## Chapter 2109 the final treatment

Mark is definitely not arrogant, nor arrogant.

But self-confidence!

In the Great Sun Empire, he stepped down.

People of the Chu family, he still dared to kill.

There are only two families, so what is there to be afraid of?

In the The Twinfill, Mark's anger echoed.

However, when Chen Ao and others heard this, they didn't give Mark a high look. Instead, they shook their heads, becoming more disappointed in Mark.

"I thought that after this catastrophe, Mr. Chu, you could learn to constrain, learn to be prudent, and learn to keep a low profile."

"Now it seems that I was wrong, a big mistake."

"After all, it's a young man."

"I am. When you were your age, you were so young and frivolous."

"Thinking that I have the ability to cut everything."

"But what's the use?" "After all, it's just my own wishful thinking."

"But fortunately I was at the time. It's trivial. Even if you make a mistake, the price you pay is very small."

"But Mr. Chu, you are different. Since you are the lord of Noirfork, you are responsible for Noirfork."

"Don't you want me to make Noirfork's power all for you? Ignorance and arrogance pay the bill?" "Let your parents and relatives suffer because of you?" "However, I know, no matter how much I say now, you won't listen."

“Do it.”

“Anyway, after I die, Everything about Noirfork has nothing to do with me.”

“It’s just that when Mr. Chu is dead in the future, is it possible that Chen Ao didn’t persuade you?” Chen Ao gave up completely.

After all, he couldn’t wake up a person who pretended to sleep.

He only asks for one death now, and everything after that is gone.

Sure enough, after Chen Ao’s words fell, Mark’s icy gaze also fell over.

The icy face, just like the executioner before the execution, raised his butcher knife to the prisoner under his hand.

“Mr. Chu, don’t do it~” “As for Chen Ao, those words are also for your consideration, Mr. Chu.”

“Although he said badly, they are all facts in front of you, aren’t they?” “As for Chen The matter of proud betrayal has not been investigated yet.”

“We implore Mr. Chu to save him for the time being until the investigation is clear.”

Seeing that Mark was about to do it, Ericson and Lei Lao San ran out to persuade him.

Wang Jiexi also persuaded bitterly, hoping that Mark would think twice before acting.

However, Mark suddenly smiled when he heard it.

The laughter was loud, with a bit of anger and self-deprecation.

“Fact?” “So, even you guys think that Mark is not as good as the Lu family or the Xu family?” “Think that I am Mark arrogant without knowing it?” “Good, very good.”

“In that case, Then this time, I will let you see, Mark’s true majesty!” Mark got up and left amidst the anger.

Before leaving, Mark was condescending, looking down at the man at his feet: “Chen Ao, today, I won’t kill you!” “I will let you see with your own eyes, I will be the end of Mark, or the so-called Gritsberg giants. , Bow your head for mercy!?” Silence, a long silence!

Even after Mark left for a long time, the whole restaurant was still silent.

Those present, can’t help but say.

In the end, it was Ericson and Lei Lao San who gave a wry smile.

“Now, I’m afraid it’s going to be a big deal.”

Mark has undoubtedly said very clearly just now, that is, he is going to have a hard anal with Lu and Xu.

They wanted to dissuade Mr. Chu and let Mark retreat.

But who would have thought that it would be counterproductive.

Instead, Mr. Chu’s eagerness to win was aroused.

“Hey, the third child, what should we do now?” “Are we really going to sit and watch Mr. Chu and make things uncontrollable?” Ericson was full of worry.

## Chapter 2110 He Is Back

What they fear most now is that Mark really wants to kill Lu Mingfeng and the others.

Lao San Lei also shook his head and sighed: "What else can you do?" "You also know Mr. Chu's temperament. We don't have a place to intervene in the things he decides."

"At this point, we can only take one step at a time."

While talking, Lei San might be thirsty, and he was about to drink tea when he picked up the cup. This time, he found that the water in the cup was cold.

"San Ye, I'll pour you water."

At this time, Ma Fei, the Patriarch of the Ma Family, walked up with a flattering smile. His respectful look was extremely diligent.

"San Ye, we have been in friendship for many years, right?" "Look, can you say a few words for us in front of Mr. Chu?" "This time, we were also confused for a while. We just did such a wrong thing. "Ma Fei said bitterly, his posture was very low, and his words were full of begging.

"Yes, Third Master, Second Master, and President Wang. In the future, your position in Noirfork must be no one can match."

"Chen Ao has been abandoned, and now you can speak in front of Mr. Chu, too. It's just the three of you."

"The lives of those of us are pinned on the three of you."

Others also begged.

Although Bald Liu was dead, Mark did not say how to deal with them.

The fear of the unknown still made Ma Fei and the others restless.

They must dare not go to Mark to intercede.

Now that Mark is getting angry, Ma Fei and the others are naturally afraid that Mark will kill them again in a rage.

But the two and three of Li were different, they stood in line successfully.

Mr. Chu will only reuse them more in the future.

As for Chen Ao, after this incident, it is still unknown whether he can live or not, so naturally he can't count on it.

"Huh?" "You know you are afraid now?" "When you betrayed Mr. Chu, did you ever think about today?" Lei San sneered.

Ericson also yelled: "A group of grass-rooted grasses."

"If I were Mr. Chu, I would kill you all."

"Now I still have the face to let us intercede?" "Dream you guys!" "One. Everyone, go back and wait for death!" Ericson kicked Ma Fei to the ground with anger.

Just now, he and Lei San were almost killed by Lu Mingfeng.

These people, besides Chen Ao, can someone beg for them?

Now that the limelight is turning around, the two and three of them naturally don't care about them.

At this point, this powerful feast ended with the return of Mr. Chu.

However, Ericson and others know very well that this crisis is far from over.

Even, it's just the beginning!

No one knows how this crisis will develop in the future.

Soon, everyone here also left Wrilfill with trepidation and fear.

As for Ericson and the others, they stayed behind to deal with the aftermath of Mark.

As for the bodies of Wei Wuya and his son, Ericson asked them to dig a hole and bury them directly.

As for Liu's corpse, Ericson was transported back to Liu's house.

"He drank too much, stumbled and fell down the stairs, and died."

This is the cause of death of Ericson and others to the Liu family.

The Liu family naturally didn't believe it.

"Impossible!" "My father doesn't drink, how could he stumble and die when he gets drunk?" "It must be my father who killed you."

"It must be you."

"Our Liu family will not let go, I will definitely seek justice for my father!" Before Liu's villa, the bald Liu's son screamed.

Ericson sneered, "Want to be fair?" "Yes, go to Mr. Chu."

"I believe Mr. Chu, I will definitely give you the Liu family a fair."

"Oh, by the way, you don't know yet, right? , Mr. Chu, I'm back."
