

## Chapter 2091: An Old Friend

Jiang Yao curled her lips and said, "His expression wasn't right? Well, we don't need to make any guesses. It must be the person who asked him to do that. Sergeant Hu's father was conflicted, so the expression on his face was not right. Oh, right, did the boss of the snack bar say whether the person was a man or a woman?"

Lu Xingzhi said, "The boss was the one who answered the phone. He thought it was a man, but his voice sounded strange. Maybe the other party was deliberately speaking in a different voice. We can only say that it is more likely to be a man, but we can't rule out the possibility that it is a woman."

People like that should be well prepared, so they would know to change their voice. Sergeant Hu's father's suicide note did not mention that person at all. Even though Sergeant Hu's father had committed suicide due to guilt, he still wanted to protect that person.

Lu Xingzhi felt that that old friend must be very important to Sergeant Hu's father. Perhaps he owed him a great favor.

If that was the case, then it might be easier to investigate. Please support our [FreeWebNovel.com](http://FreeWebNovel.com)

"It's good that you have a lead."

Jiang Yao rubbed against Lu Xingzhi's chest. "But when Mom and Dad return home, you must arrange for someone to protect them, as well as my elder brother and sister-in-law."

Even though Chu Sheng said the mastermind would not lay a finger on her and Lu Xingzhi's family, that was only a guess. What if that person harmed their family members because they could not lay their hands on Jiang Yao or Lu Xingzhi?

"Are you afraid?" Lu Xingzhi touched the side of Jiang Yao's face gently. "It seems like you're married to someone with a dangerous life. I'm always at risk due to my profession. It might also put you and our baby in danger."

Lu Xingzhi sighed heavily. "Your father and mother seemed to regret marrying you to me. If they had known earlier that you were going to live such a fearful life with me, they would have refused to marry you to me."

Jiang Yao snickered softly. "That's natural."

Mr. and Mrs. Jiang did not leave the village much. They only knew that soldiers had stable jobs and salaries. Her parents agreed to their marriage because they saw Lu Xingzhi's love for her, and he had a great family.

At that time, Jiang Yao's parents did not think about Lu Xingzhi's job as a soldier. They did not know that her husband would be busy all year round, and she had to endure the danger that a soldier's husband brought home.

If Jiang Yao's parents had thought about that, they would prefer Jiang Yao to marry someone ordinary and live a peaceful and carefree life, no matter how good Lu Xingzhi or his family was.

“What would you have done if my father and mother disagreed?” Jiang Yao looked up at Lu Xingzhi in amusement.

“I don’t know.”

Lu Xingzhi shook his head sincerely. “To convince your father and mother, I did everything I could and showed them all my sincerity.”

At that time, he had racked his brains and used all his means.

Jiang Yao scolded Lu Xingzhi with a laugh. “How stupid. You’re so good-looking. Of course, you used your face to seduce me and steal my heart. If I wanted to marry you, my father and mother would not be able to stop me.” Lu Xingzhi was stunned for a few seconds. Then he laughed.

Jiang Yao never hid her admiration for his good looks, nor did she conceal her liking for his face.

She was too honest and too cute..

Chapter 2092: Close Your Eyes

However, Lu Xingzhi knew another answer from her rambling.

“Are you really not afraid?”

Lu Xingzhi whispered into her ear. “My hands are covered in blood. I have killed many people. I have so many enemies that I can’t even remember them clearly.”

“I’m not afraid.”

Jiang Yao shook her head without hesitation. “The people you killed were people who have committed heinous crimes. They deserved to die. You killed those criminals, but you saved more people. You are a hero.”

Jiang Yao rubbed her face against Lu Xingzhi’s chest and snorted, feeling a little proud. “Besides, I’m not a pushover. Most of the time, I can protect myself. I didn’t know people were watching me. Now that I know, I will be more careful in the future.” Please support our [FreeWebNovel.com](http://FreeWebNovel.com)

She would do her best to protect herself and their child. She would not be a burden to him. She would not be his burden.

