“You bastard, you have a kind.”

“For so many years, you are the first person to dare to do something to me.”

“But I promise, Lu Mingfeng, that you will soon regret your entire life for your behavior today!”

Lu Mingfeng's mouth was full of blood, and he smiled wanton. “You probably haven't returned to your hometown in Denham.”

“I forgot to tell you. Last night, I had let Wei Lao pass by to go to the Yeja Villa in Denham and visit your parents and relatives for Mr. Chu.

“Aren't you curious, how about your relatives now?”

“Lu Mingfeng's cold voice slowly sounded, and the words were full of threats to Mark. Seeing Mark's pace suddenly stopped, the smile on Lu Mingfeng's face was undoubtedly more intense. “Haha~” “Are you scared?”

“Hunboy, if you don’t want to see the corpses of your parents and relatives, you can kneel down for this young master now!”

“Lu Mingfeng gritted his teeth and snarled. “Despicable villain~” “Is it the man who threatened Mr. Chu with his family?”

“It’s so shameless!”

Behind him, there was a scolding voice from Ericson and others. But Lu Mingfeng didn’t care, and the smile on the corner of his mouth was even worse.

“As long as it can help me achieve my goal, that’s what the husband does.

However, when Lu Mingfeng laughed proudly, Mark shook his head and said slowly. “Oh?”

“Is his name Elder Wei?”

“Just right, I want to ask you too. You are not curious. What is the end of Wei Lao, whom you used to rely on?”

Mark smiled softly, shouting a little jokingly in the words. Lu Mingfeng frowned, “What do you mean?”

“Could it be that you want to tell me that Wei Lao has been solved by you?”

“Do you think I will believe it?”

“

“Wei Lao is a powerful master, who can destroy gold and jade, open monuments and crack stones, and is a master of good fortune.”

“You are a humble and contemptuous bully. Are you Wei Lao’s opponent?” “Today, Wei Lao is also absent.”

Here.”

“Otherwise, this young master would have let you be here!” Lu Mingfeng arrogantly, his eyes full of icy, enduring pain, swearing to Mark.

Mark suddenly smiled when he heard it.

“Really?” “It sounds great.”

“But I just don’t know, is the Wei Lao that Lu Shaoye said is he?” The words fell, and Mark immediately waved his sleeves.

Immediately afterwards, a burst of vigor came out.

Then, under Mark Jinli's package, a black shadow flew in from outside the window.
