

## The One and The Only Chapter 211 - 220

Yash Nics nodded: "Of course I am not happy to comment on this kind of thing!"

Crazy Hua Tuo continued, "So, you must do the production and promotion of sales by yourself, so I can rest assured."

"Moreover, you invested more than tens of billions of funds to research vaccines. In any case, you can't make good people suffer. At least you have to make money back at this cost."

Yash Nics nodded slightly: "Well, I will let my wife set up another medical company. The company specializes in the production and sales of vaccines."

Crazy Huatuo laughed and said: "Okay, anyway, the vaccine is not in a hurry. Madam

Marshal set up a pharmaceutical company and slowly manufactures and promotes it, which is just right."

Yash Nics told Crazy Huatuo again. After chatting for a few words, I agreed to meet in person next month and then hang up.

Yash Nics returned to the living room from the balcony and found that Tong Ke was also on the phone in the living room.

I saw Tong Ke holding a special button in her hand, taking a picture and sending it to her

friend. She said: "William, you are a well-known tailor and you are very knowledgeable.

Please help me find out what this button is On the clothes."

"Yes, this button is very important to me. It was left by a heroic man who saved me."

"Unfortunately I didn't see his appearance clearly at the time. I hope to find it with this button. He."

Yash Nics heard Tong Ke's words and hurriedly walked to the bathroom.

Replace him with the buttoned shirt and hide it secretly.  
Tong Ke finished the phone call and looked at Yash Nics's back, and muttered angrily: "Huh, this scumbag will slip away when he sees me, because I am afraid I will scold him for soft food?"

At night, Tong Ke didn't talk to him for a long time. When Song Pingting met, she had a lot of reasons to say.

She insisted on having a night talk with Song Pingting, drove Yash Nics out of the master bedroom and let Yash Nics go to sleep in the study.

Yash Nics was a little helpless, but there was no opinion.

The next day was the weekend, Tong Ke received a call in the morning, and then it seemed

that there was something urgent, so he went out in a hurry.

Song Pingting doesn't have to go to work today. It happened that her BMW M760Li xDrive

needed the first maintenance, so she went to the BMW 4S shop with Yash Nics.

Li Jianmin, the intern salesperson at the time, has now become the manager here.

Yash Nics and Song Pingting can be said to be her nobles, so she personally greeted Yash

Nics and Song Pingting, and arranged for Yash Nics's car to be maintained as soon as

possible, striving to complete it in the shortest time.

Li Jianmin smiled and said to Yash Nics and Song Pingting: "Mr. Yash, Mrs. Yash,

maintenance should take about 40 minutes. Do you think you can go to our lounge for a

drink, or should I drive you out with you? "

Yash Nics looked at Song Pingting, and Song Pingting said with a smile:

"Don't bother with

Manager Li, we'll just wait here for a while."

Li Jianmin smiled, "Well, here is the lounge, over there is In the exhibition hall, please, please

tell me if you have anything to do." When

Yash Nics and Song Pingting listened to Li Jianmin's introduction of the area, they suddenly noticed that there was a familiar figure in the exhibition hall, which turned out to be a child.

Ke.

Song Pingting was surprised and said, "Hey, it seems like a cousin is watching the car with a man, is it her boyfriend?"

Yash Nics also saw the man next to Tong Ke, who is in his forties and has a wide waist. The round man was even slightly bald.

Regardless of age, or in terms of appearance, they are not very suitable for Tong Ke.

Yash Nics said faintly: "Should we go and take a look?"

The One and The Only Chapter 212

Song Pingting knows that her cousin has always had eyes above her head, and she has never been in a relationship with any man.

But this time, she doubled up and watched the car with a middle-aged man with a shameless appearance. She was also curious what was going on?

So she and Yash Nics walked towards the exhibition hall.

Tong Ke and the others are looking at a BMW X7 worth more than one million yuan. Tong Ke

gently said to the middle-aged bald man next to him: "Bora, this SUV is big enough and it's suitable for a man with a fatter body like you."

It turned out that the middle-aged man was named Feng Baolai.

After Tong Ke was rescued yesterday, she tried every means to find the heroic man who worked desperately to save her.

It's a pity that she had a love potion yesterday. At that time, she was confused and couldn't see the heroic man's face clearly.

The only clue was a button she tore off from the other's shirt when she was holding the heroic man.

This button looks very special, with special symbols on it.

Tong Ke thinks that this button is special, it may be a well-known brand clothing, or even a limited edition clothing.

So she found a well-known tailor friend, and took a picture of the button for the tailor friend to see.

And I told the tailor friend the reason for looking for the owner of this button. I just wanted to try to see if I could use the knowledge and connections of the tailor friend to find the owner of this button.

To her surprise, this morning, a tailor friend really called her and said that he had found the owner of the button.

