Xu Shaohua was already shocked.

He backed away and yelled frantically.

Let his men shoot Mark with a gun.

As the prince of the Xu family, Xu Shaohua is very much loved in the family, and even Lao Wei sent him as a bodyguard, which shows that the family attaches great importance to Xu Shaohua.

In this case, it is not unbelievable that his subordinates are equipped with guns.

Sure enough, with Xu Shaohua's order, the four or five bodyguards around immediately took out guns.

.

The bullet is loaded.

Bang bang bang bang ~ Immediately afterwards, the tongue of fire burst out, and the deafening roar sounded through the entire hall.

Dozens of scorching bullets tore through the sky and shot away in Mark's direction.

“Mark, stay away~” Helen Qiu was frightened, tears bursting out.

She desperately ran in the direction of Mark.

Is she afraid of death?

Of course I am afraid!

However, for Helen Qiu, the loss of Mark was more painful than death.

She had lost Mark once, and she would never allow it. This time she also watched Mark die in front of her.

Therefore, she rushed forward without hesitation, trying to block the bullets for Mark.

“Helen, you dead Nizi?” “You don’t want to live anymore?” “Come back!” Melson and his wife screamed in panic.

However, it was too late.

Helen Qiu had already pounced on Mark.

“It’s over!” At that moment, Ericson and Lei San were almost completely scared to pee.

In the land of Noirfork, who didn’t know, Mark was a mad wife who spoiled his wife.

The two of Ericson had no daring to imagine, if Helen Qiu died here, what kind of anger would the next Xu Shaohua and others face Mark!

However, the scene where everyone imagined Helen Qiu being shot through by a bullet did not appear.

When those bullets were still an inch away from Helen Qiu’s body, it was as if the pause button had been pressed, and it was actually difficult to advance even the slightest.

In the end, it all fell to the ground like a machine that was powered off.

Wow~

The scorching bullet hit the ground, and the crisp sound echoed in the hall, but it trembled in everyone’s hearts.

“This...this...”
