“Thanks to Erye’s care, our Xinxin Bridal Shop can gain a foothold in Wrilfill.”

“Erye’s friends come to our shop and they must be the guests.”

“You just borrowed my ten guts, I didn’t dare to rush out?” “So Miss San, you must have made a mistake.”

The manager of this bridal shop smiled and said with a shame, but did not go there at all. Mark thought about it.

“Really?” “Sun Haizhou, are you really an idiot or not?” “The person you offended just now is my brother’s friend!” Li Xueqi said coldly with a frosty face.

Hearing this, everyone was shocked and the whole room was in an uproar.

“You mean, he... he is the second master’s friend?” Manager Sun was sitting on the wax at the time, and his heart was full of tremors and panic.

“This... how is this possible?” “This terrapin is a friend of Wrilfill Ericson Li?” “Is it troublesome?” Chen Wenwen heard the sound, and her pretty face went white.

Looking at Mark’s eyes, they were full of incredible colors.

“Otherwise?” “Anyone who dares to provoke you, such an eyeless bastard?” “Hurry up and get out of here and apologize!” Li Xueqi obviously met the manager Sun, and while reprimanding her angrily, she asked Sun Haizhou to rush to Mark. apologize.

Seeing Li Xueqi’s anger, the manager immediately realized the seriousness of the matter.

So according to what Li Xueqi had said, her attitude changed, and she hurried to say something nice to Mark.

“that..

That, sir, sorry.

“A misunderstanding.”

“I didn’t know you were a friend of the second master.”

“If I had known it earlier, this wedding dress will be sold to you directly at 20% off.”

Manager Sun looked flattering, but it was in stark contrast to his previous attitude. While speaking, Manager Sun glared at Chen Wenwen again, and said sharply: “Why are you still doing this?”

“Hurry up and pack this phoenix crown and give it to this lady.”

“But manager, do you really want a 20% discount?”

“Chen Wenwen is obviously still thinking about her commission. After all, their profit for this wedding dress is only 20%. Now they are sold at 20% off to Mark, almost at the cost price. There is no profit order, Chen Wenwen naturally has no commission. Take it.

“What such a nonsense, hurry up!

Manager Sun said with a black face. Although he was in pain, but there was no way, who made them blind to Taishan and really offended a big man. Although, Manager Sun still doesn’t know Mark’s true identity, but only The identity of Ericson Li’s friend is enough to be worth 20% of the profit. “No!

” “I disagree.

“I like this wedding dress too, why should I give it to him?”

However, Zhang Wenya couldn’t help it at this time, and went to Chen Wenwen to grab the wedding dress. Fortunately, Manager Sun was quick to stop her in time. “Miss Zhang, I hope you can understand.

“This is a friend of the second master, let’s give it to them first.”

“After a few months, the next batch will arrive, and we will definitely keep one for you.”

“Manager Sun persuaded me very well. But Zhang Wenya didn’t listen at all: “No, this lady won’t let this wedding gown.”

“What happened to Erye’s friend?”

“Everything has to be reasonable!”

“Even if the second master is here, I won’t let it either.”

“I saw this wedding dress first, so why should I give it to them?”

“Zhang Wenya said in a spoiled way, and finally went straight up and snatched it. When Sun Haizhou didn’t listen to any persuasion, he was immediately annoyed and slapped this gentle face.

Although he is also in pain, but there is no way, who made them blind to Taishan, really offended the big man.

Although Manager Sun still doesn’t know Mark’s true identity, the identity of Ericson Li’s friend alone is worth 20% of the profit.

“I like this wedding dress, so why give it to him?” However, Zhang Wenya couldn’t help it at this time, and went to Chen Wenwen to grab the wedding dress.
