

## Chapter 2061

On the winding road in Nishitama County, western suburbs of Tokyo.

Several people in black were looking down at the place where Warnia had fallen from the cliff. From a distance, they saw a fire burning below. One of them whispered: "Now, the person in the car should be dead, right?"

Another person sneered and said, "Falling down so high, and adding a big fire to it, if she is not dead, I will chop off my head and give it to you."

The man smiled and said, "In this case, you can return to Mr. Hashimoto."

The people around nodded and said, "Hurry up and clean up the scene first. All the impact debris, glass slag, and tire friction marks on the ground must be removed to ensure that no one sees an accident here after dawn."

"OK!"

Several people in black immediately began to clean the scene.

The leader took out his cell phone and called Hashimoto, and reported: "Mr. Hashimoto, things have basically been settled. We will withdraw after cleaning the scene."

Hashimoto asked, "Is the person dead? Have you confirmed the body?"

The man smiled and said, "It's impossible to confirm the corpse. This cliff is several hundred meters high. Even if the Amaterasu fell from here, he would probably be finished."

Hashimoto slapped his lips: "I don't see the corpse with my own eyes, I'm still a little unsure."

The man said, "Mr. Hashimoto, people have already rolled down the cliff with the car, and I saw from above that the car has burned up. With this fire, Amaterasu must be turned into ashes inside. I can say this with ten thousand hearts."

Hashimoto couldn't help complaining: "Why do you always make fun of Amaterasu? Don't you have any sense of awe in your heart?"

The man curled his lips and smiled on the phone: "Fear a sh!t, I am a man who commits many crimes. If there is a great god, I am afraid that I would have been killed long ago. I can live and continue to commit crimes. There is no god in this world!"

Hashimoto said helplessly: "It's OK, I won't tell you, as long as you are sure that the person is dead, I will definitely trust you 100%."

The man hummed and said, "Okay, the balance will be sent to my house at that time. Remember, I want the old banknotes with or without serial numbers."

Hashimoto said quickly: "No problem, I'll deliver it to you early tomorrow morning!"

"Okay, then I'll hang up first!"

.....

In the valley at this time.

Warnia is still struggling to walk through.

She doesn't know where she is or where she can get out of the mountain, but she is thinking very simple now, she must go a little farther before climbing up the valley, otherwise, if she climbs up and is hit by the other party, then she is really doomed.

What made her feel very miraculous was that in the past ten minutes, her physical condition was getting better and better.

Not only did she lose all the pain from the injury, but her body didn't even seem to have been seriously injured.

And now she can feel that there is still very powerful energy in her body, which is constantly being transmitted to her body, making her feel better and better, and she even feels that her body is full of inexhaustible power.

## **Chapter 2062**

She thought to herself: "This strength must be derived from the magical medicine that Master gave me... He gave me that medicine so that I could keep it with me at any time. In case of emergency, I didn't expect this medicine to really save my life at the critical moment!"

Thinking of Charlie, Warnia felt that her spiritual level was also inspired by unprecedented levels.

She kept encouraging herself in her heart: "Since Master gave me a chance to live, then I must live back to Aurous Hill!"

.....

Aurous Hill.

The ancient capital of the Six Dynasties.

Although it is not as prosperous as Eastcliff and Zhonghai, nor as affluent as the new first-tier cities in the south, it has its own charm and heritage after all.

People who live here love this land and this river.

Just when Warnia vowed to return to Aurous Hill alive, a private jet at Aurous Hill Airport had slowly reached the end of the runway.

This is the private jet of the Song family, which can accommodate more than twenty people and has a separate bedroom.

Honor at this time, lying on the bed in the separate bedroom, holding a glass of red wine, smiling at the corner of his mouth.

Hashimoto just called him and told him: "Mr. Song, the business car that Lingmei was riding in fell to the bottom of the valley from a cliff several hundred meters high in Nishitama County. The vehicle ignited spontaneously. One-tenth of it was turned into ashes!"

Honor smiled sullenly: "Okay! Great! I've waited for this day. I have been waiting for a long time. Today I can get what I want. Thanks to Mr. Hashimoto's help."

Hashimoto laughed: "Mr. Song, we will work together in the future, making more money is the most important thing!"

Honor said with a smile: "Mr. Hashimoto, please rest assured that we will work together in the future, and I will not be less of the money that should be given to you."

Hashimoto said: "Then, when Mr. Song arrives in Japan, we will enjoy the wine and talk!"

Honor sighed and said, "Oh! This time I come to Japan mainly to behave for the old man. Although the old man is old, his mind is very clear. If I behave a little bit wrongly, he will definitely notice that, so I will come to Japan this time to avoid suspicion, it is better not to meet each other."

Hashimoto asked first: "Mr. Song, when shall we sign the contract?"

Honor said: "When I bring my sister's body or ashes back to Aurous Hill and finish her funeral, I will choose an opportunity to sign with Mr. Hashimoto!"

Hashimoto smiled wryly and said, "Haha, this is no problem. Mr. Song must be very painful to lose his loved one, so let's wait for the sake of drinking and talking!"

Honor also smiled and said, "Yeah, my agile and capable sister died so miserably. I really feel pain in my heart, hahahaha!"

Having said that, he said with some regret: "If that old thing didn't pass on the position of the head of the house to my sister and let her be at ease by my side to assist me, I would not have killed her today."

Speaking of this, Honor flashed a sullen look in his eyes, and said coldly: "To blame, I blame the old thing for standing her on my way! Anyone who stands in my way must die!"

Hashimoto said first: "Mr. Song, what if the old guy wants to regain his position as the head of the house? Or, when we sign the contract, he doesn't agree to the cooperation terms we have set, what should we do?"

Honor smiled sullenly and said faintly: "Don't worry, Mr. Hashimoto, none of this you worry about will happen. I will find an opportunity to let him reunite with his beloved granddaughter. No one can stop me from becoming Patriarch of the Song Family!"

## **Chapter 2063**

The strength of the Ito family in Tokyo is now basically unmatched.

In addition, this was the first time Charlie spoke and asked Nanako for help, so she attached great importance to this and almost sent out the entire Ito family.

Tens of thousands of people searched intensively in Tokyo, and they soon followed the vines and traced Warnia's trajectory to the mountain crossing in Nishitama County.

As Warnia's road up the mountain usually has very little traffic, there is no surveillance video on this road.

After learning that the clue was interrupted at the foot of Nishitama County, the smart and astute Nanako almost immediately realized that Warnia's accident must be on the mountain road in Nishitama County.

Not only is it sparsely populated, but the road is also very high. If someone deliberately harms Warnia, doing it here is indeed a perfect choice.

Therefore, Nanako Ito immediately halted the large-scale search and announced that a heavy prize of 100 million yen would be awarded to the first team to find a clue in Nishitama County.

After that, she immediately arranged for the ninjas of the Ito family to go to the deep mountains of Nishitama County and let them sneak among them to find clues.

At the same time, Charlie, who was in Aurous Hill, couldn't sit still.

At this time, he was pacing back and forth in the living room, thinking to himself: "From Warnia's voice, she must have encountered an unusual danger, and it is very likely that someone is deliberately harming her, even, it is very likely that she has encountered an accident now..."

"After all, she is just a weak woman. Even facing an adult male alone, she can't have any chance of winning. What's more, she is in a foreign country at the moment. Apart from a few assistants, she has no one to rely on. , I'm afraid for such a situation she is more ill-prepared..."

Thinking of this, Charlie felt a throb in his heart.

For Warnia, he naturally has a strong affection in his heart.

This is not because Charlie is half-hearted, but because a girl like Warnia is really too rare, so as long as he is a normal man, after getting along with her, he will have a good impression of her.

She is beautiful, gentle, intellectual, generous, and more importantly, she is sincere to others. Even from the perspective of ordinary friends, she will worry about them when someone is in danger.

