

## Chapter 2111: Lin Qianyun

Jiang Yao did not leave the army base, so Big Ke and Ah Lu had more leisure time outside.

Jiang Yao knew Lu Xingzhi was busy, so she did not bother him. Instead, she handed the matter of investigating Li Hong to Big Ke and Ah Lu.

At noon, Lu Xingzhi returned with a document in his hand.

“This is Lin Qianyun’s information.” Please support our [FreeWebNovel.com](http://FreeWebNovel.com)

Lu Xingzhi handed it to Jiang Yao. “I need more details.”

That was sent to Lu Xingzhi in the morning. He only remembered the woman’s name after reading the information.

“Lin Qianyun’s father used to be a government official. Later, he was caught because of greed and is still in prison. I heard that he would be locked up for decades. Lin Qianyun came back at the end of last year. She studied abroad and came back to work for an international company.”

Lu Xingzhi said, “She returned to Jindo City a month before Luo Ruoran and Big Brother divorced. The company she worked for had some business dealings with Big Brother’s company.

“Oh, right! She also has a child abroad who’s several years old.” Lu Xingzhi tapped on the paper. “The information says that the father is unknown, but there’s a photo of the child. It doesn’t look like he’s mixed-blood.”

Jiang Yao looked at the photo of the child. She was afraid that she would see Liang Yueze’s features in the child.

‘Everything’s okay.’ Jiang Yao patted her chest after looking at the photo. Then, she looked at the child’s age. When she saw it, she was dumbfounded. “The child was born when Lin Qianyun went abroad?”

Oh, no!

Jiang Yao felt like a million horses were galloping in her heart.

“Lin Qianyun left the country immediately after separating from Big Brother, right?”

Jiang Yao was stunned. Why did it feel like what Luo Ruoran did?

“Don’t think too much. That child can’t be Big Brother’s.” Lu Xingzhi snorted. “Big Brother didn’t even hold her hand.”

Jiang Yao touched the tip of her nose and thought, “That doesn’t prove anything just because they didn’t hold hands.”

Did Lu Xingzhi also not hug her in public?

Lu Xingzhi was a prude in public!

Lu Xingzhi said, “That woman must be quite competent to get such a high position at her age. She didn’t send you any message this morning, right?”

“No,” Jiang Yao said. “That woman is very calm.” She did not know why evil was hiding behind that woman.

“She has been back for so long, but her son is still overseas.” Jiang Yao looked at the photo of Lin Qianyun’s child. She thought the child looked like Lin Qianyun.

There was no trace of Liang Yueze on the child, unlike Luo Ruoran’s baby. Anyone who was not blind would know that the child was Liang Yueze’s child.

Lu Xingzhi said, “Lin Qianyun was back for some time when she returned to the country. For some reason, she was sent abroad again. We should be able to find out more information in two days. I have already gotten someone to monitor Lin Qianyun’s phone. Once her phone contacts you and Luo Ruoran, my people will be able to detect it. I also have someone checking the phone records of that number since the line was activated.”

They wanted to know when Lin Qianyun first called Luo Ruoran and whether Luo Ruoran and Liang Yueze’s divorce had anything to do with her..

### **Chapter 2112: So Childish**

“Okay.” Jiang Yao was a little relieved when she learned that information. “I blocked her number on Sister Ruoran’s phone. She won’t be able to disturb Sister Ruoran in the future. Big Brother is following Sister Ruoran everywhere, so he must love her. I believe that he has strong sentiments for Sister Ruoran. Even though she claimed she has moved on, only she would know if she could do that.”

“It would be best if they could remarry,” Lu Xingzhi said. “It would be good for the child if they remarried.”

“Two people who like each other should be together.”

Jiang Yao shook Lu Xingzhi’s arm like a child begging for candy. “Just like us.”

Everyone liked a good story. Lu Xingzhi was immediately comforted by Jiang Yao’s words.

Whenever Lu Xingzhi was happy, he liked to hug her, kiss her, and even give her a massage. Jiang Yao avoided him. Whenever she did that, he would chase after her and kiss her wherever he could. After a while, he kissed Jiang Yao until her face was full of saliva.

“Lu Xingzhi, you can be very childish sometimes.”

Jiang Yao wiped the saliva on her face with a piece of paper. There was no doubt that that guy did it on purpose. Otherwise, she would not be covered in saliva.

“Oh.”

Lu Xingzhi did not feel embarrassed at all. Instead, he thought that the game was quite interesting.