The tailor told Tong Ke that this dress is a limited edition of an Armani shirt. There are only ten pieces in the world. One of them is a man named Feng Baolai who won the lucky draw.

The tailor friend also gave Tong Ke the telephone number of Feng Baolai. Tong Ke excitedly contacted the heroic man who had been brave enough to save her

yesterday. After meeting, he discovered that the other party was a middle-aged bald man in his forties, with a wide waist and a round waist.

However, Tong Ke was not disappointed that Feng Baolai was still unmarried and had a simple and honest personality.

According to Feng Baolai, he also liked her, but he was ashamed of himself, so he didn't wait for Tong Ke to wake up yesterday, so he left quietly.

Moreover, his shirt was torn because of a fight, and there was still a button missing, so he had also thrown it away.

Tong Ke was moved by Feng Baolai's words. She felt that Feng Baolai was honest and kind, and she believed that she didn't care about appearance.

When she saw that Feng Baolai didn't even have a scooter, she didn't hesitate to come here

with Feng Baolai, and she had to buy a car for Feng Baolai first. Feng Baolai saw Tong Ke introducing him to this BMW X7, his eyes lit up quietly, but he rubbed his hands and pretended to be honest and hesitating: "Xiao Ke, this car is too expensive. My monthly salary is only a few thousand yuan. Money, I can't afford it..."

Tong Ke immediately said, "What are you talking about? You risked your life to save me

yesterday. I showed you this car. Naturally, I bought it for you."

Feng Bora is still waiting to refuse, but Tong Ke said: "Bola, I know you have a strong

self-esteem, but you save my life. From now on, mine will be yours.

What's the

deal with a car?" Feng Baolai lowered his head, said in a low voice:

"Xiao Ke, you said you

only have a one-month holiday, then you will go back to work in the north?"

Tong Ke bit her lip: "If you don't want me to go back to the north, I can stay for you."

The One and The Only Chapter 213

Feng Baolai was ecstatic in his heart, and there was a cunning look in his eyes.

But when he raised his head, he looked like an honest person, and asked kindly: "Really?"

Tong Ke nodded: "Of course!"

Tong Ke was a little afraid to look at Feng Baolai, and she herself was a little unconfident. .

Since she was a child, she has felt that being a hero saves beauty and promises to be the

most beautiful thing.

After she woke up in the hospital yesterday, she was also excited and eagerly looking for the

heroic man who saved her bravely.

But when she found Feng Baolai, she was happy, but faintly felt that something was wrong.

She couldn't tell what was wrong.

At this moment, Tong Ke quickly turned off the topic, pointed to the BMW X7 next to him, and said to Feng Bao: "Bora, do you like this car? If you like this car, I will buy it for you."

Feng Baolai still wants to play a little bit of joke But at this moment a teasing voice came from behind them: "Cousin, are you buying a car?"

Tong Ke and Feng Baolai were both taken aback. They turned their heads together and saw Yash Nics and Yash Nics. Song Pingting.

It was Yash Nics who spoke.

Yash Nics and Song Pingting approached quietly just now and heard the conversation between Tong Ke and Feng Baolai.

Yash Nics understood that Tong Ke mistakenly regarded the culprit as a benefactor, and mistakenly regarded the middle-aged bald man as the person who rescued her yesterday.

Last night, when Song Pingting had a bed-night talk with Tong Ke, Tong Ke also told Song Pingting all of her experience yesterday.

Song Pingting looked at the Feng Baolai next to Tong Ke. This person was bloated, and he didn't look like the one Tong Ke said. He wounded dozens of gangsters and cut a bloody way to save Tong Ke's righteous man. .

So Song Pingting also worriedly said: "Cousin, you said this is the heroic man who saved you yesterday?"

Tong Ke blushed, but admitted in a low voice: "Yes, how much did Borai defeated yesterday? Ten gangsters saved me."

Feng Baolai felt a little frustrated when he heard the words, but he straightened his chest and made him look like defeating dozens of gangsters is a pediatrician for him.

The corner of Yash Nics's mouth rose slightly: "Just like this fat man, he can beat dozens of punks to save you even after walking a few steps?"

Tong Ke opened his eyes wide and glared at Yash Nics: “Oh, you are a trash yourself. , Why laugh at Bora? Bora is much more powerful than you. If you hit a soft rice man like you, he can hit you a hundred.”

Feng Baolai also hated Yash Nics for destroying his good deeds. He immediately took the opportunity to take a step forward, raised his fat arm, and threatened: “Boy, I don’t care who you are, if you slander me, I can beat you to the teeth, you Believe it or not?”

Feng Baolai felt that although he was not a master, he was huge, and Yash Nics was much smaller than him.

He felt that if he fought, he would surely win Yash Nics, so he dared to intimidate Yash Nics unscrupulously.