What's more, Charlie was lucky enough to get her heart and first kiss, so he was even more worried when she was in danger.

It's a pity that she is in Tokyo, and even if he has the ability to reach the sky, it is impossible to rush to her to rescue her immediately.

Therefore, he can only pray in his heart for Warnia's good life, and at the same time pray in his heart: "Warnia, I hope you will always listen to me and carry the pill that I gave you close to your body. If you have it. Maybe, it can save your life..."

Half an hour passed.

Nanako called Charlie back, and said: "Master, the people I sent out chased all the way to Nishitama County in the western suburbs of Tokyo. The car that Miss Song was riding on went up the mountain there. The surveillance video is no longer visible. , So I suspect that Miss Song should have something wrong in the mountains. I have now sent the best ninjas to search the mountains. If there is any news, I will notify you as soon as possible!"

Charlie was even more worried when he heard Nanako said that.

In the voice just now, there was a sound of impact and friction. He thought it was just a car accident, but as soon as he heard that it was in the mountains, he immediately felt that Warnia's chances of surviving were a little bit smaller!

#### **Chapter 2064**

No matter which country you are in, mountain roads are much more dangerous than ordinary roads.

In a car accident on a mountain road, the most feared thing is falling off a cliff. Once you roll and fall from a 100-meter-high cliff, the chance of surviving is very small.

In the rally race, the car running on the mountain must be equipped with a very strong roll cage. Only in this way can it be ensured that the cab will not be deformed when the car rolls or falls at high speed, thereby protecting the safety of the driver.

However, ordinary civilian cars, even a Rolls-Royce of 10 million, do not have such a thing as a roll cage, so once they fall from a cliff, the Rolls-Royce will fall into a pile of scrap iron!

Thinking of this, Charlie hurriedly said to Nanako: "Nanako, I beg you for one thing. You must let your ninja find Warnia's whereabouts as soon as possible. As long as she still has a trace of breath, she will also be brought out of the mountain. Take her to the hospital, wait for me to come!"

Nanako hurriedly asked, "Master, are you coming to Japan?"

"Yes!" Charlie said decisively: "I will pass now!"

Nanako jumped for joy!

"Master is coming to Japan! Then I can see Master again!"

But after a while, Nanako felt jealous again in her heart: "Master is coming to Japan for that Miss Song, not for me... Why is he so nervous about that Miss Song? Is she his confidante?"

Although Nanako's heart is a little sour, she has a very strong view of the overall situation. She quickly put all these thoughts behind her mind and blurted out: "Master, I will arrange for a helicopter to wait for you at Tokyo Narita Airport now!"

"If I find Miss Song's whereabouts while Master coming to Japan, then I will send her to the best hospital immediately, and after you land, I will take you to the hospital by helicopter to see her."

"If you arrives in Japan, and I haven't found Miss Song's whereabouts, then I will let the helicopter take you to Nishidamo County, and I will accompany you to search!"

Seeing Nanako arranged things so thoughtfully, Charlie said gratefully: "OK, Nanako! Thank you so much!"

Nanako hurriedly said: "Master and Nanako don't have to be so polite. My life was saved by you. What a trivial matter this is."

Charlie felt a little more relieved, and said: “Nanako, first arrange a helicopter to wait for me at Narita Airport, and I will fly straight over there!”

“Okay Master!”

Charlie hung up the phone, and he immediately called Issac. Upon the call, Charlie immediately ordered: “Mr. Craven, arrange the plane to prepare for take-off, and then send a helicopter to pick me up. I have to go to Tokyo as soon as possible!”

Issac was shocked and said: “Master, it’s so late, why are you going to Tokyo suddenly?”

Charlie blurted out: “Warnia had an accident in Tokyo, life or death is uncertain, I must rush over as soon as possible!”

“Miss Song’s accident?!” When Issac heard this, he knew that Charlie must be very anxious at the moment, so he immediately said, “Master, I will make arrangements immediately. It is 11 o’clock in the evening. When I get to you, I will pick you up and fly to the airport for almost 20 minutes. Counting up and down time, I will arrive at the airport at about 11:40!”

“I let the plane wait for you at the end of the runway. You get off the helicopter and board the plane immediately and take off immediately. At the same time, you fly to Tokyo at maximum speed. It is expected to arrive at 2 o’clock in the morning at Eastcliff time, which is 3 o’clock in the morning Tokyo time!

## **Chapter 2065**

Deep in the mountains of Nishitama County.

Warnia was still carefully walking through the valley slowly.

Although it is winter, the valley is dense with evergreen plants such as pines and cypresses.

Moreover, in this gloomy, cold valley, there is no trace of human visits at all, so there is not even a small intestine path.

So walking in such a place is extremely difficult.

Not to mention female streamers like Warnia, even experts who are good at expedition crossing can hardly increase their speed.

Fortunately, it’s the cold winter season. Warnia’s clothes are thicker, her upper body is a thick cashmere windbreaker, her body is a black mid-skirt with black corset leggings, and a pair of black leather boots, so she won’t be exposed to dense pine needles and dryness. The branches and leaves are hurt.

At this moment she has adapted to the darkness at the bottom of the valley. She could have used a mobile phone with a broken screen to illuminate the surrounding environment, and walking like that would save some effort.

However, she was afraid that the people who wanted to murder her would not give up, and they might still be searching for her whereabouts, so she did not dare to turn the mobile flash on.

Occasionally, she wants to see if the phone has a signal. She also hides the phone in a windbreaker and completely wraps her head and mobile phone in the windbreaker for fear of leaking light.

After groping for two or three hours in the valley, Warnia was still very physically strong, but her hands and face were repeatedly scratched by the branches and leaves of the trees. It was already covered with tiny red marks, and some even had bloodshot eyes.

But at this time Warnia could not care about the pain at all. Her only thought was to grit her teeth and walk out of the mountain to live.

.....

At this time, Honor's special plane landed at Tokyo Airport first.

As soon as he landed, he went straight to the TMPD without hesitation.

He had already thought about it, this time coming to Tokyo is nothing more than to behave for the old man.

When he finds Warnia's body, he first will express some grief, and then hand the matter to the TMPD for investigation, and he could bring Warnia's body or ashes back to Aurous Hill for a funeral.

On the way to the TMPD, Honor received a call from the United States.

He pressed the answer button and heard the voice of his father Tianming Song from the other end of the phone.

"Hey, honor, is it convenient for you to speak now?"

Honor gave a hum, and said lightly: "My confidants are all around me, dad, don't worry."

Tianming asked, "Are you in Tokyo?"

"Yes Dad, I'm here."

## **Chapter 2066**

Tianming asked again: "How is Hashimoto doing things? Is it pretty?"

Honor sneered and said, "It should be pretty. According to him, the car rolled down from a cliff of several hundred meters and burned into a pile of scrap iron. It is estimated that the people inside are all burnt to coke."

Tianming said with satisfaction: "That's good, that's good!"

After that, he asked again: "By the way, before you came, did your grandfather doubt anything?"

Honor said: "He shouldn't, but I'm not sure if he will doubt it in the future."

Tianming sneered and said, "It's okay, he has nothing to do later."

Honor was overjoyed and hurriedly asked: "Dad, are you going to do something with Grandpa?"

Tianming said, "No, it can't be so fast."

Honor said with a worried expression: "Dad, don't forget that when the old guy passed the position of Patriarch to Warnia, he said in public that as long as Warnia has no descendants, he must be the Patriarch of the Song family. Let Charlie inherit, and if we don't quickly get rid of the old guy, don't we mean making Charlie wedding dresses?!"

Tianming said: "If we start with the old guy now, then all of this will be too obvious. Warnia dies in a foreign land before, and the old man dies in Aurous Hill later. Even if we don't leave any evidence, the outside world will think this is something. We did it!"

