

Chapter 2121– 2122 of A Dish Best Served Cold Novel

Chapter 2121 Fear

“What are you talking about?” “Mr. Chu is going to kill Lu Mingfeng and the others?” “How can this be?” “Mr. Chu is crazy?” “Or, he doesn’t know how powerful the Lu and Xu families are?” The moment Ferguson Wu heard this, his whole body was no longer calm.

He sprang up from the sofa, his eyes staring, and his heart was shocked and horrified.

It’s not that he made a fuss, or that he was unfounded and worried.

Rather, Ferguson Wu knows the strong background of Lu Mingfei and Xu Shaohua.

Moreover, these two people are both the princes of these two giants, and they are likely to be the heirs of the next family.

If the two of them die here, not only Shan Mark will suffer, but he, the Lord of Wrilfill, will inevitably be severely punished.

Even the entire Noirfork all walks of life will have huge turbulence!

It can be said that this is a major event that affects the whole body.

Ferguson Wu was naturally panicked.

“Ericson, in any case, you have to stop Mr. Chu’s crazy and dangerous thoughts.”

“You should know, once Lu Mingfeng and Xu Shaohua really fall here, what will happen to Noirfork next? “At least, your identity as the leader of Wrilfill City, don’t want to keep it.”

“And Lei San from Denham, Wang Jiexi from Haozhou, you who are standing in the same boat with Mr. Chu, one I can’t run away.”

Ferguson Wu was full of dignity, and he spoke to Ericson solemnly.

Ericson also replied: “Wu City, don’t just talk about us. When the time comes, you will not be able to keep the hat on your head!” “So, in this matter, our interests are the same. I can’t talk to Mr. Chu now, and I can only rely on you to stop Mr. Chu’s crazy idea.”

Ferguson Wu said solemnly.

Ericson also replied in a deep voice: “I will try my best to do the work of Mr. Chu. But you have to watch Lu Mingfeng and Wu Shi.”

“Don’t let them do anything to provoke Chu. Mr. Matter.”

“Otherwise, no one can save them!” “And, if possible, let them leave Noirfork as soon as possible.”

“Here, it doesn’t belong to them.”

“As long as they return to Gritsberg, naturally Nothing is left.”

The call went on for a long time.

In the end, Ericson and Ferguson Wu reached a consensus.

Ericson is responsible for discouraging Mark, while Ferguson Wu is responsible for the work of Lu Mingfeng.

Due to urgency, after Ferguson Wu hung up the phone with Ericson, Dang even contacted Lu Mingfeng.

“Master Lu, I have heard about The Twinfill.”

“Are you okay?” “If you are seriously injured, I can send you back to Gritsberg for treatment immediately.”

“Noirfork is no better than Gritsberg, with medical conditions. You are very backward.”

“You have a golden body and a jade body, it is better to return to Gritsberg as soon as possible to receive the best treatment.”

Ferguson Wu also tried to persuade them to return to Gritsberg, and all kinds of far-fetched reasons were brought out.

It is definitely impossible to drive them away directly.

Ferguson Wu had offended Mark, but could no longer offend Lu Mingfeng.

As for saying that Mark wanted to kill them and let them escape quickly, this kind of thing could not be said.

These young people are all arrogant, and the more they say this, the less likely they will be to leave.

No way, Ferguson Wu had to do all kinds of side-by-side blows and let them return to Noirfork.

Chapter 2122

“Well, thank you for your concern.”

“When this happens, I will return to Gritsberg for treatment.”

“I will go back tomorrow and the day after tomorrow.”

Lu Mingfeng slowly replied.

He has planned all these things. Once the action is successful tonight, if there are no accidents, he will return to Gritsberg tomorrow or the day after tomorrow.

Just as Ferguson Wu said, Noirfork is no better than Gritsberg, and for the injuries Mark caused him, he naturally wants to return to Gritsberg to receive the best treatment.

“That’s good, that’s good.”

“Say it to me when I leave, and I will see Master Lu personally.”

Hearing that Lu Mingfeng would leave soon, Ferguson Wu suddenly let out a long sigh of relief.

As long as they leave, the biggest worry in his heart will naturally disappear.

When Ferguson Wu breathed a sigh of relief here, Ericson was not idle either.

However, Ericson did not call Mark directly, but contacted Mark’s mother.

At the The Twinfill, Ericson and the others had already said what they should have said, so Ericson knew that if he called Mark to dissuade him, Mark would not listen.

In this case, it is natural to launch an offensive against relatives.

Ericson felt that perhaps the persuasion of his relatives would make Mark rein in the precipice.

Sure enough, Ye Ximei agreed to dissuade Mark after learning the pros and cons of the matter.

“Auntie, Jiang Dong, please!” Ericson said repeatedly during the call.

Isn’t it right, the life and death of Lu Mingfeng and Xu Shaohua naturally affects the entire Noirfork.

The background of the two of them is really powerful and desperate!

At this time, Ye Ximei and Xu Lei happened to rush back to Wrilfill because they were worried about Mark.

After learning that Mark had returned to the Yunding Mountain Villa, the two of them also looked for it.

“Mom, Leier, why are you two here?” Seeing his mother, Mark hurried out to greet her.

“Leier is worried about you, so she has to come over and take a look.”

Ye Ximei said.

When Xu Lei heard it, her pretty face blushed three points: “Aunt Mei, what are you talking nonsense? If you let Helen know, it will cause misunderstanding.”

“What’s the misunderstanding?” “You are my goddaughter, Mark. “My sister is worried about my brother. Isn’t that justified?” “Look at your little blushing, is there a ghost in your heart?”

Ye Ximei’s words made Xu Lei’s pretty face even more red.

Looking at the warm scene in front of him, Mark's icy mood in the past few days has also melted suddenly.

The expression on the delicate face suddenly softened a bit.

“Okay, mom, don't tease Leier.”

“You guys come in quickly.”

“Have you eaten yet?” “I'll make it for you.”

Mark smiled and greeted his mother and they came in.

Although Yundingshan Villa was renovating before, it was basically just changing some furniture inside, which was finished long ago.

Only the bluestone in the yard has not been paved.

Therefore, Mark and his mother and son came to live, there is no problem.

“Brother Mark, I'll help you too.”

In front of Mark, Xu Lei naturally has no arrogance as a wealthy master. He is lively and casual, just like a beautiful and charming girl next door.

“Do you know how to cook?” “Don't be the same as Helen. You always help me out?” With the lesson that Helen Qiu helped him cook before, Mark was once skeptical about the cooking skills of this rich daughter.

“Hmph, Brother Mark looks down on people!” “In those years when I was looking for you in Noifork, I used to cook many times, OK?” Xu Lei was immediately dissatisfied, and complained angrily at Mark.
