

Chapter 2061: Take Them Away

Shao Fucheng did not refuse the task. "Then I'll skip the competition as well. I'll get some people to investigate this."

Shao Fucheng did not care about the competition because Lu Xingzhi was not going to compete, so he did not have a challenger.

Shao Fucheng caught Lu Xingzhi's attention, and his opinion of him increased slightly.

However, the thoughts in his heart could not reflect the expression on his face. Lu Xingzhi did not care about anything else. He asked, "Is that child still with the Ye family? I want to see him."

If it were not for the fact that he was in front of the chief, Lu Xingzhi would have called the kid a little b*stard.

However, the person Lu Xingzhi wanted to see was not in the army base. When he returned, Colonel Ye and his wife had taken the child to the hospital. They knew the seriousness of that matter. Therefore, they took the child to the hospital to apologize to Jiang Yao. Please support our website and read on FreeWebNovel.com

Lu Xingzhi had only left for about half an hour before the family of three arrived.

Jiang Yao was still talking to Mrs. Jiang and enjoying their company. She was in a good mood. At that moment, Colonel Ye pushed the door open and walked into the room.

Colonel Ye did not immediately bring his wife and child with him. For the time being, he went in alone.

He did not ask questions when he realized that Lu Xingzhi was not in the ward.

Then, he walked toward the bed with some items in tow.

"Doctor Jiang."

Colonel Ye thought about it and addressed Jiang Yao that way. He would use another term of endearment if they were closer as neighbors. However, their relationship had spoiled, so he could not address her as such.

"Here are some snacks for you."

Colonel Ye handed her the things in his hand, "Are you feeling better? I heard that your baby is alright. That's good. What happened yesterday was my child's fault. I'm really glad that you and your baby are fine. Otherwise, I don't even know what I'd do to compensate you and Colonel Lu."

"Take that away."

...

Jiang Yao's face darkened. "Did I owe your family, and now you and your family are here to collect? First, your daughter slandered me. She wanted to break up Lu Xingzhi and me. She wanted us to get a divorce. Then, your youngest son tried to harm my baby and me. I don't want anything from you. I cherish my life. Those things might harm me."

It had only been one night. Jiang Yao's anger toward the Ye family had not diminished.

Her child's life was so worthless? Words and some cheap snacks were enough as compensation?

She did not care about that. Her child did not care about that either.

"Doctor Jiang, I know that you were hurt in this incident. We failed to educate our children." Jiang Yao's poor attitude did not surprise Colonel Ye. His last encounter with Jiang Yao did not go well. The situation was far more terrible than it had been when Ye Xueli had provoked her. He had expected Jiang Yao to chase him away.

However...

"But Doctor Jiang, this matter has already happened." I can only apologize. I am very sorry. My son is still young. He is ignorant, and he only wanted to play a prank on you. I didn't know this would become such a big issue. My son didn't do it on purpose. I hope you can forgive me. After all, he's only six years old," Colonel Ye said.

"Why do I care if he's six or sixty years old?"

Jiang Yao asked coldly, "He didn't do it on purpose? Maybe you think so. However, Xiao Shan saw him do it deliberately. He pushed me and then made a face at Xiao Shan. He was very proud of himself.."

Chapter 2062: I Pretended To Faint

Jiang Yao sneered, "He's young? Is that an excuse for him to harm someone else? He's only six years old, but he's already hurting other people as he wishes. Who gave him the right? The country? Or the law? Did you tell him he could hurt other people? If I died, would you still say that he is young and insensible? That he didn't do it on purpose? Should we look up from the underworld and tell you it's fine? And we forgive you?"

"Colonel Ye, I will never forgive your son, even if he is only six years old, not even if he is only six months old!"

Jiang Yao said sternly, "Get out! I don't want to see you."

"Doctor Jiang, I understand your feelings, but you and your baby are fine, right?"

Colonel Ye frowned. "I also came to apologize sincerely. My son and my wife are waiting at the door. I'll tell him to kneel and ask for your forgiveness." Please support our website and read on FreeWebNovel.com

Colonel Ye did not wait for Jiang Yao to speak; he shouted at the door, "Come in."

Then, his wife brought the timid six-year-old chubby boy into the room. Colonel Ye immediately pulled his son. "Kneel and apologize to Auntie Jiang!

Ask her to forgive you! "

Then, Colonel Ye pressed his son to kneel before Jiang Yao's bed.

Jiang Yao was so angry that she gritted her teeth. Was Colonel Ye shameless enough to force her?

'Fine! That's good!'

Did he want to force her to forgive him so that he could tell everyone in the army base that she had already forgiven his son? Did he do that so that everyone would stop blaming his son?

Jiang Yao pointed at Colonel Ye as she trembled. "All of you, get out!" She was so angry that her fingers were shaking. Then, she fainted.

Mr. Lu, Mrs. Lu, and the others were watching from the side, wanting to let Jiang Yao handle the matter. Colonel Ye's actions made them angry, but they did not expect to see Jiang Yao pass out before Colonel Ye left.

"Get out! Get out! You didn't kill her, but you've made her pass out! Get out! Get out!" Mrs. Jiang was so angry that she was crying. She went forward and pushed Colonel Ye out of the room.

The six-year-old child was stunned for a few seconds before crying out loud. Mrs. Jiang did not show him any mercy; she dragged the child out with her. Mr. Lu, Mrs. Lu, and Mr. Jiang guarded the door with Mrs. Jiang. "All of you, leave!"

...

Then Mrs. Lu hurriedly called for the doctor. "Doctor! Doctor! My daughter-in-law has fainted! "

Mr. Lu called for a nurse passing by and said, "Don't let those people near my daughter-in-law's room. She fainted because of them! If I see them near my daughter-in-law's room again, I'll call the police!"

The nurse quickly dragged Colonel Ye and his family away when she heard that. When those three people left, Jiang Yao opened her eyes and called out to the people standing at the door.

"Dad, Mom, I'm fine. I pretended to faint just now!" Jiang Yao's tone was unlike a person who had just fainted moments ago. "Colonel Ye is too infuriating. He made his son kneel and beg for my forgiveness. He thought that he could force me to forgive him. I'll just faint if he continues to force me to do that. I'll make his crime worse!"

They almost caused her to have a miscarriage, and she even ended up in the hospital. Then, they made her faint from anger. Jiang Yao wanted to see how Colonel Ye would explain to others what he had done after he returned to the army base..