Honor asked nervously: "Then what?! Can't you really wait for the old thing to invite Charlie into the Song family? In that case, we are all over! We are definitely not Charlie's opponent!"

Tianming said: "Don't worry about this. I have asked people to engage in a batch of neurological drugs used by U.S. agents. In the early stage after taking the drugs, they will be extremely obedient. Then the old guys will do what we say. At that time, we will directly let the old guy announce the abolition of the previous verbal agreement, and then announce that I will take over as the head of the family."

Honor asked: "You just said that the drug can make the other party obey in the early stage. What about the middle and late stages? Will the drug fail?"

"No." Tianming sneered: "After taking this medicine for a period of time, it can irreversibly destroy a person's brain. Not only can it not be cured forever, but it can't be found at all. The apparent symptoms are no different from Alzheimer's. At that time, we can say that the old guy was irritated by Warnia's death, so he has dementia.

Anyway, I would have become the head of the family and let him become dementia, which is good for us.

Honor smiled excitedly: "Dad! Your trick is really wonderful! Then we will raise the old thing as a mascot, and just arrange a few people to take care of him eating and drinking!"

"Yeah!" Tianming smiled sullenly, and said: "The old man called me just now, and asked me to come back as soon as possible. The medicines have been brought in through special channels. When Warnia's funeral is over, I will find opportunities to feed him!"

Honor remembered something, and said, "Dad, the old guy still has a rejuvenating pill! Warnia got it from Charlie on her birthday and gave it to him. In case he takes that rejuvenating pill, everything will return to normal. What should we do? We may be in big trouble then!"

Tianming said coldly: "Honor, don't be afraid! This matter, there is no turning back when you open the bow! For the Song family's 200 billion assets, we must walk to the dark one by one, and the gods block and kill the gods and the Buddhas block to kill Buddhas!"

After all, Tianming said again: "In addition, if the Rejuvenation Pill can really reverse his brain damage, I will find a chance to give him some medicine, as long as we don't reveal that we killed Warnia, don't reveal that we gave him. Once the old guy takes the medicine, no one will doubt us."

After a pause, Tianming sneered and said, "Besides, what if they suspect it? Warnia is not killed directly by us. Who can convict us? All things must be evidence!"

Honor said: "You are right, as long as there is no evidence that we are behind the scenes, no one can help!"

Tianming coldly snorted: "The blame for this matter is that the old man is too partial! If the family is born and handed over to a female generation, he really treats me as a dish! This time, we will take the whole Take it back from the Song family! I am the son of the Song family and you are the grandson of the Song family. The Song family should have been ours!"

## **Chapter 2067**

When Charlie left home, Claire was still soaking in the hot springs.

She didn't know that her husband left from the hot spring in a bathrobe and said to get a drink. He had already taken a helicopter to the airport and then flew to Japan.

She waited and couldn't wait for Charlie anymore. After coming out of the hot spring, she didn't see his shadow in the living room, and she couldn't help but wonder.

She picked up the phone and called Charlie, but it turned out that the phone was turned off.

This made her even more puzzled. When she returned to the bedroom, she didn't find Charlie's shadow, only a note that he left for her on the bedside table.

There was a line written on the note: "My wife, a friend is in danger, I will rush to save."

After Claire finished reading it, she was shocked: "Save people?! Could it be that something terrible has happened?!"

Thinking of this, she hurriedly sent a voice to Charlie: "Husband, where did you go? What happened? Anyway, you must pay attention to safety!"

.....

Tokyo, Japan.

The ninja of the Ito family took a helicopter and rushed to the mountainous area of Nishitama County in the shortest time.

Afterwards, the helicopter landed a few kilometers away from the foot of the mountain, and ten ninjas dressed in black filed out and rushed towards the mountain.

The reason why the helicopter was not allowed to fly directly in was because Nanako was afraid of throwing grass.

She is similar to Charlie's opinion. Warnia is likely to be murdered. So if you let them go in a helicopter to search with great fanfare, if Warnia is not dead, her people will disturb the other party again, which will cause more trouble.

However, the mountains in Nishitama County stretch for hundreds of kilometers, and the winding road alone is tens of kilometers long, so they can only hide in the dark and walk along the winding road to search for clues.

Fortunately, there were more ninjas dispatched by the Ito family this time, and ten ninjas came out, starting from the entrance to the mountain to inspect all the clues.

While they were searching, Nanako also took a helicopter from home to Narita Airport.

Two o'clock in the morning Tokyo time.

Since Honor went to the TMPD to report to the police, a large number of police officers have been ordered to set off to search for Warnia's whereabouts.

To the director of the TMPD, the news of Warnia's disappearance in Tokyo was like a nightmare.

A few days ago, an unprecedented war broke out in the city. Various assassinations emerged one after another. Many wealthy and powerful people died in a series of violent incidents, and even shocked the whole world.

Not only has the world laughed at Tokyo's public security issues, but it has also made the TMPD lose face in front of the world.

Finally, it was restored as before, and public order was approaching peace, but who would have thought that another well-known foreign entrepreneur lost contact in Tokyo!

The Song Group has a total market value of nearly 200 billion RMB. As the chairman of the Song Group, Warnia Song is a proper business elite no matter where she goes to any country.

But it was this business elite who lost contact in Tokyo, and according to reports from her family, it was probably an accident!

The director of the TMPD felt like a man on his back. If Warnia really died in Tokyo, then Tokyo would not ask for it anymore!

So he immediately rushed to the TMPD to supervise the battle and sent thousands of police officers to search for Warnia's whereabouts.

As the members of the Ito family, the TMPD also used surveillance video to trace all clues before Warnia's disappearance.

Moreover, the TMPD could directly access all the surveillance cameras in Tokyo, so they quickly found relevant clues and locked Warnia's accident to Nishitama County.

## **Chapter 2068**

The police officers of the TMPD don't care about anything.

They directly sent hundreds of police officers to drive to Nishitama County, intending to block all the roads into and out of the mountains. At the same time, the TMPD also sent six police helicopters to the mountains of Nishitama County in order to find Warnia's whereabouts as soon as possible.

Nanako quickly got the news, so she immediately ordered the ninjas she sent out to keep low-key and try not to have any direct contact with the TMPD.

Tokyo time, half-past two in the morning.

The ninja of the Ito family, after passing through several mountains, smelled of burnt near the incident that had been cleaned up by the murderer.

Then, with this smell, they found the valley all the way down.

Along the way, they found the body of Warnia's assistant Swallow who was thrown out of the car. It was broken and horrible.

They immediately passed the news to Nanako. Nanako was shocked and immediately ordered them: "Check if the face is recognizable, and then search the Internet for Warnia's photos to see if it is the same person!"

After the ninja identified the body, he said to Nanako: "Miss, this corpse shouldn't belong to Miss Song. Let's continue searching!"

Nanako breathed a sigh of relief and hurriedly said, "Go down and take a look!"

The ninja said: "Miss, I have something to tell you."

Nanako hurriedly said, "Okay, you say."

The leading ninja said: "This cliff, at least a few hundred meters in height, we have only just reached halfway down. From the body of the female corpse just now, it can be seen that when the vehicle rolled and fell, it received a huge impact and the huge inertia generated by the roll. , So the people inside will probably not survive."

"Moreover, the more we go down, the more we can smell the scorching smell of burn, which proves that the vehicle spontaneously ignited after falling to the bottom of the valley, so the possibility of surviving is even smaller. Even the top ninja, in this case, I am afraid. It's hard to get out..."

Nanako felt tight and hurriedly said, "I see, you go down to see the situation first, and report to me in time!"

The headed ninja said: "Miss, our mobile phone signal is very unstable now. If we go further down, we may not find any signal. We may temporarily lose contact for a while. Don't worry. Once we find a clue, We will climb up immediately and report back to you!"