Jiang Yao touched her belly and leaned into Lu Xingzhi’s embrace. Perhaps it was because the man behind her was warm, and she felt drowsy. She did not even know when she had fallen asleep by leaning against him.

When Jiang Yao woke up the next day, she saw a rare sight—Lu Xingzhi was still sleeping. He had returned late last night, so Jiang Yao did not notice his face. The beard on his chin was starting to show.

He must not have rested well for several days, so he was sleeping soundly. He had one hand around her waist and the other on the pillow. Perhaps it was because he was thinking about his worries, so he was frowning while he slept. He looked like an old man.

Jiang Yao wanted to kiss him, but he immediately opened his eyes as soon as she moved. He did not look like he had just woken up.

When he opened his eyes, he saw her eyes first. Lu Xingzhi took the watch that was on the bedside table and looked at the time. It was still early. He said, in a hoarse voice, "It's still early. Let's sleep for a while more.

"I'm awake."

Jiang Yao narrowed her eyes and smiled. "I slept early last night and woke up early this morning. You continue to sleep."

"Continue to sleep."

Lu Xingzhi pushed her back onto the bed. He lifted his legs and pressed them on Jiang Yao's knees.

He flipped over and pressed on her without waiting for Jiang Yao to push him off. He lowered his head and kissed her.

Jiang Yao stared at Lu Xingzhi with her eyes wide open. The person who said he wanted to continue sleeping had acted like a hooligan!

"Don't you want to continue sleeping? Then you should close your eyes and sleep!"

"Yes, I'll close my eyes."

Lu Xingzhi closed his eyes, but it did not affect his ability to kiss his wife and touch his belly.

Jiang Yao, who was dizzy from being kissed, wondered why he could be so shameless.

Lu Xingzhi swore that he only wanted to kiss the woman he had not seen for a few days. However, some things seemed to get out of control with that kiss and touch. Even if he wanted to abstain from lust, it seemed like he could not do it anymore.

After being kissed by Lu Xingzhi, Jiang Yao's entire body seemed to be on fire. However, her body did not allow her to do anything else.

She was still on fire. Suddenly, the man touched her lower abdomen. In a hoarse voice, he asked her, "What do we do?"

What should they do? How would she know what to do?

Chapter 2093: What To Do?

Jiang Yao's head was about to explode. "How would I know?"

Jiang Yao realized that her voice sounded seductive. After saying those words, she stopped talking. She pushed the person on top of her and pointed in the direction of the bathroom.

"No, I'm not going." Lu Xingzhi grabbed Jiang Yao's hand. "Anyway, my hand is not free."

He said that as if his hand was very busy.

When Mrs. Lu, Mrs. Jiang, and the others arrived, Lu Xingzhi opened the door. When Mrs. Lu saw Lu Xingzhi, she asked, "Yaoyao is still sleeping?"

"She usually wakes up around this time." Mr. Jiang thought it was strange too.

"She's awake. She's still lying in bed." Lu Xingzhi's eyes swept over to the bedroom. Then, he lowered his head and smiled.

She had chased him out because she was embarrassed. However, at least she vented her anger on him. Lu Xingzhi did not mind that. Instead, he was in a good mood the whole morning.

"Oh, right! I heard that Colonel Ye is going to change his profession." Mr. Lu had gotten to know several people in the army base in the past few days, so Mr. Lu deliberately inquired about Colonel Ye. Some people who wanted to be on good terms with Lu Xingzhi took the initiative to send the news to him.

"I know. He wants to transfer to the city administration." Lu Xingzhi's information was better-informed than anyone else. It was like he already knew about it even before it happened. He already knew which position Colonel Ye coveted.

"But with me around, he won't be able to get what he wants."

Lu Xingzhi raised his eyebrows. The patience he gave Colonel Ye was only limited to Colonel Ye's hometown, and he would stay in that small county for the rest of his life.

