

Chapter 2111– 2112 of A Dish Best Served Cold Novel

Chapter 2111: Negative Jing Please Sin?

Ericson spoke lightly, and there was a bit of coldness in his words.

When the bald Liu's son heard it, he trembled immediately.

"You...what did you say?" "Chu...Mr. Chu is back?" "This...how is this possible?" "Isn't Mr. Chu dead?" "Noirfork's sky has changed!" "Mu Fan The group has been destroyed?" "Mr. Chu, how could he have come back?" Everyone in the Liu family was pale.

"Believe it or not."

"I have known bald Liu for many years, and now it is the best to send his corpse."

"As for you, if you die because you provoke Mr. Chu again, I'm afraid it will be the one who collected your body. It's all gone."

Ericson shook his head and said, and then left in the car.

Only left behind, the whole hall was full of panic and tremor.

The moment when they learned that Mark had returned, the Liu family had already understood why their Patriarch died.

The fate of the betrayer has never been easy to die.

"two..

Uncle, what should I do?

"Mr. Chu is back, our Liu family, are we going to die?"

The bald-headed Liu's son looked pale and looked at his second uncle with trepidation. Now that the head of the family has died, the oldest in the Liu family is the bald-headed Liu's younger brother and his second uncle. "Xiao Yang, don't worry. .

"Let's watch the changes first.

“The Mufan Group has long since collapsed. Even if Mr. Chu is really not dead and comes back alive, he may not really have the power to recover.”

“Your father should have told you about the strong background of Fenghua Group.”

“So, it’s too early to say anything now.”

“Who is the one who laughs last, not necessarily?”

“Then Mark, it’s Mr. Chu that sounds nice, he is the lord of Noirfork.”

But to be more ugly, it’s just a bullshit.

“I don’t believe it anymore. He is a bully, dare to compete head-on with the two giants of Gritsberg?”

In the Liu’s villa, a middle-aged man had gloomy eyebrows and his palms clenched immediately. But Liu Yang, the son of bald Liu, was playing drums in his heart and hesitated. “But second uncle, in case the last laugh, is it Mr. Chu?”

“I think we’d better take the blame for Mr. Chu first.”

“If this is the case, maybe we can still preserve our Liu family’s property.”

“Mr. Chu’s name is like thunder in Noirfork. Although Liu Yang is a younger generation, he has long been alone. Therefore, in this year, he has naturally heard of Mr. Chu’s deeds. Taishan Wuzhan, Chu He turned the tide and made a blockbuster. With a punch and kick, the whole Noirfork was trembling! In the Dongchang Lake battle, Mr. Chu was even more powerful, stepping on the water and volleying, like a god. The power of the richest man in Noirfork, Zao Wou-ki, was crushed by him! Liao The Cheng Meng family was even driven out of Noirfork by Mr. Chu, and the young master of the Meng family hanged himself. The reason why Mr. Chu has the prestige today in Noirfork is entirely due to Mr. Chu’s stubbornly struck out with his own hands. It can be said that along this road, anyone who disobeys Mr. Chu is no longer there. Anyone who is an enemy of Mr. Chu will almost never die! It is the bald Liu who betrayed Mark because he was sure that Mark had fallen. After that, he dared to vote for Cheng Fenghua Group.

Chapter 2112 I’ m Not Reconciled

Therefore, after learning that Mark had returned, Liu Yang’s first thought was not to avenge his father, but to plead Mark.

However, his second uncle shook his head and said, “Xiaoyang, you are thinking too simple.”

“From the moment your father decided to surrender to Fenghua Group, our Liu family has no retreat.”

“You are. Now kneeling at the feet of Mr. Chu and begging him, he won’t let us go.” “So, wait with peace of mind?” “A mountain cannot accommodate two tigers.” “Fenghua Group will not sit back and watch Mark take back Noifork.” The man said low, but it is here that the world, slowly sounded.

On the other side, the land of Wrilfill.

After Lu Mingfeng left The Twinfill, he went crazy and fled back to the hotel.

As for the Villa at Yunding Mountain, he naturally did not dare to go back.

I was afraid that Mark would kill him again.

“Shaohua, where are you?” “Something went wrong.”

“Come here soon.”

“I’m at Yuchang Hotel!” After booking the room, Lu Mingfeng’s face was bloodied and he couldn’t take a shower, so he quickly contacted Xu Shaohua.

Soon, Xu Shaohua arrived.

“Mingfeng, how did you make it?” “What happened?” “Didn’t you go to the The Twinfill to have a banquet? How did you make it like this?” Seeing Lu Mingfeng’s face, Xu Shaohua suddenly said. Surprised, asked quickly.

I saw Lu Mingfeng at this time, his face was bruised, and a few front teeth had fallen.

It looks like a bereaved dog, where is the image and demeanor of a noble son!

“It’s Mark!” “Our message is wrong, he is not dead, he is back alive.”

What?

Hearing this, Xu Shaohua trembled, her pupils suddenly tightened.

“You mean, Mr. Jiang Dongchu, came back alive?” “How is this possible?”

After a brief conversation, Xu Shaohua, who has always been calm and calm, his face immediately became more serious.

“Unexpectedly, even Lao Wei would be broken under his hands.”

“It seems that we are still not prepared.”

“But, at least now, Mark dare not move us.”

“So Mingfeng, you Don't worry too much.”

“After all, he can't bear the revenge from our two families.”

Lu Mingfeng has already informed Xu Shaohua of what happened in the The Twinfill.

But Xu Shaohua didn't have much worry except for the accident.

Like Lu Mingfeng, Xu Shaohua didn't think that Mark had the courage to deal with them.

“But Shaohua, I'm not reconciled!” “For so many years, no one dared to touch my hair.”

“It's my parents, who never beat me.”

“That scornful pariah, he even dared to beat me. “I want to let him die, let him die!”

“Shaohua, you have to help me.”

“You Xu family are all in the military, and there must be a lot of strong men in the military under you.”

“You help me think of something. , I want Mark to die!” “Let him pay a painful price for the insult to me today!” Lu Mingfeng's eyes were red, and his words were filled with endless resentment and murder.

The power of their Lu family, although not losing to the Xu family.

But the energy of their Lu family is more in power, and the Xu family is undoubtedly more convenient for killing people.

After all, the strong in the military region are like clouds.

People with strengths like Wei Wuya can also be moved by the Xu family.

“This~”