Nanako said immediately: "Okay! Go and see what's going on. If you find Miss Song's body, tell me immediately, if you can't find the body, then Miss Song is likely to be alive and around. Search hard!"

"OK, lady, going down now!"

Immediately, ten ninjas jumped down quickly like parkour masters.

This group of people still have excellent eyesight in the middle of the night, and they are very quick to reach out. On the steep cliffs and slopes, they can still find their footing safely, quickly and accurately, and they will soon reach the bottom of the valley inch by inch.

At the bottom of the valley at this time, Warnia's commercial vehicle had already burned out.

A winter's snow accumulated in the valley ensured that the fuel leaked from commercial vehicles did not cause a mountain fire, but even so, the snow that burned while burning still gathered into a creek below.

There were two charred corpses in the commercial vehicle that had been burned into a pile of scrap iron.

The corpse had almost turned into carbon dust, and black carbon chips would fall as soon as the wind blows. If you touch it with your hands, it is likely to turn into a mass of black dust.

Through the outline, it can be determined that there are two bodies in the car, and they are a man and a woman.

However, the female corpse was completely unidentifiable.

One of the ninjas sighed: "Boss, people are already burnt like this, and the god Amaterasu can't save him. Let's go up and find a signal to send the information."

The headed ninja was about to nod his head, and suddenly saw a trace of an anomaly on the ground through the weak light.

He immediately lay on the ground and smelled it, then touched the ground with his hand, feeling the different degrees of hardness in different places on the ground, and exclaimed: "This is a string of fresh footprints! Someone is still alive!"

## **Chapter 2069**

Tokyo time, 2:50 in the morning.

Charlie's private plane landed at Narita Airport.

He didn't take anyone along this time, and rushed to Tokyo alone.

This way, because there is only a wireless network on the plane, there is no communication network, so he has been connected to the wireless network on the plane.

He always stared at Warnia's profile picture in WeChat, looking forward to her message.

However, she never gave him any feedback.

After flying for more than two hours, Charlie was very anxious, and he became more and more uncomfortable.

He would always involuntarily imagine the worst result: If Warnia really died, what should he do?

This time he came, although he brought the Rejuvenation Pill, but although the Rejuvenation Pill is magical, it does not have the effect of bringing back the dead to life in the true sense.

If people are really gone, eating more rejuvenating pills will not help!

In the Nine Profound Heavenly Scriptures, although there are records about higher-level pill, the information is too vague, Charlie can't understand it at all, and doesn't have the ability to realize it.

Therefore, he can only pray in his heart, praying that Warnia is still alive.

Or, even if she only has the last breath, she can be saved by him!

After getting off the plane, Charlie passed through customs at the fastest speed.

Later, he saw that Nanako was already waiting at the customs exit.

Seeing him, her heart was full of joy, and she ran towards him in threes or twos, her eyes full of excitement and admiration and said: "Master, you are here..."

Charlie nodded, and asked her, "Nanako, have your people found out?"

Nanako hurriedly said: "The ninja I sent out just gave me feedback. They said that they had found the vehicle in which Miss Song was traveling. Three bodies were found at the scene, two women and one man..."

"what?!"

Charlie felt a little bit in his heart and blurted out: "Has the identity of the corpse been confirmed?"

Nanako quickly explained: "The male body is Miss Song's driver. The other two female bodies, one of which has been confirmed to be not Miss Song herself, and one female body. The co-pilot in the car has been burned beyond recognition and cannot be identified. , But because this female corpse was sitting in the co-pilot, I guess she might not be Miss Song herself."

Charlie hurriedly asked again: "Then there is no one else at the scene? If there is no one else at the scene, where did Warnia go? Could this be the same corpse that was burned?"

Nanako said again: "That's Master. My ninja told me that fresh footprints were found at the scene. Someone should have escaped before the vehicle spontaneously combusts."

Speaking, Nanako sighed: "The ninja told me that this incident was very unbelievable, because the scene was too tragic. The commercial vehicle fell from a cliff several hundred meters high and spontaneously ignited. In this case, even a ninja can hardly survive, but that person has survived and has the ability to act. It is a miracle among miracles!"

Charlie breathed a sigh of relief when he heard this!

It seems that the person who survived and escaped should be Warnia herself.

## **Chapter 2070**

Warnia must have relied on the pill that he gave her, so she was able to save her life under such treacherous conditions.

So Charlie hurriedly asked again: "Nanako, have your people found Warnia's whereabouts?"

Nanako shook her head and said, "Now they are tracking the traces left by Miss Song, but they have not found where she is, but I believe that if she is alive, they will be able to find her."

After speaking, Nanako said again: "Oh yes Master, a large number of police officers have been sent to Nishitama County to search through the TMPD. I believe they are also looking for Miss Song's

whereabouts, and they have many police officers. Helicopters are more suitable for fast and large-scale search and rescue. I believe that Miss Song's whereabouts will be found soon."

Charlie shook his head solemnly and said, "The reason why Warnia suffered from accidents, in my opinion, must be someone assaulting her. If the TMPD finds her whereabouts, it must be impossible to hide this matter from behind. I'm afraid the other party will come back then."

After that, Charlie hurriedly asked her: "Nanako, is the helicopter ready?"

Nanako nodded and said, "It's on the helipad, ready to go!"

"Okay, hurry to the place where the incident happened as soon as possible!"

.....

The helicopter soon roared from Narita Airport, traversed half of Tokyo city, and headed straight for Nishitama County.

At this time, Nishitama County, which had always been peaceful, suddenly became bustling.

Thousands of police officers and special operations team members from the TMPD swarmed in, and several police helicopters circulated the mountains with high-power searchlights.

Secretly, the ninja of the Ito family was in the valley, following the traces left by Warnia.

After all, Warnia is not a practitioner, let alone a master, so she can't hide her movement at all.

The ninja is very clever. While chasing the traces left by Warnia, he did not forget to order people to eliminate the traces left by Warnia little by little.

In this way, no one can find the clue left by her.

Even if someone from the TMPD found the completely damaged business car, they could not find her dead or alive.

In this way, it is possible to ensure that Warnia will not be discovered by others.

The TMPD was crowded with people, and there were police helicopters searching high in the sky, so it didn't take long for them to find the commercial vehicle.

Afterwards, several police helicopters drove towards the valley where the accident occurred, and twenty or thirty special forces with live ammunition came down from the helicopters.

When these special forces came, they immediately protected the scene tightly.

They checked the scene for the first time and confirmed that there were two deceased persons in the car. Then they traced the location of the commercial vehicle upwards and found the body of Warnia's assistant Swallow halfway up the mountain.

So their person in charge immediately reported to the headquarters via radio: "We have found the scene of the incident. The vehicle matches the one on the video surveillance. Three bodies were found on the scene. One of them is identified as Swallow a woman next to Warnia. The other two bodies have

been completely carbonized and can only be identified as a man and a woman, but the identity of the woman cannot be confirmed at all.”

The commander-in-chief at the scene hurriedly asked on the radio: “Are there any other clues found at the scene? You have only found three bodies now, but we found from surveillance video that when the commercial vehicle left the hotel, there were a total of four people, one of them is a driver, one of the other three is Warnia, and the other two are her assistants. It is impossible to have only three bodies!”

The person in charge of the special forces said: “It is true that only three bodies are at the scene, and judging from the tragic degree of the accident, there is no survivor, and no signs of surviving are found at the scene.”

The commander-in-chief said in a puzzled voice: “This is not right! Four people got in the car, and only three are left after the accident. Where did the other one go?”

## **Chapter 2071**

At this moment, Honor was sitting anxiously in the meeting room of the TMPD.

Since the Song Group is a well-known company with strong strength, the TMPD is very polite to Honor.