However, with the incident with Ye Xueli, everyone in the county knew that Colonel Ye had offended Lu Xingzhi. Therefore, even if Colonel Ye were willing to return to that small county, he would be unable to take even a step forward, as if he was treading on thin ice.

Lu Xingzhi was still angry about Ying Xueli's incident. Then, Colonel Ye's youngest son pushed

Jiang Yao. Even if someone instigated the six-year-old, it did not mean that he was not wrong.

Furthermore, Colonel Ye had brought his wife and son to the hospital to force Jiang Yao to forgive them to the point that Jiang Yao had to pretend to faint. Lu Xingzhi remembered that incident.

"As long as you know what you're doing."

Mr. Lu nodded and did not comment further. Lu Xingzhi had always had his own opinions since he was young. Even though he was the young man's father, he did not know much about Lu Xingzhi's work, so he did not have anything else to say.

Mr. Lu was like many people at the beginning. He thought that Lu Xingzhi had been able to get to where he was because of his brothers in Jindo City. However, Mr. Lu realized that that was not the case when he arrived at the army base.

Most people were still worried about Lu Xingzhi. His son's connections and abilities had exceeded his expectations.

Of course, what surprised Mr. Lu, even more, was Jiang Yao. Most of the soldiers in the army base referred to Jiang Yao as Doctor Jiang. Their words were mainly filled with respect. It was the same as if they respected a military doctor.

Jiang Yao changed her clothes and came out when she heard sounds from the living room. When she came out of the room, she heard Mr. Lu and Lu Xingzhi talking about Colonel Ye. After listening for a while, she went to the kitchen where Mrs. Jiang and Mrs. Lu were handling the vegetables they had just bought..

Chapter 2094: Ill Intentions

“You went out early to buy vegetables?” Jiang Yao walked toward them. When she saw a cup of milk warming on the stove, she knew that Lu Xingzhi must have warmed it for her after he got up, so she went to get it.

“The vegetables are fresher in the morning, but they are much more expensive than those in our town.”

Mrs. Lu nodded. Then, she asked Jiang Yao, “Does your sister have a boyfriend in Nanjiang City?”

“What?” Please support our [FreeWebNovel.com](http://FreeWebNovel.com)

Jiang Yao was stunned. “Why did you suddenly ask that?”

“Yesterday, your sister called to ask about your situation. I think I heard a man’s voice on the phone, urging her to eat more. He seemed worried that your sister had lost weight because of her busy work.” Mrs. Lu immediately changed her focus when she mentioned her daughter’s weight loss. “Did your sister lose weight the last time you saw her? She had been too busy. Other than sleeping, she doesn’t rest. When she came home during the New Year, her phone continued to ring. It was all about work.”

Jiang Yao held the milk cup. “I don’t think so.”

Jiang Yao did not think Lu Yuqing had lost weight because she had never been fat.

Jiang Yao thought the voice that Mrs. Lu heard on the phone should be Huang Chengjing.

When Lu Yuqing picked up the phone, he must have been next to her. He heard Lu Yuqing on the phone and guessed who was on the phone with her, so he deliberately said those words.

She bet that Huang Chengjing must have been impatient to join the family.

He could not wait for Lu Yuqing’s family to know about his existence.

Although Huang Cheng was a gentleman, he still had a crafty side.

“Then do you know if any good men in your sister’s company are suitable for her?”

Mrs. Lu was angry when she mentioned Lu Yuqing. “You don’t know because you weren’t at home. A few days ago, someone from my family said that they wanted to introduce someone to your sister. I thought that they would remember your sister after they found their conscience. I did not expect them to have ill intentions.”

“Well, I think I know what kind of people they introduced to her.”

Jiang Yao had heard about that matter from Mrs. Lu before, and she was also a relative of Mrs. Lu's family.