Yash Nics looked at Feng Baolai with a fat waist and a round brow, and said indifferently: “I don’t know what you are trying to deceive our cousin, but I will give you a chance to truthfully explain and apologize.”

Tong Ke stared angrily. To Yash Nics: “I don’t allow you to speak ill of Bora.”

Feng Baolai also glared at Yash Nics, and said viciously: “Boy, if you are like this, don’t blame me for being rude to you.”

Yash Nics smiled and said to Tong Ke. “You said this guy defeated dozens of punks and saved you by breaking a blood path?” Tong Ke raised his face and said, “Yes, what’s the problem?”

Yash Nics smiled and said, “I don’t think he is like a master of fighting. I’m afraid that you will mistake the culprit for your beloved, and eventually lose money and lose yourself. So I want to help you verify whether this person is the man who helped you.”

The One and The Only Chapter 214

Tong Ke felt that Yash Nics was unreasonably making trouble. If she was angry, she would blame Yash Nics for being nosy. But Song Pingting grabbed her at this time and whispered: "Xiao Ke, your brother-in-law and I are also worried that you will be deceived. My cousin also thinks this man is bloated and clumsy, not like a very powerful man. Let your brother-in-law verify. It's okay to verify."

Tong Ke didn't wait to see Yash Nics, but he could still hear what his cousin Song Pingting said.

She glared at Yash Nics and snorted coldly and said, "Well, since you want to verify the strength of Bora, then you have to sign with Bora. But if you are injured by Bora, don't regret it."

Yash Nics smiled. "Okay!"

Feng Baolai saw this and knew that if he didn't fight Yash Nics today, or if he could not defeat Yash Nics, then even Tong Ke would doubt him. So he's staring eyes of poor Ning, he said coldly: "Boy, since you asked for it ugly, then blame me polite to you."

Ning noncommittal, beckoned: "! Come"

exhibition The sales staff on the scene saw Yash Nics and they were going to do something here, and they were so frightened that they wanted to stop him. But at this time Li Jianmin appeared. Li Jianmin stopped the salesperson and said calmly:

"Mr. Yash is our most distinguished customer. Don't say he is here to make gestures with people. Even if he smashes our entire 4S store, he will I can afford it." A group of salesmen around, looking at each other in shock, looked at Yash Nics in shock.

Feng Baolai gave a low shout, then rushed toward Yash Nics fiercely, raised his fist and waved towards Yash Nics.

Yash Nics flashed slightly and stumbled.

Feng Baolai tripped and fell heavily on the ground, like a bear chewing shit.

Upon seeing this, Tong Ke frowned.

Song Pingting also whispered: "Xiao Ke, you said he defeated dozens of opponents and

saved you yesterday. I don't think his skills seem to be the same now.

Are you sure it is really

him?"

Feng Baolai was embarrassed. Hong struggled from the ground, and said in

anger, "Boy, you dare to play with me, you are dead." After he finished speaking, with all his

strength, he waved his fist again and rushed towards Yash Nics.

It's a pity that he slammed a few punches in a row, all of which were easily avoided by Yash

Nics.

Yash Nics is as easy as walking in a leisurely courtyard.

On the other hand, Feng Baolai fought so hard that he didn't even touch the corner of Yash

Nics's clothes. Instead, he was so tired and panting.

Song Pingting kept shaking her head and looking at Tong Ke.

Tong Ke bit her lip and said nothing.

She also saw a sign that this Feng Baolai was probably a counterfeit hero.

Feng Baolai was furious, and blushed and shouted at Yash Nics with a thick neck: "There is

a kind of thing, don't hide, fight me upright, do you dare?"

Yash Nics said: "Okay!"

Yash Nics's voice fell, and he stepped forward. Before, raising his hand was a punch.

This punch was as fast as lightning, and as powerful as thunder.

Where can Feng Baolai get it?

Watching Yash Nics's fist helplessly, he kept getting closer and zooming in his field of vision.

boom!

Feng Baolai felt that his face was hit by a sledgehammer, and with a buzz, he fell straight back and fell to the ground.

Yash Nics's punch directly broke Feng Baolai's nose.

Feng Baolai was beaten with blood on his face and almost passed out.

However, before he had time to fall into a coma, Yash Nics walked over.

Yash Nics looked condescendingly at Feng Baolai and said nonchalantly:

"Just as you are,

you dare to pretend to be someone else. Tell the truth, how did you deceive our cousin?"

The One and The Only Chapter 215

Feng Baolai has a hard-headed beak and denies: "I admit that you are very skilled, I can't

beat you. But I did see righteousness and courage yesterday and saved Miss Tong..."

Feng Baolai said nothing. After speaking, Yash Nics raised his foot and kicked it on his calf.

