

Chapter 2131– 2132 of A Dish Best Served Cold Novel

Chapter 2131 the old man

“Let’s go and find Shaohua.”

“I have to tell Shaohua the good news.”

“Haha~” Lu Mingfeng was already excited. After learning the news, he couldn’t wait to inform Xu Shaohua.

“By the way, what about Shaohua?” “Where did this bastard go, why didn’t he see him all night?” Speaking of Xu Shaohua, Lu Mingfeng only remembered that since he sent away Yang Yun and the others, he has never I have seen Xu Shaohua.

“Back to Master Lu, is Master Xu accompanying the girl?” Behind him, a respectful word came from his subordinates.

When Lu Mingfeng heard it, he smiled.

“This guy is really letting himself go.”

“Go, let’s go and take a look.”

Lu Mingfeng was really curious about whose girl she was so obsessed with Xu Shaohua, even if he was a brother. On it.

After solving a serious problem, Lu Mingfeng was naturally in a good mood.

He smiled and went to find Xu Shaohua.

At this time, Xu Shaohua was in the cafe on the sixth floor of the hotel.

The environment is elegant, and the melodious music sounds slowly flowing in the room.

When Xu Shaohua passed by, he found a middle-aged man sitting opposite Xu Shaohua.

The man had a flattering smile, talking and laughing with Xu Shaohua.

And Xu Shaohua rarely acted extremely polite in front of him, and did not put on the airs of a wealthy young master.

“Huh?” “Shaohua, didn’t you say you are going to make sister paper?” “What about the girl?” “Why is this just an old man here?” Lu Mingfeng stepped forward and sat down directly beside Xu Shaohua.

“Mingfeng, don’t talk nonsense, be polite.”

“This is Helen’s father.”

“But the distinguished guest I invited tonight.”

Xu Shaohua introduced.

When Lu Mingfeng heard this, he was shocked.

“Helen’s father?” “You…”

You mean, he is Mr. Chu’s old man?

“F*ck it, all right, you Shaohua, in order to pursue other girls, you even started on their old father?”

Lu Mingfeng was surprised. Almost instantly, he knew a lot of things. He finally understood what Xu Shaohua was up to these days. Lu Mingfeng thought it was Xu Shaohua who had a new goal. But now it seems. , He thought too much. From beginning to end, Xu Shaohua’s goal was Helen Qiu. “Ming Feng, you talk nonsense again, I kick you, huh?”

“I have said that, he is Helen’s father, you should be polite.”

“Xu Shaohua glared at Lu Mingfeng. Lu Mingfeng laughed at him immediately: “Yes, yes, maybe it will be your old man in the future, of course I have to be polite.”

“Waiter, come for a glass of wine, I have to respect Shaohua’s future husband.

“Hahaha~” “Don’t don’t don’t, I can’t bear the wine that Master Lu toasts.”

“Melson Qiu was suddenly panicked, and stood up and replied. “Why can’t you bear it?”

The identity of Shaohua’s father-in-law alone is enough to bear my glass of wine!

“Lu Mingfeng took a mouthful of an old man, but he tried his best to help his brother match it up. “Mingfeng, look at you nonsense again, haven’t I spoken with Helen yet?”

Moreover, I hated the unpleasantness of the last meeting. Whether Helen can accept me is not certain?

“Xu Shaohua shook his head and said. Melson quickly said: “Dare she accept it?”

“Master Xu, don’t worry, I know my daughter best, she dare not listen to us.”

“Furthermore, Young Master Xu has such a good condition. It is the blessing of my family’s Helen that she has cultivated for the eighth lifetime.

“Don’t say that Mark is dead. Even if he doesn’t die, I have to let Helen divorce him and then live with Young Master Xu.”

Chapter 2132 Helen Qiu’s Arrival

The news of Mark’s return has not spread, so nowadays, not many people know about the land of Noirfork.

Melson and his wife naturally didn’t know.

“Haha~” “I like to hear what Uncle Qiu said!” “My brother, Shaohua, is one of the best talents in a million.”

“Family and appearance, I don’t need to talk about it.”

“What’s more, Shaohua still pays. Concentration.”

“Since I saw Ling Qianjin on Yunding Mountain that day, Shaohua and his soul have been taken away by Miss Qiu.”

“Before the grand feast, I invited him to go, but he didn’t go, because he was there. Miss Qiu.” Lu Mingfeng laughed and put gold on Xu Shaohua’s face from the side.

“By the way, where’s Miss Qiu?” “Still in Gritsberg?” Last time at the Yunding Mountain Villa, Xu Lei took Helen Qiu away. Lu Mingfeng naturally remembered.

I just don’t know if Helen Qiu is back now.

“On the way, I will be there soon.”

“Isn’t his mother already picking her up at the airport?” Melson said quickly.

While they were talking, a taxi stopped outside the hotel.

The car door opened and the two women appeared under the hotel.

One of them was born with stunning beauty and dust, and three thousand green silks were simply scattered, but even so, it still gave people a breathtaking beauty.

The other person is slightly older.

Even with heavy makeup, it is still difficult to hide the wrinkles on the face.

The face is also exquisite, but it's a bit of a trick to look at.

"Mom, didn't you say that my dad was hospitalized?" "Why did you come to the hotel if you didn't take me to the hospital?" After Helen Qiu got off the car, she suddenly wondered when she saw the building in front of her.

Yes, that young and beautiful woman was Helen Qiu who was supposed to take care of Qingtan in Gritsberg.

Just a few hours ago, Helen Qiu suddenly received a call from her mother, saying that Melson Qiu was in a critical condition in a car accident and wanted to see her daughter for the last time before she died.

Even if there is a big gap before, after all, blood is thicker than water.

What's more, they are the parents who gave birth to themselves.

No matter how unfeeling Helen Qiu was, it would never even be possible for her father to be unsatisfied before his death.

Therefore, after Helen Qiu learned of it, she immediately returned to Wrifill by plane.

As for Mark's side, Helen Qiu didn't tell.

It wasn't that she wanted to hide Mark, mainly because the grievances between her parents and Mark were too deep, and Helen Qiu didn't want to bother Mark because of her parents' affairs.

However, what puzzled Helen Qiu was that she didn't know why, her mother didn't take her to the hospital, instead she went outside the hotel.

"Helen, why do you have so many questions."

"Didn't you want to see your father?" "I'll take you there. What do you care about?"

"What else can your mother do?" Helen Qiu's Mother Sherry Han couldn't help but said that after getting off the car, she pulled Helen Qiu into the hotel.

"His dad, make preparations, and Helen and I will be there soon."

After entering, Sherry Han called Melson.

Soon, Sherry Han, mother and daughter, came to the cafe on the sixth floor of the hotel.

"Helen, are you here?" "It's been hard on the road, come in and sit down."

Xu Shaohua came first.

After seeing Helen Qiu, Xu Shaohua couldn't hide his excitement and joy, and immediately said with concern.