The director who rushed over from home overnight, at this time, was personally hosting Honor.

Seeing Honor’s anxious look, the director comforted: “Mr. Song, our brigade has already begun searching for your sister’s whereabouts in Nishitama County, so you don’t have to worry too much. Once there are any results and clues, I will Feedback to you as soon as possible.”

Honor sighed softly, covered his face in pain, and choked up: “Warnia is my only sister and the one I love the most. Please do your best to rescue her safely!”

The TMPD nodded and promised: “Please rest assured, Mr. Song, we will try our best to find Miss Song’s whereabouts!”

Honor said gratefully, “Thank you so much!”

At this time, someone came in outside the door and said eagerly: “Director, our people found Miss Song’s business car in the mountains of Nishitama County. The car has fallen to the bottom. They found two charred bodies in the car. Another corpse was found on the steep slope halfway up the mountain!”

When Honor heard this, his eyes reddened, and two lines of tears flowed out immediately.

He asked nervously: “Director, has Warnia suffered an accident?”

The director sighed, and said: “Mr. Song, please control your emotions...”

Honor immediately covered his face and cried bitterly: “Why...why Warnia...she is still so young...she is still so young! Why is it not me who died? !why!”

The director stepped forward, patted Honor’s shoulder lightly, and said something to comfort him. The person who came to report said again: “Director, we found through monitoring that when Miss Song was leaving the hotel, they were four people sitting in the car, including her, so the whereabouts of one person remained unknown.”

Honor immediately raised his face and asked dumbfounded: "What did you say?! Another person is missing?!"

"Yes!" The person hurriedly said: "Four people got in the car, and there were only three bodies. The other person has not found any clues, and we highly suspect that the missing person is Miss Song!"

"What?!" Honor was extremely nervous, and blurted out: "Is there any evidence that the missing person is my sister? Have you confirmed who was the corpse who fell to death halfway up the mountain? In addition, in the car. Is there her in the two charred bodies?"

The person explained: "This is Mr. Song. The corpse halfway up the mountain has been confirmed. It is Miss Song's assistant Swallow. As for the two charred corpses, we carefully compared them through high-definition cameras. The order of seating when leaving the hotel, the only male is the driver sitting in the driving seat, and the co-pilot sitting in the passenger seat was one of Miss Song's assistants. When Miss Song got in the car, assistant Swallow sat in the back row together."

Speaking of this, the person continued: "So, it can be seen that the scorched body on the co-pilot should not be Miss Song, unless she exchanged places on the way, but we think this possibility is minimal."

The director reasoned at this time: "It has been confirmed that Swallow's body has been found. The other two corpses are most likely not her. So, Miss Song is very likely to be alive!"

When Honor heard this, his whole person almost collapsed!

Deep in his heart, he nervously slandered: "What's going on?! What is going on?! Why is Warnia still alive?! The people near Hashimoto are not sure and confident, Warnia has already rolled off with people and cars. Why would she be missing?!"

## **Chapter 2072**

So he hurriedly stood up and blurted out and asked: "Have you found the whereabouts of my sister? Or have you found any valuable clues?!"

The person who came to report shook his head and said: "Now things are a bit tricky, and there are some inconsistencies. No trace of Miss Song was found on the scene, and no trace of life was found, but we did not find anything about Miss Song. A clue whether she got off the car early, so everything is still unknown now."

Honor's heart was already a little bit scared at this time: "If Warnia dies, everything will be resolved easily. Even if the TMPD finds that she died of murder, I have nothing to worry about. Anyway, it's not me. It's almost impossible to be discovered if they move their hands. At that time, the TMPD can continue to trace the clues. I will take Warnia's body back to have the funeral, and then take care of the old thing. The Song family is my father's and mine. That's it."

"But, if Warnia didn't die, then all of this would have to be abandoned! Even if Warnia didn't know that I was secretly harming her, as long as she returned to Aurous Hill alive, she would definitely become extremely alert in the future. In that case, she would be hard to get killed!"

Thinking of this, he couldn't sit still, and said, "Several people, I want to go out and get some air."

The director nodded hurriedly: "Mr. Song have some fresh air!"

Honor immediately walked out of the door, came to an empty stairwell, and dialed Hashimoto's phone number.

"Haha, Mr. Song, you should be in the TMPD now?"

Honor said coldly: "Mr. Hashimoto, people from the TMPD told me that my sister is missing! What the hell is going on?"

Hashimoto asked in surprise: "What did you say? Missing? How did she disappear?"

Honor gritted his teeth and groaned: "That's how she disappeared for no reason! No one knows where she is, and now neither can anyone nor a corpse!"

Hashimoto murmured: "That's not right! My people have clearly rammed her and the commercial vehicle she was riding into the valley. According to them, the vehicle crashed to the bottom of the valley within a minute. Naturally, even Amaterasu can't escape!"

Honor said angrily: "You're so fcking sh!t to me! Your Amaterasu can't escape, so my sister escaped!"

"People from the TMPD did not find her body! She was not there at all!"

Hashimoto also became nervous, and said with a trembling voice, "This is damn wrong! I really have a video here. It was taken by my hand. It can be seen from the video. At the time of the impact, your sister was there. Obviously still in the car!"

Honor questioned angrily: "She was in the car at the time of the collision, and she disappeared when she fell to the bottom of the valley, so I ask you to answer me, where did she go?"

Hashimoto said in a desperate voice: "She...she should be dead...at that height, no one can survive!"

Honor questioned: "If she died, would the body walk on its own?!"

Hashimoto hesitated and said, "This...I don't know this..."

Honor growled: "So there is only one possibility, she must have escaped! I don't care what you use, find a way to find her, and then kill her immediately! Otherwise, if this matter is revealed, we two will be finished!"

## **Chapter 2073**

Charlie and Nanako flew by helicopter for about 30 minutes before they approached Nishitama County.

As Nanako's ninja is still tracking Warnia's whereabouts, a large number of police officers from the TMPD are also searching near the incident.

So Charlie asked the helicopter to land at a relatively gentle place on the top of the mountain about five kilometers away from the incident.

The distance of five kilometers can temporarily avoid the search of the TMPD without being too far away from Warnia.

After all, she won't walk too fast in the mountains with her feet. It is estimated that she has walked five kilometers at most since she has been engaged in this event.

Therefore, even if Charlie's helicopter was unlucky and completely landed in the opposite direction, the maximum straight-line distance between him and Warnia would not exceed ten kilometers.

At the top of the mountain of more than 2,000 meters, the weather was severely cold, and Charlie stood on a huge rock on the top of the mountain, anxious.

The pill that he gave to Warnia could save her once, but not twice. If she is encountered by a gangster again, or if she encounters any danger in the mountains, she may be beyond reach.

Seeing Charlie's anxious expression on the side, Nanako immediately took out her mobile phone and prepared to call the ninja she had sent out to ask about the situation.

At this time, her mobile phone happened to vibrate, and it was the ninja headed by the Ito family who called her.

Nanako hurriedly connected the phone and asked, "What's the matter? Have you found Miss Song's whereabouts?"

The other party immediately said: "Back to Miss Song, we have found Miss Song's whereabouts. She is in the valley about four kilometers northeast of the incident. When we were the closest to her, the straight-line distance was about 500 meters. However, I found that Miss Song was in good condition, so I didn't alarm her. Because there was no signal on the top of the mountain, I first came up to the mountainside and called you for instructions. Others are secretly following her to protect her."

Nanako breathed a sigh of relief and blurted out, "That's great!"

Charlie hurriedly asked: "Warnia's whereabouts?"

Nanako nodded heavily and said to Charlie: "Master! My men have found Ms. Song. She is now marching to the northeast, and her condition looks good. My people are about five or six hundred meters away from her. They haven't disturbed her, so I called me for instructions. What do you think we should do?"

