

Chapter 2095– 2096 of A Dish Best Served Cold Novel

Chapter 2095 Return of the King

The words were cold, with utter majesty!

Almost instantly, everyone here was like an ice cellar.

“Wh...who?” “Who is it?” This sudden voice surprised everyone.

Chen Ao, Ericson and others were even more excited.

“This voice~” “Could it be...”

“Could it be?” At that moment, a crazy thought, like a tide, surged from the depths of Chen Ao’s heart.

“It can’t be him.”

“Nan Nan watched him die in the sea of fire.”

“It must be that I think too much.”

“It must be~” The moment that thought appeared, Chen Ao pressed it down fiercely.

He clenched his hands, shook his head, and growled in his heart over and over again.

Boom~ Finally, there was a boom.

The tall buildings tremble, and the rubble flies.

In the shock and violent eyes of everyone, they saw that the high wall behind them was instantly shattered.

Just like the huge mouth opened by the devil, a black hole the size of a person appeared on the originally solid high wall.

And at the black hole, a thin figure of a man stood there like that.

The dim shadow blocked his face, making it difficult to see his forehead.

However, those icy eyes, if only the demon from Jiuyou, are like this, staring at everyone through hell.

No need for a word, a word.

Just standing there, almost let everyone on the scene, their souls scattered!

“Damn~” “Shall I go to Nima?” In the room, Bald Liu and others have already urinated.

You know, this is the top floor of The Twinfill.

At least twenty to thirty meters high from the ground.

In other words, the person in front of him broke the wall directly at an altitude of tens of meters!

“This...Is this a human being?” “Is this a monster?” In the hall, there was a shock.

These people, although expensive, are all mortals born under the red flag and growing up in the sun. Have you ever seen such a shocking scene?

Now when they see someone standing in the air, breaking through the wall tens of meters above the sky, they only feel that the worldview has collapsed.

“you you...

” “who are you?

“How dare you break into The Twinfill without permission, and play mystery here?”

“Lu Mingfeng’s face is equally ugly. Even he is undoubtedly the first time he has seen such a horrifying scene. He appeared out of thin air at a height of tens of meters, like a ghost, standing in the void. This method is a martial art. Grandmaster Wei Wuya couldn’t do it. But now that he actually appeared here, Lu Mingfeng naturally trembled in panic. However, even if he felt more panic in his heart, he still resisted his fear and bit his head and asked. However, faced with Lu Mingfeng’s call. , The man did not speak. Instead, he raised his head and stepped into the Fortune Restaurant! The moment he entered the restaurant, when his face was reflected in the eyes of everyone, the audience was silent. Everyone They all stayed in place, as if time and space were still at this moment. The whole world was silent!!! Huo~ Outside, the cold cold wind was blowing. The hole that penetrated the black hole swept the entire hall. That. For a moment, everyone shuddered. The bald-headed Liu and others, as if seeing a ghost, stared at the man in front of them in disbelief. “Chu...Mr. Chu?

“Yes, the thin young man in front of me is Mark! When the king returns, all adversaries shall die!

“You...you are really Chu...Mr. Chu?”

“But...but this...how is this possible?”

“Chen Ao trembled all over. I don’t know if it was because of shock or fear. This majestic King Noirfork, who smashed Noirfork, unconsciously shook his body.

Chapter 2096

This is true even for him, let alone others.

“No, it’s impossible?” “You’re dead, you’re already dead.”

“How could you still be alive?” Xia Xue’s brows were flushed, and he shouted hysterically.

But Bald Liu and the others were so frightened that they couldn’t even speak.

Just with his mouth open, his arm pointed in Mark’s direction, the whole figure was like a rooster pinched by the neck, only venting, no air intake.

In my heart, there is only endless panic!

Chen Ao and the others couldn’t believe it. After disappearing for more than a month, Mark, who was rumored to have fallen on the coast of Sun Country, died on the Pacific Ocean, came back alive.

At this time, there was only one thought left in everyone’s mind.

That is, is he a human or a ghost?

And when the whole hall was shaking, Ericson and others, with their faces full of blood, undoubtedly saw Mark’s figure.

At that moment, only people who walked at night saw the long-lost light.

Like a man falling into the water, he grabbed the last straw.

The so-called suffering is exhausted, and the dead wood meets the spring, it is this moment.

There are no words to describe the emotions of Ericson and others at this time.

Just like the warrior who was in a desperate situation, the warrior of the trapped beast finally waited for the return of his king at the last moment!

The moment they saw Mark, Ericson, Lei Lao San and others burst into tears.

“Mr. Chu~” “The second child knows that you are not dead, you are still alive.”

“You are so awesome, it is impossible to die so easily.”

.....

“Mr. Chu, the second class of you is so miserable~” “Do you know that Noifork was all messed up during your absence.”

“All messed up~” Ericson said sadly, full of tears.

The forty-something old man, in front of Mark at this time, was crying like a bad pen.

Lei Lao San and Wang Jiexi are better, although they are not as gaffes as Ericson, they are undoubtedly tears.

They thought they were really going to die this time.

But now, the king they were waiting for is back!

They can't die.

It is as if all the hard work has paid off at this moment.

Excited, Lei Lao San and the others endured the pain, gritted their teeth and got up, then knelt at Mark's feet.

"Mr. Chu, I was incompetent and failed to protect Mufan Group, Miss Qiu, and Noirfork for you."

"It's us that has failed Mr. Chu's expectations."

"Please Mr. Chu punishes!!" Lei San had blood on his face, and even though he was beaten all over his body, his voice was still loud and loud.

With Lei Laosan taking the lead, Ericson and Wang Jiexi also knelt together.

"It's our incompetence that has failed Mr. Chu's trust and expectations."

"Mr. Chu, please be punished!" "Mr. Chu, please be punished!" Boom~ The sound is like thunder, but it is shaking. The whole room was also trembling with everyone's heartstrings.

The faces of Bald Liu and others have completely paled.

The fear once dominated by Mr. Jiang Dongchu is undoubtedly completely returned.

Who said Mark is dead?

Mark is still in the world!

In a short time, everyone's heart has no bottom.

You look at me, I look at you, but look at each other!

Now they don't even know what to do.

Should you continue to respect Mark, or support a new master?

As for Chen Ao, his face was even more ugly, blue and white.

He stood there with his head down, silent, and didn't even have the courage to look directly at Mark.

"Are you Mr. Chu?" "That stinky brat?"

Boom~ The sound is like muffled thunder, but it trembles the entire room and trembles everyone's heartstrings.
