

Chapter 2183– 2184 of A Dish Best Served Cold Novel

Chapter 2183–Sword

In the hall, Li Xueqi said coldly.

After Sun Haizhou heard it, he was immediately stunned.

“You...what did you say?” “He.. Is he really Mr. Chu?” Sun Haizhou trembled, looking at Li Xueqi in disbelief, his eyes were almost the size of a copper bell.

“No...impossible?” “Mr. Chu stuns Noifork, and is a powerful force.”

“How can a person with this ability be so young?” “What’s more, how majestic and noble Mr. Chu is, so great. Man, how can he be so shabby and sloppy like him?” “This is absolutely impossible~” Sun Haizhou roared in a low voice, but it was really unacceptable. The seemingly ordinary man in front of him is really the one who smashes Noifork now. Mr. Chu.

“A person is not in appearance, and the sea cannot be measured.”

“The more capable the person is, the simpler the appearance will be.”

“Sun Haizhou, Sun Haizhou, you have been in the world for many years, don’t you even understand the truth about returning to innocence? Li Xueqi shook her head and said, looking at Sun Haizhou with disappointment.

After saying this, Li Xueqi did not explain anything, but stepped forward and respectfully said to Mark: “Mr. Chu, sorry, I am late.”

“The 10 million cash you asked for has been given away. Arrived.” While speaking, Li Xueqi waved his hand, and several bodyguards behind him opened the safe in his hand, which contained a wad of brand-new cash.

The moment they looked at these banknotes, everyone present trembled.

Chen Wenwen was stunned in place.

Sun Haizhou was struck by lightning.

There was also Tan Xiaojing, her little hand was even more surprised to cover her red lips.

“he..

Is he really, Mr. Chu?

“Until this moment, even Sun Haizhou had to accept the reality. After all, ten million cash is placed here naked, and Miss Li Jiasan is even more respectful in front of him. The entire Wrilfill, let Li Xueqi run errands to give money, but also Let her be so respectful, and only the one standing on top of power, Mr. Chu. “Manager Sun, how?

“Just now you said that I am not qualified to represent Mu Fan Group.

Now, are you eligible?

In the hall, Mark stood with his hands in his hands, with a sneer in his eyes. A pair of cold eyes, like looking down at an ant, looked down at Sun Haizhou in front of him in this way. Being stared at by Mark so much, Sun Haizhou was almost frightened. The soul flew away. Suddenly he begged in fear: “Chu...Mr. Chu, yes... I’m sorry, I really didn’t know it was you.

“I want to know it’s you. I must give you this wedding dress for nothing. How can I ask you for half a cent?”

“Misunderstanding, it’s really a misunderstanding.”

“Sun Haizhou was almost crying. Originally, he relied on his relationship with the Li family, and there were several people in Wrilfill that he was really afraid of. Even if it really provokes some extraordinary existence, the big deal is to call Li Xueqi and the others, please. They helped. The old neighbourhood, the playmate when he was a child, has this relationship, Sun Haizhou really has nothing to fear. But in front of Mr. Chu, all his confidence has undoubtedly disappeared. In his heart, only endless is left. After all, even Noirfork King Chen Ao was pulled off the altar because of a word from Mr. Chu. It is estimated that these god-like figures are crushing themselves today, and no one dares to say anything. However, in the face of Sun Haizhou’s panic begging for mercy, Mark sneered, “Isn’t it too late to say this now?

Chapter 2184

Ignoring Sun Haizhou’s begging for mercy, Mark walked away directly after speaking.

“Mr. Chu, the money?” Li Xueqi just caught up and asked again.

“It’s useless.”

— Soon after Mark left, soon, the employees of Mufan Group officially entered Xinxin Bridal Shop.

“Mufan Group has wholly purchased the entire bridal shop.”

“In the future, this shop will be owned by Mufan Group.”

“At the same time, after Mr. Chu’s decision, it is now decided to fire Sun Haizhou, the former lobby manager of the bridal shop, and Chen Wenwen, the employee.”

Tan Xiaojing was appointed as the lobby manager of the bridal shop, and the other staff positions remained unchanged.”

In the hall, Susie coldly announced the group’s decision.

Upon hearing this, the audience was in an uproar.

Everyone present was overwhelmed by Mark’s domineering and heroic.

They thought that Mark’s previous words were just talking.

But, who would have thought that Mark would actually buy this bridal shop.

“As expected of Mr. Chu, this wealth and domineering, the land of Wrifill, is owned by Mr. Chu alone.”

“Haha, Xiaojing, congratulations.”

“If you can win Mr. Chu’s favor, you will wait for it in the future. There is no end to the glory and wealth, right?” “It’s just that, Xiaojing, you will make a fortune in the future, but don’t forget our sisters who have worked together.”

At this time, the old sisters who ridiculed her are undoubtedly They all changed their attitudes, and they all flattered to Tan Xiaojing.

Obviously, these people think that Tan Xiaojing’s relationship with Mr. Chu is absolutely extraordinary.

Otherwise, how could someone like Mr. Chu name a young girl who has just entered society and be directly promoted to manager.

However, as long as Tan Xiaojing knows herself, she and Mr. Chu are just meeting each other without any deep friendship.

As for why Mark named herself as the manager, Tan Xiaojing didn’t know.

But when Tan Xiaojing was surrounded by people, Chen Wenwen and Sun Haizhou were not so much better.

Chen Wenwen is okay, she is a bit charming, and if she leaves here, she will find her next home.

But Sun Haizhou undoubtedly suffered a great loss.

This Xinxin bridal shop was originally an industry under the Li family.

Sun Haizhou could not find a job before, so he asked Li's door, and Li Xueqi gave him the bridal shop.

Over the years, Sun Haizhou didn't know how much money he had made with this bridal shop. Now he has been kicked out. This golden rice bowl is naturally broken.

Of course, what made Sun Haizhou more frightened was that he provoked Mr. Chu.

In the land of Noirfork, Mr. Chu is the sky.

If you offend him, it is naturally hard to move!

In desperation, Sun Haizhou could only call Li Xueqi, hoping that their Li family could help him with something nice.

But who could have thought that Li Xueqi would not even answer his phone.

Moreover, even WhatsApp was deleted.

Obviously, the Li family is making a clear distinction with him.

"Manager Sun, it's okay. Just open it, and it's a big deal to change the house."

"The tree is moved to die, and the person is moved to live."

"Leaving this bridal shop, can we still starve to death?" Seeing Sun Haizhou desperately It looked like Chen Wenwen was comforting from the side.

However, it was okay for Chen Wenwen not to persuade her. With her persuasion, Sun Haizhou directly exploded.

One kick directly on Chen Wenwen's stomach.

"It's okay, you are paralyzed!" "Chen Wenwen, it is you~" "If it weren't for you to let me drive Mr. Chu away, my Sun Haizhou would end up where I am today?" "You b*tch, I was killed by you. That's it!" Sun Haizhou cursed.