With a click, Feng Baolai's calf bone was kicked off by Yash Nics, and his pain was so

painful that he wailed like a pig: "Ah—"

Yash Nics said coldly, "In front of me, you'd better put away your rogue tricks. I'll ask you

again, how did you deceive our cousin?"

Feng Baolai knew that he had encountered a ruthless character this time, and if he didn't

confess honestly, Yash Nics might break all his bones.

With a cold sweat on his head, he confessed in tears: "I was wrong. It was my cousin Liang

Jinrong. He said that there was a pretty rich woman who was looking for a man who was

righteous and brave. My cousin asked me to pretend to be a man who is righteous and

brave and said yes. Can get people and money..."

Yash Nics turned to look at Tong Ke and Song Pingting after hearing this.

Song Pingting said to Tong Ke softly: "Xiao Ke, it seems that this person is really not the

heroic man you are looking for."

Tong Ke's face was filled with cream, and she walked to Feng Baolai. Feng Baolai said with a guilty conscience: "Xiao Ke..." "Don't call me Xiao Ke, you don't deserve to call me that. You turned out to be Tailor Liang who came to deceive me. Damn it!" Tong Ke said, suddenly raising her foot, cruelly He kicked Feng Baolai's uninjured leg hard. Although her strength is not as good as Yash Nics's, she can't kick a person's calf bone off with a single kick. But she was wearing high-heeled shoes, and it was an angry kick, which made Feng Baolai scream sternly. Tong Ke kicked Feng Baolai fiercely, and left Song Pingting angrily this time. Yash Nics smiled and shook his head, and then said to Feng Bao on the ground: "You rolled yourself, and I called the police to take you away?" Feng Baolai tremblingly said, "I'll go by myself, I'll go by myself..." After he said, he struggled, dragged his broken leg, and left dingy. Yash Nics came to the lounge, Song Pingting and Tong Ke sat on the sofa. Song Pingting is comforting Tong Ke: "Don't be discouraged, this time I found it is a counterfeit. Next time I might find the man who has acted bravely, but he may still be a handsome guy."

Tong Ke hasn't spoken yet, and Yash Nics is already there. Coming over, he said lightly: "I feel that since they have not left their name and contact information, you should not look for them. You can't make sure that they already have wives and children, and they won't like you." Tong Ke widened. Eyes, angrily said: "Yash Nics, you crow's mouth!" Song Pingting couldn't help raising her feet in high heels, kicking Yash Nics secretly under the table, and groaning: "Yash Nics, you can't

Just say a few words!” Yash Nics wanted to tell the truth, but seeing Tong Ke’s murderous appearance, and Song Pingting’s grotesque appearance, he had to shut up.

At noon, Yash Nics returned home with Song Pingting and Tong Ke.

In the kitchen, Song Zhongbin is cooking.

In the living room, Song Qingqing is watching TV, while Ma Xiaoli is sewing buttons on a male shirt.

Song Pingting came into the room and said, “Wow, it smells good, Dad, what are you cooking?” As

she said, she approached the kitchen expectantly.

Tong Ke was about to say hello to Ma Xiaoli, when she suddenly saw Ma Xiaoli’s buttoned shirt, especially when her eyes were on the remaining buttons of the shirt.

Her eyes widened instantly and her face was full of suspicion.

Because of this shirt, except for the newly patched button by Ma Xiaoli, all the other buttons are exactly the same as the one treasured in her bag.

She resisted the shock, pretending to be curious and asked: “Auntie, who owns this dress you mended?”

Ma Xiaoli smiled kindly: “Your brother-in-law Yash Nics’s, he always throws things away,

changing his clothes and throwing them in the middle of the night. I cleaned and saw it, and

found that a button was missing, so I helped him sew a button.”

Tong Ke swallowed hard and looked at Yash Nics next to him.

Yash Nics’s face was as usual, and he shouted toward the kitchen: “Dad, wife, can I have dinner? I’m so hungry!”

Tong Ke looked at Yash Nics, who had no job, and ate the scumbag men who were waiting to die every day.

The thoughts in his heart are shaken again: No matter how this guy looks at it, he doesn’t

match the image of the hero who is brave enough to save his life!  
Could it be a coincidence that he happened to have a shirt with the same  
button, and this  
shirt also had a button off?

The One and The Only Chapter 216

Song Pingting was helping in the kitchen, and Ma Xiaoli was sewing on  
Yash Nics's shirt.

Yash Nics held her daughter and watched cartoons with her.

Tong Ke's eyes rolled twice, then sat down beside Yash Nics calmly,  
staring at Yash Nics  
closely.

Yash Nics's face was calm on the surface, but in fact he was smiling  
bitterly inside. He knew  
that Tong Ke must have doubted him a little.

He turned his head to look at Tong Ke pretending to be puzzled: "Why  
are you looking at  
me?"

