

Chapter 2139– 2140 of A Dish Best Served Cold Novel

Chapter 2139 Do You Dare?

Mark did not speak, but looked down at him.

Like a king, looking down at the ants.

No one knew what Mark was thinking under his expressionless face.

In the ear, Lu Mingfeng still screamed frantically.

However, in the face of Lu Mingfeng's gaffe, Mark remained unmoved.

After a long time, he replied coldly: "I said, you don't know what kind of existence is standing in front of you at this moment."

"I, Mark, can resist missiles without dying. Guns?" Mark said in a deep voice, his words low and gloomy.

While speaking, there was a cold wind blowing in from the window, with a deep chill.

After Lu Mingfeng heard this, he suddenly smiled.

"Haha~" "A good one who is not afraid of guns."

"A good Mark, a good Mr. Chu, and a good Noirfork Zun."

"We underestimated you."

"It's us who underestimate the enemy."

"You win."

"Congratulations, Mark. You won this Noirfork fight, and you are the one who laughed last."

Lu Mingfeng laughed, and the whole person looked a little crazy.

The appearance of gaffes made Xu Shaohua on the side anxious.

“Mingfeng, what’s the matter with you?” “Calm down.”

“Victory or defeat is a common matter for soldiers. We lost this time, and we will get back next time.”

“You don’t have to go too hard.”

Xu Shaohua walked over. Quickly persuaded.

Up to now, all the reliance around them has undoubtedly been destroyed by Mark.

From this point of view, the two of them had already failed when they entered Noirfork this time.

Mark was indeed the one who had the last laugh.

“Shaohua, I’m all right.”

“I just sighed.”

“After all, it’s the first time we’ve been deflated and frustrated for the first time in so many years.”

“So, this is the feeling of failure?” People are unhappy.”

“But Mr. Chu, even if we lose, even if it is you who laughed last, but what can you do with us?” “I dare to besiege your relatives, dare to flatten your Yunding Mountain villa, Dare to play with your woman.”

“Do you dare?” “No, you dare not!”

“My father is the head of the Lu family, and my uncle is right in the hands, and my grandfather is the founding minister of the country. Our Lu family is a great Vietnamese and has a deep heritage and connections across all walks of life.”

“The governor of Noirfork hosted a banquet for me.”

The city lord treats me like a guest.”

“The great families in Noirfork fear me like a ghost.”

“From childhood to adulthood, everyone respects me and respects me.”

“No one dares to take the slightest fault of me!” “Why? “It’s because of my strong family background!” “Because they know that if they provoke me, they provoke the Lu family.”

“No one in this world can afford my Lu family’s revenge.”

“Including you, Mark!” “Even if I slept your wife and slaughtered your parents today, you still dare not do anything to me. I can still leave Wrifill and Noirfork safely.”

In the hall, Lu Ming laughed loudly. If the thunder is rolling, it is echoing in everyone’s ears.

After Helen Qiu heard it, her pretty face was already pale.

Even if Lu Mingfeng said these words hard to hear.

But Helen Qiu also had to admit that these were indeed facts.

When she was in Gritsberg before, Helen Qiu had already known the powerful background of the Lu Family from Xu Lei’s mouth.

She knew very well that such a wealthy family was definitely not something Mark could contend with.

In other words, there are not many people in Huaxia who can compete with the Lu Family!

Chapter 2140 that touch of blood

Helen Qiu hardly doubted that if the Lu Family really made up their minds to deal with Mark, he might be able to get Mark to jail for any reason.

Families like the Lu Family can completely go beyond the rules, and can even use the rules to kill people invisible!

Thinking of this, Helen Qiu was undoubtedly more worried.

She was afraid that Mark would do something stupid under impulse.

When the time comes, things will really make a big deal!

She can only pray now, Mark will take care of his actions.

While Helen Qiu was in panic, Melson and his wife were also very scared.

Before, they only knew that Xu Shaohua and Lu Mingfeng were from Gritsberg wealthy families.

But they didn’t expect that the other party’s background would be so hard.

Red rich family?

After the founder of the country?

God, how strong is the energy of the Lu Family in Vietnam.

“If you can be friends with people with backgrounds like Lu Mingfeng, the background of the young master Xu family is probably not inferior to that of the Lu family.”

“Helen, this stupid girl, is really confused!” “If she just joined Xu Young master, won’t you fly to a branch and become a phoenix in the future?” Sherry Han was angry and angry.

However, apart from anger, Sherry Han thought about it again. Mark, a idiot who offends Lu Mingfeng and others, will undoubtedly die in the future.

“That’s okay, when he dies under the revenge of the Lu family, then there will be no obstacle between Helen and Young Master Xu.”

Thinking of this, Sherry Han suddenly showed an inexplicable smile.

At this time, Lu Mingfeng’s loud laughter was still echoing, Mark did not speak, but listened silently.

He was expressionless, like an ice stone, standing there coldly.

The dim light fell like water, falling on Mark’s body, but it left a shadow.

“Haha~” “Mr. Chu, why didn’t you speak anymore?” “I know, you should be very angry now.”

“You can kill me with all your gestures. But you dare not touch me at all?” Even if you know that I am the one who pacifies the Yunding Mountain Villa, what can you do?” “You can’t do anything except anger?” “But Mark, I, Lu Mingfeng, can tell you that our business is not over yet? “

“Don’t think that if you can survive the sea of fire, you can live the rest of your life safely.”

“I, Lu Mingfeng, promise that when I return to Gritsberg, I will use family power in the future to avenge you, the Ye family, and the whole Noirfork!” “As long as my Lu Mingfeng does not die for one day, I will let you have no peace for one day!” “I want you, your woman, and your parents and relatives to die!” “Haha~” Lu Mingfeng was unscrupulous He smiled, his face was vigorous and vicious, and his words were extremely arrogant. At this time, it was the most vicious curse on Mark.

He knew that Mark did not dare to kill him.

If he dared, Mark would not let him go before in the The Twinfill.

It is with such reliance that Lu Mingfeng is so unscrupulous.

However, just when Lu Mingfeng was proud and rampant.

Suddenly, I just heard a stab.

Between the halls, everyone saw that a green mangled horse was practiced, but it was gathered under Mark.

Then, suddenly shot!

Puff~ The air blade is like a knife, passing by in the dark night.

Mark, one finger seals his throat!

A blush of blood spewed out from between Lu Mingfeng's neck.

At that moment, all of Lu Mingfeng's wanton and arrogance disappeared.

There is only endless panic and regret in his pupils, which can't help but enlarge.

“you you...”
