Chapter 2127

“You...you...”

At that moment, Yang Yun and the others were undoubtedly completely scared.

They looked like ghosts, looking at the figure standing in front of the place where light and dark intersect, with endless panic in their hearts, madness swept across.

“You...who are you?” Yang Yun asked in fear.

In the sea of fire, the man did not speak.

He just raised his steps and walked slowly in their direction.

What makes Yang Yun feel extremely strange is that his feet are off the ground, and every step is in the void.

It really is like a ghost from the abyss, appearing in the world.

“You...who are you, who are you, man or ghost?” Yang Yun and the others were almost scared.

The legs were soft and the whole body was swaying.

They wanted to run, but they were so scared that they couldn't move.

Finally, as the figure approached, the icy voice of senran sounded slowly under the night.

“Should I ask you about this?” “Say, who is it that asked you to kill me?” Mark was condescending, with a stern look, as if there was no emotion in it, just looking down at Yang Yun and the others, like Looking down on five ants.

Boom~ Hearing this, it was like a thunder.

Yang Yun and the others, a pair of eyebrows, suddenly stared!

Because of the tremor and panic, they almost forgot to breathe.

“You... are you Mark?” “This...

how can that be?

“Are you a man or a ghost?”

“Yang Yun has been completely dumbfounded. I just feel that his worldview has collapsed. From those words just now, Yang Yun has naturally guessed that the person in front of him is Mark who they killed just now. But, in the rocket baptism. Under the circumstances, how could he still be alive? This is absolutely impossible! Yang Yun couldn't believe that someone would survive this level of attack. Moreover, he walked out of the sea of flames, and he was still unscathed! However, Yang Yun Yun did they know that Mark could get away safely under a missile attack, let alone a few rockets? However, Mark was obviously not in the mood to talk nonsense with him. He walked over and strangled his neck with his hand. In this way, he slowly lifted him from the ground. “I will ask you again, who instigated you to come?

“The cold voice suppressed the endless feelings and anger. After the people here heard it, everyone's hair was terrified. “Eh~Er~” However, Yang Yun, who was caught by his neck and lifted up, couldn't even breathe. , How do you speak? He struggled in pain, whimpering and deep moaning in his mouth. Soon, there was no movement. Mark did not move, let go and threw him on the ground. Then, his cold eyes, Look at other people again. “Say, who made you come?

“The faint tone, calm as if Pinghu stopped water. But everyone who is familiar with Mark knows that the calmer he expresses, the stronger the anger in his heart. Behind him, the bewitching flames are still swaying in the wind. Mark's icy face was horrible and awkward against the flames. Under such incomparable oppression, the remaining people naturally did not dare to disobey half-heartedly, and said in fear: “Yes... It's the young master.

“Master?”

Mark frowned, “But Lu Mingfeng and Xu Shaohua?”

“This time, the few remaining people didn't speak, but just nodded tremblingly. Stabbed~ Between Tianhe, a blue light flashed across, and then Mark turned and left. Behind him, there were only five left. , The cold body.

Killers, kill them!

From the time they started working on the Yunding Mountain Villa, they were doomed to end today.

“Leier, you send mom away first.”

“Find a hotel and stay first.”

After solving Yang Yun’s people, Mark walked forward and said to Xu Lei.

In the gloomy words, endless anger was suppressed.

No one can appreciate the anger in Mark’s heart at this time.

What he hates most is those who threaten the lives of his loved ones.

Just now, if he hadn’t reacted in time, his mother and Xiao Lei would really be killed.

“Mark, what are you going to do?” “Don’t be impulsive.”

“There may be some misunderstanding in this.”

After escaping from the dead, Ye Ximei was shocked.

However, after hearing her son’s words, Ye Ximei suddenly panicked.

She knew her son too well, she knew that Mark was completely angry!

When people are angry, they always do things that are impulsive.

Ye Ximei had to worry.

However, this time, Mark did not listen to his mother’s words.

Instead, he looked at Xu Lei: “Leier, why don’t you go?” “Take my mother away.”

Mark said coldly, with unquestionable majesty.

When Xu Lei saw this, she didn’t say anything.

But according to what Mark said, he took Ye Ximei away.

“Xiao Lei, what are you doing?” “Don’t you help me persuade your Mark brother?”

“Otherwise, I’m afraid it will really cause a big disaster!” Ye Ximei said anxiously.

However, Xu Lei shook her head: “Aunt Mei, Mark’s temperament, don’t you understand?” “What he decides, do you think we can change it?” Xu Lei whispered, Ye Ximei suddenly Silent.

After that, Xu Lei took Ye Ximei and left here.

Here, the summit of Yunding Mountain was calm again, only the raging fire behind him was still burning.

Mark picked up the phone and quickly got through Ericson's cell phone.

"Mr. Chu, are you looking for me?" Ericson smiled, obviously in a good mood, and asked Mark respectfully.

However, the next moment, a sharp voice came from the phone quietly.

"Within twenty minutes, find the hiding place of Lu Mingfeng and Xu Shaohua, and then tell me."

"I let him go, but did he let me go?" Mark sipped coldly, scared Ericson's soles softened, and he lay directly on the ground.

"Just do this matter."