"I'm not saying that the widowers they introduced are bad, but those people acted like they are above everyone else. They wanted your sister to move to the county and make her promise to be good to their children. I'd rather her be alone for the rest of her life than marry someone like that."

Mrs. Lu sighed. "I've thought it through now. If your sister meets someone she likes, then she should marry him. If she doesn't meet someone, then she doesn't have to get married. Her father and I can keep her with us."

"Yuqing is such an outstanding child. Why would she need the two of you to support her?" Mrs. Jiang said cheerfully, "I think she is doing very well. There will be great fortune waiting for her in the future."

"That's true."

Mrs. Lu felt much better after hearing Mrs. Jiang's words. "When she grows old, her father and I will leave her enough money to live comfortably for the rest of her life."

"Mom, don't worry. If she's not married, she can stay with Xingzhi and me in the future. Our children will treat her well." Jiang Yao promised her with a smile..

Chapter 2095: Joint Venture Company

Mrs. Lu burst into laughter. "With you around, your father and I won't need to worry then."

Jiang Yao had a good personality and got along well with her sister-in-law, Lu Yuqing. Mrs. Lu did not need to worry about her daughter once she and her husband were gone.

Mrs. Lu had been angry about her family's ill-intentioned matchmaking for Lu Yuqing. However, she felt better after that. She took the empty cup in Jiang Yao's hand and washed it. Then, she told Jiang Yao to go back to the living room to wait for breakfast. After that, she turned around and chatted with Mrs. Jiang again.

When Jiang Yao returned to the living room, she saw that Lu Xingzhi and Mr. Lu were sitting on the sofa talking. She did not want to bother them, so she sat in the corner and flipped through the newly delivered newspaper.

However, just as she sat down, the side seat caved in. Lu Xingzhi had unknowingly leaned over from the front and sat down next to her.

Jiang Yao rolled her eyes and ignored him. She opened the newspaper in her hand and looked down.

She thought Lu Xingzhi would walk away when he saw her ignoring him. She did not expect he would be so shameless as to grab her hand and wrap it around his big palm.

Mr. Lu's eyebrows twitched. He scolded Lu Xingzhi in his heart.

As long as Jiang Yao was in front of him, his eyes would not be able to bear to part with her for even half a second.

Mr. Lu did not think he was as clingy as Lu Xingzhi when he married his wife.

'[Oh, right, your second uncle went to Jindo City. He told me he had decided to set up a joint venture company with Jiang Lei." Mr. Lu suddenly remembered that he had not told Jiang Yao and Lu Xingzhi about that matter even though he had been in the army for so many days.

'Xiaoxiao was terminated by her company. She has not signed with another new company.

However, her current workload is more than when she was with the company.'

"Fifth Brother told me about it that day. He has a relative who owns an advertising firm," Lu Xingzhi said.

'[Brother helped Xiaoxiao find some work."

Mrs. Lu, who had just come out of the kitchen, heard about that and said, "That Zhou Hailan is really irritating. I thought she was good when I saw her in movies. I didn't expect her to be so bad in private."

Lu Xingzhi said, "Second Uncle and Jiang Lei's company will officially open in half a month. When the time comes, I will go to Jindo City. You can go with me. I have a copy of the key to my house in Jindo City. When you go to Jindo City, you can live there. I will get someone to do the cleaning in advance."

"That sounds good."

Mr. Lu felt that Lu Xingzhi's suggestion was not bad.

After dinner, Lu Xingzhi went out. Jiang Yao was prohibited from leaving the house and was kept under the watchful eyes of Mrs. Jiang and Mrs. Lu.

When she received a call from Luo Ruoran telling her that she was at the entrance, Jiang Yao was so shocked that her jaw almost fell off.

"I'll get Xingzhi to pick you up at the entrance." Jiang Yao hung up the phone and hurriedly called Lu Xingzhi, who had just left the house.

About 20 minutes later, Luo Ruoran appeared at the door. She came in with a child in her arms. Her face looked rosy, and she seemed to be well.