As soon as Charlie heard this, a stone in his heart immediately fell to the ground.

Coming to Japan in the middle of the night, the only thing he looked forward to was to hear that Warnia was safe.

So, he immediately said to Nanako, "Nanako, please let your person give a specific position, let's go over!"

.....

In the valley.

Warnia is still struggling.

Since the mobile phone has no signal, she can't use positioning, and she doesn't know how far she has gone.

However, Warnia is very smart that she has relied on the North Star in the sky to discern the direction.

Polaris is a star in the northern part of the sky, and due to its unique movement pattern, the star almost remains motionless from the northern hemisphere.

It is precisely because the Polaris has remained motionless in the northern part of the sky that it can provide people with the most basic position navigation.

When you find the North Star, you can find the north. When a person is facing the north, the south is behind him, the right-hand direction is east, and the left-hand direction is west.

In this way, she can guarantee that she has been walking in the northeast direction, instead of aimlessly and confusedly turning around in the valley.

When you get lost in the mountains, if you can't tell the direction, you often go around unconsciously.

Warnia wanted to go as far as possible from the place where the incident occurred. After a sufficiently safe distance, she will climb up and find the mobile phone signal to call the police for help.

However, she didn't know at this time, she was secretly followed by 10 top ninjas.

Fortunately, these ninjas were sent by Nanako, and they didn't have any malice against Warnia. Otherwise, even if Warnia had a rejuvenation pill in her hands, she would be more and more fierce.

At this time, she didn't even know that Charlie, who she was thinking of, had already arrived in Tokyo, and was fast moving towards her in the darkness!

Charlie's strength is extraordinary, even if he doesn't rely on a helicopter, he can quickly attack and walk on the ground in such a place.

## **Chapter 2074**

However, Nanako and the others couldn't keep up with his rhythm at all, so they could only wait for Charlie's notice in place.

Charlie didn't want to take a helicopter to pick Warnia directly, because in that case, it would be possible to disturb other people searching for Warnia's whereabouts.

Therefore, it is more reliable to rely on your own legs.

Fortunately, the distance between Charlie and Warnia was not too far. From the perspective of positioning, it was almost two to three kilometers away.

Therefore, after half an hour of rushing, Warnia had already appeared in Charlie's sight.

Warnia at this time was climbing up from the bottom of the valley.

She felt that she had already opened a safe distance, so she wanted to climb up, look for a cell phone signal, and then report to Charlie and her family to be safe.

At this time, Warnia couldn't help worrying in her heart: "If Master talks about the voice that I sent him when the accident happened, he will be very worried about my safety, right? I have to give Master make a call and let him know that I am still alive!"

Charlie was excited for a moment when he saw her figure.

When rushing over from Aurous Hill, he was most afraid that Warnia's life would be threatened.

Seeing her in person now made Charlie completely relieved of all the tension and worries he had before.

When Warnia climbed on a relatively flat boulder halfway up the mountain, she took out her mobile phone, which still showed no signal.

She walked back and forth on the boulder with her mobile phone, and finally caught a cell phone signal.

So she hurriedly stayed still and opened WeChat for the first time.

Because the network is very poor, her WeChat keeps prompting for network connectivity.

After waiting a few minutes, WeChat changed from connecting to receiving.

Although it was shown to be receiving, she did not even receive a new WeChat message.

Therefore, she could only give up WeChat and call Charlie directly.

Fortunately, although the network has only one grid, it is almost difficult to connect to the Internet, but this grid signal can already support her to make a call!

After the phone rang twice, she heard Charlie's voice: "Warnia, how are you now?"

When Warnia heard Charlie's voice, she felt the voice in her ears. She was so excited that she cried out immediately: "Master...I...I'm still alive... .."

Charlie said: "I know."

Warnia was sobbed at this time, choked up: "Master...thank you...if it weren't for you, I must be dead now..."

Charlie looked at Warnia's back distressedly, and said softly: "Warnia, I want to tell you one thing, don't be nervous, let alone be afraid."

Warnia hurriedly said, "Master, as you say!"

Charlie said seriously: "I know you have an accident, I have come to Japan."

"Ah?!" Warnia asked excitedly: "Master, you... have you come to Japan?!"

Charlie said: "Yes, I'm in Tokyo."

Warnia was extremely happy and touched at this time, crying and saying, "Master, you... have you really come to Tokyo to find me?"

Charlie sighed softly and said, "Warnia, I'm in Nishitama County where your accident occurred."

Warnia was full of disbelief at this time, and exclaimed: "Master, how do you know that I had an accident in Nishitama County? Where are you now?"

Charlie said seriously: "Warnia, I'm...behind you now!"

**Chapter 2075**

The reason why Charlie told Warnia step by step was because he was afraid that he would suddenly call her out, or tell her that he was behind her and scare her.

After all, she has been walking alone in this deep mountain and old forest for so long. If he suddenly appears without any psychological preparation, she will definitely be shocked.

Therefore, Charlie chose to guide her step by step, let her know that he was in Japan, Tokyo, and Nishitama, and then told her that he was behind her.

When Warnia heard Charlie's words, she immediately turned back subconsciously!  
really!

She found that a familiar figure was standing about ten meters away behind her!

That familiar figure is exactly Charlie, the man about whom she was thinking at a critical moment!

Warnia's heart was almost ecstatic!

She didn't even dare to dream that Charlie would really appear here suddenly!

At this moment, Warnia's heart was completely filled with touch and happiness!

She choked in her heart: "Master actually came to rescue me...at such a late time, at such a distance, he appeared in front of me within a few hours! This is simply a movie! Here is the supreme treasure with colorful auspicious clouds! He came, my position in his heart must be very important..."

Thinking of this, her whole emotions were completely immersed in extreme touch, and she cried out: "Master!"

After speaking, she ran towards Charlie!

Charlie was afraid that she would fall down on the mountain road, so he hurriedly walked two steps.

As soon as she arrived, Warnia plunged into Charlie's arms, crying, and said, "Master...I'm not dreaming, am I really you? You really came to save me. ...."

Charlie patted her back lightly and comforted her: "You are not a dream, it's really me, I'm here to save you!"

Warnia cried with rain, and whimpered: "Master, I thought I would never see you again in this life..."

Charlie asked her, "Did you take the pill that I gave you?"

Warnia nodded as if pounding garlic, hugged Charlie, and said on his shoulder: "I have always listened to you and carried the medicine next to my body. After the car I was sitting in fell off the cliff, I immediately took the medicine. I took it. Fortunately, I had the medicine. Otherwise, Master might not see me..."

Charlie sighed softly and said, "The medicine was given to you to use for emergencies, but I have never hoped that you would really use it. I didn't expect it to be like this today!"

Warnia choked with grateful gratitude: "Master, the greatest fortune in my life is to know you... If it weren't for you, I might have already passed away... All your great kindness. I can't repay in my life..."

Warnia has always been very grateful to Charlie.

In the beginning, her room was accidentally hit by mistake, and she accidentally formed a feng shui bureau of trapped dragons. The whole person's fortune was consumed rapidly, and her life was even endangered.

If it hadn't been for Charlie to resolve it in time, she might have already died by accident.

Not to mention, Charlie helped her take the position of Song Family Patriarch step by step.

Today, she is facing such a big death crisis in Japan, and she is completely dependent on the medicine he gave her to be able to turn the danger into a breeze.

Now, Charlie has traveled thousands of miles at night to rescue her in the mountains of Japan. His kindness has already made Warnia grateful.

What's more, she loves Charlie deeply in her heart, so at this moment, she regards Charlie as a beloved person more important than her own life.

### **Chapter 2076**

Warnia even had an idea deep in her heart. She felt: "From today onwards, I am willing to do anything for Master. Even if he asks me to die immediately, I will be willing to die for him without complaining!"