She pretended to be disgusted, but her smile reached her eyes. Lu Xingzhi felt that he probably would not get tired of playing that game no matter how hard he tried.

He did not quite understand why those kings in ancient times were obsessed with women. However, since his wife began to act coquettishly toward him, Lu Xingzhi gradually knew why kings never attended court early.

If he were a king in ancient times, he would probably have even given up his empire if his enemy offered him Jiang Yao.

“Mom and Dad said that Ruoran’s son is cute.”

Lu Xingzhi touched Jiang Yao’s belly. “Our child will be more lovable than Big Brother’s son in the future. I wonder if we can get the little guy to come out earlier.”

Jiang Yao was happy to hear the first half of the sentence, but she was not very happy to hear the second half. With a snort, she pushed Lu Xingzhi away and rubbed her belly, muttering, “Baby, you haven’t even come out yet, and your father already wants to abuse you.”

Jiang Yao and Lu Xingzhi were looking at the information about Lin Qianyun. Similarly, Lin Qianyun, who was in Jindo City, was also trying to find out who had sent her a message from an unknown number.

However, she could not find anything, even after searching for a few days. Even if there was a photo, the woman only revealed one side of her face, so she could not see her entire face clearly. So, she could not find anything.

Lin Qianyun had been paying attention to Liang Yueze’s movements those past few days, so she knew that Liang Yueze had made a trip to the south in the middle of the night two days ago. What shocked her was that the number was from Nanjiang City in the south.

Lin Qianyun and Liang Yueze had known each other for a long time, but she had never seen anyone who could stand so close to Liang Yueze. Even Luo Ruoran had never held Liang Yueze’s hands so intimately or leaned on his shoulder.

Lin Qianyun held her phone as she sat in the office. She almost smashed her phone in anger..

### **Chapter 2113: Can You Pick Me Up?**

That photo was completely different from the one she sent to Luo Ruoran!

She had to put in a lot of effort just to walk with Liang Yueze, let alone be intimate with him.

The fact that Lin Qianyun knew nothing about that woman further startled her. She had no idea when Liang Yueze had a woman like that by his side. Please support our [Bonnovel.com](http://Bonnovel.com)

However, that woman knew her like the back of her hand. She sent a photo and a sentence to declare her ownership of Liang Yueze. She probably knew everything about Lin Qianyun and Luo Ruoran, right?

However, Lin Qianyun experienced an odd sense of embarrassment upon viewing such a picture.

Liang Yueze still appeared to be madly in love with Luo Ruoran at the time. Liang Yueze still seemed to adore Luo Ruoran. He occasionally inquired about Luo Ruoran when he saw members of the Luo family. He treated the Luo family’s elders with the same respect he would show his parents-in-law.

Liang Yueze married Luo Ruoran, but did he not divorce her as she wished?

She thought they had overcome all the obstacles to achieve their goal, but in the end, Liang Yueze, who she thought was in love with Luo Ruoran, agreed to the divorce.

He had a new lover not long after that, and they seemed very close.

Perhaps Liang Yueze felt Luo Ruoran was good because he could not get her. Then, he thought she was not good enough because he had her.

Lin Qianyun thought she did not love Liang Yueze anymore, but she still burned with jealousy when she saw that photo.

“Director Lin, there’s a business conference in Bo Zhi tonight. This is the invitation card.” Lin Qianyun’s assistant knocked on the door and sent a beautiful invitation card to Lin Qianyun’s desk. “I’ve asked around. The Liang family’s Second Young Master has also received an invitation card. Bo Zhi’s young master has a good relationship with the Liang family’s Second Young Master, so the latter might attend this conference.”

Lin Qianyun acknowledged that and signaled for her assistant to leave. She held the invitation card, looked at it, and then put it away. She stood up and took her phone to the window to make a call.

Yes, she was calling Liang Yueze.

Liang Yueze picked up the phone rather quickly. When he picked up, Lin Qianyun heard the Liang family’s seniors’ laughter. She was surprised that Liang Yueze was not at his company but home.

“What’s the matter?”

His usually cold voice sounded, but Lin Qianyun was already used to it. She did not back down because she was used to his tone.

“You received the invitation from Bo Zhi, right? I want to ask if you’re attending. I returned not long ago, so I don’t know much about the domestic market. I may need your advice tonight. ‘

Liang Yueze received the invitation a few days ago, personally delivered to him by Bo Zhi’s young master.