When Mrs. Lu and Mrs. Jiang saw Luo Ruoran's child, they could not put him down. The two of them took turns hugging and teasing the child. Luo Ruoran was happy and relaxed. She pulled Jiang Yao to the bedroom, and the two started to talk..

Chapter 2096: New Girlfriend

"Why did you suddenly come back with your baby? Are you going to stay in the country, or are you only here for a while?" Jiang Yao asked.

"I've decided to return to the country."

Luo Ruoran smiled. "When I went abroad, I decided not to return. I didn't expect to return in such a short time."

Luo Ruoran knew something had happened to Jiang Yao, so she brought her child to Luo City to visit Jiang Yao. She had not seen Jiang Yao for some time, so she was the one who could sense that Jiang Yao had lost weight.

“It seems like you’ve suffered a lot.”

Luo Ruoran reached out and touched Jiang Yao’s belly. “I heard it’s a boy, right? Well, my son will take care of him in the future. It’s a pity that we can’t be in-laws.”

Jiang Yao said, “It’s okay. Hurry up and have another daughter. Let my son marry your daughter.”

Luo Ruoran chuckled. “With whom? Go to the sperm bank? You and your husband are so close.

It’s not a problem for you to have two children in three years. So, you should have a daughter so I can have her as my daughter-in-law. I’ll treat her like my own daughter. We won’t have any problems at all.”

Jiang Yao was stunned. “You and Big Brother—”

“My return has nothing to do with him.” Luo Ruoran waved her hand.

“You haven’t divorced yet? You’re not going to remarry Big Brother?” Jiang Yao thought Luo Ruoran’s return meant she would remarry Liang Yueze.

“Not yet. I’m not in a rush. He’s not in a rush either. He’s also a workaholic and hasn’t met a woman he wants to marry. So, let’s do this for now.” Luo Ruoran shrugged. “Liang Yueze is the father of my child. He has nothing to do with me. We’ve divorced. It won’t change because of our child, and he has a new girlfriend. Don’t you guys know? Didn’t he introduce her to his brothers?”

“New girlfriend?” Jiang Yao gaped at her. “Hasn’t he been spending time abroad with you recently?”

“He’s just accompanying his son. He’s not accompanying me.” Luo Ruoran scoffed.

Jiang Yao was dumbfounded. Why did that situation not develop right?

It did not seem like that was the case previously.

“You —”

Jiang Yao had wanted to ask Luo Ruoran how she knew Liang Yueze had a new girlfriend, but before she could speak, they heard the baby’s cries. Luo Ruoran immediately got up and went to the living room to comfort her child.

Jiang Yao felt that she and Luo Ruoran seemed to live in two different worlds. It was as if the two of them knew a different Liang Yueze.

The phone on the table rang and interrupted Jiang Yao’s thoughts. She picked up the phone and only responded when she heard a strange woman asking her questions on the phone.

“I heard that you’ve returned to the country. You’ve already left; why would you still want to return? Did you come back to snatch him from me?”

“Snatch who?”

Jiang Yao was stunned.

“Don’t play dumb with me!”

The woman's voice suddenly became sharp. "Since you've already left the country, why did you come back? You shouldn't have come back! Liang Yueze is mine!"

While Jiang Yao was still confused, the woman had already hung up the phone. Jiang Yao looked at the phone in her hand for a few seconds before realizing that she might have picked up Luo Ruoran's call.

Beep, beep, beep.

Luo Ruoran's phone had a new MMS message. Jiang Yao looked at the phone number and clicked it after thinking for a while..

Chapter 2097: I Hope Not

Surprisingly, the MMS was a photo of two people. The photo was taken at the entrance of the hotel. It was a photo of a man and a woman. The woman was in a bright red dress, and the man only had one side profile. It was Liang Yueze, who Jiang Yao was very familiar with.