Tong Ke blinked, lowered his voice and asked curiously: "Brother-in-law,  
you tell me the truth,  
did you save me yesterday? After

Tong Ke finished speaking, he immediately added: "After all, you knew  
that I went to the Blue  
Sky Club yesterday, and I was in the 4S shop just now and found that you  
are also good at  
it..."

Yash Nics: "Don't you think I am , Is that the man who saw righteousness  
and bravely saved  
you yesterday?"

Tong Ke coldly snorted: "You just tell the truth, is it you?"

Yash Nics smiled: "Cousin, if I saved you yesterday, what am I doing? Do  
you want to leave  
without saying goodbye?"

"It's okay to let you asshole be grateful to me, lest you always look down  
on me!"

Tong Ke was a little stunned when she heard Yash Nics's words.

She thought yes, if the man who rescued her yesterday was Yash Nics,  
then Yash Nics had  
no reason to save her and left. After all, she was a relative!

Thinking about it this way, her firm judgment began to waver again. She was suspicious, and she was not sure whether the person who rescued her yesterday was Yash Nics.

At exactly this time, Song Pingting had come out of the kitchen with the dishes, and said to everyone, "It's time to eat!"

Yash Nics immediately got up with her daughter in her arms, walked toward the dining room, and said, "Eating, I'm starving to death."

Tong Ke looked at Yash Nics's back and snorted in a low voice: I will definitely find out if it is you.

At dinner, Yash Nics told Song Pingting's family that he wanted to upgrade Ningda Company to Ningda Group and establish a pharmaceutical subsidiary.

The Ningda company crisis has been completely resolved, and the Ningda company has recently received 1 billion investment from the richest man Xiao, and it also received a round of financing after the company went public. Now Ningda does not lack funds.

Song Pingting also plans to expand her business drastically, and she is also very interested when she hears Yash Nics's suggestion.

However, she said that if pharmaceutical companies do not have good drugs, it is difficult

for them to gain a foothold in the strong pharmaceutical market.

Yash Nics smiled and said: "Leave this to me. I am responsible for the introduction and

production of the drug project. I will not be able to get the right to produce and sell the latest

liver cancer vaccine from Tong Ke's research institute. Then we will be rich."

Song Pingting The family opened their eyes wide, and Tong Ke couldn't help but sneered

and said: "Hehe, you are really fantastic. With your Ningda's strength, it is impossible to get

the right to produce and sell liver cancer vaccines.”

Song Pingting’s family also I feel that Yash Nics is thinking too much about the liver cancer

vaccine, no matter how valuable this medicine is.

Ningda Company is nothing in China; in the world, it is not worth mentioning.

It is probably a fantasy to win the production and marketing rights of liver cancer vaccines.

Yash Nics was full of confidence and smiled and said, “It’s man-made. I can’t guarantee that

I will get the right to produce and sell the vaccine.”

Song Pingting is naturally not good at hitting her husband. She smiled and said, “Well then. ,

I first set out to open a subsidiary, Yash Nics, you are responsible for the introduction of

good drug projects, if feasible, we will open a pharmaceutical subsidiary.”

Yash Nics: “Good!”

The One and The Only Chapter 217

After dinner, Yash Nics went out alone.

He just drove the Volkswagen Polo out of the garage and found someone sneaking behind a tree in the yard.

He stopped the car, dropped the window, and said

angrily : “Tong Ke, I have already seen you, so I don’t need to hide sneakily.” As soon as his

words fell, Tong Ke came out from behind the tree full of irritation. , She said furiously: “Who

is hiding?”

Yash Nics smiled, noncommittal.

He knew that Tong Ke must be suspicious of him, wanted to follow him, wanted to see if he

could find any clues?

He did not reveal Tong Ke’s careful thoughts, but smiled: “Get in the car, I have something to

ask you for help.”

Tong Ke was a little surprised when he heard that. After a little hesitation, she opened the

door and got on the car. Sit down in the co-pilot seat.  
She asked puzzledly: "What's the matter, if you want me to help you contact Professor Jiang and want me to help you get the right to produce and sell liver cancer vaccines, then I can't help you."

Yash Nics smiled as he drove out. Said: "Don't worry, I will take care of the liver cancer vaccine by myself. I asked you to help is something else, and even a woman can help me."

After

Yash Nics finished speaking, he suddenly realized that what he said seemed a little bit

Ambiguous, easy to cause misunderstanding by others.

Sure enough, Tong Keqiao was already wary on her face and asked in surprise, "What is going on with your help?"

Yash Nics smiled and said, "It will be your cousin's birthday in two days. I want to buy a necklace for her. When it's a birthday present, you help me check it out."

Tong Ke heard that this was the case, and she agreed.

She also deliberately said enthusiastically: "Buy jewelry for my cousin as a birthday present.