Based on their relationship, he had to go to the event.

Liang Yueze agreed after hearing Lin Qianyun’s remarks on the phone.

Lin Qianyun’s heart moved. “My car broke down this morning and was sent to be repaired. Can you pick me up from my company after work?”

“I’ll get the driver to pick you up. I’ll see you there.” Liang Yueze did not care about formalities.

Lin Qianyun had crossed the line. He would not pick up anyone personally besides his family members and Luo Ruoran...

#### **Chapter 2114: New Girlfriend**

Liang Yueze’s mother glanced at Liang Yueze as soon as he hung up the phone. “Do you have to go somewhere tonight?” Are you going out again?”

“Can’t you brush it off? Didn’t we agree to eat at home tonight? You don’t get to have the baby every day.” Old Madam Liang frowned as well. She cursed Liang Yueze in her heart. Was he stupid? His wife and child were back, and he had not coaxed them home yet. He had a rare opportunity, yet he still had to go out.

If it were not for the conference in Bo Zhi, Liang Yueze would spend time with his family. However, Bo Zhi was his company’s partner, and their boss had a good relationship with him, so he had to show him some respect.

“I’ll try to come back as soon as possible.” Please support our [Bonnovel.com](http://Bonnovel.com)

Liang Yueze looked at Luo Ruoran, sitting on the sofa with the child in her arms. She did not speak. He asked, “Will you wait for me? It won’t be long. I’ll be back around eight o’clock.”

“The baby has to sleep early. I’ll leave after dinner.” Luo Ruoran said, “You should spend more time with your new girlfriend. Otherwise, she’ll be unhappy.”

After saying that, Luo Ruoran carried the child and said she wanted to go to the yard to bask in the sun. The sun was harsh in the south during that season, but the sun was warm in the north.

When the sun shone on her baby’s face, Luo Ruoran’s heart warmed.

She did not know if it was appropriate to go there, but she had already done it.

Liang Yueze had stood close to her. When his phone rang, she inadvertently glanced over and recognized the phone number.

It looked like he would attend the event with her. The two of them had reached the point where they could attend public functions together.

Luo Ruoran felt silly. She should not have returned.

She still could not suppress the feelings she had for him.

Fortunately, she did not expose that to anyone. She did not suffer any humiliation.

She could still pretend as if nothing had happened and persuade him to go on a date with another woman. She did not want the fact that they had a baby together to affect his future.

Old Madam Liang waited for Luo Ruoran to carry the baby to the yard before she looked at Liang Yueze and asked, “New girlfriend? Do you have a new girlfriend?”

“When did that happen? Why didn’t we know about this? Why didn’t you tell us?” Mrs. Liang’s face darkened. She did not expect Liang Yueze would have a new girlfriend or that Luo Ruoran knew about it.

“I need to have time to find a so-called new girlfriend.”

Liang Yueze looked annoyed. “I fly around the country and abroad all day. I even have to leave company matters to Fourth Brother and Fifth Brother to help me. How do I have the time to find a new girlfriend?”

“Then why did Ruoran say that?”

Old Madam Liang thought about it and felt that her grandson's words made sense.

Liang Yueze shook his head. He got even more confused with what Luo Ruoran had said.

When she proposed the divorce, Liang Yueze felt that he did not seem to know Luo Ruoran at all.

He was even more flustered and helpless about it then. He seemed to no longer be able to enter Luo Ruoran's life, let alone her heart.

He had kissed that shy woman, who had glared at him when he did that. He pressed her onto the bed and made her cry out his name. However, it seemed like she had walked out of his life...

### **Chapter 2115: Not At Ease**

When Young Madam Liang returned from outside, she heard Old Madam Liang's questions to Liang Yueze. She frowned and asked, "Recently, many people have been talking about Yueze being close to a woman and attending many events together."

However, Liang Yueze seemed unhappy, so Young Madam Liang did not say anything else. It was not that she was afraid that Liang Yueze would be unhappy; it was just that it had nothing to do with her, and she was too lazy to say anything more. Please support our Listnovel.c0m

"What about Ruoran? Didn't you say that Ruoran is back?" Young Madam Liang searched around the house but could not find her, so she asked the servant.

"Miss Luo is enjoying the sun in the backyard with the baby," the servant replied.

"Where's Yuekai? Why didn't he come back with you?" Old Madam Liang looked in the direction of the main door.

