giants.

But now, since Xu Lei came to power, in just one year, the Xu family's industry has grown rapidly, and the three new nobles of Gritsberg have been annexed by it and bowed to the Xu family.

Today's Xu family is flourishing in Gritsberg.

It can be said that the Xu family is the only king in the Gritsberg business community!

In terms of wealth, the Lu family and the Xu family together are hardly comparable.

However, money is only a kind of power.

The Lu family and Xu family were able to gain a foothold in Yenching, not money.

Rather, the monstrous connections and power in both military and political circles.

Therefore, if you really want to compare the background, the Xu family still cannot be compared with the Lu and Xu family.

However, the Xu family is ultimately one of the four giants, and Xu Lei is the head of the Xu family. As for Lu Mingfeng and Xu Shaohua, they are just two cynical noble sons, and they have little real power in the family.

Therefore, I was very polite when I saw the Patriarch of the Xu family.

But Xu Lei ignored them, and walked past them blankly, before getting into the car with Helen Qiu.

But Elder Wei blocked them.

“What?” “You want to stop me?” “You have to think clearly, it is the Lu Family Patriarch Lu Jun who is here. If you want to stop me, you have to weigh the consequences.”

The cold words were endless. The majesty.

At the top of Yunding Mountain, echoes for a long time.

“Mingfeng, what should I do?” Xu Shaohua lost his heart, and immediately looked at his brother Lu Mingfeng.

After all, this person is the head of the Xu family.

Whenever they are replaced by other members of the Xu family, Xu Shaohua and the others are not afraid at all because of their background and identity.

However, Xu Lei’s identity as the head of the Xu family had to make them jealous.

After all, if Xu Lei is anxious, she might go crazy.

In case of trouble for the family, Lu Mingfeng feels that his father still has to kill himself?

“Forget it, let her go.”

Lu Mingfeng retreated after all.

Xu Shaohua also nodded, beckoned, letting Wei retreat.

“Patriarch Xu Lei, I will spare them because of your face this time.”

“However, I hope you can take good care of her.”

“If one day, this Helen Qiu will return to Noirfork again and again without a trace. In my hand, don’t blame me Lu Mingfeng for not giving face to the Master Xu.”

Lu Mingfeng smiled but did not smile, and there was a threat in his words.

Xu Lei also looked back at him and replied coldly: “I also remind you a few words.”

“This Noirfork land is not something anyone can get involved.”

“If you still want to live a few more years, I advise you early Stop it.”

“Otherwise, when he comes back, your end will be extremely miserable.”

“Before you come, you should have checked the methods of my Mark brother?” Xu Lei smiled suddenly.

The dazzling smile contained endless feelings and coldness.

In this way, at the last moment, Xu Lei descended to Noirfork and brought Helen Qiu back to Gritsberg.

Of course, before leaving, Xu Lei also took Qingtan, who was seriously injured, into the car.