This is simple. I happen to have a friend who runs a jewelry store in Mannity City. If you buy

it from him, you can get a discount. Or, come to me. Go to see a friend's shop?

Yash Nics noticed the cunning in Tong Ke's eyes, and guessed that Tong Ke might be trying to fool him.

But he disagreed, and only asked Tong Ke's friend's jewelry shop what was the name?

Tong Ke said, "I love my whole life, right on Wutong Avenue."

Yash Nics screamed and drove towards Wutong Avenue, obviously planning to go to Tong Ke's ordinary jewelry store first.

Tong Ke looked at Yash Nics in surprise. The reason why she suggested to go to the Jewelry Store for Ever Love to see jewelry was except that she knew the young owner of the Jewelry Store for Ever Love. Another important reason is that the jewelry in the Jewelry Store is very expensive, and most people can't afford it. Tong Ke thinks that Yash Nics is a soft food, and he definitely has no money, so he suggested that he should watch jewellery throughout his life. The purpose is to tease Yash Nics and make Yash Nics embarrassed that he cannot afford expensive jewelry. But what she didn't expect was that Yash Nics didn't have any objections. Did he not know the price of the Jewelry Store for Ever Love? Soon, Yash Nics and Tong Ke came to the Jewelry Store for Life. The jewellery shop is decorated with splendor, like a royal palace.

Because Yash Nics and Tong Ke drove an old Volkswagen Polo car, they came in for a long time before a salesperson named Huang Li came over reluctantly and asked them what they wanted to see.

Tong Ke: "We want to see necklaces!"

Huang Li casually pointed to the showcase next to him: "All of them are here. Look at them first, and then call me if you want to buy them."

Tong Ke glanced at the necklaces in the showcase. , They are all very ordinary old styles, so

Huang Li who wants to leave was shouted: "Please wait, is there a better necklace?"

Huang Li saw Yash Nics and Tong Ke looking at an old Polo car When they came, they

decided that they were little lovers with little money.

She didn't want to entertain Yash Nics and Tong Ke. She wanted Yash Nics and Tong Ke to

see for themselves, but she didn't expect Tong Ke to ask if there was something better?  
Huang Li's face suddenly sank, and brought Yash Nics and Song Pingting to the showcase of their jewelry store Zhendianzhibao, pointing to a pink diamond necklace, and sarcastically said: "What do you think about this pink diamond necklace? The price is one hundred million. Is it good enough, but can you afford it?"  
The One and The Only Chapter 218  
Yash Nics frowned slightly, and Tong Ke was even more exasperated by Huang Li's words.  
Tong Ke said angrily: "What kind of attitude do you have, let your boss come out."  
At this moment, a young man dressed in a suit and glamorously dressed brought a few managers over.  
This greasy man, seeing Tong Ke, showed a surprised expression: "Tong Ke, why are you!"  
When

Tong Ke saw this man, he said displeased: "Cheng Shaoqiu, you are here just right, the attitude of the clerk here, it's too bad, right?"  
It turned out that this man is not someone else, but Tong Ke's friend, and Cheng Shaoqiu, the young owner of the jewelry store who has loved his life.  
Cheng Shaoqiu is a playboy. He liked Tong Ke before, but he couldn't catch Tong Ke and always regretted it.  
He didn't expect to see Tong Ke here tonight. It was an accident and a pleasant surprise.  
He turned around and asked Huang Li with a sullen face: "What's the matter?"  
Huang Li didn't expect Tong Ke to meet their general manager, and her face paled in fright.  
She hurriedly said: "Cheng, this couple is here to pick necklaces. I will introduce you to

cheap necklaces, but they don't look down on them; I will introduce them to our store's treasures, and they will curse if they can't afford them. I have a bad service attitude. ”

Couple!

The smile on Cheng Shaoqiu's face instantly solidified, and he only noticed Yash Nics next to Tong Ke.

Cheng Shaoqiu naturally looks good, but in front of Yash Nics, he lacks the calm and introverted temperament of Yash Nics.

He looked into Yash Nics's eyes, and there was also strong envy, jealousy, and anger.

At the same time, he didn't even look at Tong Ke at all.

He always felt that it was a pity that he could not sleep until Tong Ke.

Now that Tong Ke has a boyfriend, it is really unreasonable to bring him here to show off.

How did Tong Ke know about Cheng Shaoqiu's complex psychological changes? She

brought Yash Nics here to look at jewelry. She originally intended to play tricks on Yash Nics,

but she was even ridiculed by the clerk.

She couldn't bear it anymore. At this time, she said to Cheng Shaoqiu:

“Cheng Shaoqiu, you

the clerk, actually ridiculed that we can't afford it. Do you think her attitude is very bad?”

Cheng Shaoqiu has lost the enthusiasm for Tong Ke just now, not cold.