The two of them walked side by side. Liang Yueze's expression could not be seen because the photo only captures his side profile with his head lowered. However, the smile on the woman's face was evident. Her eyes were looking at Liang Yueze. She seemed happy.

There was another sentence in the MMS message. [We went to the hotel together last night. He was great.]

Jiang Yao finally understood why Luo Ruoran said that Liang Yueze had a new girlfriend. It turned out that Liang Yueze's new girlfriend had been harassing her. It looked like it was not the first time either.

Even though the photo was taken at the hotel, looking at Liang Yueze's usually cold side profile, Jiang Yao did not think that Liang Yueze and the woman were together. Although the two seemed close, they did not hold hands intimately.

Jiang Yao forwarded the photo to her phone, and she also saved the phone number. She would not do anything if she did not know about it, but since she did, she had to help Luo Ruoran figure it out.

After saving the photo, Jiang Yao deleted the MMS and put the woman's phone number into the blocked contact list. Luo Ruoran would never hear from that woman again.

Although Luo Ruoran was only a new mother, she was very good at coaxing her child. Not long after she went out, the baby had stopped crying. Occasionally, she could hear the adults trying to tease the baby.

When Jiang Yao went out, she heard Mrs. Lu say how the baby looked like Liang Yueze. She told Mrs. Jiang that the child in Jiang Yao's stomach would look like Jiang Yao in the future.

Mr. Lu said cheerfully, "Both husband and wife are good-looking. The child can look like either of them. However, Xingzhi's personality would be better since it's a baby boy. We've never needed to worry about Xingzhi since he was young. It's good if a child has their own opinions."

"I hope not. Xingzhi didn't like to talk before he met Yaoyao. He has been like that since he was young. When he was very young, I wondered if something was wrong with him." Mrs. Lu shook her head repeatedly. "I want a happy grandson."

"It's good for boys to be like Xingzhi. Girls can be a little more delicate." Mrs. Jiang looked at Jiang Yao, who came out of the bedroom and teased her. "Yaoyao may seem to be worry-free now. When she was young, she would go up onto the roof. Anyway, her two older brothers would take the blame when something happened to her. Her two older brothers would be the scapegoats if she did anything bad. If she cried, she would get candy. That was why she was so energetic when she was young."

Jiang Yao wanted to turn around and go back to her room. She was a little embarrassed to hear about what happened when she was young.

When she was young, besides getting good grades, she was not a very obedient child. However, she was used to acting coquettishly. Therefore, when she got into trouble, Jiang Jie and Jiang Lei would take the blame. However, most of the time, Jiang Lei took the blame.

When she was young, she did many things, like climbing a tree to get bird eggs. She often climbed the big plum tree at the village entrance to cool down. Every time she was found, she would get beaten up. However, whenever she saw her mother's angry face, she would cry and say she would not do it again. Then, her mom would not hit her.

However, she did not change. Instead, she changed her habit of climbing trees because she knew that girls did not look good doing that..

Chapter 2098: Time Doesn't Stop

Mrs. Jiang and Mrs. Lu sat on the sofa and began to chat. One said that Jiang Yao was naughty and mischievous when she was young, while the other said that Lu Xingzhi was unlikable when he was young. That was a topic that Jiang Yao did not think was interesting. However, the two in-laws were exceptionally happy.

Luo Ruoran hugged the child and sat by her side. It was hard to imagine how excited she was listening to the conversation. Her exclamations echoed in the living room as she turned around to tease Jiang Yao from time to time.

"Looking at you, I couldn't tell you were such a naughty girl when you were young." Luo Ruoran covered her mouth and chuckled. "No wonder we got along so well. It turns out that we were the same when we were young."

"I was only mischievous during those two years when I was rebellious, but my mom talked about that all the time." Jiang Yao pouted.

