

Chapter 2133– 2134 of A Dish Best Served Cold Novel

Chapter 2133

“Huh?” “Why are you?” “Mom, Dad, what the hell is going on?” The moment he saw Xu Shaohua, Helen Qiu’s pretty face became cold.

She suddenly had a bad feeling that she was cheated by her parents.

Without paying attention to Xu Shaohua, Helen Qiu questioned her parents.

“Helen, you Nizi, what’s the matter?” “Master Xu is talking to you, you see, you are so rude.”

“Don’t hurry up, thank you, Master Xu for the hospitality?” Sherry Han was rushing. Helen Qiu winked and asked her to pay attention to her words, and don’t make the atmosphere so embarrassing.

But Helen Qiu was so scrupulous about this.

In her heart, there was only an anger of being deceived by her parents!

“Enough!” “Dad and Mom, what are you doing?” “You lied to me just to let me meet him?” “But don’t you know that Mufan Group was destroyed by his hands.”

Your daughter was almost killed by them.”

“Because of them, Qingtan is still lying in the hospital.”

“I really don’t understand. You don’t have any brain or standpoint when you do things?” I’ll say it again, I’m already married.”

“In my whole life, I’m just Mark’s wife, and I’m only married to Mark.”

“Others, it’s impossible!” Helen Qiu’s eyes were red, and she wanted it. I was mad by my parents.

Although Xu Shaohua and the others haven’t said anything, Helen Qiu knows her parents too well.

They lied to themselves, definitely to match themselves with Xu Shaohua.

However, Helen Qiu really couldn't figure it out. Because of this kind of thing, she didn't know how many times she had quarreled with them. Mark even fell out with them directly, but they didn't even learn a lesson.

In the past, Mark had nothing to do with him, and stayed at home as a son-in-law. They disliked Mark and wanted to find a good family for themselves. At least it was excusable.

But now?

Mark has become the respect of Noifork, under the Mufan Group, which holds 100 billion assets.

Why are they still dissatisfied and still engage in these moths behind?

"Shut up!" "You bastard, now you have learned to talk back to us?"

"Sure enough, those who are near Zhu are red and those who are near Mo are black."

"I know, you can't learn anything good with Mark and other bullshit."

"Look at you now, you are rude and rebellious. "Dare you yell at us in public?" "We are your parents, where did you come from without us?" Sherry Han yelled at Helen Qiu.

"Yes, we lied to you."

"But, who are we for?" "Not for you!" "Mark, no matter how good he is, he is a gangster."

"He was pretty good before, and he helped you build The Mufan Group holds hundreds of billions of assets. But you know in your heart how his power and wealth came from!" "It's not based on illegal activities."

"So, you Mufan Group Even if it doesn't fall into the hands of Young Master Xu, it will fall into the hands of the government sooner or later."

"When the time comes, you will not only be as simple as breaking a little money, you will also have to go to jail for fear."

"What's more, Ye Everyone is dead."

"You don't feel sorry for him if you look for another house now."

Sherry Han kept persuading him.

But when Helen Qiu heard this, she shook her head and said, "Mom, don't you feel guilty when you say this?"

"You don't feel sorry for him if you go to the next house now."

Sherry Han kept persuading him.

But when Helen Qiu heard this, she shook her head and said, “Mom, don’t you feel guilty when you say this?”

Chapter 2134 I want to go?

“You say that Mark is a bully, and that Mark’s money is ill-gotten wealth.”

“But the house you live in now, the jewelry you wear, the food, clothing, housing and transportation during this period, which one was not bought with Mark’s money? “When you spend it, why don’t you say that the money is not coming from the right way.”

“Now that you say this, you don’t have any guilt? There is no shame?” At the beginning, Mark and his wife had trouble with Sherry Han. Turned over, angrily moved out from Rivera Community.

For a long time, Sherry Han and his wife and Mark never contacted each other.

But later, the Mufan Group was established, and Mr. Chu’s name was the best in Noirfork.

Sherry Han and his wife, who were sitting and eating, naturally hurried to defect to their daughter.

After all, it was her own biological parents, and Helen Qiu naturally wouldn’t really ignore them.

Therefore, he and his wife were provided monthly living expenses to support them, and even bought a large-scale real estate for the couple in the city center.

However, Helen Qiu didn’t tell Mark about these things.

First, Mark is busy all day long and rarely goes home. Helen Qiu has no chance to talk about it.

Second, she was afraid to make Mark angry.

After all, Mark and his parents are seriously at odds.

In the previous three years, I was criticized and abused by my parents.

It is conceivable that Mark’s perception of his parents is definitely not good.

Therefore, Helen Qiu had been supporting her parents secretly, and she had not told Mark for a long time.

However, Helen Qiu was obviously overly concerned.

Even if Mark knew, he wouldn't say anything.

No matter how bad Sherry Han and the others are, they are also Helen Qiu's parents. Helen Qiu is obligated to support them, as long as they don't let Mark see them.

But what Helen Qiu didn't expect was that what she did did not change her parents' attitude towards Mark. Instead, they still looked down upon Mark in their hearts.

This kind of white-eyed wolf behavior made Helen Qiu feel disgusted!

"Okay, okay, how can you two quarrel when you meet?" "Don't say a few words."

At this moment, seeing that the atmosphere was wrong, Melson Qiu quickly interrupted.

"Helen, don't blame your mother."

"He is all for your own good."

"You should know Shaohua's background?" "He is a rich Gritsberg family. My father is a major general in the army."

"His grandfather is even the rank of general. Did he carry a gun with the founding marshal back then?" "This is in ancient times, that is, he is a prince and nobleman, with a profound background."

"Mark, who is born from a countryman, has only brute force. , I don't know how much better."

"Nowadays, Master Xu has a deep love for you, and he doesn't dislike you for being married, and he gave me and your mother a multi-billion-dollar mansion as soon as he sold it. If you can win the favor of Young Master Xu, this is you. What a blessing."

"Don't know what's wrong~" Melson Qiu continued to launch an offensive against Helen Qiu.

However, Helen Qiu no longer wanted to listen to these words.

Since she was young, she didn't know how many times she had listened to it, and she could hear the cocoon in her ears.

They always do this, in the name of being good to themselves, but doing things that hurt themselves.

"But Mom and Dad, in your eyes, is there only family background, only money and benefits? Have you never considered your daughter's feelings and wishes?" Helen Qiu brows red, and shouted sadly at her parents.

After speaking, she stopped staying, turned and left.

However, Lu Mingfeng blocked her.

“Miss Qiu, want to go?” “What do you think of Shaohua?” “Being a monkey?” “Come as you want, leave as you want?”
