

Chapter 2167– 2168 of A Dish Best Served Cold Novel

Chapter 2167

When Mark heard this, his originally peaceful state of mind suddenly caused waves.

He did not expect that Ye Qingtian would have paid so much in order to make him a titled master.

Even turned his face with the King of Fighters and others.

This friendship is not unimportant.

“The God of War, being so concerned about my business, makes me a little bit apprehensive.”

“If it is because of me that the God of War and the King of Fighters and others fall out, even if I receive this title, I feel ashamed.”

Mark is ashamed. Tao.

Tang Hao smiled happily: “Hahaha~” “Mark, you are too worried.”

“Lao Ye has this temperament, we are all used to it.”

“Although Lao Ye made the King of Fighters unable to get off the stage that day, but after a few days, everyone was angry and no one cared anymore.”

“What’s more, this matter is because we were superficial, and we underestimated you.”

“When I go back this time, I will tell them the results of the test. , The King of Fighters and the Sword Saint must have nothing to say.”

“So, you don’t have to have any psychological pressure.”

Mark nodded: “Thank you, then.”

Tang Hao waved his hand and said, “Why thank you. It is our Huaxia Martial Arts that deserves to be thanked instead.”

“A few days ago, our Huaxia Martial Arts lost a peerless powerhouse. That was a huge loss for our Huaxia Martial Arts.”

“But fortunately, now I have a master in Vietnam.”

“Perhaps, your current strength is not as good as that of Brian Chu, but presumably in the future, your performance will not be inferior to him.”

“Because of your existence, my Vietnamese martial arts will grow again.”

“Seven titles, seven A strong pillar of the country, looking at the entire Asia, who else can be against Vietnam?” “Mark, you are still young, work hard, Vietnam’s future depends on you.”

“I, Vietnam, can you return to the world? At the top of martial arts, it depends on you later generations. How much will you achieve in the future?” After a brief contact, just like Ye Qingtian, Tang Hao was undoubtedly impressed by Mark’s personal charm.

Although this son is young, his heart is calm, far surpassing people of his age.

More importantly, his strength is strong, and at a young age, he can already be better than the titled master!

Moreover, from his body, Tang Hao saw the shadow of the God of War.

At the very least, the blissful enmity and fearless spirit in him resembled the God of War.

“Perhaps, he is right.”

“For so many years, the reason why my cultivation has stagnated and I have been unable to make progress is because I lack qualities like him and the God of War.”

“Zhanjian Jianghu. , Happy gratitude.”

“Sprinkle my blood, kill for nine days, and move forward.”

Thinking of this, Tang Hao suddenly shook his head and laughed, with a somewhat inexplicable self-deprecation over his majestic face.

Tang Hao never imagined that, one day, he was taught by a younger generation of young people on demand.

All that should be said has been said.

After Tang Hao instructed Mark to prepare to receive the canonized documents, he also left.

“Grandmaster Haotian, please stay, I have something to ask.”

Seeing Tang Hao about to leave, Mark stopped him quickly.

“Huh?” “What do you want to ask?” Tang Hao turned his head and looked at Mark curiously.

Mark smiled and replied: “Actually, it’s not a big deal. That is, I want to find someone for you.”

“Who?” Tang Hao asked back.

“I heard that one of the six great pillar nations in Vietnam is a female grandmaster. If I remember it well, this person should be called Queen Feng, right?” “I don’t know Grandmaster Vast Sky, but I know the real name of Queen Feng.” Mark asked slowly.

Chapter 2168

When Tang Hao heard this, his face suddenly changed: “What are you asking about Queen Feng’s name?” Mark smiled when he saw it, “It’s nothing, just curiosity. If Grandmaster Haotian is inconvenient to say, then forget it. But, I take the liberty of it. One more question, does Grandmaster Haotian know that in today’s martial arts world, there is a most powerful person with the surname “Yu” and “Yun”?” Tang Hao thought for a while, then shook his head and said, “A strong man named Yu Yun? Never heard of it. “Of course. It’s also possible that she is not strong enough to be in my ears.”

Tang Hao and the others are in high positions, who can remember their names, which one is not the pinnacle powerhouse of the whole country.

Therefore, if this after-rhyme really exists and he doesn’t know it, it can only show that this person’s strength is not qualified to enter his vision.

In response to this, Mark did not say anything, just smiled faintly, noncommittal.

I have to say that this Tang Hao is quite capable of acting as a force.

It is not enough to say the after-rhyme to his ears.

Just kidding, that woman’s strength is that Mark is afraid of three points.

Even in Mark’s peak period, even if he now masters the yin and yang dragon body, he has no confidence that he will be that woman’s opponent.

And Tang Hao, even Mark couldn’t beat him, let alone contend with Yu Yun.

If Tang Hao had never heard of this name, either Yu Yun was too mysterious and little known, or her status was so powerful that Tang Hao was not qualified to contact it.

Since Tang Hao didn’t know, Mark didn’t ask any more, got up to see off the guests.

Before leaving, Tang Hao hesitated for a moment. After all, he explained: “Mark, Queen Feng’s name is not that I don’t want to tell you. The main reason is that we promised her to keep it secret for her.”

“You should understand that sometimes, martial arts The middle man does not want to expose his secular identity.”

Mark nodded: “Well, I understand.”

Martial arts disputes are cruel, and if the secular identity is exposed, it is very likely that his parents and blood relatives will be harmed.

Therefore, in many cases, those with strong titles will show their names and do not want to reveal their real names.

Finally, after sending Tang Hao away, the world here was calm again.

One night passed quickly.

The next day, Mark summoned Ericson.

“Mr. Chu, you...

Are you looking for me?

“The panic of last night seems to have not dissipated. After seeing Mark, Ericson still felt a little panic in his heart. After all, the majesty that Mark has shown over the past few days is really terrifying. It is because I have known Mark. When facing the man in front of him for a long time, Ericson still felt a sense of awe in his heart as if he was facing an abyss and walking on thin ice. Today’s Ericson finally understands what it means to accompany a king like a tiger. Now, two days later, on the first day of July, I will be at The Twinfill to make up my wedding with Mu Cheng.

“The wedding preparation, ask you to do it.”

“What, are you competent?”

Before the tea table, Mark asked faintly while tasting tea. Ericsonyi was startled slightly when he heard it. “What?

“Mr. Chu, do you want to make up your wedding with Miss Qiu?”

“But Mr. Chu, it’s not appropriate to do it at this time.”

“I’m afraid, someone will disrupt the situation on the wedding day.”
