

Chapter 2077– 2078 of A Dish Best Served Cold Novel

Chapter 2077

Mark smiled softly.

That gentle and warm smile, just like the June spring breeze, quietly brushed past Xu Lei's heart.

Xu Lei was stunned.

She was stunned in the same place, looking at the man in front of her idiotically.

Tears flowed down uncontrollably.

The next moment, she rushed over, hugged Mark's neck hard, and howled.

"Uuuuo Contact us?" "Do you know how worried Leier is about you~" "Woo~" Tears rained down.

Xu Lei's sad cry was heartbreaking.

It is as if all the grievances and sufferings of these days, all the thoughts and heartfelts, are all vented at this time.

No one knows how much pressure Xu Lei is carrying these days.

She not only has to help Mark take charge of Gritsberg, but she also has to shelter his wife and take care of his relatives. She also has to face the endless pressure from the Xu and Lu family. What makes Xu Lei unbearable is the pain of Mark's fall. And sadness.

A weak woman must be so strong to remain sensible and calm despite so many setbacks and sorrows.

But fortunately, her strength is not without return.

The teenager she had been waiting for finally returned.

"Woo~" In this world, Xu Lei's cry still echoed.

Facing Xu Lei's venting and questioning, Mark did not answer.

Just holding her hard, feeling her sadness, feeling her crying, feeling her hoarse voice.

He knows that at this time, what a woman needs is not an explanation, let alone a proper reason.

But a strong hug, a warm chest, and a solid lean.

That's it.

Sure enough, after a long time of crying, perhaps tired, the crying finally stopped.

Upon seeing this, Mark pityingly helped her wipe the bruises on her face, and asked: "Does it hurt?" "Huh, what do you think?" "Brother Mark, you are too damn!" "If it weren't for you, how could Leier overturn?"

"Why didn't you say it was you."

"It made me think that it was a bad guy sent by Lu Mingfeng and the others?" Xu Lei was almost mad at the thought of what happened just now, and her nose was crooked.

She stared at Mark fiercely with beautiful eyes, and said angrily.

The words are full of resentment.

She was not afraid of pain, much less afraid of almost losing her life.

As long as she can protect her brother Mark's relatives, she will not be afraid of death.

However, the main car accident was too useless and silly.

It shouldn't happen at all.

It felt like the two armies had been fighting and killing for a long time, and when they stared, they found that they were all their own.

Can you not be aggrieved?

"You stupid girl, do you still call me?" "I yelled at my throat from behind, but you ignored me and left my car."

"Fortunately, I was afraid of your accident, so I slowed down in advance."

"Otherwise, even if you save your life, but with this small face, I'm afraid it will be a shame."

“In the future, no man will want you~” During the teasing, Mark slapped Xu Lei’s cute Qiongbi then carried her into the car.

“Huh, you don’t need to hold it.”

“Anyway, I’m a woman who doesn’t want a man, so I won’t force you.”

I don’t know where Mark offended her. Xu Lei was angry and pushed Mark away. I got into the car by myself.

Chapter 2078

Mark looked at him and smiled helplessly.

“The ancients said that only villains and women are hard to raise.”

“The ancients don’t deceive me~” Mark chuckled softly, and then hurried to chase his mother.

Now that Mark has returned to Noifork, naturally there is no need to let his mother run away from home.

Soon, Mark caught up with his mother and them.

Seeing that his son was still alive, Ye Ximei was naturally surprised again.

When everyone in the Ye family was happy, they all let out a long sigh of relief.

That feeling is like the backbone of the Ye family, as if they came back.

Yes, after experiencing these changes, for everyone in the Ye Family, they undoubtedly truly realized the importance of this man in front of them.

With him, the Ye family is here!

If Mark does not exist, then the Ye Family will also not exist.

“Mom, you should go back and rest first.”

“These days, you have suffered.”

“The next thing will be left to the child.”

“I promise, the pain and suffering you have suffered these days, my son will definitely be You pay back a hundred times!” After the conversation just now, Mark only knew how dangerous it was tonight.

If Xu Lei hadn't arrived in time, I'm afraid Mark would really not see her mother.

Mark felt most sorry for his mother in this life.

Since I was a child, my mother has been following myself to suffer.

Later, I entered Zuiqiu's family and never visited my mother for three years.

Nowadays, I have become the Zun of Noifork. I haven't let my mother enjoy a few days of good life, but instead let her suffer such a disaster because of herself.

Mark felt extremely guilty in his heart.

Of course, how guilty Mark was at this time, and how strong his anger towards Lu Mingfeng and others was.

He couldn't wait for a moment, and now he was going to Wrifill to see, where are these two people who dare to set foot in his Noifork land?

“Mark, don’t leave first, I still have something to ask you.”

“You honestly confess, you have not heard from you for more than a month, have you been raising a woman outside with Helen on your back?” See Mark To leave, Ye Ximei pulled Mark past, and asked in a low voice with a straight face.

Mark’s face turned dark at the time: “Mom, what are you talking about?”

“Is your son that kind of person?” “I said, I was recovering from my wounds before.”

“Want to lie to me? People have come to the door.”

Ye Ximei surrounded Wei Wuya just now and blocked Ye’s family at the last moment. After Yu Yun arrived, she told Mark about killing Wei Wuya with a sword.

“Huh?” “Is there anything else?” Mark was shocked at the time.

Then he immediately returned to the Ye Family Villa and saw Wei Wuya who had fallen in a pool of blood.

“This is the martial arts grandmaster?” The grandmaster’s blood is like a dragon, and Mark looked over at the first glance and saw that the person in front of him was a powerful master.

Mark didn’t expect that in order to kill Mark to death, Lu Mingfeng and others would not hesitate to mobilize the great master to deal with ordinary people like his mother who had no power to restrain the chicken.

At that moment, Mark’s palm was clenched, and the chill in his eyebrows immediately increased a bit.

“Mom, tell me more carefully, what does that woman look like?” After checking Wei Wuya’s body, Mark turned to his mother.

Ye Ximei thought for a while: “This is not easy to describe. In short, the girl is very beautiful, with a purple dress, noble and refined temperament, at first glance, she is born in a famous and rich family.”
