

Chapter 2141– 2142 of A Dish Best Served Cold Novel

Chapter 2141

“Retaliation?” “If I’m afraid of revenge, I won’t be here tonight.”

“I have already said that everything you are proud of is not worth mentioning in my eyes.”

“What Gritsberg? A wealthy family, what a hundred-year-old family, what counts in front of me?” “The power is in my hands!” “Let you have monstrous power, let you have supreme majesty, it is nothing more than a sword cut!” Void, mountains, rivers and earth are not to be relied upon, only power can be relied upon, and only power is eternal.

This world is a world where the strong are respected!

Power, wealth, and power are nothing but vain.

In the past, Mark was not strong enough, so he entered the Zuoqiu family and endured the humiliation, just to survive the Chu family’s chase.

But now, the chicks of the past have the power to flap their wings for nine days!

Today’s Mark, naturally, does not need to forbear, nor does it need to be surviving.

What is the shackle, cut it!

What are thorns?

Mark stepped on the foot of a country in Japan.

What counts as the Lu family, who dominates in the secular world?

Even if it was Ye Qingtian, the God of War of Vietnam, if he provokes him, Mark will still be able to kill him.

Lu Mingfeng and Xu Shaohua wanted to rely on their background and family history to make Mark bow in fear.

It can only be said that they made the wrong calculation from the beginning.

“F*ck!” “Shall I go to Nima?” “Is the power still in your hands? You cut it with a sword?” “You are a hillbilly, a bastard, and have the power of a fart!” “It’s an idiot!” The decision to let Helen divorce you was right.”

“As an arrogant fool like you, Helen will follow you, and you will definitely be killed by you.”

“Now you killed the Lu Family Master, wait for you to die. ~” Hearing Mark’s arrogant words, Sherry Han couldn’t listen anymore, and cursed directly with a black face.

However, as soon as her voice fell, Mark slapped it.

The blood spit out, the front teeth cracked, Sherry Han’s whole body was like a dead dog, and Mark directly flew out.

When Ericson on the side saw this, the corner of his eyes suddenly twitched.

In my heart, Mr. Chu is so cruel.

Anxious, even mother-in-law is pumping!

“However, that shameless lady deserves it.”

“Mr. Chu’s majesty, how can you bully like a b*tch?” Ericson secretly said, feeling no pity for Sherry Han, but felt that Mr. Chu had acted lightly.

If it were Ericson himself, it is estimated that he would just slap this idiot to death.

“My patience is limited.”

“Anytime you mess with me, you are Helen’s parents, and I can’t do it wrong!” Martial arts practice is to cultivate understanding.

Dare to love and hate, life and death are casual, just now are heroes!

Mark gave a cold drink, but he was so scared that Melson Qiu and the others lay directly on the ground, with pale and panic faces, looking at Mark like a ghost, not daring to breathe.

After shocking Melson and his wife, Mark’s gaze fell on Xu Shaohua again.

“You...what do you want to do?” At that moment, Xu Shaohua shuddered, a fear of death that immediately strangled Xu Shaohua’s heart deeply.

Mark didn’t speak, but just stepped in, slowly approaching in Xu Shaohua’s direction.

Chapter 2142

Xu Shaohua was already frightened, he said in panic as he stepped back.

“Come on, come on~” “Kill him, kill him quickly.”

“Shoot him indiscriminately!” “Shoot this lunatic, shoot indiscriminately~”

What do you want to do?

“At that moment, Xu Shaohua shuddered, and a fear of death strangled Xu Shaohua’s heart deeply. Mark didn’t say a word, just stepped towards Xu Shaohua’s direction and slowly approached. Xu Shaohua was already. Frightened, he walked back and said in a panic. “Come on, come on~” “Kill him, kill him quickly.

“Shoot him indiscriminately!”

“Shoot this madman with random shots~”

What do you want to do?
