Chapter 2177 the despised Mark

Manager Sun was almost blown up by Mark, and his heart was burning with anger.

To be honest, when Mark said that he was the holder of the Hongqi Bank black card just now, Manager Sun immediately stunned.

At that moment, Manager Sun almost believed that the young man in front of him was the kind of low-key wealthy descendant.

After all, if it was a turtle, how could he know the existence of a black card.

Seven or Eight is the fastest ^ mobile terminal:

/ At that time, Manager Sun had almost thought about how to flatter Mark after Mark took out his black card.

But what about the second Ott? After a long time, this bastard is playing with him?

Manager Sun is not an idiot, he naturally will not believe the nonsense that Mark forgot to bring.

After all, it is a limited-issue black card with an investment amount of hundreds of millions, which is so precious.

It is the Ericson Li of Wrilfill who will take care of this kind of black card.

How can it be said that if you forget to bring it, forget it.

“Hey~” “What am I supposed to be a big man. After a long time, it is a funny comparison?” Zhang Wenya on the side was also amused.

She was also taken aback just now, thinking that she had really provoke some powerful characters.

Now it seems that she thinks too much.

Think about it, there are some big bosses in this world who like to be low-key with simple styles, but they won't be like Mark. They wear ordinary clothes, they are dirty, and their clothes are dirty. Don't know how to change one.

It's just that some people who don't have money are so sloppy and don't care about hygiene.

"Manager Sun, I have already said that this turtle is here to make trouble."

"Should he be driven away quickly."

Chen Wenwen was also impatient and wasted time with Mark, urging the manager to drive them out quickly, so as not to affect others. The guests.

"Go by yourself, don't let me drive you, leave yourself a little dignity."

"But, really, you can still find a wife, and the wife is so beautiful, it's so godless."

"Girl, I advise you. It is not a problem to marry a wealthy wife and be a rich wife with your appearance."

"There is no need to hang on your neck in this lesson."

Man, it's not worth entrusting."

Taking into account the image of his store, Manager Sun finally suppressed the anger in his heart and worked hard to keep himself from losing his mind.

He didn't ask Mark to drive them away, but let them go by themselves.

However, Helen Qiu suddenly giggled when she heard these words from Manager Sun.

She looked at Mark and said jokingly: "Hmph, did you hear that? People say that you are not worth entrusting."

"It's just that I am so stupid that I will marry you, otherwise you will be afraid of a wife in your life. Here it is."

Helen Qiu seemed to say jokingly.

Seeing Mark's embarrassment was undoubtedly a very fun thing for Helen Qiu.

After all, she saw Mark's awe-inspiring appearance, and now she occasionally sees him being despised, which is naturally unique.

But Mark's face went dark at the time.

Special mother, I was actually despised?

And still in front of his wife, which undoubtedly made Mark very shameless.

Depressed, Mark said directly: "I said, isn't it just a few million? It's not a big sum."

"You wait, I'll send it to you in a while."

"Don't swipe the card. Yes, cash payment this time."

Mark is also anxious, so buying a wedding dress can be despised.

Originally, Mark planned to owe it first, and then transfer the money to him later.

Now Mark changed his mind.

Don't these guys look at people?

Didn't he mean that he had no money and was pretending to be poor?

In that case, they used cash to slap them in the face.

After speaking, Mark called Li Xueqi.

"Xueqi, it's not here yet."

"Before I come, help me go to the bank and withdraw 10 million in cash."

"It's not a big deal, it's just being despised by a few eyesless guys."

"Say I have no money, You have to drive me away."

"I'm in a hurry. I forgot to bring the card. I can only trouble you."

Mark laughed at himself, telling Li Xueqi about his experience.

On the other side of the phone, Li Xueqi laughed like a silver bell.

"Giggle~" "Unexpectedly, Mr. Chu, who is dignified in Noirfork, sometimes has a time of eating."

After a simple conversation, Mark hung up the phone, and then smiled and looked at Manager Sun and others: "Wait a moment. Right."

"In five minutes, Miss Li Jiasan will come over with money."

“Ten million, shouldn’t it be enough for this wedding dress?” Mark said lightly, calmly, as if he had taken it. Not ten million, but one or two dollars.

“F*ck it!” “Shall I go to Nima?” “Return Miss Li San, ten million?” “Why don’t you go to the sky?” “It’s so horrible!” “Hurry up and get out of here!” “No more Get out, don’t blame me for calling people.”

Seven or eight starting 7*8.

At that time, Manager Sun was like a ball, and he exploded directly.

Anyone who is played like this by someone like this will be angry.

Just now Mark said he had a black card, and Manager Sun almost believed it.

This time, Mark said to take 10 million in cash and asked Miss Li San to send it.

Miss Li San, who is it?

That is the sister of Wrilfill Ericson Li!

It is Ericson Li, I am afraid that he is not willing to call his sister like this.

But this guy in front of him dares to speak up and let Miss Li San run errands to give money?

“I believe you are a ghost.”

“Hurry up!” Manager Sun no longer had the demeanor and calmness he had before, and he yelled at Mark. He even stepped forward, as if he still wanted to do something against Mark.

Seeing that, I wanted to kick Mark out.

“Manager Sun, don’t do it.”

“They just like this wedding dress, and they are also guests. The shop stipulates that they must not be rude to the guests~” Seeing Manager Sun’s anger, they seemed to hit Mark. , Tan Xiaojing on the side panicked suddenly, ran over quickly, stood in front of Mark, and persuaded bitterly.

“Go away!” “You little shopping guide, dare you to educate me?” “Who gave you the courage?” Manager Sun was in anger, and Tan Xiaojing’s words were undoubtedly adding fuel to the fire. Manager Sun, kicked Tan Xiaojing directly to the ground.

“You gotta F*ck me too.”

“From tomorrow, you won’t use it anymore.”

“You’re fired~” “I want to be a Virgin, as you wish!” Manager Sun cursed viciously.

When Tan Xiaojing heard this, her pretty face turned white, and her brows went red immediately.