She said quietly,

“Well, Huang Li said that you can't afford it. It's an objective fact and there is no bad

attitude.” When she said

this, not only Yash Nics frowned, but Tong Ke was stunned.

Even Huang Li herself opened her eyes wide.

Cheng Shaoqiu looked at Tong Ke and Yash Nics, and sneered: “This Eternal Heart Pink

Diamond Necklace, you really can't afford it. I think my clerk is telling the truth and there is

nothing wrong with it!”

Tong Ke's face flushed and was anxious. Said: "Cheng Shaoqiu, you—" Yash Nics was not angry, and only said lightly, "How much?" Cheng Shaoqiu was shocked when he heard Yash Nics's words: "What?" Yash Nics calmly said, "I said you this necklace. How much is it, it looks okay, it can barely be my wife's birthday present. "The necklace is okay? Can barely be a birthday present? When everyone on the scene heard Yash Nics's words, they gasped. Not because of shock, but because of Yash Nics's bragging attitude. Cheng Shaoqiu was the first to recover. He laughed and said, "Haha, as if you can really afford it." Tong Ke also felt that the situation was out of control at this time.

She brought Yash Nics here because she wanted to make Yash Nics, who was eating soft food, unable to afford expensive jewelry. She touched her nose to tease Yash Nics.

But now she is also looked down upon, and Yash Nics is still on the bar with Cheng Shaoqiu.

She felt that Yash Nics would not be able to spend 100 million yuan anyway, even her cousin

Song Pingting might not be able to spend 100 million yuan to buy a necklace.

Yash Nics and Cheng Shaoqiu were arrogant, only looking ugly.

She pulled Yash Nics's sleeve, and whispered: "Yash Nics, forget it, we don't want to be

familiar with them. Let's choose a gift from another place."

Yash Nics said lightly, "Why do we need to change place? It's not that I can't afford it. And I

think this necklace is OK, just as a birthday present for my wife."

Cheng Shaoqiu and others looked at Yash Nics with a sneer, and said sarcastically, " Heh,

the price of my necklace is 100 million yuan. . Now I give you a chance. If you can put out 10

million on the spot, I will sell this pink diamond necklace to you at a discount of 10%."

The One and The Only Chapter 219

Cheng Shaoqiu said this, and the shop assistants, managers, and customers on the spot all exclaimed.

Everyone looked at Yash Nics enviously. As long as they could spend 10 million, they would be able to buy a 100 million pink diamond necklace. This is a great opportunity.

However, envy belongs to envy, and everyone at the scene also felt that no one can randomly spend 10 million.

They couldn't get it out, and Yash Nics, who was driving the Volkswagen Polo, could not get it out.

Mr. Cheng guessed that Yash Nics had no money, so he dared to offer such a condition to Yash Nics so surely.

Tong Ke is also helpless, she can get two or three million, and ten million she is powerless.

Otherwise, it would be crazy to help Yash Nics buy this necklace at a low price.

Cheng Shaoqiu looked at Yash Nics and sneered: "Aren't you going to buy this necklace?"

Take the money out!"

"Isn't it that you can't get it out for ten million?"

"Haha, I'm so desperate. I've given you the opportunity. , It's a pity that you are not

useful !" Cheng Shaoqiu was sure that Yash Nics had no money, and at this time he was ridiculing unscrupulously.

Yash Nics smiled slightly, took out a black American Express card, and said faintly: "I

wanted to buy your necklace for 100 million, but you actually have to sell it to me for 10 million. Then swipe the card!"

Universal, The American Express Centurion Black Card with unlimited credit!

Cheng Shaoqiu and everyone at the scene were all dumbfounded.

Huang Li also opened her eyes wide, looking at the black card in Yash Nics's hand, and asked Cheng Shaoqiu with difficulty: "Cheng, do you really give him the card and sell him the Eternal Heart Necklace?" Cheng Shaoqiu was like being stepped on his tail. The cat yelled angrily: "If you want to be beautiful, I want to buy my necklace for 10 million yuan, even if I don't sell it for 100 million, I will not sell it to him. Drive away, drive them out, not do their business." Seeing that Cheng Shaoqiu was so shameless, she said nothing, she angrily accused: "Cheng Shaoqiu, you have loved the general manager for a lifetime, and it is too innocent to regret it in public?" Cheng Shaoqiu became angry and said with a loud voice: Tong Ke, you slut. I chased you for so long and you didn't follow me well. Now I have followed a little crouch and came to show off in front of me."

