

Chapter 2119– 2120 of A Dish Best Served Cold Novel

Chapter 2119

“Mr. Chu?” “Mr. Chu, this is really a misunderstanding~” In the villa, Ferguson Wu was full of bitterness and shouted with trepidation.

But the phone has hung up.

When he heard the beep from the phone, Ferguson Wu felt cold inside.

Just when Ferguson Wu was desperate, the call he had just hung up called again.

Ferguson Wu was overjoyed when he saw it.

Hurry up to answer, and then in the most humble manner and in the most respectful voice, I kept saying: “Mr. Chu, you listen to me to explain?” “What you said before are all misunderstandings?” Ferguson Wu thought it was Mark. I called, and quickly seized this opportunity to continue to apologize and explain.

“Huh?” “What’s the misunderstanding?” “Wu Shi, what are you talking about?” “I’m Niu Chaoyang.”

“What should I do now?” “The bastard is not going to leave, Wu Shi, you should send someone to arrest him. Right?” Niu Chaoyang’s puzzled voice came over the phone.

Obviously, after the call just now, Mark did not intend to leave.

There was no way, Niu Chaoyang had to call again for help.

“I’ll catch you Gobi!” “Niu Chaoyang, today I am Ferguson Wu will be pitted to death by you.”

“Do you want to kill me?” “Get out!” “Get out of here!” “Otherwise, you are After being killed by Mr. Chu, Master will not collect the corpses for you.”

After hearing Niu Chaoyang’s voice, Ferguson Wu exploded and yelled.

“But Wu Shi, the decoration here hasn’t been finished yet?” “You still pretend to be your sister!” “You can pretend if you want to die.”

“Ciao, how did I know you idiot?” Ferguson Wu almost wanted Mad.

The thoughts of kicking Ferguson Wu to death in his heart are all there.

This idiot, is he not enough to provoke Mr. Chu?

Moreover, if it weren't for Niu Chaoyang to call him just now, how could he provoke Mark again.

It now appears that the old and new hatreds have all accumulated together.

Ferguson Wu is really worried now, will Mark really come to deal with him.

After hanging up, Ferguson Wu was in shock and his face was extremely ugly.

“Wei Tao, what happened?” “Why are you so panicked?” “Did something happen at work?” a beautiful woman next to her asked worriedly.

It was the first time that she had followed Ferguson Wu for so many years, seeing him so panic.

Ferguson Wu sighed: “This time, I am afraid that Mr. Chu will be offended to death.”

“I am also to blame. I shouldn't be involved in this kind of thing.”

Ferguson Wu felt regretful.

Originally, he didn't have to participate in this kind of thing at all, he kept a neutral attitude, he didn't help anyone, he didn't provoke anyone, and he should protect himself.

However, Ferguson Wu thought that Mark was dead anyway, and Mu Fan Group was already a toothless tiger, so there was no need to be afraid.

Therefore, in the spirit of narrowing the relationship with Lu and Xu, he helped them to drive Helen Qiu out of the Yunding Mountain Villa.

Originally, it was not a major event, and no lives were caused.

However, Ferguson Wu had counted everything, but he didn't count it. Mark didn't die, and he came back.

This time, Mark was completely offended!

After all, Mark's nickname for protecting his wife and crazy demon is famous in Noirfork.

Noirfork folks, who doesn't know Mark's love for his wife.

After the Taishan Wushu battle, Mark refused all invitations from the lord of Denham in order to rush back to cook for his wife.

This time, Ferguson Wu hit the gun.

Chapter 2120

“Mr. Chu?” “Just the so-called Noifork Lord?” “Isn’t he just a bullshit? If you want to deal with him, it is not a matter of minutes. He should be afraid of you. Why are you going the other way? Afraid of him?” The woman was confused.

“Women’s opinion, what do you know?” Ferguson Wu suddenly drank, and the woman was so scared that she closed her mouth immediately.

“You don’t really think that Mark is a no background, bullshit, right?” “You know, the Patriarch of the Gritsberg Mo family treated Mark respectfully.”

“This Mark, there is no superficiality. It’s that simple.”

“Although, I don’t know what Mark really depends on, but what is certain is that he is definitely an existence that we can’t afford to provoke.”

Ferguson Wu’s gloomy old face, deep in his heart, it is a deep worry.

“Then what should I do now?” Listening to Ferguson Wu’s words, the woman was a little bit hopeless.

Ferguson Wu shook his head: “I’m afraid that there is no good way.”

“I can only do my best and obey the fate.”

Ferguson Wu said in a low voice, and then began to look for Ericson’s phone number, ready to call him.

Now his relationship with Mark has dropped to a freezing point.

If you want to change this situation, you can only find a third person to act as a lobbyist and help him intercede.

And this candidate is naturally Ericson the most suitable.

“Yeah, it’s rare, Wu Shi has time to deal with everything, so you have time to pay attention to me as a layman?” Ericson’s slightly sarcasm voice came over the phone.

In fact, Ericson had already guessed the intent of Ferguson Wu’s call.

“Mr. Li, don’t make fun of me.”

“I don’t care about anyone, and I never dare to ignore Mr. Li.”

“Mr. Li is the big celebrity in front of Mr. Chu. I, Ferguson Wu, will have to count on Mr. Li in the future. What do I have to say in front of Mr. Chu?” Ferguson Wu said politely, with a low posture.

After all, Ferguson Wu naturally had to be polite if he wanted to ask others.

“Don’t, I won’t mix up your grievances with Mr. Chu.”

“You dig the pit yourself, or fill it in yourself?” Ericson directly refused.

You know, Ferguson Wu provoked before, but Mr. Chu’s wife.

Everyone knows that Miss Qiu is Mr. Chu’s Ni Lin!

Ferguson Wu provoked her, which was tantamount to touching Mr. Chu’s inverse scales.

Ericson didn’t want to lie in this muddy water for Ferguson Wu.

“Mr. Li, do you really want to sit back and watch this matter?” “You should know that if the relationship between me and Mr. Chu collapses, maybe I will encounter some unknown troubles, but then, you will definitely not be well. ?” Ferguson Wu’s words also suddenly became cold.

Ericson suddenly smiled.

“Wu City, don’t tell me such threats, you go and tell Mr. Chu.”

“However, as a friend, I still have to persuade you that Mr. Chu is a person who eats soft but not hard.”

If you threaten him like you threaten me, I am afraid you can’t bear the consequences.”

“Last night, Lu Mingfeng also threatened Mr. Chu.”

“The weight of their Lu family should be far more than you.”

But do you know what Mr. Chu said?” “How to say?” Ferguson Wu asked immediately.

Ericson paused for a moment, before he said, “Mr. Chu meant that Lu Mingfeng and Xu Shaohua were to cross the dead Noifork!” What?
