

Chapter 2129– 2130 of A Dish Best Served Cold Novel

Chapter 2129

Li Family Manor.

Mark just hung up, and there was a dull beep from the phone.

In the room, Ericsonjiu was silent for a long time.

Until now, Ericson hasn't recovered.

He was walking back and forth in the room with his hands on his back, his face as ugly as it was.

"How could this be?" "Mr. Chu didn't just decide to spare their lives, but why did he change his mind so quickly?" "Could it be that Lu Mingfeng and Xu Shaohua, two idiots, privately sent someone to deal with Mr. Chu Is it?" Tears frowned, and my heart was extremely worried.

The original good mood, because Mark's call, no doubt sank to the bottom in an instant.

Thinking of this, Ericson immediately called Ferguson Wu.

"Mr. Li, am I about to call you?" "I want to make an appointment with you for a meal."

"Well, are you free tomorrow?" Ferguson Wu is naturally in a good mood to avoid any worries.

"Are you still in the mood to eat?" "Something happened!" "Just now, Mr. Chu called me and asked me to investigate the whereabouts of Lu Mingfeng and Xu Shaohua."

"Look at that, Mr. Chu is ready to do it."

Li The second low-pitched words came out quietly from the phone.

what?

When Ferguson Wu heard the words, he trembled, the tea cup in his hand was not held firmly, and it broke directly to the ground with a snap.

“Mr. Li, what are you talking about?” “Mr. Chu is going to do it?” “You...you made a mistake?” “You said just now that Mr. Chu has stopped, and this matter is over. “Why...

“What the hell happened?”

“Ferguson Wu was shocked and asked anxiously. “You still ask me?”

“I advise you to call Lu Mingfeng and ask them?”

“If I expected it to be right, it must be that Lu Mingfeng and the two are unhappy, and they have appointed someone to murder Mr. Chu again.”

“Otherwise, Mr. Chu would never be so angry!”

“Ericson suppressed the anger in his heart. If it wasn't for Ferguson Wu's identity, he would have scolded him. Earlier, Ericson had a thousand exhortations to let Ferguson Wu take good care of Lu Mingfeng and the others, and don't let them provoke Mr. Chu again. But what was the result? The thing he worried about the most really happened. “Mr. Li, don't be angry.

“There may be some misunderstanding in this matter.

“What do you think of this?”

“You hold Mr. Chu first, don't tell him where Lu Mingfeng and Xu Shaohua are.

“Give me some time, I will investigate it carefully.”

“Ferguson Wu said quickly. Ericson sneered: “Wu Shi, sorry, I don't want to die.

“I have said everything that should be said, and in twenty minutes, Mr. Chu will arrive at the hotel where Lu Mingfeng and the others are located.

“If you really want to prevent the tragedy from happening, there is only one way.

“That's a call, let them roll up and go!”

“Leaving Noirfork, the farther you go, the better.”

“Otherwise, this Noirfork land, I am afraid that there will be two more lonely souls.”

The deep voice was like a basin of cold water poured down. Ferguson Wu's body shuddered unconsciously. Just when Ferguson Wu wanted to say something, Ericson had already hung up the phone. “Damn it!”

“What the hell happened?”

In the room, Ferguson Wu was anxious.

“I’ve said everything that should be said. In 20 minutes, Mr. Chu will arrive at the hotel where Lu Mingfeng and the others are located.”

“If you really want to prevent the tragedy from happening, there is only one way.”

“That is to call them. F*ck off!” “Leave Noirfork as far as possible.”

“Otherwise, there will be two more lone souls in this Noirfork land.”

The deep voice was like a basin of cold water.

Ferguson Wu’s body shuddered unconsciously.

Just when Ferguson Wu wanted to say something, Ericson had already hung up the phone.

“Damn!” “What happened?” In the room, Ferguson Wu was anxious.

Chapter 2130 Succeeded?

At this time, another call came in. Ferguson Wu didn’t even look at it and answered it directly. He thought it was Ericson.

Unfortunately, it is not.

Instead, subordinates report to him.

“Wu City, there was an accident over the Yunding Mountain Villa.”

“For unknown reasons, there was a continuous explosion on Yunding Mountain.”

“The entire villa has been razed to the ground.”

“On Yunding Mountain, there is already a ruin!” Now the relevant rescuers have rushed past, and the specific casualties are still unclear.”

On the phone, the subordinate’s report was still echoing.

But Ferguson Wu was already confused.

He understands, he understands everything.

It turned out that this was the reason why Mr. Chu suddenly changed his mind.

“Now, I am afraid that something serious will happen~” Ferguson Wu sighed with a pale face.

“Quickly, find me the number of Lu Mingfeng.”

Ferguson Wu shouted anxiously.

On the other side, Yuchang Hotel.

It was still that room, and Lu Mingfeng was still waiting there.

The table full of food is already cold.

The steaming tea was already cold now.

“Master, the tea is cold.”

“Let’s heat it up.”

Lu Mingfeng didn’t say a word, and let the waiter change a pot of tea.

After half an hour, the tea had no temperature again.

“Master, the tea is cold.”

“Should I go to heat it up again?” the subordinates said respectfully.

“I heat you Gobi!” However, this time, Lu Mingfeng was completely blown up.

Picking up the teapot, with a bang, it directly hit the ground.

“What the hell did those wastes do?” “Why there is no news!” “Warm wine to kill Huaxiong, and make tea to kill Mark.”

“Should I go to special?” “Laozi’s tea is hot. It’s gone, and the urine has been soaked.”

“What about people?” “Where is Mark they killed?” “Why is there no news!” “Could it be that the group of waste has been slaughtered? Lu Mingfeng cursed angrily.

All his previous patience has undoubtedly been smoothed out in the long wait.

It stands to reason that Yang Yun and the others drove over, then found a good location for a few shots and returned.

It would take more than an hour to die back and forth.

But now, it’s almost four hours!

He just slept for a while!

But these people sent out have no news yet?

“Young...Master, don't worry.”

“Maybe Captain Yang and the others, something has been delayed.”

“If you delay, what else can they do?” Lu Mingfeng cursed.

After venting a word, Lu Mingfeng said solemnly: “You can't count on them anymore. Go outside to check the news and see if there are any changes in the Yunding Mountain Villa.”

Yunding Mountain is located in the eastern suburbs of Wrilfill City, and now they are located. The location is the western suburbs of Wrilfill.

The two places are far apart and there are a lot of buildings blocking them, so they can't hear the movement on Yunding Mountain.

Soon, his subordinates came to worship in a panic: “Master, it was successful.”

“I just found the news that Yunding Mountain has been bombed and the Yunding Mountain Villa has been razed to the ground, and it is now in ruins.”

Lu Mingfeng After hearing it, I was overjoyed.

“Really?” “It's true! Now the fire brigade is going there?” “Haha~” “It's good if it succeeds!” Lu Mingfeng was extremely excited, only feeling that the vengeance was rewarded, and his heart was very happy.

“Mark, how?” “It was not me Lu Mingfeng who had the last laugh?” “Fight with me, a hillbilly, you are also worthy?” Lu Mingfeng smiled wantonly, and the cold words were full of joy.

Master, don't worry.

“Maybe Captain Yang and the others, something has been delayed.”

“Procrastination, what else can they do?”

“Lu Mingfeng cursed. After venting, Lu Mingfeng said solemnly: “You can't count on them anymore. Go outside to check the news and see if there are any changes in the Yunding Mountain Villa.

“The last laugh, isn’t it me, Lu Mingfeng?”

“Fight with me, a hillbilly, are you worthy too?”

Lu Mingfeng smiled wantonly, and the cold words were full of joy.