"It's not like he needs to report to me where he is. How would I know where he is? Mom said that Ruoran would bring the child here in the afternoon, so I came back early. I heard that the child looks like Yueze? He's probably a beautiful baby. I'll go to the yard to take a look."

Young Madam Liang's response was perfunctory, but she did not know where her husband was.

After answering Old Madam Liang's questions, she went to the backyard. Not long after that, the laughter of her playing with the child echoed from the backyard.

Grandma Liang sighed. "They say raising children can combat old age disease, but those two sons don't make me feel at ease.

"That day, the servant mentioned something to me. She said that when she was cleaning, she saw a divorce agreement in Yuekai's room." Old Madam Liang shook her head helplessly. "If it were not for the fact that many things were happening at home during that period and Yueze was divorced, they would probably be divorced by now."

"Yuekai's personality—"

Mrs. Liang was also worried about her two sons. Liang Yuekai and his wife had an arranged marriage. They only met twice before their marriage. After they were married, there was not much difference in Liang Yuekai's life. He was still very busy and often did not go home.

Her eldest daughter-in-law did not have it easier than Liang Yuekai as she was always busy too. She was also a kind person. She never asked anything about Liang Yuekai. They treated each other with respect. It would be better to say they were two strangers sharing a house.

“Hey, look at Zhou Weiqi and Chen Xuyao. Lu Xingzhi and his wife have a great relationship. Even the unreliable Zhou Weiqi can learn to fancy someone, and Chen Xuyao is chasing after a girl, Chu Sheng. These boys are more reliable than Yueze.” Old Madam Liang was a little disappointed.

“Even Haoyu is more reliable than him!”

Mrs. Liang became angrier the more she spoke. “I heard that Haoyu already has someone he likes overseas. That day, I met Haoyu’s mother and chatted with her for a while. Haoyu’s mother even told me that Haoyu called her in the middle of the night to ask her what to pay attention to if a girl had her period and what she could eat.”

Old Madam Liang had been so angry that she could not even be bothered to speak. However, when she heard about Gu Haoyu, she immediately perked up.

“Haoyu is now chasing after a girl.” Old Madam Liang chuckled. “I thought that kid would become a monk for the rest of his life. I didn’t expect him to like girls!”

#### **Chapter 2116: Owe You A Favor**

Mrs. Liang could not laugh because her two sons were too infuriating.

Liang Yueze had gone to the backyard, so he did not hear a single word Mrs. Liang and Old Madam Liang said in the living room.

Liang Yueze thought the words new girlfriend were simply nonsense from Luo Ruoran, or perhaps it was because she did not want to see him.

However, when he heard the term from Lin Qianyun’s mouth during the dinner party, his expression did not hide his disgust.

“Lin Qianyun, our relationship is not at the point where we can talk about my personal matters.”

Liang Yueze sneered at her. “Don’t pretend like you don’t know my feelings toward Luo Ruoran. Please support our Bonnovel.com

“I’m helping you because I owe you a favor. So, please don’t test whether there is still a chance for you to stay with me.”

Lin Qianyun’s expression instantly changed. Even if she had known that Liang Yueze was still the same person who would not show any mercy, she was still frightened by his straightforwardness.

However, when she heard Liang Yueze’s last sentence, Lin Qianyun laughed coldly. “You owe me a favor? I’m afraid you’ll never know exactly what you owe me.”

Seeing Liang Yueze’s gloomy face, Lin Qianyun knew it was not good to overdo it, so she quickly said, “You don’t have to say these things to me. I gave up on you back then, and I won’t be rekindling anything with you now. I didn’t mean to test you about your new girlfriend. I just received a piece of

news today, and I was slightly surprised, so I asked you out of curiosity. However, I'm curious to hear you speak about your feelings toward Luo Ruoran. Is there someone else in the world who regards herself as your woman?"

Lin Qianyun felt that the matter was interesting. It was extremely interesting, indeed.

Did that woman think she was amazing, so she sent that photo to flaunt her prowess in front of Lin Qianyun?

What did it matter if she was Liang Yueze's woman, though, given the expression on his face? At most, she was just a plaything kept outside, but she still shamelessly treated herself as a person.

She could even pick on Luo Ruoran, let alone a woman who did not even dare to leave her name?

Seeing that Liang Yueze was frowning and showing signs of anger, Lin Qianyun quietly retrieved the photo from her phone, opened it, and handed it to Liang Yueze. She said, "I just received this photo not too long ago. Oh, right! There's another text message. It's only two words—my man. If I'm not mistaken, that person wants to tell me that you're her man."