"Now you're embarrassed? You weren't embarrassed when you were young." Mr. Jiang suddenly added to the conversation. Perhaps it was because he thought Jiang Yao's mischievous days when she was young were nostalgic. "At that time, you were really young. You hadn't even reached my waist. Your favorite thing to do was hide behind your big brother and bully your second brother."

"Jiang Yao has two big brothers. I'm so jealous. When I was young, Brother Haoyu took care of me when I did something bad." Luo Ruoran smiled. "When I got into trouble, I ran to Brother Haoyu's house to hide. I did not dare to return until my grandmother picked me up. Support our B0nn0vel.c0m

"No matter how naughty girls were when they were young, they are still good. We wouldn't need to worry about them after they're all grown up. But when boys grew up, they would usually make us worry

about them.” Mrs. Lu sighed. “But children grow up very quickly. In the blink of an eye, they are becoming parents. We are going to be grandparents too. Time doesn’t stop for anyone. We’ll grow old just like that.”

The children would become parents. They would get very emotional as they called themselves fathers and mothers.

Luo Ruoran did not stay in the army base for too long. She left after spending about two hours there. She did not even stay for a meal. She told them she had to catch a flight back to Jindo City.

Jiang Yao had wanted Luo Ruoran to stay in the army base for a night. She was worried it would be too hard for her to bring her baby around, but Luo Ruoran said that she did not want her family to keep waiting for her, so she declined her offer.

Therefore, Luo Ruoran did specifically take a detour to visit Jiang Yao.

Lu Xingzhi was back early that night. He was even on time for dinner. Lu Xingzhi stayed at home to accompany Jiang Yao. Mr. Lu and the other three were relieved as they walked out of the door and returned to the guest house.

The weather in October was still so hot that people wanted to be naked. However, at night, the temperature dropped a little. It was quite comfortable.

Lu Xingzhi was in the study reading some documents he had brought back from the office, while Jiang Yao was reading some medical magazines and newspapers. The two were busy with their own matters and did not disturb each other. However, they were accompanying each other quietly.

Since Lu Xingzhi could not finish his work in a short time, Jiang Yao put down the book in her hand and walked over to him. “I have something to tell you.”

Jiang Yao walked toward Lu Xingzhi and took out her phone. Initially, she wanted to tell Lu Xingzhi before going to bed, but it was clear he was busy and might sleep late. She did not want to wait, so she decided to tell him..

Chapter 2099: Don’t Know Her

“What?” Lu Xingzhi heard that Jiang Yao had something to tell him, so he immediately put down the work in his hands and said, “These are details about Sergeant Hu’s father. I need to investigate them to find suspects. I might be busy these few days. If you’re tired, go and rest.”

“Okay.”

Jiang Yao was not so insensible that she would insist Lu Xingzhi accompany her. She was very independent. If Lu Xingzhi were not busy, she would stay with him. If Lu Xingzhi were busy, she could also spend time by herself.

“I know why Big Brother and Sister Ruoran got divorced.”

Jiang Yao pulled the photo from her phone. “Do you know this woman?”

The reason Luo Ruoran and Liang Yueze got divorced was still a mystery. So, Lu Xingzhi quickly took Jiang Yao's phone and glanced at it.

Lu Xingzhi did not answer Jiang Yao's question. Just by looking at Lu Xingzhi's expression, she knew that he recognized the woman in the photo.

"Sister Ruoran said that she is Big Brother's new girlfriend. She insisted on getting a divorce because she felt as if he didn't love her. She thought she had come between the woman and him. She said the woman he loved was back, so she had to give him back to her."

Jiang Yao tapped on her phone screen. "I stole this photo from Sister Ruoran's phone in the afternoon. She doesn't know anything about this. When she was in the living room, I picked up a call on her phone. It was that woman, and she was very arrogant. She said that Sister Ruoran should never have come back, and she shouldn't steal Big Brother from her. Then, the woman sent this photo to Sister Ruoran's phone. It doesn't look like this was the first time she called her."

Lu Xingzhi's eyes darkened. "You're saying that they divorced because of her?"

