## Chapter 2147–Sword

Ferguson Wu heard the sound and the corners of his mouth twitched immediately.

“What?” “Mr. Chu smoked?” “You mean, Mr. Chu pumped his mother-in-law?” Ferguson Wu was taken aback.

In Ferguson Wu’s impression, Mark was a very family-oriented person.

Generally speaking, people who care for the family will have one characteristic in common, that is, they attach great importance to family affection.

Therefore, after hearing that the injury on Sherry Han’s face was caused by Mark, Ferguson Wu naturally trembled.

Ericson nodded: “Isn’t it?” “But, I can’t blame Mr. Chu.”

“It is these two idiots who are looking for death, and they forced Miss Qiu to divorce Mr. Chu and secretly matched Miss Qiu and Xu Shaohua.”

“You Say, who can bear this kind of mother-in-law?” “I also heard that Mr. Chu and Ms. Qiu have been insulted by them for more than three years.”

“This is also Mr. Chu’s good temper. If it were me, it would have been People did them and threw them into the river.”

Ericson said with disgust.

Ferguson Wu only figured out the ins and outs when he heard this.

“So, no wonder Mr. Chu would take action.”

“You are right, these couples are indeed two idiots.”

Ferguson Wu shook his head, and then drove away. Naturally, he ignored the Melson couple. Two people.

With Ferguson Wu’s departure, Ericson and Lei Laosan were naturally not staying here.

“Second Lord, how do you deal with these two people?” “They have seen everything tonight.”

At this time, the subordinates asked Ericson in a deep voice.

Ericson looked at the Melson and his wife, and then said: “Beat them and throw them on the road.”

“As for tonight’s affairs, if you want to say it, just let them talk.”

“Anyway, it won’t be too long to keep it away. “Ericson said lightly.

Sherry Han and his wife were suddenly panicked when they heard Ericson let them be beaten.

“You can’t hit us.”

“We are Mr. Chu’s mother-in-law, how dare you do it to us?” “Otherwise, my son-in-law, I will never let you go!” Sherry Han threatened Ericson.

However, it was okay for Sherry Han not to say this. As soon as she said this, Ericson, who was already in the car, opened the door and got out of the car.

Then, with a bang, he kicked Sherry Han’s stomach fiercely.

Hearing a cry, Sherry Han lay on the ground and was kicked by Ericson directly.

“You shameless lady, you are really shameless!” “Don’t you look down on Mr. Chu?” “Don’t you want your daughter to divorce Mr. Chu?” “Te mother, when she is being beaten now, Do you know that Mr. Chu is your son-in-law?” “You know that Mr. Chu is threatening me?” “It’s too late!” “Mr. Chu has already severed relations with you. Now you are just two idiots.”

Genius One Second remember the Vietnamese / Ericson cursed, while kicking the two of them fiercely.

In the past, Ericson looked at Mark’s face and didn’t dare to offend Melson and his wife.

But now, Ericson has seen that Mark is seriously at odds with the couple.

In this case, Ericson need not hesitate.

“You two idiots, don’t you look at Mr. Chu?” “You don’t want to think, without the protection of Mr. Chu, you two are in Noirfork, what a fart?” Ericson yelled and kicked again.

Then he spit, turned and left.

Behind him, only Melson and his wife wailed miserably.

“a\*shole, dare to hit us?” “I declare, you are finished?” “I will call my daughter and ask my daughter to seal up your family affairs and let you kneel down and apologize to me~”

## Chapter 2148 Helen Qiu’s Relief

After the two of Ericson left, Sherry Han got up from the ground, but was full of blood, cursing viciously in the direction where Ericson left.

However, when Sherry Han picked up the phone, she received a WhatsApp message from Helen Qiu.

“Dad and Mom, this is the last time my daughter calls you like this.”

“In these years, Mark and I have been resigned to you. Even if you are expelled from the house, we still do our filial piety.”

“To you, we have done our best!” “The gift of nurturing, the daughter has already paid off.”

“From now on, I Helen Qiu no longer owes you anything?” “I should never have your parents, and you should never have my daughter.”

“Sangao Lu Dollar, from now on, I don’t have to see you again.”

Boom~ Like a thunderbolt, the moment they saw this WhatsApp, Sherry Han and his wife immediately panicked.

You know, these two of them have all come from Helen Qiu.

Now that Helen Qiu said that she would sever her mother-daughter relationship with them, this would undoubtedly be tantamount to breaking their future lives.

The two Sherry Han, who were panicked, quickly called Helen Qiu and sent WhatsApp.

However, since Helen Qiu made up her mind to sever ties with them, she has blocked all their contact information.

This time, Helen Qiu was undoubtedly completely disappointed with her parents.

For so many years, she and Mark almost obeyed their words, but the result?

In addition to harm, what they brought to Helen Qiu was harm!

Tonight, if Mark hadn’t arrived in time, Helen Qiu felt that she would be sold to Xu Shaohua by her parents like goods.

Such parents, why does Helen Qiu need any more?

In this way, severing all relationships and staying out of old age is tantamount to a relief for both parties.

At this time, Mark had already returned to the western suburbs villa with Helen Qiu.

Now that the Yundingshan Villa has been destroyed, Mark and the others had to move back to the western suburbs villa where they once lived.

After sending that WhatsApp message, Helen Qiu couldn’t control her emotions anymore, her brows were flushed, and she threw herself into Mark’s arms, howling.

Like a desperate and helpless girl, holding her only support.

Yes, from now on, Helen Qiu will have no parents and no family.

All she had was Mark.

Seeing the sad look of the beautiful woman in her arms, Mark suddenly felt sorry for her.

“Helen, if you are really reluctant, please take your parents back.”

“For you, I am willing to endure everything.”

Mark said softly.

/ “I don’t!” “I don’t want them anymore~” “I don’t want to see them anymore.”

“Woohoo~” “Mark, why, why do I have such parents?” “Why other people’s parents , Are so kind, so kind, so considerate.”

“But my parents are so selfish and mean~” “Woo~” Helen Qiu couldn’t help crying, and the sad cry echoed throughout the room. .

Helen Qiu cried for a long time this night.

It is like venting all the grievances and grievances of the first half of life.

It seems, relief.

Helen Qiu finally made up his mind to sever all relations with Melson and Sherry Han.

Perhaps, there will be guilt, reluctance, and pain in my heart.

However, these emotions in her heart, compared with the grievance and shame Mark has suffered over the years, what is it?

<Helen Qiu, don’t owe Sherry Han anything!

What she owed in her heart was Mark.

If it is said, she used her first half of her life to repay her parents’ kindness.

So in the future, what she owes Mark will take the rest of her life to pay it back.