The pressure surrounding Liang Yueze suddenly decreased to a horrifying degree before he even viewed the picture.

When he picked up the phone and looked at the picture, he was truly speechless for a moment before he snapped back to his senses.

The photo was of him and Jiang Yao. Furthermore, the phone number was not unfamiliar at all. It was Jiang Yao's number.

Therefore, Liang Yueze's first reaction was, 'What was Jiang Yao up to?'

Lin Qianyun looked at Liang Yueze in shock. She did not expect him to be so angry. Lin Qianyun was dumbfounded.

It seemed like Liang Yueze's relationship with the woman in the photo was not ordinary.

If that photo was real, then had her recent efforts been in vain?

Liang Yueze had fallen in love with someone else?.

## **Chapter 2117**

After saying that, he decided Lin Qianyun was not worth his time, so he went over to greet the people he knew.

He made an effort to leave earlier because Liang Yueze had said he would try to get home by eight o'clock. It took him a while to get home, though, so it was already half-past eight when he did.

Mrs. Liang did not even lift her eyes to look at her son.

Liang Yueze's burning heart fell into an ice crevasse. He gritted his teeth. That woman was so heartless. She left so quickly.

"I'm going to the Luo family to see the baby."

Liang Yueze set the car keys down and got ready to leave. The Luo family and the Liang family lived in the same area. It was not far.

“Ruoran doesn’t live in the area. She moved outside.”

Old Madam Liang glared at Liang Yueze. “She must have done that to avoid you.

Maybe they’re annoyed with you.”

Liang Yueze’s frozen heart was stabbed. He turned around and went upstairs to his room.

Liang Yueze sat on the bed after taking a shower and was in a daze for a while. When he looked at the room that used to be his and Luo Ruoran’s bedroom, he suddenly felt a sense of desolation.

When they were married, Luo Ruoran would sit on the bed and smile at him like a flower.

Liang Yueze shook his head and threw those memories out of his mind. He took out his phone and thought about it. He did not call Jiang Yao but Lu Xingzhi.

In the army base, in Colonel Lu’s bedroom.

The phone at the bedside table rang, but the person on the bed did not want to pick it up.

Lu Xingzhi had maneuvered Jiang Yao into a corner. She was leaning against the wall with her back. She urgently needed to be saved as soon as Lu Xingzhi’s phone started to ring.

“Your phone is ringing!”

Jiang Yao pointed at the bedside table excitedly. “Hurry up and answer the phone! Calling you at this time? Must be something urgent!”

“Nothing is as urgent as my needs.”

Lu Xingzhi pressed on Jiang Yao. “You promised to help me, but you’ve been sleeping early these past two nights. It’s my fault for coming back late. I came back early tonight, so you must fulfill your promise.”

“Hooligan! How would I know that’s what you meant? If I had known, I wouldn’t have asked you for help, even if I had to be pretentious in the text message!” Jiang Yao kicked Lu Xingzhi in the face. However, he turned his head away to avoid the kick. The kick did not land on his face but landed on his shoulder. He was in a good mood and was not angry at all. Instead, he lowered his head and licked the back of her foot.

Jiang Yao and Lu Xingzhi were bickering at the time. They were talking about Jiang Yao’s promise to help him in exchange for writing the text for her.

It was true that Jiang Yao agreed to do him a favor, but at that time, she had assumed that Lu Xingzhi wanted her to help him look through the information.

She did think that Lu Xingzhi was being too decent!

Did he keep all that crap in his head all the time?

## Chapter 2118: It Had Nothing To Do With Love

Lu Xingzhi's face was solemn as he said, "But that's what I was talking about the other day. I thought you knew. After all, other than that matter, I can't find you to help me with anything else."

"I didn't know that. You didn't explain yourself clearly. Go, pick up the phone! It's been ringing for so long. There must be something urgent!" Jiang Yao prayed that he would pick up the phone soon. While he was not paying attention, she would sneak out of the bedroom and hide in the study. She would sleep in the study that night. Please support our Bonnovel.com

It would be even better if he would go to the study after the call. She could lock the bedroom door. It was more comfortable to sleep in her own bed.

"You'll help me after I pick it up?" Lu Xingzhi smiled evilly. "Let me touch them? Rub against them? Kiss them?"

