## Chapter 2173 Can You Pay?

However, Helen Qiu and Mark both laughed when they heard these words from Tan Xiaojing.

In that smile, there was no sarcasm or sneer, but only appreciation.

After all, in today's materialistic society, there are too few people with passion and sincerity like Tan Xiaojing.

However, Helen Qiu and Mark did not immediately say that they were going to buy the wedding dress. Instead, they asked Tan Xiaojing if they could try it on first.

“This~” Tan Xiaojing was obviously embarrassed.

There are regulations in the store that only members in the store are eligible to try on.

The condition of becoming a member is to prove that you have significant purchasing power for these wedding dresses.

After all, their shops are all high-end wedding dresses. If anyone can try them on, once it gets dirty and damaged, the other party can afford to pay for it. If they can't afford it, their bridal shop suffers a lot of losses. Up.

Looking at the clothes of Mark, it was obvious that they had no purchasing power for this wedding dress.

“If you are embarrassed, then you don't have to try it first.”

Helen Qiu saw this, but did not embarrass Tan Xiaojing any more, and said empathetically.

“It's okay, elder sister.”

“As long as you are careful not to break it, you can try it on.”

Tan Xiaojing's inner kindness finally made her have the heart to refuse Helen Qiu's request.

In her opinion, Helen Qiu should like her very much like this wedding dress.

Maybe they can't afford it, but if they can satisfy Helen Qiu's desire to try it on, Tan Xiaojing is still happy to help.

However, just when Tan Xiaojing was about to take off this wedding dress for Helen Qiu to try on, there was a crisp sound of footsteps behind her.

"Ms. Zhang, please come here."

"Next, what I want to recommend to you is the treasure of our store."

"Moreover, I think it is the best match for your noble and elegant temperament. A wedding dress."

Chen Wenwen smiled and explained to Zhang Wenya politely and respectfully.

After speaking, she turned around and took Zhang Wenya towards the phoenix crown and hazel in the middle of the hall.

However, as soon as Chen Wenwen turned around, she saw Tan Xiaojing taking the wedding dress for Helen Qiu again.

"Huh?" "Tan Xiaojing, what are you doing?" "Who asked to touch that wedding dress?" "Millions of things, broken, can you afford it?"

Chen Wenwen was shocked when she saw this, and quickly walked up to take the wedding dress from Tan Xiaojing, and then sternly reprimanded.

Tan Xiaojing immediately lowered her head and said in panic: "The guest wants to try it on, so..."

"The guest wants to try it on?" "Which guest?" "You don't mean they want to try on it?" Chen Wenwen pointed to Mark reprimanded Tan Xiaojing in the direction.

"I think you are crazy, right?" "If they want to try it on, you can try it on for them."

"If two beggars come out to try on it, do you agree?" "You are a college student, it's almost nothing Mind, the system in the shop is forgotten?" "Really our bridal shop is a street stall, just try it on?" "Do you know that this phoenix crown is worth millions? If it gets dirty and damaged, they will pay Are you up?" Chen Wenwen pointed at Sang Shuhuai.

It seems to be scolding Tan Xiaojing, but in fact they are scolding Mark.

## Chapter 2174 Contempt And Disdain

Yes, in Chen Wenwen's view, Mark and the others are just two vanity insiders who are forced to come here to meet the world, taking a few photos while trying on them and sending them to the circle of friends to show off.

She sees too many lovers who have no money and are pretending to be poor.

But before, those couples also picked some cheaper wedding dresses to try on. After all, they couldn't afford it if they were too expensive.

But what Chen Wenwen didn't expect was that Mark and his wife were so shameless that they didn't have the money to buy, and they even picked the most expensive and best for a try.

This kind of brazen guest is the first time Chen Wenwen has seen it.

Faced with Chen Wenwen's reprimand, Tan Xiaojing bowed her head in panic.

After all, it was she who had the fault first, and she was the one who violated the shop rules.

Chen Wenwen scolded her, she was naturally unable to refute, so she could only bow her head and admit her mistake.

After scolding Tan Xiaojing, Chen Wenwen looked at Mark with a displeased face, and tried her best to keep her tone calm: "Sorry you two, we are not allowed to try on the wedding dress here."

If you have a wedding dress shop, please go out and turn left."

Chen Wenwen said to Mark and his wife again.

"What's the situation?" "Can you sell your wedding dresses?" At this moment, Zhang Wenya's impatient voice came.

When Chen Wenwen heard it, she quickly apologized and smiled: "I'm sorry, Miss Zhang, this staff is new and ignorant, I made you laugh."

After apologizing, Chen Wenwen quickly introduced the wedding dress to Zhang Wenya.

"Ms. Zhang, what do you think?" "This phoenix crown is the treasure of our town shop. In history, only princesses and queens can wear it."

"It can be said that after putting it on, it is full of luxury and grace."

"It matches your temperament best."

"If you want, you can try it on first to see the effect."

Chen Wenwen said enthusiastically.

But when Helen Qiu heard it, she was immediately displeased: "Isn't your store not allowed to try on? Why can she try on?" "Damn?" "Why haven't you left?" Chen Wenwen's face turned black at the time.

She felt that what she meant just now was obvious enough, but she didn't expect that Mark, the couple, would still rely on here to stay.

In a short time, Chen Wenwen's attitude became worse.

However, before Chen Wenwen could speak, Zhang Wenya frowned.

She looked at the two people in front of her, and her eyebrows immediately became a bit disgusting: "Isn't your bridal shop proud of a high-end place?" "Why do you want to get in?" "Want to try on a wedding dress?" "If this wedding dress is tried on by them, can others still wear it?" Zhang Wenya said displeased.

Chen Wenwen was immediately panicked and quickly apologized: "Miss Zhang, don't be angry."

"These two people got mixed in. I will chase them away."

"As for this wedding dress, you can rest assured, we promise with our reputation. No one will ever try to wear it. You will be the first one to try it on."

After comforting Zhang Wenya, Chen Wenwen immediately glared at Mark.

"You are not leaving? Do you really want me to call someone to drive you away?" "I want to compare with Miss Zhang, and don't look at my own virtues."

"Ms. Zhang's fiance, but the heir of the Wrifill Dollar Group, Nearly one billion in assets."

"Ms. Zhang will soon become a wealthy lady. How can you two turtles compare?"