Charlie didn't know Warnia's inner activities at this time. He just kept comforting her with a gentle tone: "Warnia, between you and me, don't say thank you, let alone any great kindness, you are my friend. I save you, it is the only right thing, not to say that you are in Japan, even if you are in the fierce mountains, I will never say anything to stop myself."

Charlie was expressing to Warnia his steadfastness towards friends and friendship, but he did not expect that these words in Warnia's ears would become the most moving emotional expression in the world!

At this moment, she even loved Charlie to the bone, even willing to hug him so tightly and rub her whole body into his bones.

Her heart was full of love and touch for Charlie, her brain heated up and she immediately stood on her toes and kissed his lips.

This is Warnia's second kiss of Charlie.

It was also the second kiss in her life.

Her lips were cold and there was a faint salty taste in her tears, which made Charlie feel distressed.

Warnia kissed Charlie, holding him tighter with her hands.

At this moment, how much she longed for time to stop, so that she and her beloved man can stay in this beautiful moment forever.

Even if this life comes to an abrupt end, She is already satisfied.

Unfortunately, the reality is not a fairy tale.

When she was immersed in the kiss, the sound of a helicopter roared from a valley not far away.

Charlie hurriedly turned his head and looked, three helicopters lined up in the sky.

At the nose of the helicopter, three high-power searchlights were shining back and forth in the valley.

Charlie hurriedly said to her: "We can't stay here for a long time, now all the police in Tokyo are looking for you."

Warnia hurriedly said: "Master, the police are looking for me, I happen to call the police!"

Charlie frowned slightly and asked her: "You want to call the police?"

"Yes!" Warnia said categorically: "The truck that hit my car was obviously premeditated, and it came to kill me!"

After all, Warnia said with red eyes, very angry and said: "These b@stards, just want to kill me and rush to me, but they want to implicate the innocent. My two assistants and the driver I have are all. ...."

Speaking of this, Warnia suddenly couldn't control her emotions. She choked with sadness: "The two have been with me for so long. They have been doing business with me. They will accompany me on a business trip to Japan for the New Year. Take them to have fun in Tokyo, I didn't expect... I didn't expect them..."

At this time, Warnia couldn't speak anymore, and cried out sadly.

Charlie hurriedly comforted her: "Warnia, don't worry, they will not die in vain!"

Warnia nodded heavily, wiped away her tears, and resolutely said: "So I want to call the police, let the police catch the black hand behind the scenes, bring them to justice, and avenge my people!"

Charlie shook his head and said seriously: "You are unfamiliar with the place where you were born in Tokyo. The alarm will not do any good, but only alert them."

Warnia hurriedly asked, "Master, what do you mean, don't call the police anymore?"

"Yes!" Charlie nodded and said: "Warnia, we still don't know whether someone in Japan wants your life or someone in China wants your life. Therefore, calling the police in Japan will not solve anything. If you believe me, leave it to me to deal with this matter, I will find it out, and give you an explanation about the death of the three!"

## **Chapter 2077**

Warnia heard Charlie's words, without thinking at all, she said categorically, "Master, I listen to you!"

Charlie nodded and said seriously: "In Japan, I still have something to do. I will take you to my friend's house first. During this time, you should not contact anyone, including your grandfather and your other family members. Not talk about this until we find out what happened."

Warnia asked in surprise: "Master, can't I tell my grandfather? He must be very worried about me now. If my whereabouts remain unknown, I am afraid he will worry too much and affect his body..."

Charlie smiled slightly and comforted: "Don't worry about this. Your grandfather has taken Rejuvenating Pill, so his body will never be in serious trouble, and don't forget, I gave it to you on your birthday. The rejuvenating pill of yours is also in his hands. With this rejuvenating pill in his hand, he will definitely not have any problems."

After speaking, Charlie further explained: "Most of the secrets are leaked from the person's own mouth. The real secrets should be known to as few people as possible, and it's best if no one except yourself knows, otherwise, once this secret is known by others, it will be difficult to ensure that it will not be known by more people."

Although Warnia's expression was a little struggling, she quickly raised her head and looked at Charlie and said seriously: "Okay Master, then I won't tell anyone."

Charlie nodded and asked her, "You didn't contact your grandpa and other family members just now, did you?"

"No..." Warnia hurriedly said, "As soon as my mobile phone got a signal, I immediately contacted you. I originally wanted to contact you and then contact grandfather, but I didn't think about it."

Charlie hurriedly said: "Then quickly turn off the phone, not only do not answer any calls, nor use WeChat and other communication software."

Warnia said obediently: "Okay Master, I will shut down now."

With that, she immediately pressed the power button and turned off her mobile phone with a broken screen.

Immediately, she remembered something, looked at Charlie with a puzzled face and asked, "Master, how did you find me in this deep mountain and old forest?"

Charlie said truthfully: "The eldest lady of the Ito family in Japan is my friend. After your accident, I asked her to help me find your whereabouts. She sent some Japanese masters of ninjutsu, also known as ninjas, to look for clues about you in the mountains."

"They found the commercial vehicle in which you had an accident, and followed your footsteps all the way, chasing you over. After I got your location, I hurried over."

Warnia exclaimed: "Ah?! Ninjas?! Master, you mean, there really are ninjas in this world?"

Charlie nodded and said: "Ninjas are actually no big deal. He is like our Chinese martial arts masters, they are all real."

Warnia nodded suddenly, and then remembered something, exclaiming: "They have been following me secretly, doesn't it mean that they are also watching us secretly now?"

"Uh...this..."

Charlie smiled awkwardly, and said, "You are right, they have been following us secretly."

Warnia was immediately embarrassed and intolerable: "That...that...then what we did just now, did they...have they seen it all?"

Charlie shrugged helplessly, "They must have seen..."

Warnia was embarrassed, she lowered her head shyly and said, "Master...you...why didn't you remind me...this is too shameful... .."

Charlie stretched out his hand and said with an innocent look: "Warnia... You can't blame me for this, I didn't know you would suddenly jump over...I was completely blank at the time. ...."

Warnia heard him say this, recalling the scene when she took the initiative to plunge into Charlie's arms and kissed his lips, her face became more and more rosy, she had to say in a lowly embarrassed voice: "Oh... Don't talk about this...Master, where are we going now?"

## **Chapter 2078**

Charlie said: "First go to Miss Ito's mansion to take shelter for a while, and watch the changes!"

.....

At this moment, Nanako is still waiting in place.

After all, her skill is much worse than Charlie, so it is impossible to keep up with his running rhythm, so she just waited in place.

Because people from the TMPD were searching in the surrounding mountains, and there were often police helicopters patrolling in the sky, she asked her helicopter to turn off the engine and quietly waited for Charlie's news.

At this time, the ninja under her head sent her a message: "Miss, Mr. Wade has found the Miss Song."

Nanako breathed a sigh of relief, tapping her fingertips on the screen repeatedly, and replied: "That's good, you can ask Master what to do next."

The other party made an embarrassing expression and said: "Miss...Mr. Wade and Miss Song are hugging and kissing, we are also embarrassed to step forward and disturb..."

When Nanako saw this, she was stunned.

Immediately, deep jealousy surged in her heart.

She thought sourly in her heart: "Originally, I thought that Master is a married man after all. Even if I love him, I can't destroy his feelings and family..."

"But, I never thought that Master and Warnia would even hug and kiss... Is Warnia Master's extramarital relationship? Or to put it more bluntly, is Warnia Master's lover?"

"If Warnia can be Master's lover, then why can't I..."

"I also love Master from the bottom of my heart. Why can't I be his lover like Warnia?"

"Although I don't want to be a third party, if Master is willing to give me this opportunity, I am also willing to hide in the dark for a lifetime and be his underground lover..."