Jiang Yao grabbed the pillow in her hand and threw it at his face. "Kiss? In your dreams!"

Lu Xingzhi laughed out loud. He knew that he could not go overboard with his teasing. However, he felt uncomfortable. If his wife did not want to help him, then he needed a distraction.

Lu Xingzhi glanced at the phone on the bedside table. He grabbed the phone and pressed the answer button. "Big Brother, why are you calling me so late at night? Is there anything urgent?"

Lu Xingzhi emphasized the word urgent, which meant that if there was no urgent matter, he should not call him at night to disturb him from teasing his wife.

"What happened to the photo? Why did Jiang Yao send the photo to Lin Qianyun and say that sentence? Also, how did Jiang Yao know Lin Qianyun?" How would Liang Yueze know what Lu Xingzhi was doing at that moment?

However, from his stinky tone, he guessed that he must be making out with his wife.

"Do you know what your wife said about that photo?" Liang Yueze asked tentatively. Lu Xingzhi dragged out his reply. "I know because that's what I said—my man."

Liang Yueze almost threw his phone out the window. He wondered why he had the misconception that his third brother was the one who typed that when he saw the text message.

He did not expect that it was really Lu Xingzhi's doing.

"Why?"

Liang Yueze did not understand that. "I'm surprised you didn't stop your wife when she wanted to take a photo with me.

"Your wife sent a photo of her and me to another woman, and you even came up with such a weird sentence. I'm shocked."

Liang Yueze almost said that he was scared.

Who would not be scared when a jealous person suddenly stopped being jealous?

“It seems that Lin Qianyun showed you the photo and the text message.”

Lu Xingzhi clicked his tongue. “That woman surprised me.”

Not only did she not hide the fact that she investigated Jiang Yao and then attacked her behind her back, but she actually showed the photo to Liang Yueze?

Therefore, that woman was quite impressive.

However, her actions also confirmed one point. She did not care about who Liang Yueze was with. Otherwise, under normal circumstances, when an ordinary person received that photo, they would think of ways to find out the identity of the woman who sent the text message.

However, Lin Qianyun did not do that.

Even though she had run an investigation in Jindo City, she did not find any useful information. Within a short period, she had shown the text message to Liang Yueze.

So, why would a woman who did not care about Liang Yueze use any means possible to break up Liang Yueze and Luo Ruoran?

It had nothing to do with love that made people lose their senses. Then what was the reason?.

### **Chapter 2119: Be Straight**

“Don’t give me riddles.” Liang Yueze was impatient. “Just be more straightforward.”

He wondered why Lu Xingzhi did not react when Jiang Yao wanted to take a photo with him that day. It turned out that he was waiting to set someone up.

Jiang Yao also felt that Lu Xingzhi was a little naggy. She moved toward Lu Xingzhi and, without saying a word, took her phone and placed it by her ear. “Big Brother, when Sister Ruoran came to look for me that day, she accidentally left her phone in my room. Then, I received a call from Lin Qianyun. She told Sister Ruoran never to come back since she went abroad. She even sent a photo of you two at a hotel entrance. From her tone, it shouldn’t be the first time she harassed Sister Ruoran. So, I asked Xingzhi to investigate her.” Please support our [Bonnoval.com](http://Bonnoval.com)

“She called Ruoran?”

Liang Yueze’s tone suddenly turned cold. “She told Ruoran not to come back?”

“Yes, and in a particularly aggressive tone too, as if she was accusing Sister Ruoran of coming back,” Jiang Yao said. “Xingzhi’s investigation so far has found that Lin Qianyun filed for divorce not long after she returned to the country, so Xingzhi and I suspect that Sister Ruoran divorced you because of her.”

Jiang Yao smiled lightly. “As for me taking a photo with you, it was entirely because I had nothing better to do. I had an idea to avenge Sister Ruoran, to enrage Lin Qianyun, and put her to the test. Initially, Xingzhi and I decided not to let you know for the time being. We planned to investigate it first before telling you. But now that you know, you can take over this matter. Lin Qianyun is in Jindo City. It will be more convenient for you to investigate her anyway.’

Jiang Yao smiled and tossed the matter back to Liang Yueze. She worried that Lu Xingzhi had to work so hard every day and still had to do many other things. It was one thing if Liang Yueze were unaware of it. It was better to keep it hidden for the time being, but since Liang Yueze was aware of it, it was best if he could handle that situation.

