“Then you can ask her name?” Mark asked again.

Ye Xi nodded her eyebrows: “I asked, but she didn’t say it.”

“It’s just that before leaving, let me tell you something.”

“What?” Mark was puzzled.

“Speaking of the ten-day appointment, she will not go, so you don’t have to wait for him.”

Ye Ximei replied.

“You know, these days, Because of you, Helen is about to lose her soul, and she hasn’t kept her soul all day long.”

“I make a table full of meals every day, and wait for you to come back to eat together.”

“Helen is a good girl and has a deep love for you. You can’t bear her. “As for the girl who saved us, although she is kind to us, she can repay her, but she can’t sell her body. Have you heard?” “Moreover, that girl has outstanding talents, noble and refined, and she is extraordinary at first sight.”

Woman, you can’t control it.”

“You are not worthy of others.”

Mark: “...

“Don’t worry, I have nothing to do with her.”

“That crazy woman, is it too late to kill me?”

Towards the land of Wrilfill, galloping away.

Of course, before leaving, Mark also solved Wei Wuya's corpse by the way.

At this time, it was early morning.

In the far east, a touch of white belly has appeared.

Soon, Zhaoxia was born.

The flaming sun wheel is also on the horizon, showing its outline.

A new day has arrived!

Wrilfill City.

An ancient pavilion stands tall beside the Trivan Lake.

Like a giant, standing on the banks of the river, watching this ancient city.

And before this building, the three vermilion characters are dancing with dragons and phoenixes!

It is, the first restaurant in Noirfork, The Twinfill.

According to legend, this The Twinfill has a history of 300 years.

The greater the swing of the battle, the longer the cordon is pulled, and the more passersby are naturally attracted to watch.

In the end, both sides of the road were crowded with people coming to see the excitement.

“F*ck!” “It’s a big battle.”

“The last time it was so lively, it was when Mr. Chu was holding a sea and sky feast here.”

“This time, what’s wrong?” “Who else is here? It’s a banquet?” Passers-by talked about you without a word.

However, in the crowd, there are a few men and women who are full of contempt and disdain to talk.

“Hmph, a group of turtles, how do you know that a new king will be born in Noirfork today?” Terrisa Qiu sneered, but in the words, there was a bit of gloating.

Qiu Muqi on the side also smiled coldly, with a bit of wanton and contentment on his handsome face.