"You want to buy my pink diamond for ten million . Necklace, ha ha, unless you bitch accompany me to sleep for one night, I can still consider it." Tong Ke was pale with anger: "Despicable and shameless!" Yash Nics said coldly, "Cheng Shaoqiu, you make me look down on you even more. Now I give you the last chance to sell me the necklace at the price you said, and apologize to Tong Ke, even if this matter is over, otherwise..." Cheng Shaoqiu sneered: "Otherwise?" Yash Nics did not Instead, he took out his mobile phone and called Dian Chu: "Within ten minutes, come to see me with the purchase contract of the Jewelry Store for Lifelong Love." Within ten minutes, buy the Jewelry Store for Lifetime Love? Cheng Shaoqiu and the clerk and manager of the jewelry store couldn't help laughing. Cheng Shaoqiu even stopped the group of security guards who had just arrived and wanted

to expel Yash Nics and Tong Ke, and said triumphantly: "Don't rush them out, I want to see

how he can buy them in ten minutes. Our jewelry store."

The One and The Only Chapter 220

time passed by one minute and one second, and ten minutes will soon be over.

Cheng Shaoqiu just wanted to say that when the time was up, the door of the jewelry store was brutally pushed open.

Then I saw Dian Chu wearing a black suit, holding the purchase contract of the Jewelry

Store that loves life, and bringing eight men who also wore black suits, stepping forward.

Dian Chu is a burly figure, wearing a black suit on him, making him wear a black armor-like effect.

He strode to Yash Nics and said in a deep voice: "Master, this is the purchase contract of the Jewelry Store who loves his life. The owner Cheng Shanhe, who loves his life, has already signed it. Please sign on it. From now on, this jewelry store will be yours. Now."

Everyone on the scene was dumbfounded.

Tong Ke also opened his eyes wide, looking at Yash Nics in disbelief, wondering how much

money would it cost to buy this jewelry store, how did her brother-in-law do it?

Cheng Shaoqiu was even more like a bolt from the blue. He was frightened and angry, and

shouted in disbelief: "Fake, Ken is fake. This jewelry store is our family's cash cow. How

could my dad be willing to sell the jewelry store? Sell it."

"And you should sign within ten minutes, who do you think you are?" As soon as Cheng Shaoqiu's roar fell, his mobile phone rang.

It was his father Cheng Shanhe's call, and Cheng Shaoqiu answered the phone in surprise.

Cheng Shanhe's trembling and terrified voice came from the phone:

"Son, which big person

did you offend? Our family is done to you, and the jewelry store that loves life is also bought.”

“You little one .” Beast, I have to break your leg...”

Cheng Shaoqiu looked at Yash Nics in horror. He finally realized that his jewelry store was really bought by Yash Nics in ten minutes.

At this time, Dian Chu was asking Yash Nics to sign the acquisition contract.

Yash Nics calmly said: “What words do I sign, let my sister-in-law sign it!”

Tong Ke, who had not recovered from the shock, stupidly followed Yash Nics’s instructions

and signed the acquisition contract.

After signing her name, she realized something was wrong.

Yash Nics smiled and said to her at this time: “Congratulations, my sister-in-law, from now on, you will be the owner of the jewelry store that you love for a lifetime.”

“The general manager Cheng Shaoqiu, the salesperson Huang Li, and the surrounding

managers and security guards. The clerk, are all your employees!”

Cheng Shaoqiu, Huang Li and others were dumbfounded, and in a blink of an eye, Tong Ke

became their boss because the jewelry store was acquired.

Tong Ke had already recovered, she calmed down the waves in her heart and looked at

Cheng Shaoqiu and Huang Li.

She said coldly: “As the new owner of the jewelry store I love for a lifetime, I announced that

the general manager Cheng Shaoqiu, and the salesperson Huang Li. You two were fired by

me because of the poor service attitude, which undermined the image of the jewelry store.

Get out of here .” Cheng Shaoqiu and Huang Li both turned to leave.

Dian Chu raised his hand to stop the two of them, and said with a calm face: “Miss Tong is

telling you to get out, not to let you out.”

Cheng Shaoqiu and Huang Li's expressions changed again, Cheng Shaoqiu angrily looked at Yash Nics and Tong Ke, loudly Said: "You can't insult me like this!" Yash Nics said indifferently: "The person who insults others is always insulted. When you two insulted others just now, didn't you think that you would end up like this?"

Cheng Shaoqiu's expression was extremely ugly. , He considered himself a person of identity, and the shop assistants, managers, security guards, and customers at the scene all knew him, and it was more uncomfortable to get him out of here than to kill him.

Upon seeing this, Dianchu coldly snorted: "The two of them won't go away, help them!"

Dianchu's voice just fell, and two of the eight tiger guards behind him immediately went out.

One person raised his hand and slapped Cheng Shaoqiu twice, then kicked Cheng Shaoqiu out.

Another person directly picked up Huang Li, and threw it out on the street like a chicken.

Looking at the end of Cheng Shaoqiu and Huang Li, Tong Ke let out a bad breath.

She turned to look at Yash Nics, her eyes were full of admiration:

"Brother-in-law, you are amazing!"