Jiang Yao warned him. "But Big Brother, Lin Qianyun doesn't seem easy to fool. She seems quite powerful, so don't let her know if you want to investigate her. Since she can keep an eye on

Sister Ruoran, you have to be wary of her contacting Sister Ruoran again, or if she knows that Sister Ruoran is back in Jindo City, she will probably look for her." "I got it.

Liang Yueze did not say a word as he quickly hung up the phone.

Jiang Yao held the phone and listened to its beeping sound. Then, she threw the phone back to Lu Xingzhi. She shrugged and said, "Go to sleep."

Lu Xingzhi knew that she was deliberately trying to change the topic before the two of them answered the phone. However, it was to tease her, so Lu Xingzhi did not bring it up again.

When he heard Jiang Yao say she wanted to sleep, he put his phone on the bedside table and asked, "Want some soup? When Dad and Mom left, there was still soup on the stove. They said that you can have it for supper if you want some."

"Chicken soup, right?"

Jiang Yao had already smelled it. "I don't have an appetite. I might feel sick if I even smell it."

Lu Xingzhi's heart ached when he heard that. "When will this reaction stop? You have been eating like a rabbit. If this trend continues, you will become as thin as a bamboo pole. "

Chapter 2120: Dreams and Reality

Jiang Yao had not been eating more than a rabbit. The rabbit ate more than her three meals a day.

Jiang Yao only drank milk every morning. As long as she had a proper meal, she would have some light soup and a couple of spoonfuls of rice.

"I won't." Please support our [FreeWebNovel.com](http://FreeWebNovel.com)

Jiang Yao was very confident. "I ate very nutritious food before I had these reactions."

She was the first to lie on the bed. Then, she waved at Lu Xingzhi and patted the empty space beside her to urge him to rest early. "You don't have to worry. Most pregnant women will go through this."

"It's all Colonel Ye's son and Sergeant Hu's father's fault!"

Lu Xingzhi clenched his fists. The most heinous aspect was that the person who instigated Sergeant Hu's father's attack on Jiang Yao had yet to be identified. There had been no useful leads.

That person was far too secretive. He must have long since erased all traces of him.

"Take your time with that. You can't rush it. Don't force yourself to be nervous every day. I know you don't sleep well. If you have a heavy heart, you won't be able to sleep." Jiang Yao thought for a moment

and sat up again. "Since there's chicken soup in the pot, drink it. Don't waste it! But after you finish it, you must brush your teeth and wash your hands. Don't let me smell it. Otherwise, you're not allowed to sleep here, and you're not allowed to kiss me! "

Lu Xingzhi smiled. "Mm, I'm not kissing you." He reached out and patted her head. Then he left the bedroom.

Just as Jiang Yao said, there was chicken soup in the pot. If he did not drink it, it would go to waste. He had to drink it while it was still hot. He had to eat something so that he could sleep well at night.

Lu Xingzhi drank the soup and went to the bathroom to clean up. When he was done, he returned to the bedroom, but Jiang Yao was already asleep.

He lay down in the space that Jiang Yao had reserved for him. He hugged his wife and kissed her. He smiled softly and said, "I knew you'd be asleep. So even if I kissed you, you wouldn't know about it."

Jiang Yao slept soundly, so Lu Xingzhi did not expect her to answer him. He lifted Jiang Yao's pajamas and touched her belly. He said, "Brat, don't mess with your mother, or else I'll beat you up when you come out!"

Then, Lu Xingzhi put Jiang Yao's clothes back on. He embraced her through her clothes before falling asleep in that position.

Lu Xingzhi dreamt about Jiang Yao having a good appetite and days when she would complain if she were hungry.

He dreamt that Jiang Yao was holding a big bowl and eating in big mouthfuls. It was a big portion of food, but she was not angry about it. She even smiled at him. She pointed at the food and said, "Xingzhi, I want that! I want that too! I'm so hungry that this is not enough for me at all!"

Then, Lu Xingzhi eagerly picked up his spoon and gave her the food she wanted to eat. When he picked up his spoon, she smiled at him happily.

"

"Xingzhi... Xingzhi..."

"Eat more, eat as much as you can." When he heard her calling him Lu Xingzhi, he tried to encourage Jiang Yao to eat as much as possible.

"Lu Xingzhi!"

Jiang Yao pushed the person mumbling something in his sleep with a confused look. When she saw that he was still sleeping, she pushed Lu Xingzhi. "Wake up."