“After all, I love him more than anything else. Her status, reputation is not worth mentioning in front of me”

Just as she was thinking about it, the phone suddenly vibrated, and it was Charlie’s call.

She hurriedly answered the phone, her voice was a little flustered and unnaturally said: “Uh... Wade... Master... You... saw Miss Song Are you here?”

Charlie said: “Yes, we met.”

Nanako asked hurriedly, “How is Miss Song?”

Charlie said, “She’s fine, Nanako, I’m calling you to discuss the next arrangements with you.”

Nanako hurriedly said: “Master, everything will follow your instructions, and the entire Ito family’s forces will be at your call!”

Charlie said seriously: “I am really grateful to Nanako. My current plan is to let the helicopter come over first, take Warnia to your residence, and let her live in your house temporarily, but you must keep this matter strictly confidential. It must not be leaked out.”

Nanako said without hesitation: “No problem, Master waits a moment, I will pick you up now!”

## **Chapter 2079**

When Charlie and Warnia returned to downtown Tokyo on the helicopter of the Ito family, Honor was already a little bit unable to sit still at the TMPD.

He was extremely nervous at this time, and said to himself: “Warnia’s whereabouts have not been found for a few hours until now. If we delay it, the day will be bright. If we can’t find her then, then This thing is really tricky!”

“Warnia’s body should have stayed in that business car honestly, but she was strangely missing and disappeared in the vast mountains. Is she dead or alive now?”

Honor was very worried because he was afraid that Warnia would not die.

Because, as long as she does not die, the lie that Nippon Steel’s vice president Hashimoto made up to Warnia will be thoroughly exposed.

After all, this matter was Hashimoto’s own assertion, on the one hand, to seek greater profit space for Nippon Steel, on the other hand, it is also for his own personal gain.

Therefore, he cooperated with Honor and deceived Warnia, saying that she was asked to go to Nishitama County to find the chairman to sign a contract. In fact, the chairman of Nippon Steel had no idea about this.

If Warnia is still alive, as long as the police ask her why she went to Nishitama County, it will be completely exposed.

At that time, the Japanese police will definitely arrest Hashimoto Kinsaki immediately.

Murder is one of the most serious crimes in Japan, not to mention that three people have died this time, Hashimoto will definitely betray Honor without hesitation.

At that time, the murder of Warnia by Honor will also come to light.

At this moment, Hashimoto was also nervously pacing repeatedly in his home.

The team member responsible for assassinating Warnia stood in front of him at this time.

These few people stood side by side in front of the sofa, all of them bowed their heads and did not dare to look at Hashimoto Kinzaki.

Hashimoto just made a phone call to a friend from the TMPD to inquire about the latest developments.

After learning that Warnia's life and death are uncertain, he was as nervous as Honor.

He knew very well that if Warnia was still alive, he would be the first one to be unlucky!

So, he walked in front of these people angrily, and directly smoked them one by one with his big mouth, angrily cursed: "You b@stards! Wastes! What's the use of raising you?! You can't do such simple things. You're of no use!"

The people looked at each other, but no one dared to speak up.

Hashimoto saw that they did not speak beforehand, and gritted his teeth angrily: "A bunch of trash! Can't get rid of even a woman! It caused me such big trouble! If my fcking plans get exposed, none of you can run away!"

.....

Twenty minutes later.

The helicopter landed slowly in the courtyard of the Ito family mansion.

Ito Yuhiko, who lost his legs, was pushed by his sister Emi and waited in the courtyard early.

As soon as the helicopter landed, Emi Ito immediately pushed Yuihiko Ito out of the cabin.

Charlie just stepped out of the helicopter at this time, and reached out to help Warnia down.

Nanako followed Warnia to get off the plane. Seeing Charlie stretched out his hand to help Warnia down, she felt a little jealous but more envious.

## **Chapter 2080**

At the moment when she was slightly lost, Charlie, who was under the helicopter, stretched out his hand to her again.

Nanako didn't expect that Charlie would even help her to get off the plane, and her heart was as sweet as she was eating honey.

Although she was a master, and she had taken Rejuvenation Pill, her strength had improved a lot, but she was still a little woman deep in her heart. Seeing Charlie as such a gentleman and so considerate,

she immediately felt a little bit shy and moved her hand. Passed it over and said softly: "Thank you Master!"

Charlie smiled slightly and said lightly: "It's okay, it should be."

At this time, Ito Yuhiko was pushed over by Emi, and he said with a little excitement: "Mr. Wade, I didn't expect we would meet so soon!"

Charlie smiled bitterly: "Yeah, I didn't expect to meet again so soon, how has Mr. Ito been recently?"

Ito put his hands together and said respectfully: "Mr. Wade, I have been doing well recently, but since I was injured, my physical fitness has not been very good. I often catch cold, feel weak and night sweats are common. It just happens that Tokyo is cooling down these days, so I originally planned to go to the beach in the Maldives to recuperate for some time in two days. I didn't expect you to come suddenly."

Charlie nodded and pointed to Warnia and said, "Mr. Ito, let me introduce you. This is my good friend, Ms. Warnia Song, the chairman of the Song Group. Ms. Song is having a little trouble, so I came here this time. It's also for her."

Looking at Warnia, Ito Yuhiko said very politely: "Hello, Miss Song, I am Ito Yuhiko, Mr. Wade is a distinguished guest of the Ito family, you are his friend, and you are naturally one of the distinguished guests of the Ito family. Welcome to the house."

Warnia also politely bowed slightly: "Thank you, Mr. Ito!"

At this moment, Warnia was very surprised in her heart.

She knew very well what status of the Ito family in Japan.

In Japan, the strongest family is the Ito family.

In addition to the Ito family, the rest are big chaebols composed of several families, but the strength of the Ito family, even when compared with those of the big chaebols, is not much worse.

Unexpectedly, Ito Yuhiko of the Ito family was so respectful and polite to Charlie, which made her even more shocked by Charlie's strength.

Ito Yuhiko slandered in his heart at this time: "This Warnia seems to be no worse than my daughter in terms of appearance, build, and temperament. She is definitely among the top beauties. She and Charlie are so close. Isn't she? What's the hidden deep relationship with Charlie? If this is the case, then the chance of my daughter and Charlie is even smaller!"

While he was feeling emotional in his heart, his sister Emi hurriedly said: "Mr. Wade, it's quite cold outside, let's go in and talk."

Only then did Yuihiko recovered, and hurriedly said, "Yes, yes! Go in and talk, and let Nanako prepare the tea ceremony to entertain the two. At the same time, tell the chef to prepare some breakfast."

Inside the Japanese-style meeting room.

Charlie and Warnia sat on the ground next to each other.

Nanako knelt at one end of the tea table, elegantly and unhurriedly making tea for everyone.

Charlie asked Warnia at this moment: “Warnia, what happened to you last night? Can you tell me in detail?”

Ito Yuihiko also hurriedly said at this time: “Miss Song, I have a bit of energy in Japan. You might as well tell the story. I and the entire Ito family will definitely be able to help you!”

Warnia bowed slightly and said, “Thank you Master, thank you Mr. Ito and Miss Ito.”

After thanking him, Warnia continued: “I came to Japan this time to reach strategic cooperation with Nippon Steel. I talked to their vice presidents for several rounds. Until last night, their chairman decided to see me, to sign a contract with me...”

“Because their chairman is in Nishitama County, I drove there overnight. I didn’t expect to be hit by a car into the cliff on the road...”

Yuihiko Ito frowned and said, “It’s a bit strange. The chairman of Nippon Steel has a deep friendship with me. According to his style of working, he should not ask you to sign a contract at night, and even if he signs a contract, he will not call you to Nishitama County because his mansion is very close to me, but a few minutes drive from here. After dinner yesterday, he visited me at the mansion!”
