why?

Yu Yun walked over and replied coldly: “You shouldn't touch his relatives.”

“The words were sharp, with endless chills. After speaking, Yu Yun stretched out her arm and drew her sword. Boom~ Wei Wuya’s corpse fell, and the once incomparable grandmaster ranked strong, just like that. In a pool of blood. Eyes are open, without staring at him. On his old face, there is only regret and terror. What is frightening is that he did not expect that Mark, a dead person, and his relatives, would be protected by such peerless powers. Before coming, Lu Mingfei and Xu Shaohua had assured him that the person they dealt with this time had no background, but was just a poor country boy from a poor background, and a wretched son-in-law. The living relatives and friends are also some lowly country folks. Wei Wuya was relieved to follow Xu Shaohua and the others to Noifork to help them eradicate dissidents. But now it seems that he was deceived. He was deceived by two bastards Lu Mingfeng and Xu Shaohua. Can these powerful men protect him Relatives, how could this Mark be like what they said, just a wasteful son-in-law, just a poor boy? If he had known this before, Wei Wuya would have killed him in the first place, and he would definitely not have this muddy water with them. But now, it’s too late to regret! Thinking of Wei Wuya’s life, he was still lost in a foreign land after all. When Wei Wuya died, the remaining people were naturally scared to death, one after another, like birds and beasts, and madness seemed to have to escape. Here, There was only the Ye family who was shocked and silent. After Yu Yun got her sword back, she didn’t linger, turned around and left. “Aunt...

Girl, can you leave a taboo?

“You saved us, our Ye family, if we have a chance in the future, we will answer in return.”

Seeing Yu Yun about to leave, Ye Ximei quickly asked. “You don’t have to pay back.”

“When Mark comes back, you only need to tell him about the ten-day appointment, so he doesn’t have to wait for me.”

When she said this, Yu Yun turned her back to everyone in the Ye family from beginning to end. With such a cold temper, she seemed to be indifferent to anyone or anything in the world. Just like today, if it weren’t because of it. Mark’s reason was that the Ye family was smashed all over the house. She estimated that she would not pay attention to the slightest, let alone nosy. In her eyes, these ordinary people are no different from mit grass. It won’t cause any waves in her heart. But Mark has become an exception in her life.
