

Chapter 2073– 2074 of A Dish Best Served Cold Novel

Chapter 2073 the ten-day covenant?

“The ten-day appointment?” Ye Ximei and others were stunned when they heard the sound.

They didn’t understand the meaning of Yu Yun, what a ten-day appointment, didn’t his son Mark have fallen for more than a month, how could he still have a ten-day appointment with others.

Isn’t Mark dead?

Suspicious, Ye Ximei was about to ask something again.

But the woman in the purple dress had already gone.

All that was left to everyone was the peerless shadow, which quickly disappeared from the end of everyone’s sight.

Here, there is a long silence.

Obviously, everyone is still in the shock brought to them by the after-rhyme, silent for a long time.

In the end, Ye Ya stepped forward and asked Ye Ximei strangely: “Sister, this... this, could it be...

Also Mark’s confidante?

“F*ck, my nephew is a bit too aggressive.”

“It’s all about marrying a wife who is beautiful and beautiful, there are so many beautiful women around the city.

“Ms. Cynthia Chen from the Chen family before, and President Xu Lei Xu, who is a master of Gritsberg, now comes another one?”

“My mother, it’s really a drought of drought, and a flood of water.”

The corner of Ye Ya's mouth twitched with emotion. He kicked his son Ye Jian with anger. "Dad, why are you kicking me?"

"Ye Jian was so wronged at the time, thinking that if you praise Mark, it's nothing to do with me. "It's you who kicked me!"

"You're a worthless thing, the career is not as good as your cousin, fighting is not as good as your cousin, and now even women are not as good as your cousin.

"Look at the girl next to Mark, and then you!"

"It's not the lady who accompanies the wine in the bar, it's the network manager that the Internet cafe knows, or it's the singer in the nightclub.

"Your father, my old face is so special that you will be lost!"

"Ye Jian was so angry that he couldn't wait to kick his hopeless son to death. When Mark and the others were young, Ye Jian felt proud that his son crushed Mark in all aspects. Now it seems that the two brothers did not Fabi. "Dad, don't just talk about me, is my cousin Yulang different?"

"Ye Jian murmured. When he heard this, Jiang Yulang's expression was undoubtedly less ugly. Even if Jiang Yulang was very reluctant to admit it, it is the truth. Jiang Yulang once thought that the girlfriend he made in college would be The best daughter-in-law of the Ye family. However, the reality is that Jiang Yulang's body is not complete. Whether Cynthia Chen, Helen Qiu, or the woman who looks like a fairy nowadays, they are all the existence that Jiang Yulang looks up to. Even stand on tiptoe. , I can't touch their toes. But Mark did it. From the woman's words just now, Jiang Yulang clearly noticed that Yu Yun's inexplicable feelings for Mark. But, why? Jiang Yulang really couldn't figure it out. What is his inferior to Mark? He is the number one scholar in science, a talented scholar in Noirfork, and even a top student of Gritsberg University. That Mark is inferior to himself, his family background is inferior to himself, and his education and appearance are inferior to himself.

But why, there are so many stunning girls who have a soft spot for Mark, but dismiss him.

Even if Mark is dead now, these women still have deep affection for Mark.

Xu Lei is, now this mysterious woman, even more so!

Jiang Yulang squeezed his palm, and the superiority of so many years was undoubtedly gone.

In the past, when Mark was alive, the status of Noirfork Zun made their descendants of the Ye family bleak.

Chapter 2074 the trembling Ye family

Now that Mark is dead, the Mufan Group is destroyed, and the position of Noirfork Zhizun has also changed hands.

All the light from that man's life has disappeared.

Jiang Yulang originally thought that from then on, his Jiang Yulang would become the most dazzling existence of this new generation.

But now it seems that he was wrong, very wrong.

Some people, even if they are no longer there, are still beyond their reach!

He is like a mountain that can never be crossed, lingering in the hearts of the Ye family forever.

Even if Mark fell, his Yu Ze still sheltered Ye family and his relatives and friends.

After the crisis was resolved, the Ye family worried that Fenghua Group would not give up, so they continued to rush outside the city to meet Xu Lei who was waiting outside the city.

But Ye Ximei and the others just drove out of the door when they ran into Xu Lei who came to meet him.

Xu Lei couldn't hold back the moment he saw Ye Ximei, and the sad emotions that had been suppressed for many days also immediately vented out.

"Aunt Mei~" "Woo~" She ran over and threw herself into Ye Ximei's arms.

She didn't speak, but was crying.

Even Xu Lei firmly believes that her Mark brother is not that easy to die, but they all know that the possibility of Mark alive is very slim.

However, they are unwilling to accept this fact, stubbornly yearning for a miracle to happen.

However, after waiting for so long without ignorance, even Xu Lei, the sadness and pain in her heart, are already extremely rich.

Before, she just cried silently in the dead of night.

After all, she helped Mark to take charge of the Gritsberg power, how could she show her weak side in front of outsiders, she can only show others with high cold and majesty!

Now that I see Mark's mother and Ye Ximei, whom she regards as a relative, the sadness in my heart can no longer be suppressed naturally, and tears burst out.

Howling and crying like a broken love girl.

Ye Ximei's eyes were also red, just lightly patted the shoulder of the girl in front of him.

"Okay, Aunt Mei, let's go quickly."

"Brother Mark asked me to be stationed in Gritsberg, just to worry that one day, Noirfork will encounter disaster, so that you have a way out."

"I thought that this day would never come. "I didn't expect that Brother Mark's worries had become a reality."

After crying for a long time, Xu Lei wiped away her tears and became strong and rational again.

Her brother Mark is gone, she must shoulder the responsibility to help her brother Mark and protect his relatives.

Back then, Mark single-handedly pushed her to the top of Gritsberg's power, just preparing for this moment.

In fact, Mark himself knew that the land of Noirfork seemed to be monolithic.

Mufan Group seems to be a big family.

But in fact, all the glory and power are supported by him alone.

If he were to fall, neither Helen Qiu nor his mother Ye Ximei would be able to support such a big stall.

At that time, once someone becomes unruly, the business empire belonging to the Mufan Group will surely collapse.

Therefore, Mark helped Xu Lei establish her own power in Gritsberg, in order to find a way out for Helen Qiu and his mother.

"It's really hard for Mark~" Ye Tian and the Ye family felt trembling when they heard that Mark had been planning for a rainy day.

This kind of meticulous planning, such a sophisticated disposition, even people like Ye Tian and Ye Ya who have experienced the vicissitudes of life, are ashamed of it.