"You know this person, right?" Jiang Yao asked.

"I've heard of her, but I don't think I know her," Lu Xingzhi said. "Big Brother once talked to her in school, but only for a brief period. They talked and then went their separate ways."

After a pause, Lu Xingzhi felt as if he had to clarify things with Jiang Yao. He said, "That person is Big Brother's first girlfriend, and she seems to be the only person other than Ruoran to know about this."

Jiang Yao asked, "She was together with Big Brother? Then what happened after that? Why did they separate? Judging from what you said, Sister Ruoran might be right. That woman might be the person that Big Brother loves."

"I'm not sure."

Lu Xingzhi shook his head. "She did not spend much time with him. Later, I heard that she had gone abroad. At that time, we didn't think that Big Brother was serious with her, so we didn't pay her any mind. He didn't even introduce her to us."

"Went abroad? Then do you know when she came back?" Jiang Yao asked.

"Why would I know so much about that woman?"

Lu Xingzhi snorted. "I don't know much. Do you expect me to know her like the back of my hand?"

Jiang Yao was rendered speechless by Lu Xingzhi's question. Even though his tone was annoying, it seemed to make sense..

Chapter 2100: I'm Not Sure

If Lu Xingzhi had told her everything, she would probably feel uncomfortable. She would think, 'Why would he know so much about the woman? Why would he pay so much attention to her? Did he pay special attention to her because he had feelings for her?'

Therefore, even though Lu Xingzhi asked her a few questions, Jiang Yao was not angry. Instead, she stuck her tongue out at Lu Xingzhi with a cheeky smile.

Jiang Yao said, "Get someone to investigate that woman. Sister Ruoran was so determined to divorce Big Brother back then. Maybe it has something to do with her. What kind of relationship do you think Big Brother has with her?"

Jiang Yao felt that Liang Yueze must have been blind and crippled when he chose to be with that woman.

"I'm not sure."

Lu Xingzhi was slow to understand the relationship between men and women. When Liang Yueze was with that woman, he must have still been a slow-witted person, so how could he understand it?

However, Lu Xingzhi looked at the photo. "That photo doesn't mean anything. Look at the distance between them. Even though they were in the same photo, they didn't seem intimate."

"A bystander sees everything clearly. Of course, we might think there is nothing between them." Jiang Yao tapped on the phone screen with her fingertip. "The key is that Sister Ruoran is confused. She can't see things clearly. The background of that photo is suggestive. The two of them appeared at a hotel entrance. In addition, it was accompanied by ambiguous words. Also, look at the way that woman is staring at him. I bet that the woman wants Sister Ruoran to misunderstand the photo."

Lu Xingzhi frowned because he felt that Jiang Yao's words made a lot of sense.

Someone who cared about Liang Yueze would be confused by the photo.

He and Jiang Yao were able to analyze it because they were bystanders and were not affected by the photo.

However, what about Luo Ruoran?

Jiang Yao was not so sure.

The more one liked a person, the more one would care about them.

"It's true that love can turn a genius into an idiot."

Lu Xingzhi looked at the photo again. After a closer look, he felt that the photo was quite eye-catching.

"Yes, someone might have misunderstood when they saw the photo," Lu Xingzhi said.

"The most important thing is to ensure Sister Ruoran understands Big Brother's feelings for her. She had been worried about that during their marriage. She thought that he was out of her reach. There was no trust between them. Just a few words from an outsider, and their relationship collapsed."

The biggest difference between Liang Yueze and Lu Xingzhi was that the latter showed all his feelings for his wife when they got married. He was not stingy in letting her know his feelings for her.

However, she had pretended to be blind back then.

Liang Yueze did not seem to have done the same thing with Luo Ruoran. Both of them did not show their true feelings to each other.

No one told them they had to reveal their feelings.

If one did not say anything, the other did the same. Their feelings were concealed. So, who would know what they felt for each other?.
